

WITH YOU 781

Chapter 781: Deaf Ears To Everything Around Them, Wholeheartedly Eating Rice Noodles (1)

“Yaoyao...” before the girl in yellow could finish her sentence, a clear and melodious voice came from the entrance of the rice noodle shop.

The voice was not loud, but it was loud enough for many people to hear.

Perhaps some people found the voice familiar, or perhaps some people found the voice too pleasant, many people turned their heads and looked towards the source of the voice.

Of course, this included he Tiantian, who loved to watch gossip and eat melons.

Upon seeing the newcomer, he Tiantian’s eyes widened in shock, “Y-y-yes...”

She stumbled a few times, and a glint flashed across her eyes, “... It’s senior Lin!”

Senior Lin..

It was only three seconds after he tiantian finished speaking that Shi Yao finally realized who senior Lin was referring to.

But... wasn’t Lin Jiage on a business trip? Didn’t he say that he wouldn’t be back until tomorrow at the earliest?

With this thought in mind, Shi Yao slowly lifted her face from the bowl of rice noodles. It was only then that she realized that the expressions on the faces of everyone in the rice noodles restaurant were extremely varied.

Some were breathtaking, some were astonished, and some were excited... of course, there was also the astonishment of the three girls at the yellow-clothed table.

However, before Shi Yao could fully appreciate the expressions on the faces of the girls in the yellow-clothed table, Lin Jiage had already walked up to her and said, “Yaoyao...”

Hearing those words, Shi Yao raised her head and glanced at Lin Jiage. Following which, she recalled the harsh words those girls had said earlier, and then she recalled that if it weren’t for Lin Jiage, she wouldn’t have been pestered like this, in that instant, she couldn’t help but curse Lin Jiage in her heart as a ‘femme fatale’. After which, she turned her attention away from Lin Jiage and went back to being good friends with the rice noodles.

Seeing Shi Yao’s reaction, Lin Jiage was taken aback for a moment before he swiftly recalled the things he had done during his business trip over the past few days.

Other than attending meetings, he had been obediently staying at the hotel all the time... did he do anything wrong? Why Did Soft Bun ignore him?

Lin jiage blinked his eyes innocently before calling out once more, “Yaoyao...”

This time, there was a hint of fawning in his voice.

However, Shi Yao ignored everything around her and focused on eating her rice noodles.

Seeing that Shi Yao was still ignoring him, Lin Jiage could only seek help from the audience. His gaze fell on Shi Yao's deskmates, Leng Nuan, he tiantian, and Jiang Yue.

He Tiantian had always been a spineless person. Before Lin Jiage's gaze could even reach her, she had already opened her mouth and said, "Senior Lin, hurry up and sit down..."

As she spoke, he tiantian even brought a stool for Lin Jiage and placed it beside Shi Yao.

"Traitor!" Shi Yao cursed inwardly as she bit down on the rice noodles.

Lin Jiage politely thanked he tiantian before taking his seat.

Jiang Yue took the menu and presented it to Lin Jiage, "Senior Lin, have you eaten? Do you want to order something to eat?"

"Traitor No. 2!" Shi Yao cursed Jiang Yue in her heart as she continued munching on the rice noodles.

"Thank you," Lin Jiage politely thanked her first, but he didn't look at the menu. Instead, he pointed at Shi Yao's rice noodles bowl and said, "I'm the same as Yaoyao. I'll eat whatever she eats..."

"Lackey!" Shi Yao silently tagged Lin Jiage in her heart.

After hearing Lin Jiage's words, he tiantian immediately ordered some rice noodles for him.

"Lackey No. 2!" Shi Yao added a new adjective to the traitor he tiantian.

Chapter 782: Deaf Ears To Everything Around Them, Wholeheartedly Eating Rice Noodles (2)

Lin Jiage, who was sitting beside Shi Yao, stared at her for a moment. Seeing that she was still not looking at him or prepared to speak to him, "Yao Yao, I brought you a present, it's in the car, I personally went to pick the specialty, and I tasted, very delicious..."

Er... No Way? Soft bun still refuses to pay attention to me even though I've already brought it out for you to eat?

It Can't be that she's angry because I didn't tell her when I came back, right?

After thinking for a moment, Lin Jiage spoke up once more, and his tone sounded even more fawning than before, there wasn't a hint of displeasure in Shi Yao's tone, "Yaoyao, I was planning to come back tomorrow, but I've already taken care of everything this morning, and I couldn't wait to see you again, so I changed the date... I didn't tell you because I wanted to give you a surprise..."

