

WITH YOU 771

### **Chapter 771: Lifelong Contract (1)**

Lin Jiage squeezed Shi Yao's soft and boneless hand, and just as he was about to reach the entrance of the female dormitory building, he suddenly pulled her toward him. Caught off guard, he lowered his head, he planted a kiss on Shi Yao's glabella, "Good night, Lin Jiage's girlfriend."

It was just a peck on the cheek, but his clean and pleasant scent still filled her breath.

Shi Yao's heart began to pound furiously. She suddenly felt as if she had run out of words, and she didn't know how to respond. In the end, all she could do was let out a soft "En" before turning around and running back into the dormitory.

After Shi Yao returned to the dormitory, she leaned against the door, raised her hand, and touched the space between her eyebrows. She then touched her lips, and when she recalled his words, "Lin Jiage's girlfriend," she suddenly burst into giggles.

Only when she came back to her senses did she realize that He Tiantian and Jiang Yue were standing right in front of her, sizing her up from head to toe.

"Why are you guys surrounding me?" Shi Yao felt a little uneasy.

Jiang Yue: "You shouldn't be asking us, right? We should be the ones asking you. May I ask what that flirtatious smile of yours meant?"

Shi Yao replied stubbornly, "When did I have a flirtatious smile?"

He Tiantian: "Alright then, you didn't. You were just daydreaming, so can we get to the main point now?"

Flirtatious? Daydreaming? What's the difference?

Shi Yao's lips twitched. "I'm going to take a shower!"

Facing Shi Yao's departing back, Jiang Yue wasn't the least bit anxious. "It's fine. We'll know even if you don't tell us..."

He Tiantian nodded in agreement. "That's because when I was hanging out on the balcony to dry my clothes, I happened to look down the window and saw senior Lin kissing you..."

Shi Yao's back stiffened, and she hastened her footsteps. Without even turning her head, she ran into the bathroom and slammed the door shut.

..

Lin Jiage didn't return home. Instead, he returned to Room 501, which he hadn't returned to for a long time.

Pushing open the door, Xia Shangzhou, who was eating instant noodles, and Lu Benlai, who was reading a novel, were both shocked to see Lin Jiage.

Xia Shangzhou: "Boss, why did you suddenly return to your dormitory room?"

Lu benlai: "Is there a need to ask? Boss must have missed me..."

Xia Shangzhou: "Ptui, you shameless bastard!"

Lu benlai: "Your skin is so thick that it's as thick as the heavens, how can you still be so Shameless?"  
"..."

Facing the long-awaited exchange between the two of them, Lin Jiage leisurely walked over to his table and pulled out a chair to sit down. While he was turning on his computer, he suddenly recalled the scenes he had with Shi Yao that night, the corners of his lips couldn't help but curl up.

Lu Benlai's sharp eyes noticed Lin Jiage's smile, and he immediately stopped bickering with Xia Shangzhou, "Boss, did something good happen to you?"

Hearing Lu Benlai's words, Xia Shangzhou turned to Lin Jiage and asked, "Boss, did you sign a huge contract recently?"

"UN, I signed a lifetime contract..." Lin Jiage typed in the password on his computer.

Lu Benlai: "Lifetime Contract? What kind of operation is that? Which Company is that?"

Xia Shangzhou: "Or is there someone else like me who signed a lifetime contract like an idiot?"

Lu benlai: "You sure know your place. You know that you're a Fool..."

Before Xia Shangzhou could say anything, Lin Jiage turned around, he turned to the two of them and said, "My life-long contract isn't the life-long contract that you're thinking of... my life-long contract... HMM... how should I put it? Let me put it more bluntly... I'm the one who's no longer single."

## **Chapter 772: Lifelong Contract (2)**

Xia Shangzhou calmly replied with an "OH" before replying with an "AH?", following which, he swiftly dashed up to Lin Jiage and asked, "Boss, what did you say? You're no longer single? You're no longer a single dog like song Chaoxi? But it's a good thing that little lai is here to accompany me. I'm not alone..."

Lu benlai: "No, you are alone. At the very most, I'm half a single dog. After all, I already have a goal, and you don't even have a goal. You're truly a single dog!"

After which, Lu Benlai turned to Lin Jiage and said, "Boss, Congratulations on your marriage with little junior. I wish you a hundred years of Happiness!"

Xia Shangzhou: "How did you know that it must be little junior's?"

Lu benlai gave Xia Shangzhou a look as if he was looking at an idiot.

