

Chapter 631: Feeding A Dog With All Their Heart (1)

“It’s true that I told you that I wanted to break off the engagement with Lin Jiage, and it’s also true that I don’t like Lin Jiage. I have a life that I want to lead, and I also have a person that I want to fall in love with...”

At this point, Shi Yao realized that she had said too much, so she hurriedly stopped speaking. A moment later, she lowered her gaze and smiled, “Forget it. There’s no point in telling you all this...”

A moment ago, she had stopped talking, but in the next moment, Shi Yao took a step forward.

..

After hanging up the phone, Lin Jiage turned around to look at the dining table behind him, only to realize that Shi Yao wasn’t around.

Lin Jiage thought that Shi Yao had probably gone to the bathroom, so he didn’t rush into it. Instead, he pulled out a chair and sat down once more.

About ten minutes later, he saw that Shi Yao hadn’t returned yet, so he whipped out his phone and gave her a call. It was only after the call was connected that he realized that Shi Yao’s phone was still in her bag.

Even if she was going to the washroom... wasn’t that a little too long?

Lin Jiage waited for Shi Yao for a while longer, but seeing that she was still not back yet, he gestured for a waiter to take a look at his and Shi Yao’s belongings. After which, he got up and began searching for her.

When he reached the entrance of the washroom, Lin Jiage was just about to grab a waiter to help him check the situation in the washroom when he caught sight of someone wearing the same color clothes as Shi Yao in the massage chair area not too far away.

That person was sitting in a chair, revealing only the color of his clothes. Lin Jiage walked over with the intention of giving it a try, but he didn’t expect to see Liang Mumu sitting on the massage chair before he could even enter the massage chair area.

Liang Jiusi’s little cousin... didn’t she go back to the countryside? Why is she in Beijing?

He frowned slightly before seeing the person wearing the same color as Shi Yao standing up.

It’s really Shi Yao... But why is she together with Liang Jiusi’s little cousin?

Could it be that the two of them met by chance and had some sort of conflict?

With this thought in mind, Lin Jiage subconsciously raised his feet and walked over.

As he got closer, he could hear what the people inside were saying.

Liang Mumu brought up his name, "You even told me that you were going to break off your engagement with Lin Jiage, but what about now? Have you broken off your engagement with him? Don't think that I don't know that the Lin family is already preparing for your wedding to Lin Jiage!"

Is there something wrong with Liang Jiusi's little cousin?

What does it have to do with me whether the engagement is broken off or not? Even if the engagement is broken off, I won't even look at her, alright?

Lin Jiage grumbled to himself before picking up his pace. However, before he could reach Shi Yao and Liang Mumu, Shi Yao suddenly spoke up, "Whether you believe it or not, I've never lied to you before."

When Soft Bun said those words, didn't she feel a little sad?

After all, she had once treated Liang Jiusi's little cousin as a friend... But who didn't have the experience of feeding a dog with all their heart..

Lin Jiage thought that he would have to coax Shi Yao later on.

But before he could settle on that thought, Shi Yao, who wasn't too far away, suddenly spoke up, her lips moved once more, "When I told you that I wanted to break off the engagement with Lin Jiage, it was also true that I don't like Lin Jiage. I have a life that I want to live, and I also have someone that I want to fall in love with..."

It was as if someone had struck Lin Jiage's acupoints, and he suddenly froze on the spot.

Chapter 632: Feeding A Dog With All Their Heart (2)

He knew that she wanted to break off the engagement with him back then, and he knew that she had never liked him.

It was just that she had someone that she wanted to like as well..

Even though she only wanted to like him, and she didn't already like him, Lin Jiage still felt as if someone had punched him in the heart, causing a dull yet heavy pain.

It was no wonder that she had rejected him when he had confessed to her; it was no wonder that she had told him that she wanted to break off the engagement with him... it turned out that she had a man in her heart..

Shi Yao spoke up once more, but Lin Jiage didn't listen to her.

It was only when he heard footsteps coming from inside that he snapped back to his senses.

He had originally come to look for her, but at this moment, he didn't know what was wrong with him either. He was a little afraid of meeting her, so before she could notice him, he swiftly turned around and left.