Eh? Still unwilling to pay attention to him? Soft bun isn't the kind of person who's calculative and likes to throw tantrums... There's a problem..

With this thought in mind, Lin Jiage raised his head to take a look at his surroundings, and he noticed that there were quite a few people sizing him and Shi Yao up.

Actually, this wasn't anything strange. Ever since junior high, whenever he appeared in a crowded place, there would always be people peeping at him... but this time, the way everyone was looking at him.., it wasn't as if they were looking at him in amazement and excitement as before, but more like they were

watching a show. Furthermore, those who were sizing him up and soft bun would occasionally glance at the table beside them.

There were three girls sitting at that table, and their expressions didn't seem quite right.

It seemed like there really was a story before he arrived... But what exactly happened?

Lin Jiage thought that even if he were to ask soft bun now, she wouldn't tell him. Thus, he turned his gaze to He Tiantian.

This young lady seems to be supporting him unconditionally... I guess she'll take the initiative to tell me, right?

He Tiantian's eyes met Lin Jiage's, and she seemed a little agitated. "Senior Lin, you must be tired after traveling for so long, right?"

Er... that wasn't what he wanted to say..

But he was still a member of his family, so Lin Jiage didn't dare to act rashly. Even though he was displeased, he still put on a friendly face and said, "I won't be tired after seeing Yaoyao."

After replying to He Tiantian's words, Lin Jiage turned to Jiang Yue.

I hope that her IQ is a little higher..

Without any hesitation, Jiang Yue said, "Senior Lin is really good to Yaoyao!"

Lin Jiage:"..."

Suppressing the helplessness in his heart, Lin Jiage maintained his good temper and said, "Do you even need to say that? My girl, if I'm not good to her, who am I good to?"

Leng Nuan, who had just finished eating her rice noodles, couldn't help but raise her hand to rub her slightly aching glabella. Then, from the corner of her eye, she caught a glimpse of the three girls preparing to pay the bill and leave.

Weren't they excited just a moment ago? Why? Are you thinking of leaving after being slapped in the face? How could there be such a thing in the world?

With this thought in mind, Leng Nuan didn't even wait for Lin Jiage's gaze to fall on her, she slowly spoke up, "Senior Lin, I heard that a while ago, Yaoyao bumped into you having dinner with a lady in a restaurant, but you ignored her?"

He knew about this. That night, he had seen soft bun with his own eyes... So Soft Bun was unhappy because of this? However, soft bun's unhappiness was obviously related to the three girls next to him..

Chapter 783: Money Isn't As Important As Yaoyao (1)

Could it be that the three ladies had just found out about this matter and were mocking soft bun?

Even though Lin Jiage wasn't too sure about the details, he felt that it was probably not too far from what he had guessed. Thus, without any hesitation, he took out his phone and said, "I need to buy something first."

No Way? Even Leng Nuan had said those words, and yet, senior Lin didn't speak up for Yaoyao. Instead, he wanted to buy something first?

He Tiantian couldn't help but feel a little displeased. "Senior Lin, what do you want to buy? Do you have to buy it now?"

While tapping on his phone screen, Lin Jiage replied, "I want to buy durian, instant noodles, keyboard, washboard... so that I can apologize when I get home!"

Hearing those words, Shi Yao, who had been unable to react to Lin Jiage's words ever since he appeared, burst into laughter.

Seeing Shi Yao's smile, Lin Jiage's heart finally calmed down. Seeing that she had stopped eating, he hurriedly took out a tissue, he passed it to Shi Yao and said, "Yaoyao, I've just had dinner with a girl recently, and that was just to talk about work..."

Hearing Lin Jiage's gentle voice coaxing Shi Yao, Leng Nuan took her time to glance at the three girls beside her once more.

Of the three girls, the one dressed in yellow was the most prominent, and the expression on her face clearly showed that she couldn't hold it anymore.

That's right, how could she possibly hold it anymore? Just a moment ago, she had been so confident in mocking Shi Yao, and she had practically poured all of her harsh words onto Shi Yao. But now, with just a single turn of her body, Lin Jiage had arrived.., and he was still coddling Shi Yao like that... the slap to the face came too quickly. Surely, the three of them wouldn't be able to recover from their shock at all?