Lin Jiage gave Xia Shangzhou an impatient look.

Xia Shangzhou hurriedly added, "I was just joking. Of course, I know that boss has a soft spot for little junior. Other than little junior, no one else can make boss break up with a single woman!"

Lu Benlai switched his gaze from looking at an idiot to one of disdain. Then, he turned to Lin Jiage and asked, "Boss, will you still love little junior after you have little junior?"

Xia Shangzhou nodded furiously. "Yes, yes, yes. Boss, will you still take us to the gilded resplendence in the future?"

Lin Jiage typed on his keyboard, at the same time, he replied, "Firstly, I've never loved you. Secondly, from now on, I don't have the final say in our family's finances. So, whether we can go to the gilded resplendence or not will depend on yaoyao... lastly, why are the two of you asking such a humiliating question?"

Lu Benlai clutched his heart, "Heartache, suffocation, critical hit, already dead."

Xia Shangzhou, "Dead together."

Lin Jiage ignored the two of them. After typing on the keyboard for a while, he recalled that as the only two single men left in dormitory 501, they seemed to be quite pitiful. Thus, he stopped typing and pondered for a moment, then, he said, "Since the both of you seem to be quite pitiful..."

Lu Benlai immediately came back to life on the spot, "Boss, I knew that you're not the kind of person who likes the new and dislikes the old. You Won't Abandon Me!"

Xia Shangzhou: "Boss, I knew that deep down in your heart, I'm still very important to you. Have you decided to bring us back to the glorious days of the Golden Era?"

"No..." without any hesitation, Lin Jiage rejected the two men's words, "... I just wanted to tell you that for the sake of your pitiful lives, I'll bring Yaoyao to visit you every Qingming Festival every year after you die."

Lu Benlai: "..."

Xia Shangzhou: "..."

Lu Benlai: "I'm going to take a shower."

Xia Shangzhou: "I'm going to continue eating instant noodles with dog food."

Lin Jiage calmly retracted his gaze and continued typing.

Not too long later, Lu Benlai came out from his shower.

It was already November, but there was still no heat in Beijing. Lu Benlai couldn't help but shudder, "It's so cold..."

Xia Shangzhou: "Un un, it's indeed not warm."

"Is it?" Lin Jiage raised his hand and rubbed his sore neck, "I feel like spring is here... it's quite warm."

Lu Benlai: "...he shouldn't have been fed dog food with his mouth."

Xia Shangzhou: "...why would that grandson of Lu Benlai mess with their boss for no reason?"

The two of them fell silent, thinking that they would be able to escape this calamity. However, roughly ten minutes later, Lin Jiage, who had turned off his computer, suddenly seemed to have thought of something before heading to the bathroom, he turned to the two of them and said, "Oh, right, I forgot something. I'll have to trouble you to change Yaoyao's username to Lin Jiage's girlfriend."

### Chapter 773: This Dog Isn't The Same Dog (1)

"Oh, right, I forgot something. I'll have to trouble you to change Yaoyao's username in your wechat to Lin Jiage's girlfriend."

Without any hesitation, Xia Shangzhou shook his head and asked, "Can I refuse?"

Lu Benlai nodded his head in agreement, "+ 1, I want to refuse as well."

They didn't want to be fed dog food by their boss after being fed dog food in the real world.

Faced with the rejection from the two of them, Lin Jiage replied calmly, "If you think that you can reject it, then reject it."

After saying those words, Lin Jiage didn't head to the washroom. Instead, he stood rooted to the spot and stared at Lu Benlai and Xia Shangzhou.

"This... is clearly a threat..." Xia Shangzhou muttered to himself as his heart began to palpitate.

Compared to Xia Shangzhou, Lu Benlai was a tactful person who had found a way out for himself. "It's not that I can't change it, but boss, you have to change Leng Nuan's name to Lu Benlai's petite wife."

Lu Benlai's petite wife... why did the name sound so enticing?

Lin Jiage's lips twitched slightly before he nodded his head nobly and said, "Sure."

After a brief pause, Lin Jiage added, "However, I don't have her wechat right now. I'll just change it when I have it in the future." In other words, if you have my girlfriend's wechat, you have to change it now.

"Alright." Lu Benlai took out his phone and swiftly changed Shi Yao's comment to 'Lin Jiage's girlfriend'.

After taking a look, Lin Jiage replied with a satisfied 'un' before turning to look at Xia Shangzhou, who was sitting beside him.

His allies had already betrayed him, so Xia Shangzhou didn't struggle at all before surrendering.