Lin Jiage didn't pay much attention to where he was going either. All he knew was that by the time he came back to his senses, he was already at the entrance of the washroom, and he had nearly pushed open the door to the ladies' room.

He quickly retracted his hand and walked into the men's washroom. He found a random cubicle and entered it. One moment, he closed the door, and the next moment, he leaned against the cubicle door.

He raised his head and stared at the ceiling for a moment, and for some reason, his eyes began to ache.

He had no idea how long he had been standing there in a daze like a statue.

All he knew was that he had been jolted back to his senses by a sudden knock on the cubicle door behind him, "Brother in there, your phone keeps ringing..."

Lin Jiage didn't say a word. He lowered his head and took out his phone, only to find a row of missed calls on the screen.

They were all from Shi Yao.

Soon, Shi Yao's call appeared on the screen once more.

He stared at the screen for a moment, but he didn't pick up the call. Instead, he muted the call and stuffed it back into his trouser pocket. He maintained his previous posture and leaned against the door in a daze for a moment before slowly standing up and opening the door behind him, he walked out.

Standing in front of the sink, Lin Jiage glanced at his reflection in the mirror, and he could clearly see that his eyes were slightly red.

He turned on the tap, grabbed a handful of cold water, and washed his face. After which, he faced the mirror once more and smirked. After making sure that his face wasn't as stiff as before, he casually took out two tissues and wiped off the water droplets on his face and hands, he walked out of the washroom.

With a single glance, he caught sight of Shi Yao, who was anxiously calling him from the floor-to-ceiling window.

He paused in his tracks and stared at her for a moment before walking over to her.

When he was standing right in front of her, she noticed that someone was approaching her, so she raised her head to take a look. After taking a closer look at him., the anxious expression on her face immediately relaxed. "Where did you go? I'm about to board the plane, and I tried calling you so many times, but you didn't pick up..."

"Oh..."hearing Shi Yao's words, Lin Jiage took out his phone from his pocket and took a look at it. His tone was as calm as usual,"... I accidentally muted my phone. I was in the bathroom just now."

After hearing Lin Jiage's explanation, Shi Yao replied with an "Oh oh"before urging Lin Jiage to hurry up and board the plane, "There's only ten minutes left before the plane closes. We have to hurry."

Lin Jiage didn't say a word, but he nodded his head with his usual expression. After which, he bent over to grab his and Shi Yao's bags and followed her to the boarding gate.

Chapter 633: Don't Eat (1)

After boarding the plane, Lin Jiage seemed to have fallen asleep. Leaning back in his seat, he closed his eyes.

Seeing that he was resting, Shi Yao didn't disturb him any further. Sitting beside him, she put on her phone and headphones to watch the television drama that she had downloaded beforehand. After which, she fell asleep as well.

By the time Shi Yao woke up, the plane had already begun landing.

To her surprise, Lin Jiage was still asleep.

Shi Yao wasn't in a hurry to wake Lin Jiage up. It wasn't until the plane had landed, stopped, and opened the cabin door that she gently nudged Lin Jiage beside her, "Lin Jiage, we're here..."

Lin Jiage slowly opened his eyes and glanced at Shi Yao's face. Before Shi Yao could catch the emotions in his eyes, he retracted his gaze, unfastened his seatbelt, and stood up to open the cabin door, after unpacking their luggage, he took the lead and walked toward the plane's cabin door.

Lin Jiage had already booked a car in advance, and by the time he exited the airport, the chauffeur was already waiting for him.

After boarding the car, the chauffeur immediately escorted the two of them to the hotel. On the other hand, Lin Jiage seemed to be very busy. As soon as he sat down, he whipped out his laptop and began typing on the screen.

The sound of his keyboard continued all the way to the entrance of the hotel lobby. Only after Lin Jiage closed his laptop did he finally come to a stop.

Lin Jiage booked two rooms in advance, and after checking in, he accepted the room card and headed upstairs with Shi Yao.

It was only when they reached the entrance of the room and swiped the room card that Shi Yao realized that her and Lin Jiage's rooms were opposite each other.

"I'll head back to my room to pack my things first..." before parting ways with Lin Jiage, Shi Yao tugged at her luggage and greeted Lin Jiage.

Lin Jiage didn't say anything. He simply nodded lightly before pushing the door open and entering his room.