With so many students gathered around them, this matter would surely spread like wings in the afternoon, reaching the ears of every single student in the school. By that time, the ones being ridiculed would no longer be yaoyao, but them..

At this thought, a cold smile crept up on Leng Nuan's lips.

Noticing Leng Nuan's reaction, Lin Jiage followed her line of sight. When he saw the ugly expressions on the three ladies' faces, he instantly became even more certain that soft bun's unhappiness had something to do with them.

Just because they saw him having dinner with Liang Xiao and he ignored soft bun, did they think that soft bun wasn't important to him anymore?

Heh, then I'll show them what's important.

With this thought in mind, Lin Jiage spoke up once more, "Right, Yaoyao, didn't you say that you wanted to soak in a hot spring some time ago?"

Soak in a hot spring? Shi Yao looked at Lin Jiage with a blank expression.

As if he didn't see her expression, Lin Jiage continued on, "It just so happens that I'm free this Saturday, so I'll accompany you... However, I have a meeting on Sunday morning, so I might not be able to accompany you..."

As he spoke, Lin Jiage turned to the other three girls in her dormitory room and asked, "I wonder if you guys have time? If so, let's go together. You guys can accompany Yaoyao while I'm busy."

He Tiantian's face was filled with disbelief. "AH? We're all going?"

Jiang Yue hesitated for a moment before asking, "Wouldn't that be too expensive?"

"No, money isn't as important as Yaoyao," Lin Jiage replied as he discreetly turned his gaze to the side.

The three ladies had already left the noodle shop.

Lin Jiage couldn't help but chuckle in his heart. Do they really want to see soft bun make a fool of themselves? Then, he'll show them how he dotes on his steamed bun... What kind of doting is taking soft bun to soak in the hot spring? It's just a morning meeting, and I'm afraid that she'll be bored, so I specially brought her friend along to accompany her. That's what I call doting!

Chapter 784: Money Isn't As Important As Yaoyao (2)

After leaving the rice noodle shop, Lin Jiage had intended to bring Shi Yao to the cinema in the afternoon.

It was quite a coincidence. Shi Yao told him that she had also made an appointment with Leng Nuan, Jiang Yue, and he Tiantian to watch a movie in the afternoon.

Following which, Lin Jiage's plan for the two of them to go together turned into a five-person group.

By the time they finished watching the movie, it was already close to evening. The five of them had dinner together before Leng Nuan, Jiang Yue, and he Tiantian tactfully parted ways with Lin Jiage and Shi Yao under the pretext of going shopping.

It was still early, so Lin Jiage and Shi Yao weren't too far from Houhai. Thus, the two of them took a stroll along the lake before Lin Jiage drove Shi Yao back to school.

This time, Lin Jiage parked his car at the north gate of the school. On his way back to Shi Yao's dormitory, he happened to pass by the sports field.

When he passed by the basketball court, Lin Jiage suddenly stopped in his tracks.

Shi Yao turned to look at him and asked, "What's Wrong?"

Lin Jiage stared fixedly into Shi Yao's eyes for a moment before moving his lips. He asked the question that he had been wanting to ask all afternoon, "Tell me, what exactly happened in the afternoon?"

Shi Yao was taken aback for a moment before she finally understood what Lin Jiage was referring to. However, even though those three girls had said a lot of harsh words, it didn't really affect her much. On the contrary, they didn't benefit much from it either, besides, their words were really nasty, and Shi Yao didn't want to repeat them, so she shook her head and said, "It's nothing. It's all in the past."

"How can it be that Easy?" Lin Jiage didn't think much of it. Seeing that Shi Yao was unwilling to speak, he took the initiative to ask, "Is it related to the three girls sitting at the table on the right during lunch?"

Lin Jiage hadn't left her side the entire afternoon, so it was impossible for Leng Nuan, Jiang Yue, he tiantian, and the others to have told him about it... So, he was the one who guessed it?

Shi Yao couldn't help but sigh in her heart.

Just what kind of intelligence and observation skills did he possess to be able to hide it from him?

Since Lin Jiage had already figured out the general situation, Shi Yao naturally wouldn't hesitate anymore. Nodding her head lightly, she replied with an "Un", she said, "The girl in yellow is Qin Yiran's roommate, and she's also her good friend. I believe that she's standing up for Qin yiran, so when she saw me, she said some nasty things to me."