After personally witnessing him changing his name, Lin Jiage finally turned around and leisurely walked into the washroom.

Xia Shangzhou stared at the 'Lin Jiage's girlfriend' that he had personally added to his name, and a blood-curdling pain welled up in his heart. He and Little Lai Lai were both single, so how could little lai be able to negotiate terms with his boss, yet, he didn't even have a partner to negotiate with... They were both human beings, so how did he manage to make his life so miserable?

..

After coming out of the shower, Shi Yao was interrogated by He Tiantian and Jiang Yue for a long time. It was only after she had a rough understanding of the situation between her and Lin Jiage that she finally let her off.

By the time Shi Yao climbed into bed, it was already past midnight. When she set her alarm, she saw a text message from Lin Jiage.

“Are you asleep yet?”

It’s a message from twenty minutes ago. I wonder if he’s asleep yet... Shi Yao pondered for a moment before replying, “Not yet.”

Lin Jiage: “What are you doing?”

Shi Yao: “I was chatting with Jiang Yuetian and the others just now.”

Lin Jiage: “Oh.”

A second later, Lin Jiage called her.

Leng Nuan and the others weren’t asleep yet, so Shi Yao picked up the call.

“Don’t you have a class tomorrow morning? Why aren’t you asleep yet?”

“I’m going to bed.”

Lin Jiage replied with an ‘oh’ once more. A moment later, he suddenly asked, “Have you eaten dog meat before?”

“I’ve never eaten dog meat before!”

“Then, do you want to try the taste of dog meat?”

Without a second thought, Shi Yao immediately rejected him, “No!”

“Are you sure you don’t want it? It’s really delicious...”

“But I still don’t want it. No, no, no, no!” Thinking that Lin Jiage was planning to bring her to eat dog meat, Shi Yao hurriedly added, “You’re not allowed to eat it either!”

On the other end of the line, Lin Jiage seemed to be amused by her anxious tone. He chuckled softly before replying, “This dog isn’t that dog.”

#### **Chapter 774: This Dog Isn’t The Same Dog (2)**

“What?” Shi Yao was taken aback.

“You said it yourself. If I hold your hand, I’ll be your dog...”

Hearing those words, Shi Yao snapped back to her senses.

She had said those words, so his dog wasn’t that dog but himself. and by eating dog meat, he meant... eating, eating, eating him? !

Shi Yao’s face suddenly turned red. “Lin Jiage, you scoundrel!”

She was clearly scolding him, but in his ears, it sounded as if she was praising him. He chuckled softly once more, and his voice was so pleasant that it struck Shi Yao’s eardrums, causing her heart to tremble slightly.

However, it didn’t take long before Lin Jiage’s voice sounded in her ears once more, “So this is a scoundrel? There are even more scoundrel in the world. Do you want to hear...”

“You, you, you’re not allowed to say anything!” Shi Yao hurriedly interrupted Lin Jiage. She was afraid that he would say something out of line, so she pretended to be angry, she threatened him once more, “If you dare to say anything, I’ll... I’ll never speak to You Again!”

“Alright, I won’t say anything else...”

Shi Yao heaved a sigh of relief. However, before she could even let out a sigh of relief, Lin Jiage spoke up once more, “... I’ll only do...”

At first, Shi Yao didn’t understand what Lin Jiage’s last three words were. She thought that he was referring to her production, so she wanted to ask him what he was going to do..

However, just as those words were about to reach her mouth, she suddenly realized that she had fainted.

He wasn’t talking about my production at all. He was clearly saying that I won’t say it, that I’ll only do... Only do... only do..

Shi Yao’s face burned even hotter than before. She didn’t even want him to say it anymore, so he agreed to it. However, what he said next was even more outrageous.

He, he, he was simply going too far. He was simply a huge hooligan, an invincible super hooligan in the universe..

Shi Yao racked her brain for a long time, but all she could come up with was these two sentences that could scold Lin Jiage.

Clearly, those words weren’t lethal enough, but she couldn’t possibly allow him to gain the upper hand just like that, right?

Just as Shi Yao was thinking about how she could retaliate against Lin Jiage, she suddenly recalled that during he Tiantian’s birthday party in the afternoon, she had accidentally learned that Mister Numbers was Lin Jiage..

At that time, she was only concerned with how touched she was. But when she saw her later on, she was afraid that she would really end up with that person, so she was only concerned with how anxious she was. After that, when he brought her back to her dormitory room for lunch, she was only concerned with how sweet and happy she was., she had almost forgotten about this matter.