Shi Yao stared at the door that Lin Jiage had closed behind him for a moment, and she couldn't help but feel that something was amiss. However, she tilted her head and pondered for a moment, but no matter how hard she tried, she couldn't figure it out. In the end, she simply thought that she was being too sensitive., after which, she entered her room.

Shi Yao washed her face and changed into a new set of clothes. Taking a look at the time, she realized that it was almost seven o'clock. Thus, she took out her phone and sent a message to Lin Jiage: [what are we going to eat tonight?]

After sending the message, she didn't receive a reply from Lin Jiage even after a long while.

She added another '?', but seeing that there was still no response from him, she took her room card and bag and headed to his room.

Shi Yao rang the doorbell several times before the door finally opened.

She thought that Lin Jiage hadn't opened the door for such a long time. Perhaps, he was taking a shower or sleeping, but to her surprise, there wasn't a single change in him at all.

He didn't turn on the air conditioner, and the window was open. The bed in his room was very tidy, as if he had never sat on it or laid on it before. Not a single part of the room had been touched, and his luggage was placed at the door, so he didn't open it either.

After seeing the situation in Lin Jiage's room, Shi Yao couldn't help but frown.

It was clear that he hadn't done anything after entering his room. So, why didn't he reply to his messages or open the door for so long? What was going on?

The doubts in Shi Yao's heart didn't leave her mouth.

Lin Jiage happened to glance at his phone, and he caught a glimpse of the contents of her messages. As if he knew what she was thinking, he spoke up, "I just received a call..."

Before Shi Yao could respond, Lin Jiage spoke up once more, "I've already reserved a table for dinner. It's an old-fashioned hotpot restaurant nearby. Let's head over there directly..."

Chapter 634: Don't Eat (2)

After hearing Lin Jiage's explanation, Shi Yao didn't think too much into it. She immediately took the elevator with Lin Jiage and headed to the Hotpot restaurant.

However, this wasn't the first time she noticed that something was amiss with Lin Jiage, so Shi Yao still paid close attention to him throughout the entire process of eating the hotpot. Other than the fact that he still couldn't eat too spicy..., there wasn't much difference between him and his usual self either.

It was only 8:30 pm when they returned to the hotel after eating hotpot.

After returning to their respective rooms, Shi Yao took a shower first. After washing away the smell of hotpot from her body, she suddenly felt like eating some fruits, so she grabbed her phone and ordered a takeaway.

Around twenty minutes later, the takeaway arrived.

After Shi Yao went downstairs to retrieve the fruits, she didn't go back to her room to eat alone. Instead, she knocked on Lin Jiage's door.

Just like how she knocked on his door several times in the evening, no one answered.

She pressed the doorbell a few more times, but there was still no response from inside. Only then did she return to her room with a bizarre expression on her face.

Putting down the fruit, she picked up her phone and made a call to Lin Jiage.

But no one picked up.

She began sending a message: [Lin Jiage? I knocked on your door for half a day just now. Why aren't you opening it?]

[Lin Jiage, I bought some fruit. Do you want some?]

[eh? Lin Jiage, are you in the middle of a shower or something? If you see it, remember to reply to my message.]

[oh... you've been ignoring me for so long, are you sleeping? Alright then, I'll eat it by myself...]

After sending several messages to Lin Jiage, Shi Yao saw that there was still no response from him, so she opened the takeout and sat down by the French window with a fork in her hand. While admiring the night view, she began eating the fruit.

It was still early, so she wasn't sleepy at all. After eating a quarter of the fruits, she logged into the game.

..

After returning to the hotel with Shi Yao, Lin Jiage took a shower before lying on the bed in his bathrobe. As soon as he closed his eyes, he suddenly recalled the words that Shi Yao had said at the Beijing airport that afternoon.

I have someone I want to like as well... someone I want to like... someone I want to like..

These words echoed in Lin Jiage's ears countless times. He suddenly sat up, grabbed a set of clean clothes from his luggage, put on his room key, and walked out of his room, he went to the lounge on the top floor to drink alone.

The lounge of this hotel was beautifully designed. Through the bright windows, one could see the brightly lit city outside.

While listening to the elegant music, Lin Jiage was enjoying the night view downstairs while drinking wine. However, after drinking a few glasses of wine, the stifling feeling in his heart didn't dissipate. On the contrary, it became even more stifling.