Before Shi Yao could say anything, Lin Jiage's eyes suddenly turned cold. "What did they say?"

"Do they have to say it?"

"Un."

Shi Yao pondered for a moment before moving her lips. She picked up a few key words and explained them to Lin jiage, "They said that you dumped me and broke off my engagement. I'm no longer your fiancée, but your next wife..."

"They also said that you only wanted to be with me for novelty's sake. When you caught up with me, you felt that it was too boring, so you turned around and abandoned me. Then, they said that I shamelessly pestered you and beat you up..."

"As for the rest, you should know it already. It's just what Nuannuan said. They used that day at the restaurant when you refused to leave and had a meal with me, and they ignored my photo and said that you refused to leave. After that, they used all sorts of methods to trample on me, saying that my background wasn't as good as hers, and that that girl was the real deal..."

Just as Shi Yao was about to finish her sentence, she realized that Lin Jiage's complexion was frighteningly awful. She hurriedly stopped what she was about to say, changing the topic, she said, "Didn't you come here later anyway? They didn't get anything out of it, so let's just forget about it..."

Chapter 785: A Gift For Mingling (1)

"Forget it?" Lin jiage sneered coldly. "I'm not that easy to get rid of. Do you really think you can just forget it after provoking my men? Dream On!"

"Then what else do you want? You Can't just run over and argue with them, right? Besides, it's not like you haven't heard of this saying before. If a dog bites you, do you really want to bite it back?"

"Of course not!"

Hearing Lin Jiage's reply, Shi Yao was just about to reply.

But before she could finish her sentence, Lin Jiage spoke up once more, "He'll definitely choose to fight back!"

For a moment, Shi Yao didn't know whether to laugh or cry, "..."

A moment later, she noticed that the boy's complexion was still awful, so she reached out and tugged at his little finger, "Alright, you're clearly talking about me. Why do you look even angrier than me..."

Lin Jiage's expression softened a little, but the light in his eyes was still frighteningly cold.

Shi Yao could only tug at Lin Jiage's little finger and lightly shake it twice, her voice softened even more, "Even though I wasn't too happy in the afternoon, and I even blamed your beauty for causing trouble, I was still pretty happy afterward. So, look, I'm fine now, so don't be angry anymore..."

"Alright..."

In the end, Lin Jiage's expression softened, and his immense anger was dissipated by Shi Yao. In the end, he only stretched out his arms at Shi Yao and said, "Come, give me a hug."

Shi Yao's face reddened at Lin Jiage's sudden change of topic. She looked around and saw that there were quite a few students running around, so she whispered, "There are so many people watching..."

"I can't wait for the whole world to watch," Lin Jiage said as he pulled Shi Yao into his embrace.

He hugged her and stood there quietly for a moment before lowering his head. Knowing what he was going to do, Shi Yao ducked her head and said, "Lin Jiage, don't Push Your Luck..."

"Alright, I Won't Push My Luck. I'll Push My Luck..." as Lin Jiage spoke, he pressed his lips against Shi Yao's.

I Won't Push My Luck. I'll push my luck... does that mean that not only do I have to kiss her, I have to do something even more outrageous?

Shi Yao's face reddened even more. She couldn't help but raise her hand and give Lin Jiage a tight squeeze on his waist. The boy didn't manage to avoid her strength, and instead, the kiss deepened.

Half an hour later, Lin Jiage escorted Shi Yao back to the female dormitory building. After she entered the female dormitory building, he turned around and headed back to the male dormitory building.

In the afternoon, after he went to soak in the hot spring, he informed Lu Benlai and Xia Shangzhou of the matter on wechat, asking them to head over as well.

After hearing the news, the person who was the most excited was none other than Lu Benlai, whom he had mentioned as his future girlfriend.

As such, the moment Lin Jiage entered the dormitory, Lu Benlai was already an extremely lackey, helping Lin Jiage pull up a chair and pouring water for him.

Lying on the bed, Xia Shangzhou chuckled three times when he saw this sight.

Lu Benlai didn't mind Xia Shangzhou's taunts in the slightest. After Lin Jiage sat down firmly, he even ran up to him, rubbing his shoulders and massaging his back, he said, "Boss, what's wrong with you? Feel free to tell me. I promise that I'll wait on you until you feel comfortable..."

Xia Shangzhou put on an expression that said, "I can't bear to look at you in the eye." Then, he pulled the blanket over his face.