Perhaps it was because Shi Yao hadn’t spoken for a long time, but on the other end of the phone, Lin Jiage spoke up once more, “Yao...”

He had only said a single word, but Shi Yao, who was afraid that he would say something inappropriate later on, abruptly interrupted him, “Lin Jiage, do you dare to add me on wechat?”

For a moment, Lin Jiage didn’t know what to say, so he replied, “HM?”.

Shi Yao repeated what she had just said, enunciating each word clearly, “I say, Lin Jiage, do you dare to add me on wechat?”

The other end of the line went silent.

Shi Yao immediately burst into a smug smile, "Lin Jiage, why aren't you saying anything? Don't tell me you won't even add me on wechat?"

Lin Jiage: "No..."

Shi Yao: "You just won't add me on wechat!"

"I..." Lin Jiage paused for two seconds before continuing, "... I don't have wechat!"

"Is that so?" Shi Yao harrumphed in her heart. "Then who's 111111?"

### **Chapter 775: Sister Jiayi Has Two Younger Brothers? (1)**

Lin Jiage's side was completely silent.

Wasn't he very talkative just a moment ago? Why was he unable to utter a single word now?

Shi Yao didn't mind his silence at all. On the contrary, she patiently enjoyed the silence for a moment, then, she slowly opened her mouth and asked, "You really don't know this person? It's fine if you don't know. Let me tell you, his name is Lin Jiage as well... isn't it a coincidence that his name is exactly the same as yours?"

"Furthermore, do you know that Lin Jiage is also from G University's mathematics department? Then, he asked me a question. Do you know what it is?"

"He said, do you know the man of the Hour in G University, Lin Jiage?"

"Hahaha! Lin Jiage asked others if they knew how hilarious Lin Jiage was already, and in the end, he even added a man of the hour in front of him..."

Lin Jiage's side grew even quieter, so quiet that for a moment, Shi Yao thought that she wasn't on the phone at all. In fact, she even took the phone from her ear and glanced at the screen to make sure that the call was still going on, only then did she put the phone back into her ear.

Shi Yao couldn't help but feel smug for a moment as she imagined Lin Jiage's current pathetic state, after which, she continued, "That's not the funniest part. The funniest part is that Lin Jiage asked me one day if I had any regrets. I said that the most regretful thing in my life is that God gave me the attribute of a glutton, but he didn't give me the status of a tycoon

"Then, do you know what he replied to me? He said that it's fine if you don't have the status of a tycoon, but you can marry a tycoon..

"And then, he added, didn't you say that your fiancé came from a wealthy family? After marrying him, one of the greatest regrets in one's life would be resolved... hah, I just don't know if this Lin Jiage is really you. If it was you, then what you did back then was... Self-promotion?"

"Actually, speaking of which, it's also possible that this Lin Jiage really isn't you... because when I told him that my fiancé wasn't healthy in his heart, he replied that your fiancé might really be unhealthy in his heart... I think that there's probably no one in this world who would defame themselves, right? Furthermore, it's so thoroughly tanned... I must have made a mistake..."

After muttering to herself for a long while, Shi Yao bit her fingertip, tilted her head, and pondered for a moment before frowning, she mumbled, "That's weird... if you're not 111111, then why did sister Jiayi Share your wechat Business Card with me? It's exactly the same as 111111's wechat Business Card!"

"Or perhaps, sister Jiayi has two younger brothers? But I don't know about them? Then... is sister Jiayi's other younger brother your older brother? Or your younger brother?"

"Heh, I knew it! So, it's Lin Jiayi? !" Lin Jiage, who had been stumped by Shi Yao's words all along, finally understood what was going on, so he mocked Lin Jiayi without any hesitation.

"Do you mean that Sister Jiayi is the one who got you into this mess?"

Realizing that he had been exposed, Lin Jiage: "..."

Shi Yao didn't seem to have any intention of letting him off, "But didn't you say that you don't have wechat?"

Lin jiage: "Yaoyao, I was wrong..."

Shi Yao harrumphed, "I refuse to forgive you. Those who lie are all puppies!"

Lin jiage: "Woof Woof Woof."

## **Chapter 776: Sister Jiayi Has Two Younger Brothers? (2)**

Shi Yao: "..."

Shi Yao: "..."

Shi Yao felt as though she was a balloon that had been punctured. Not only did her displeasure disappear, she even felt like laughing, "Lin Jiage, you have no integrity at all!"