He had no idea how long he had been here by himself, but the screen of his phone that he had casually placed on the table lit up.

It was a call from Shi Yao, but he didn't pick up the call. Instead, he gulped down a glass of wine, and after he put down the glass, the screen lit up once more, this time, it was a message from Shi Yao: [Lin Jiage? I knocked on your door for a long time just now, but why didn't you open it?]

Why was she knocking on My Door?

For a moment, Lin Jiage hesitated for a moment, but just as he was about to reply to her message, he saw a new message from her: [Lin Jiage, I bought some fruit. Do you want some?]

Don't want any... Lin Jiage continued drinking, and he received two more messages from her.

This time, he didn't even look at them.

After he finished the wine on the table, he raised his hand and gestured for the waiter to continue serving the wine. Just then, the screen lit up once more.

.

Chapter 635: I Am Unhappy. Hurry Up And Coax Me (1)

He instinctively looked at his phone, but before his eyes could even reach the screen, his gaze froze. Then, as if he didn't know that his phone screen had lit up, he turned to the waiter whom he had called over, he pointed to a foreign wine bottle on the table and said, "Give me another bottle."

After the waiter left, Lin Jiage stared blankly at the night view outside the window.

It wasn't until the waiter brought the wine over that he averted his gaze. After which, he glanced at the pitch-black screen of his phone and poured himself a glass of wine.

After finishing his drink, he put down his wine glass and continued pouring. This time, he picked up his wine glass and took a small sip. Then, he put down his wine glass and picked up his phone.

"HM? Lin jiage, did you say that you're in the middle of a shower or busy? If you see it, remember to reply to my message."

"Oh... you've been ignoring me for so long, are you sleeping? Alright then, I'll eat it by myself..."

After reading the other two messages she sent, he wanted to reply to them, but after tapping on his keyboard twice, he deleted the few letters he had typed out one by one and exited the message.

There was also a notification on wechat. After tapping in, he realized that someone in the [sexy and wild] group had tagged him.

There were already dozens of messages in the group. He held his phone with one hand, his fingertips lightly swiping the screen as he read one by one.

[Yao loves ice cream]@everyone: "Does anyone want to play games?"

[tiandao] : "No, I want to have supper with my wife."

[juice] : [after drinking this bowl of dog food, we can still be good friends.]

[Yao loves ice cream] : [this wave of dog food, my baby swallowed it along with the bowl of food.]

[expert of the monkeys] shared a game room in the group chat: [come, come, let's play a game.]

It was probably because Shi Yao and Lu Benlai had entered the game page that the group chat fell silent.

Just as Lin Jiage was about to log out of the group chat, a new message appeared on his screen.

[juice] : [boss, we need one more. Are You Coming?]

Lin jiage ignored Lu Benlai and was just about to log out of wechat when a new notification popped up.

This time, it wasn't someone in the [sexy and frisky] group who had tagged him. Instead, it was a private message from Shi Yao: [God, do you want to play games?]

I don't want to... Lin Jiage muttered these three words in his heart. Then, he raised his wine glass and gulped down all of the wine in it.

When he put down his wine glass, a new message appeared on his screen. It was from the game room that Shi Yao had shared with him.

Lin Jiage averted his gaze and refilled his wine glass. After which, he gulped down the wine in his glass in one gulp. This time, after he put down his wine glass, his fingertip landed on his phone screen.

After entering the game, Lin Jiage remained silent throughout the entire conversation between Shi Yao, Lu Benlai, and Xia Shangzhou.

He was usually quiet when playing games, so the three of them didn't think that there was anything wrong with him. After he was ready, Lu Benlai, who was the owner of the house, immediately started playing the game.

Due to his depression, Lin Jiage intentionally stayed away from Shi Yao and the others in the game. When they picked up some good equipment and asked him if he wanted it, he refused to return. Instead, they brought the equipment to him, but he refused to pick it up either, in fact, when he was running his poison, they even specially drove over to pick him up. He pretended not to see their car and ignored their incessant calls for him to get into the car. After replenishing his energy, he ran straight into the safety zone..