Without waiting for Lu Benlai to rub his face, Lin Jiage waved his hand and said, "I'm going to take a shower."

Lu benlai: "Boss, I'll go and get some hot water for you."

"Thank you, but there's no need for that." Lin Jiage stood up and grabbed a towel and pajamas.

"Alright then, Boss. If there's anything you need, feel free to tell me..." Lu Benlai said as if he had suddenly thought of something. He ran over to his desk, he took out a box and passed it to Lin Jiage, "... boss, old Xia and I pooled our money together to buy this for you..."

The box was wrapped in a paper bag. Lin Jiage took it, opened it, and took a look. After which, he swiftly closed the bag and threw it back onto the table.

"Boss, Old Xia and I, aren't we very considerate?"

Ignoring Lu Benlai's words, Lin Jiage walked toward the bathroom.

"Boss, what kind of reaction is that? Don't tell me that you didn't use it on the two nights old Xia and I went to the hot spring?"

Hearing those words, Lin Jiage paused for a moment before saying, "Do you think one box is Enough?" Before walking into the bathroom.

...

Chapter 786: A Gift For Mingling (2)

Lu benlai: "Boss, a box of four! Four! You have to know that it's only for two nights, two nights!"

Xia Shangzhou, who had been silent the entire time, also burst into an uproar, "Boss, even if you're good at it, you have to control yourself. Overindulging in sensual pleasures is harmful to your health!"

What do you mean by 'even if I'm good at it'? I'm clearly good at it!

Lin Jiage couldn't be bothered to listen to those two shrieks anymore, so he immediately locked the bathroom door.

While showering, Lin Jiage couldn't help but recall Lu Benlai and Xia Shangzhou's parting gift — a box of family planning products.

Honestly speaking, he only thought about smacking those three girls in the face in the afternoon, so he didn't think too much about anything else. It wasn't until he saw the things Lu Benlai had given him that he realized that he would be spending two nights in the suburbs while soaking in the hot spring, but for the past two nights, he and Soft Bun, who had already established their relationship, would have to live together..

Even though he really wanted to live together with her, he didn't dare to hope that it would happen so soon.

Besides, she was already his girlfriend now. If they really did live together, he really couldn't guarantee that he wouldn't do anything to her..

Lin Jiage, who had no other intentions at the start, suddenly felt an inexplicable sense of nervousness about this hot spring.

Amidst the nervousness, there was also a hint of anticipation..

..

It was only when Shi Yao returned to her dormitory room that she realized that Leng Nuan, He Tiantian, and Jiang Yue were still not back yet.

It's already past ten, and the shopping mall is already closed... Shi Yao frowned slightly. Worried, she picked up her phone and asked in her dormitory's WeChat group.

He Tiantian was probably playing with her phone right now, so she immediately replied to her message, saying that she was already at the school gate.

Seeing that they were fine, Shi Yao put down her phone and went to take a shower.

Halfway through her shower, Shi Yao heard a commotion outside. She knew that Leng Nuan and the others had returned.

By the time she came out of the bathroom after her shower, Leng Nuan and the others had already changed into their pajamas. They were busy with their books and dramas.

While drying her hair, Shi Yao couldn't help but ask curiously, "What did the three of you go shopping for? Why did it take you so long to come back?"

He Tiantian asked mysteriously, "Can you guess?"

"How can I guess..." Shi Yao's lips twitched as she picked up the hairdryer and started drying her hair.

Jiang Yue and He Tiantian didn't say anything else, but the two of them were still exchanging sneaky glances with one another. From time to time, they would even let out sinister laughter. Even Leng Nuan, who had never liked messing around with them, would occasionally let out a smile.

Of course, Shi Yao could tell that the three of them had done something behind her back. Seeing that they weren't going to say anything, she put down the hairdryer, she turned around and glared at them, feigning anger, "If you don't tell me, I'm going to get angry."

"I'll tell you," He Tiantian said as she glanced at Jiang Yue.

Jiang Yue immediately took a bag of teenage girls' clothes from her bed and passed it to Shi Yao, "Actually, we have nothing to hide from you. We went shopping tonight and bought these."

Leng Nuan closed the book and said, "This is for you. It's a present for me."

A present for me? They went shopping to buy me a present?

"Is it delicious?" Shi Yao asked subconsciously.

Seeing that the three of them remained silent with a hint of danger in their expressions, she took the initiative to take the initiative to open the package in bewilderment. "I knew that the three of you would treat me the best..."