"As long as you're not angry, forget about integrity, I can even throw away my virginity!"

"Lin Jiage!"

"Alright, Alright..." with a strong desire to survive, Lin Jiage changed the topic and asked, "Yaoyao?"

His tone suddenly became very serious, making Shi Yao think that he had something important to say. subconsciously, she replied with an "HM?".

"Did you miss me?"

His voice was already pleasant to the ears, so at this moment, he intentionally lowered his voice a little. It was as if a special effect had been added to it, making it exceptionally seductive.

Shi Yao's heart suddenly pounded furiously for a moment before she opened her mouth to speak again. It was still his name, but it wasn't in the same angry tone as before. Instead, there was a hint of coquettishness in his voice, "Lin Jiage..."

Lin jiage: "I miss you."

This time, Shi Yao wasn't even able to say a word. She could only feel her heart pounding so hard that it felt as if it could leap out of her throat at any moment.

Why didn't she realize before that Lin Jiage was so good at flirting?

He had only been with her for a few hours, and she realized that she was already on the verge of losing control of herself..

In order to prevent Lin Jiage from continuing on this topic, Shi Yao waited for him to calm down a little before taking the initiative to change the topic, "Lin Jiage... can I ask you a question?"

"Un."

"You... When did you find out that Yao Loves Ice Cream is mine?"

"It's so early..." Lin Jiage paused for a moment before continuing, "It happened last semester."

"Then why did you hide it from me?"

Shi Yao replied with a few 'un'sounds in anticipation.

"I won't tell you."

"Lin Jiage!"

"Alright, Alright..." through her phone, Shi Yao could feel the helplessness that Lin Jiage couldn't do anything to her.

But it was precisely this feeling that warmed her heart.

I guess this is what it feels like to be pampered, right?

"At first, I didn't tell you because at that time, I just realized that I liked you. However, you didn't have a good impression of me, so I thought that if I were to do both, there's a good chance that Lin Jiage might die in battle. At the same time, I might even be able to use my alternate identity in the game..."

If I were to do both... Shi Yao couldn't help but interject, "Lin Jiage, you're so scheming!"

Faced with Shi Yao's ridicule.., Lin Jiage obediently accepted her words, "Later on, when I agreed to break off the engagement with you, I was especially glad that I still had such an identity. Even if you didn't want Lin Jiage anymore, I could still use this identity to accompany you..."

Shi Yao, who had been ridiculing Lin Jiage just a moment ago.., at this moment, an indescribable and complicated feeling filled her chest, "What if I don't know about it for the rest of my life? Or rather, what if I don't like you for the rest of my life? What would you do then?"

Shi Yao was really just casually saying the latter half of her sentence.

But Lin Jiage replied with a solemn 'un', "That's right. That's What I was thinking. If you and I aren't fated to be together, then I'll just stay by your side forever."

Shi Yao's fingers suddenly tightened around her phone. After a long while, she finally whispered, "Lin Jiage, are you stupid?"

"This isn't a question of whether I'm stupid or not..." Lin Jiage's tone was as elegant as ever, but there was a hint of deep affection in his words, "... it's just that I feel that your happiness is more important."

...

### **Chapter 777: As Long As You're Willing To Come, It's Never Too Late (1)**

"... I simply feel that your happiness is more important."

So, if you want freedom, I'll give it to you, even if the reason behind this freedom is that I want to let go of your hand.

Even though I've put in a lot of effort to be with you, there's one thought that hasn't changed from the beginning to the end: I really like you.

Even though there were some words that Lin Jiage didn't say out loud, Shi Yao understood them.

She understood the grievance hidden behind Lin Jiage's words.

She understood that Lin Jiage had proposed to break off the engagement with her in order to fulfill his own happiness.

She thought that the happiest thing in a person's life was to meet someone who would never abandon you.

There was a saying that I wanted to say out loud in the office in the afternoon, but I was unable to do so. I wanted to say the same thing at night, but due to my embarrassment, I turned around and ran away. Yet, at this very moment..., the words flowed out from Shi Yao's mouth naturally and smoothly, "Lin Jiage..."

"HM?"

"I like you."

The other end of the line fell silent for a long while before another voice that was exactly the same as the previous one came through. However, the tone of the voice changed from a question to a statement, "HM."

"I've never confessed to a boy before, so I don't know how to do it. There were some words that I wanted to say in the afternoon, but I didn't know how to say them. In truth, no matter how much nonsense I said in the afternoon or how much I dragged you along, there was only one reason for me to do it, and that was because I like you... just like you, I like you, and I really like you."