Chapter 636: I Am Unhappy. Hurry Up And Coax Me (2)

[juice] : "Boss, why don't you get into my car? I'm really sad, sob sob sob sob..."

[expert sent by monkey] : "Aren't you disgusting? You're a grown man, sob sob your head, I'll punch you one punch at a time. Do you believe me?"

[juice] : "I'm willing, so what do you care about me? SOB, sob, sob, sob, sob, sob, sob, sob..."

[expert of the monkeys] : "It's no wonder boss won't get into my grandson's car. Even I want to destroy my family..."

"..."

Lin Jiage wasn't the only one who was used to seeing Lu Benlai and Xia Shangzhou bicker at the drop of a hat, even Shi Yao was so calm that it was as if the two of them were simply discussing something as simple as, "Did you eat today? What did you eat today?"

Very soon, the car caught up to Lin Jiage and slowed down to follow him.

[expert of the monkeys] : "Boss, get in the car..."

[juice] didn't say a word. All it did was press the horn of the car furiously.

Lin Jiage turned a deaf ear to all the sounds coming from his phone, maintaining a straight line as he continued running forward.

[Yao loves ice cream] : "That's weird. Why isn't the Almighty in the car? Is it because he didn't turn on his voice chat and can't hear us?"

[expert of the monkeys] : "That makes sense..."

[Yao loves ice cream] : "Wait until I type something..."

A second after Shi Yao finished her sentence, a line of words suddenly appeared on Lin Jiage's screen.

[Yao loves ice cream] : “God, get in the car.”

Lin Jiage turned a blind eye to it and continued running forward.

[expert of the monkeys] : “That’s weird. What’s wrong with Boss? Could it be that he’s on auto-running mode and isn’t around?”

[juice] : “Let me hit boss with my car. It’s not like I can kill him right now anyway...”

Lu Benlai’s words were transmitted into Lin Jiage’s ears through his earpiece, and he was placed on top of the car in the game.

Just as Lin Jiage was about to jump back to the ground, a bullet flew over from the southwest direction and pierced through his level 3 head, knocking him to the ground.

[it’s juice] : “F * ck! There’s someone in the Southwest!”

[expert of the monkeys] : “Get out of the car, get out of the car, and hide behind the car... boss, crawl over here and get Sis Yao to save you. Juice and I will crush them...”

After Lin Jiage was knocked down, he happened to land at a safe spot behind the car.

Probably due to Xia Shangzhou’s instructions, Shi Yao immediately ran over to him and squatted down to save him.

However, after placing her hand on his head for less than two seconds, he suddenly stopped her from saving him.

She reached out to save him once more.

He continued to crawl.

Two consecutive times, [Yao loves ice cream] said, “God, don’t move around. I Won’t be able to save you if you do that...”

He doesn’t want me to save you... with such thoughts in mind, Lin Jiage began to crawl out of the car.

They were in the poison zone, so his health bar was rapidly depleting. By the time he reached a spot where there was no cover, someone in the group that was fighting with Xia Shangzhou and Lu Benlai had just swept a glance at him, in the next moment, he had turned into a box.

Following which, a sentence appeared on the screen: [come into the bowl] eliminated [111111] with UMP5.

[it’s juice] : “There’s a problem with boss!”

[expert sent by monkey] : “There’s definitely a problem!”

[Yao loves ice cream] : “I feel the same way. I read a sentence from the box on the ground: Baby is unhappy. Come and coax me!”

Chapter 637: Coquettish Little Girl (1)

[juice] : “Baby?”

[expert of the monkeys] : “Coax Me?”

As the two of them asked the same question, a merciless laughter came out of the earpiece.

[juice] : “Sister Yao? That’s the funniest and most ridiculous thing I’ve heard about Boss!”

[expert from monkey] : “Ditto!”

[juice] : “Sister Yao, Can I interview you? How did you match the Word ‘baby’ with Boss?”

[expert from monkey] : “You even tried to coax me? What kind of person is boss? He’s naturally aloof and unapproachable. How did he become a coax?”

[Yao loves ice cream] , who had been teased by Lu Benlai and Xia Shangzhou, harrumphed coldly, displeased, he replied, “That’s what I meant. What did I say wrong? I told him to pick up the things, but he didn’t come. I sent the things to him, but he didn’t pick them up. I kept telling him to get in the car, but he refused to get in. He was beaten to death, but he refused to let me save him. He’s obviously acting like a tsundere, just like those coquettish little girls. If your baby is unhappy, you should come over and coax me. If you coax me, I’ll be happy...”