Before Shi Yao could finish her words, she was already petrified by the first gift she had unwrapped.

Something

Chapter 787: Feast Was Lin Jiage (1)

Before Shi Yao could finish her words, she was already petrified by the first gift she had unwrapped.

A pink panty..

The main point wasn't the panty, nor was it the color of the panty. The main point was that the material of the panty was so light that it could be ignored.

To put it simply, Shi Yao felt that there wasn't much of a difference between wearing the panty and not wearing the panty..

She, she, and the three of them... This was the present they had given her for getting out of a relationship?

Holding the panty in one hand, Shi Yao froze for a moment before regaining her senses. In the next second, she flung the panty onto Jiang Yue's face, "You, you, you've gone too far!"

Jiang Yue removed the panty from her face, "Yaoyao, tell me clearly, how did we go too far?"

He tiantian replied, "That's right, Yaoyao. This is our goodwill. How can you use excessive words to talk about us? My heart hurts so much!"

He Tiantian choked Shi Yao for a moment. With a reddened face, she glared at Jiang Yue and he tiantian, who were carefully folding the panties that she had just tossed out, and stomped her feet, unable to think of anything else to say, she repeated what she had just said, "I don't care. The two of you are just too much!"

Jiang Yue: "Alright, Alright. Even if you don't like this one, look at something else..."

Shi Yao glared furiously at Jiang Yue and he tiantian before lowering her head to continue unwrapping the other presents.

This time, she was unwrapping a black lace nightgown..

Just like the previous nightgown, it was made of a very transparent fabric. Of course, that wasn't the most important part. The most important part was that the nightgown was paired with a pair of mesh stockings..

Even though Shi Yao had never paid attention to such things before, she was still more or less aware of it.

This wasn't a nightgown at all. This was clearly a sexy lingerie... this was even more outrageous than the small underwear from before!

This time, Shi Yao didn't lose her cool like before. Instead, she casually placed the nightgown on the table and proceeded to unwrap the remaining paper bags.

The third time, she unwrapped the clothes. This time, there was a little more fabric, but it was a nurse's uniform.

The fourth time, she found a school uniform..

What the Heck is This!

After unwrapping the presents, Shi Yao stuffed the clothes back into her bag before tossing them onto he Tiantian's bed. "This baby has rejected your kind offer, and I'll give each of you a supercilious look!"

He Tiantian picked up the scattered clothes on her bed one by one. "Yaoyao, how can you reject our kind offer? Don't you know that this brand of clothes is very expensive!"

Jiang Yue: "That's right. Even we couldn't bear to buy such expensive clothes ourselves, but in the end, we ended up buying them for you. If you reject our goodwill like this, wouldn't you be wasting our money?"

Shi Yao: "If you think that it's a waste, you can wear them!"

"But don't I have no one to wear? If I did, I would definitely wear them!" He Tiantian said, as she picked up her nurse's uniform, she gestured in front of herself and said, "Yaoyao, look at how good this uniform is. If you put it on, I guarantee that you'll look absolutely stunning!"

Shi Yao replied with a 'tsk', "I'm not an ice cream ball, why would I want to look stunning!"

Jiang Yue: "No, no, no. Yaoyao, to senior Lin, you're just an ice cream ball."

Chapter 788: Feast Was Lin Jiage (2)

He Tiantian nodded his head furiously and said, "Yes, yes! Yaoyao, don't you like it the most? The reason why we're giving you these things is to cater to your tastes, to give you a feast!"

Feast?

Finally hearing a good word, Shi Yao's eyes lit up, and her interest was piqued, "What feast? How many dishes? Do you have my favorite haagen-dazs Ice Cream?"

"Uh..." Jiang Yue hesitated for a moment before replying, "... in that case, you'll have to ask the feast itself..."

He tiantian: "That's right, that's right. We really don't know how many dishes there are. You'll have to see how good the feast is and how many dishes you can eat..."

The more Shi Yao listened, the more confused she became. Before he tiantian could finish his sentence.., she interrupted her, "Wait, wait... I'm a little confused. What are the two of you whispering to each other? Why do I feel a chill running down my spine? Also, what does the feast itself mean? What exactly is the feast?"

"It's Lin Jiage," Leng Nuan, who had been silently watching the three of them chatting, suddenly interjected.

"What? The feast is Lin Jiage?"