"I might be a little slow in reacting, but I might also be a little lacking in confidence and fear. All in all, I'm late. I'm sorry for making you wait so long, Lin Jiage..."

Even though they were separated by the phone, and it wasn't as if they were facing each other in the afternoon, Shi Yao still felt a little embarrassed after telling Lin Jiage everything she knew from the bottom of her heart. Thus, before Lin Jiage could react..., she hurriedly took the phone from her ear and hung up.

Soon, Lin Jiage dialed the number again.

Shi Yao didn't pick up the call, and her face reddened as she hid under the blanket.

The next second, the phone screen lit up, and Lin Jiage stopped calling. Instead, he sent a new message:  
[ it's not too late. ]

[ as long as you're willing to come, it's never too late. ]

Shi Yao didn't reply to Lin Jiage's message, but after burying her face in the blanket, she couldn't help but burst into laughter.

He Tiantian was sleeping on the bed opposite Shi Yao, and upon seeing her reaction, he couldn't help but tease her, [ the current yaoyao reeks of the sour stench of love! ]

"No!" Shi Yao abruptly raised her head and rebuked he tiantian.

A second later, Shi Yao spoke up once more, "Even if there is, it's still the smell of freshly baked bread!"

After saying those words, Shi Yao rubbed her stomach and said, "Speaking of freshly baked bread, I really want to eat it..."

At this point, Shi Yao couldn't help but let out a faint sigh, "If I were to stay at Lin Jiage's house, if he were at home, if I were to say those words just now, I would definitely be able to eat freshly baked bread in less than two hours..."

He Tiantian burped.

Jiang Yue sighed, "I'm so full!"

Shi Yao looked at He Tiantian in confusion, then at Jiang Yue, before finally turning her gaze to Leng Nuan.

Leng Nuan met Shi Yao's gaze and closed the book she was reading, "They're referring to the dog food you spilled."

### **Chapter 778: As Long As You're Willing To Come, It's Never Too Late (2)**

After hearing Leng Nuan's explanation, Shi Yao replied with an "Oh" before turning to he tiantian and Jiang Yue, "You two should get used to it in the future."

A few seconds later, Shi Yao spoke up once more, "I'm so envious of the two of you for having dog food to eat."

Then, without any hesitation, Jiang Yue turned off the lights in the dormitory room, "Sleep! Whoever talks again is a pig!"

Shi Yao didn't want to be treated like a pig, so she immediately shut her mouth tightly. At the same time, she rejoiced in her heart. It's a good thing that no one talks anymore... A Dog? Err... Shi Yao suddenly recalled Lin Jiage asking her if she wanted to eat dog meat... Shi Yao's heart suddenly fell into disarray.

..

The next day, at ten in the morning, Lin Jiage was going on a business trip to Shanghai.

Before he left, he accompanied Shi Yao to have breakfast.

He originally wanted to send Shi Yao to the classroom where she was supposed to attend her class, but since his luggage hadn't been packed yet, Shi Yao was worried that he wouldn't be able to catch his flight, so she urged him to hurry up and leave. As such, Lin Jiage could only part ways with Shi Yao at the breakfast shop.

Lin Jiage drove home first. After packing up his stuff, he sent Shi Yao a few wechat messages on the way to the airport. Due to boredom, he sent them to her frequently.

"Yaoyao?"

"?" Perhaps it was because of the class, but Shi Yao's reply was quite similar to his.

"What are you doing?"

"What do you think?"

"I'm in class."

"Then why are you still asking?"

"I'm just asking casually."

"Is there something you need from me?"

"Nothing. I just wanted to tell you that I miss you."

"..."

Before Shi Yao could reply to Lin Jiage's message, the teacher noticed that she was frequently tapping on her phone, calling her up to answer questions.

After Shi Yao sat down, she saw that Lin Jiage had sent her a few more messages.

"Yaoyao, you have to take good care of yourself while I'm away."

"Yaoyao, I want to eat buns for breakfast tomorrow. What about you? What do you want to Eat?"

"Yaoyao..."

Shi Yao ignored Lin Jiage and immediately switched off her phone.

Learning from this lesson, Shi Yao would switch off her phone every time she went to class in the future. After which, every time she finished class, she would be able to receive Lin Jiage's messages as soon as she switched on her phone.

Sometimes, there would be many messages, and sometimes, there would only be one.