A coquettish little girl... is she describing me?

Lin Jiage’s face immediately darkened.

Xia Shangzhou and Lu Benlai, who were in the earpiece, burst out laughing even more heartily.

Back at Beijing International Airport, Lin Jiage had been in an extremely displeased state ever since he heard Shi Yao’s words to Liang Jiusi’s little cousin. However, because Shi Yao was around, he was afraid that he would lose his composure and say something overboard to her, thus, he had been trying his best to suppress the displeasure in his chest, trying his best to act as normal as possible in front of Shi Yao.

At this moment, hearing Xia Shangzhou and Lu Benlai’s smiles, he moved his lips without a second thought. He wanted to vent all of his pent-up emotions from the entire afternoon, “You two...”

He only said two words, and before he could even express the pressure in his voice, a ‘Aiya’ sound came from his earpiece.

It was Shi Yao’s voice.

Without even thinking, he shut his mouth.

“Hiss –“it was from Shi Yao’s side again.

Before Lin Jiage could speak, Xia Shangzhou, who had also noticed that something was amiss, asked, “Sis Yao, What’s Wrong?”

“I...” Shi Yao only said one word before she took in a deep breath.

Following which, the dull thud of something falling to the ground sounded from her side, and it sounded like her phone had fallen to the ground.

“Sis Yao?”

“Sis Yao? Sis Yao?”

“Sis Yao...”

However, there was no response from Shi Yao’s side.

Lin Jiage abruptly rose to his feet. Due to his excessive strength, he crashed into the table in front of him and knocked over the wine bottle, causing alcohol to spill all over his body. However, he didn’t pay any attention to it, with a slightly hoarse voice, he called out to the attendant, “Attendant!” Before the attendant could reply, he said, “Bill the room.” After which, he rushed to the front desk, signed his name, and rushed to Shi Yao’s room.

He rang the doorbell several times, but no one answered it. Thus, he could only rush back to his room and make a call to the front desk.

After hanging up the call, it only took two minutes for him to urge the front desk several times.

By the time the attendant appeared with the Universal Room Card, Lin Jiage was so anxious that he grabbed the room card before the attendant could swipe it. Opening the door, he rushed into the room.

With a single glance, he saw Shi Yao curled up on the balcony floor.

Chapter 638: Coquettish Little Girl (2)

“Yaoyao...”

Just as those two words left his mouth, he had already rushed up to her and asked, “Yaoyao, what’s Wrong?”

Her face was frighteningly pale, and beads of sweat were trickling down her forehead.

There wasn’t much blood on her lips either, so when she heard his voice, she wanted to say something, but she could only force out the word ‘pain’.

“Pain? Where does it hurt?” Lin Jiage asked as he looked at Shi Yao’s abdomen.

“My stomach hurts?” After asking the question, he raised his head and scanned his surroundings. After which, he rushed to her bedside and rummaged through her bag for her identity card. He stuffed it into his pocket before returning to her side. Bending over, he carried her in his arms, he ran out of the hotel room.

“Yaoyao, bear with it. I’ll take you to the hospital right now...” he said as he quickened his pace.

When he entered the elevator, he could feel the girl’s body trembling in his arms.

His arms started to tremble as well. He hugged her tightly as he opened his mouth to speak again. When he finished speaking, he realized that even his voice was trembling, at this moment, his voice was trembling as well, “Yaoyao, don’t be afraid. We’ll be at the hospital soon...”

Even though it was already late at night, it was fortunate that the Hotel Lin Jiage had booked was located in the most bustling area, so there was an empty car on the way out.

After Lin Jiage carried Shi Yao into the car, he hurriedly told the driver, "Hospital." After which, he lowered his head and softly coaxed the young lady in his arms.

It didn't take long before they arrived at the hospital. Lin Jiage registered himself, and Shi Yao was taken away by the Doctor for a checkup.

The checkup didn't take too long, but Lin Jiage was still pacing back and forth in the corridor, completely flustered.