As those words left Shi Yao's mouth, the words 'The feast is Lin Jiage' flashed across her mind once more. Only then did she snap back to her senses.

So, when he tiantian said that the feast was to her liking, she was referring to Lin Jiage... and when he tiantian said that the feast wasn't good enough, how many dishes could she eat... this... This was clearly a hint.., a hint that she and Lin jiage were having an affair..

A wave of heat spread from Shi Yao's face to her ears, all the way down her neck to her collarbone.

"Jiang Yue! He Tiantian! You... You're too dirty! You... you..."

Halfway through her words, Shi Yao was at a loss for words. In the end, all she could do was anxiously stomp on the floor. Then, she recalled that the person who had answered her earlier was Leng Nuan, after which, she turned to Leng Nuan and said, "... Nuannuan, you... Why are you fooling around with them too..."

Jiang Yue interjected, "Yaoyao, Tian Tian and I forgot to tell you that this uncoupled present is Nuannuan's idea!"

He Tiantian: "Yes, yes, I'm just doing what she said!"

Shi Yao stared at Leng Nuan in disbelief, and her eyes widened. "Nuannuan, you..."

Compared to Shi Yao's bashful anxiety, Leng Nuan was much calmer. She placed the book she had just read back onto the bookshelf before slowly sitting up straight and looking back into Shi Yao's eyes, on the tone of calm out of the voice: "Yaoyao, you and senior Lin Together, is sincere?"

A simple sentence, ask the Shi Yao moment like a deflated balloon, quiet down.

She didn't quite understand why Leng Nuan would suddenly ask her such a question. She blinked her eyes at Leng Nuan, and after thinking for a moment, she still couldn't figure out the reason behind Leng Nuan's question, in the end, she could only nod her head and answer Leng Nuan's question honestly, "Of course."

"Is it the kind of sincerity that lasts a lifetime?"

Why would leng Nuan suddenly ask her such a strange question? Shi Yao became even more confused, but the gaze she was looking at Leng Nuan with was very serious. After thinking for a moment, she replied with a 'un'.

A moment later, she added softly, "It's the kind of sincerity that lasts a lifetime."

Chapter 789: Do You Want To Live With Me? (1)

"That's fine then... since it's a lifetime of sincerity, you'll have to have a relationship with him sooner or later. You Can't possibly think that you're just a primary school student. Just because you're in a relationship, it's as simple as playing house and holding hands, right?"

Leng Nuan's voice was as calm as ever, devoid of any emotion.

However, her voice wasn't too high-pitched, so her emotionless words fell into Shi Yao's ears like a deafening clap of thunder, jolting her out of her reverie.

That's right... she was too focused on her embarrassment and bickering with Tian Tian and Jiang Yue just now, so she didn't think about it at all.

Only after hearing Leng Nuan's words did she finally come to her senses. That's right, she and Lin Jiage were going to the hot spring for the weekend, and they were going to stay out for two nights. Then... Those two nights, he and she..

Leng Nuan, who had been paying attention to Shi Yao's expression the entire time, knew that she had awoken from her reverie, it was only then that she unhurriedly spoke up once more, "The day after tomorrow is Friday. We're going to the hot spring in the suburbs. Yaoyao, you can't possibly think that senior Lin is simply asking you out for a hot spring, right? If the two of you were to stay in the same room that day and he wanted to do something to you, you can't possibly be thinking of rejecting him, right?"

Hearing those words, Jiang Yue couldn't help but nod her head. "That's right, that's right. Yaoyao, you and senior Lin are adults now. Since you've already decided on him, and he's already decided on you, it's only a matter of time before the two of you take that step forward."

He tiantian: "That's why we wanted to give you these gifts so that you and senior LIN can have a good memory of your first night together!"

Shi Yao came back to her senses and muttered softly, "I just didn't think too much into it..."

After a brief pause, Shi Yao spoke up once more, voicing her misgivings, "Besides, it's only been a short while since I've been together with Lin Jiage. Isn't this development a little too fast..."

He Tiantian: "Huh? If this is called rapid development, then what are those who sleep with each other on their first day together?"

"How long have you and senior Lin been getting along with each other? How can you say that it's going to be quick? If this goes on, other people's grandsons will come out, but your sons still haven't..." Jiang Yue said, she stuffed the pile of thin clothes into Shi Yao's embrace and said, "I'm not going to talk to you anymore. I'm going to take a shower."