Shi Yao knew that there were many times when he had nothing to do, and the first message was that he was in a meeting.

However, on the afternoon of the second Wednesday, Shi Yao switched on her phone immediately after class.

A few ding dongs sounded in her ears. After her phone quieted down, she went to check the messages on her phone, and she realized that two of them were Taobao advertisements, and the other was a traffic notification from her mobile... There was no news from Lin Jiage at all.

And this was... the first time that she hadn't received any news from him after class in the past few days... did she forget about it?

After packing up her textbooks, Shi Yao followed Leng Nuan, he tiantian, and Jiangyue out of the classroom. The more she thought about it, the more worried she became. In the end, she sent a message to Lin Jiage: [ Hello? ]

It wasn't until Shi Yao and the others went to the rice noodle shop near the school and ordered their meals that Shi Yao received a reply from Lin Jiage: [ What are you doing? ]

[ eating rice noodles on the street behind the school. ]

[ other than rice noodles, is that all? ]

[ that's all. ]

[ the food is so monotonous? Why Don't I order a menu for You? ]

The rice noodles were quickly delivered. Shi Yao saw the message 'The other party is typing in' on her wechat page, so she knew that Lin Jiage was typing, so she didn't reply to him. Instead, she unpacked her disposable chopsticks and began eating.

Not too long later, the screen lit up, Shi Yao saw Lin Jiage's message: [ tomorrow's menu is as follows: side dishes tofu pudding in the morning, main dish Lin jiage, spicy hot pot in the afternoon, Main Dish Lin jiage, spicy hot pot in the evening, Main Dish Lin Jiage... ]

### **Chapter 779: Tofu Pudding, Spicy Hot Pot, Spicy Hot Pot, Disgruntled (1)**

After reading Lin Jiage's message, Shi Yao nearly spat out the rice noodles in her mouth.

It's a good thing that she didn't spit them out. If she did, she would have made him eat the entire bowl of rice noodles..

With this thought in mind, Shi Yao replied to Lin jiage, "Why should you be the main dish? Tofu pudding, spicy hot pot, spicy hot pot, disgruntled!"

Lin jiage: "Alright then. They're the main course, and Lin Jiage is the side dish."

"As long as you're willing to eat them, Lin Jiage will be fine as dessert."

Hooligan... Shi Yao thought as she picked up her phone. However, before she could type out the word 'hooligan', she heard her own name.

"Isn't that Shi Yao?"

Hearing the voice, Shi Yao subconsciously turned around to look at the source of the voice.

There were three girls sitting at that table, but Shi Yao didn't recognize any of them.

“Yaoyao, what are you looking at?” Sitting across from Shi Yao, he tiantian noticed Shi Yao’s peculiarity and followed her line of sight. When she saw the three girls that Shi Yao was looking at., she quietly kicked Shi Yao’s foot under the table. Only after Shi Yao retracted her gaze and looked at herself did he tiantian move her lips once more. However, her voice was still very low, it was so low that only the four people at the table could hear it. “Yaoyao, why are you looking at them? Do you know them?”

Shi Yao shook her head. “I don’t know them, but they mentioned my name just now.”

“Actually, I don’t know all of them, but I do know one of them. She’s Qin Yiran’s roommate, and she has a very good relationship with her. It’s been a long time since Qin yiran came to school due to the lie detector incident, and there were rumors on the forum that she was the one who coaxed Qin yiran into crying so badly...” he tiantian leaned forward. “... It’s that short-haired girl in the Yellow Jacket. From what I know, her boyfriend doesn’t seem to be a decent person. Do you remember that Qin Yiran used to hang out with a bunch of hooligans? Her boyfriend seemed to be very familiar with them. Those people all listened to her boyfriend. Moreover, that girl just looked at US and confirmed that she was someone who wanted to pick a fight with us. However, yaoyao, don’t provoke such people if you can. Don’t look at them anymore. Let’s finish eating the rice noodles quickly and leave...”

Jiang Yue was displeased. “What are you afraid of them for? Why do we have to eat faster? We have to eat slowly. Don’t worry, I can beat up the three of them alone...”

Leng Nuan glanced at Jiang Yue. “Fighting won’t solve the problem. Besides, Tian Tian said that the people they know are all unreasonable people. If you really start fighting with them now, you won’t have a stable life in the future. If they disgust you once today and you again tomorrow, I’m afraid that you won’t be able to stay in this school anymore...”