When the doctor came out, Lin Jiage immediately rushed over and asked, "Doctor, how is she?"

"She's fine. It's just acute gastroenteritis. I've prescribed some medicine for her, and after she's given an IV, she should be able to go home to rest."

Lin Jiage asked doubtfully, "Are you sure?" She was already in so much pain that her entire body was trembling and she was sweating profusely. How could she possibly go home to rest later? Do you know how to treat a patient? Which Medical School did you graduate from? What degree did you receive? Do you have a diploma? Where's your director? Tell your director to come over..."

The Doctor shot Lin Jiage a sidelong glance, "Either you stay here and watch over her, or I'll call security to send you away!"

Lin Jiage's mouth fell open, but in the end, he still admitted his defeat and went to the ward.

Shi Yao had already started the drip.

Perhaps it was still a little painful, but her body curled up into a ball on the bed.

Lin Jiage sat beside her, not leaving her side at all. Every once in a while, he would ask her if she was still in pain?

In the end, perhaps it was due to the effects of the drip, but Shi Yao fell asleep.

By the time the IV was done and the nurse came to remove the IV, she had woken up Shi Yao.

Lin Jiage glared at the nurse as she left the ward before carrying Shi Yao out of the hospital with a sullen expression on his face.

Acute gastroenteritis came and went quickly. After the IV, other than feeling a little exhausted, Shi Yao was no longer in so much pain. She wanted to leave on her own, but Lin Jiage refused to let her go, so she didn't argue with him, without much strength to argue with him, she simply allowed him to carry her into the taxi.

On the way back to the hotel, Shi Yao finally noticed the strong smell of alcohol on Lin Jiage's body.

Frowning, she lifted her head, which was resting on his chest, and asked, "Have you been drinking?"

Lin Jiage replied with an "En". Just as Shi Yao was about to ask him why he was drinking, she realized that he was only wearing a single shoe.

Chapter 639: I'm Just A Little Touched (1)

Lin Jiage replied with an “Un”. Shi Yao was just about to ask him why he drank, but before she could finish her sentence, she realized that Lin Jiage was only wearing a shoe.

His feet were covered in dirt, and the soles of his feet were probably scratched by something. There was blood all over the place.

From the looks of it... he must have been walking on the ground barefoot for a very long time... did he lose his shoes on the way to the hospital?

An indescribable emotion instantly filled Shi Yao’s heart.

She stared at his feet for a long while before gently moving her fingertips. Then, she realized that the clothes on his body were extremely damp.

She frowned and turned her head around. There was a large patch of wet clothes on his usually neat white t-shirt.

As he was relatively close to her, she moved her head closer to the wet patch. She then smelled the strong scent of alcohol on his clothes.

In just a few seconds, Shi Yao realized that his clothes weren’t wet from the water, but from the alcohol.

She had lived with him for a month, so she had a good understanding of his daily habits. He loved cleanliness to the point of making one’s hair stand on end, but he was actually willing to spend several hours with her in the hospital while wearing dirty clothes?

Shi Yao stared at the stain on Lin Jiage’s clothes, and she couldn’t help but tighten her grip on them as she pursed her lips.

Lin Jiage, who was hugging her, could feel the slight stiffness in her body. With a hint of anxiety, he lowered his head and asked, “What’s wrong? Are You in pain again?”

“I knew it! That doctor is a quack!” Without waiting for Shi Yao to respond, Lin Jiage turned to the taxi driver and said, “Sir, we’re going to the hospital. We’re going to the best hospital in your city...”

“No, no, no...” Shi Yao was so shocked by Lin Jiage that she couldn’t help but say a few “No’s”.

Seeing one saying ‘Yes’ and the other saying ‘No’, the taxi driver slowed down his speed, not knowing what to do. “Are we going or not?”

Afraid that Lin Jiage would say something, Shi Yao raised her hand to cover his mouth before replying to the taxi driver, “I’m sorry, sir. We’re not going to the hospital. We’re going to the hotel address that we gave you just now...”

It was only after the taxi driver continued speeding down the road that Shi Yao turned to Lin Jiage, who had his mouth covered, and said, “I’m fine. There’s no need for me to go to the hospital. I...”

At this point, she seemed to have realized something, and she suddenly stopped.