After Jiang Yue entered the bathroom, he tiantian remembered that she had to go to the neighboring dormitory to get the express delivery that her classmates had brought back for her, so she left as well.

In the room, all of a sudden only Shi Yao and Leng Nuan two people.

Leng Nuan switched to another book and flipped to the first page. Just as she was about to take a look, out of the corner of her eye, she caught sight of Shi Yao, who was deep in thought, hugging the clothes that Jiang Yue had stuffed into her arms. She hesitated for a moment, and turned to say: "Yao Yao, some things, as the heart is good."

Shi Yao glanced at Leng Nuan and said nothing.

Leng Nuan didn't say anything else either, and she turned her gaze back to the book.

Even though she was still staring at the black text on the paper, she wasn't able to read a single word.

She wasn't someone who meddled in other people's business... This was probably the first time in her life that Shi Yao had meddled in other people's business.

What was the reason? Was it just because Shi Yao was her friend? No... that was only one of the reasons. The most important reason was that... she had fantasized countless times that when she grew up, she would meet a Prince Charming of her own, to have a beautiful but pure love with him... but before this fantasy could be realized, it was completely snuffed out in her life.

Chapter 790: Do You Want To Live With Me? (2)

Thus, when she witnessed every single detail of Shi Yao and Lin Jiage, she felt as if she had seen her own fantasies. Thus, she desperately wanted to make them happy, to help them without any consideration of rewards or gratitude.

This was because she felt as if she had fulfilled her dream.

However, she knew that this was just a dream that would never come true. It was just like how she would never, ever dare to dream of such extravagance in her entire life.

At this thought, Lu Benlai suddenly flashed through Leng Nuan's mind.

But in just an instant, Leng Nuan woke up from her daze, and as if she hadn't been paying attention at all, she began focusing on her book.

..

After hearing Leng Nuan's words, Shi Yao didn't continue daydreaming. Instead, she stuffed the clothes they had given her into the cupboard and climbed onto the bed.

Not too long after she laid on the bed, she suddenly felt the phone beside her pillow vibrate.

She took out her phone and glanced at the screen. It was a message from Lin Jiage: [yaoyao, on Friday, we'll drive two cars over. I'll drive one with you, and the five of them will drive one. Is that Alright?]

Of course, Shi Yao didn't have any problems with it: [sure.]

[that afternoon, I have a client to meet, and he'll be fine after 3 pm. is that why we're leaving at 4 pm?]

[I'm fine with anything.]

[then, on the first night we arrive, shall we have a barbecue? I'll get the people at the hot spring to prepare the tools and ingredients for us, and we'll roast it ourselves?]

"Sure, sure..." as it was Shi Yao's favorite item, she replied with two messages in a row: [I Want Chicken Wings.]

"UN, alright. I'll book the room when I call tomorrow."

Seeing Lin Jiage's message, Shi Yao was just about to reply with an "Un un" emoji, but before she could find the emoji she wanted to reply to, a new message appeared on her phone screen: [Yaoyao...]

There were only two words.

But Shi Yao knew that Lin Jiage probably had something else to say.

She wasn't in a hurry to reply. After waiting for about half a minute, the screen lit up once more, and Lin Jiage sent another message over: [... Do You Want to live with me?]

Do you want to live with me?

Of course, Shi Yao knew the true meaning behind those words.

To be honest, she was indeed unprepared. However, after giving it some thought, she realized that there was no need for her to prepare anything. No matter if it was now or in the future, as long as this day arrived, she would be as nervous as she was right now.

Leng Nuan and the others were right. They weren't primary school students playing house, and their relationship was as simple as holding hands.

She liked him, and he liked her as well. She didn't mind having that kind of relationship with him either... because to her, if she were to really have a relationship with a boy., then that boy would only be him... so, there was really nothing for her to worry about. Just like what Nuan Nuan said, it was fine as long as she followed her heart.

With this thought in mind, Shi Yao raised her finger and lightly tapped on the screen twice. After which, she stared at the words she had typed out for a while before sending a message with a hint of embarrassment, "Un."

Perhaps it was because her reply was too slow, but Lin Jiage couldn't wait to do something else. It took quite some time before she received Lin Jiage's reply.

"Yaoyao, do you know what that word means?"

Without any hesitation, Shi Yao replied, "I know."

..

In the blink of an eye, Friday arrived.