Hearing this, Shi Yao., she nodded her head in agreement. “Yes, yes, Tian Tian and Nuannuan are right. Yueyue, don’t be rash. We won’t stoop to their level. Hurry up and finish your meal. Just like Tian Tian said, hurry up and leave!”

There were quite a few people in the rice noodle shop, and most of them were students from G University.

Everyone was here together, and they were all talking about their own sky. Their voices were loud and soft, but the one that mentioned Shi Yao earlier was exceptionally loud. Even though it wasn’t loud enough to spread to every corner of the rice noodle shop, their conversation., was loud enough to be heard by all of the tables around them.

## **Chapter 780: Tofu Pudding, Spicy Hot Pot, Spicy Hot Pot, Disgruntled (2)**

“She’s Shi Yao?”

“Didn’t you say that she was dumped by Lin Jiage?”

The two girls sitting at the same table as the yellow-clothed girl spoke up, and the yellow-clothed girl quickly chimed in, “That’s right, she was dumped by Lin Jiage.”

“Didn’t Lin Jiage say before that Shi Yao was his fiancée?”

“So what if she’s his fiancée? Can’t he just dump her? She’s no longer his fiancée. At the very most, she’s his second cousin. Lin Jiage broke off the engagement a long time ago...”

“Broke off the engagement?”

“That’s right. What’s wrong? Do you think that breaking off the engagement is abnormal? Think about it with your toes. Lin Jiage doesn’t even fancy her, alright? What is Lin Jiage’s background? And what is her background? They aren’t from the same world at all, so what’s there to be surprised about? In short, the matter of breaking off the engagement is absolutely true. Shi Yao was dumped by Lin Jiage. I think that Lin Jiage probably found her rather boring after catching up with her, so he turned around and abandoned her... I heard that back then, she was the one who shamelessly delivered herself to Lin Jiage’s doorstep...”

“F \* ck!” Jiang Yue cursed under her breath before tossing her chopsticks into the bowl.

Afraid that the fiery-tempered Jiang Yue would really rush up to attack her, Shi Yao hurriedly consoled her, “Yueyue, calm down. It doesn’t matter what they say. It doesn’t affect me anyway...”

He tiantian: “Yueyue, it’s true that you can’t go around beating people up, but I have to say something. Their mouths are really vile. Do they know the truth? They’re just spouting nonsense here!”

Jiang Yue: “I really can’t take it anymore. Look, there are so many students here. If they say that, it will definitely spread throughout the school in the afternoon. Girls love to be sour to begin with. When that time comes, I wonder how the school will talk about yaoyao!”

As Jiang Yue’s voice fell, the girl in yellow..., she spoke up once more, “Furthermore, there are even more unexpected things. After Shi Yao was dumped by Lin Jiage, she cried and begged him. She even ran to Lin Jiage’s building and waited for a long time, but Lin Jiage completely ignored her. This isn’t a big deal. What’s even more hilarious is that Lin Jiage had a meal with a girl, and she even followed him to that restaurant. In the end, Lin Jiage didn’t drag her either. Don’t doubt me, I have photos of her following him to the restaurant. Wait for me to show them to you...”

As she said those words, the yellow-clothed girl began flipping through her phone, and she pushed the screen to the two girls sitting next to her.

Curious about the matter, the surrounding people also craned their necks to take a look at her screen.

“That’s true. She really did follow Lin Jiage...”

“That girl looks pretty...”

Hearing those words, Shi Yao’s brows furrowed slightly, and she vaguely understood what was going on.

It was likely that Liang Mumu had told Qin Yiran about those matters, and Qin Yiran was on good terms with the young lady, so she had told her about them.

As for the photo, it was naturally taken by Liang Mumu. After all, that night... she was the one who had told her that Lin Jiage was having dinner with Lin Jiage.

The yellow-clothed young lady raised her voice, with a hint of mockery in her voice, she said, “That’s right. Of course, that Lady is prettier than her. Furthermore, that lady comes from a powerful

background. If I were Lin Jiage, I would choose her as well. I heard that Shi Yao is the mistress while that lady is the main character. It was precisely because of her return that Lin Jiage dumped her. However, there's a certain someone who doesn't even want her anymore, yet she still shamelessly sticks to him. How despicable and disgusting..."

"Yaoyao..." before the girl in yellow could finish her sentence, a voice came from the door of the rice noodle shop.

PS, week activities: this chapter randomly selects 10 readers to give 1,000 book coins, and 2 readers to give snacks and gift packs. The condition of winning: voting is enough.