I was just a little touched that I nearly blurted out those words from the bottom of my heart..

“What?” Seeing that she was halfway through her sentence, Lin Jiage asked in confusion. His voice was a little muffled due to her covering her mouth.

Shi Yao snapped back to her senses and replied with a random “OH” before turning her eyes around. As if nothing had happened, she casually found a topic to talk about, she tried to cover it up, “I just wanted to say, why didn’t you invite me along when you were drinking? You’re so ungrateful!”

“I...” Lin Jiage stumbled for a moment, but he didn’t know how to continue.

He couldn’t possibly say that he was in a bad mood and had gone to drink alone, right? How embarrassing would that be..

After thinking for two seconds, Lin Jiage continued replying, “... I have an appointment with a client.”

A sudden realization dawned on Shi Yao, and she replied with an ‘oh’, “I thought you were in a bad mood, so you went out to drink alone...”

Hearing those words, Lin Jiage turned his head guiltily and looked out the window, “How is that possible? Do I look like the type of person who would drown his sorrows in alcohol?”

Chapter 640: I’m Just A Little Touched (2)

You Can’t be too sure about that. Anyone would be depressed at some point in time..

However, Shi Yao didn’t say those words out loud. Instead, she suddenly thought of something and changed the topic, “Oh right, did you spend a lot of money on your treatment tonight?”

“It’s not much to me...” Lin Jiage knew that Shi Yao liked to eat, so he liked to use the price of food to describe her, to describe the price to her: “... For You, that’s a lot. After all, one haagen-dazs ice cream a day is enough to last you a month.”

What’s The Big Deal? You can do whatever you want with money? Is this how you show off your money?

Shi Yao puffed up her cheeks and didn’t feel like talking to Lin Jiage anymore.

After a while, Shi Yao thought to herself, money is indeed something. It’s true that one can do whatever they want with money. After all, they don’t even care about a month’s worth of haagen-dazs ice cream... but so what if Lin Jiage is rich? Sooner or later, all of his money will end up in the pockets of another girl!

Thinking up to this point, Shi Yao felt a little more at ease.

So what if Lin Jiage is rich and can earn money? By the time a girl takes him in, he’ll still be working for that girl... Haha..

Just as Shi Yao was laughing at Lin Jiage in her heart, she suddenly felt a little unhappy.

She was going to break off the engagement with Lin Jiage, and it was impossible for Lin Jiage to stay single for the rest of his life. Then... What kind of girl would marry him... would that girl come from a prestigious family? Would she be very pretty? Would she be sensible and elegant?

But that was strange. What was wrong with her? She clearly had someone she wanted to like, so why did she care so much about the girl Lin Jiage was going to marry in the future?

Just as Shi Yao was deep in thought with a frown on her forehead, the taxi stopped at the entrance of the hotel.

After paying the bill, Lin Jiage carried Shi Yao back to the hotel.

After carefully placing her on the bed, he asked, "Are you still feeling unwell?"

Shi Yao shook her head. "No."

"Really?"

Shi Yao was a little impatient. "I'm really fine!"

Lin Jiage didn't get angry at all. On the contrary, he chuckled instead. Raising his hand, he patted her head and said, "In that case, you should rest first. I'll go back and take a shower first, and I'll come back to check on you later..."

Shi Yao was like a furious kitten that had been pacified in an instant, and she replied with a soft "Mhm..".

Lin Jiage stood up and took two steps toward the door. Then, as if recalling something, he turned around to the water bar, boiled a pot of hot water, and poured himself a cup, he placed it on the bedside table beside Shi Yao and said, "Drink some hot water first. I'll be right over..."

After Shi Yao obediently nodded her head, Lin Jiage took Shi Yao's room card and left her room.

After sleeping in the hospital for a few hours, Shi Yao returned to her hotel room, and she didn't feel too sleepy anymore.

After Lin Jiage left, she laid on her bed and looked at her phone. She realized that there were a lot's in the [sexy and lascivious] group, and even juice and expert had privately messaged her. It was only then that she remembered that she was playing a game, her stomach suddenly hurt.

She hurriedly sent a message to [expert of the monkeys] : [I'm Fine!]

To save herself the trouble, Shi Yao forwarded the message to [juice] and [111111] , who hadn't asked her what had happened.
