Chapter 791: The World's Greatest Girlfriend (1)

..

In the blink of an eye, it was already Friday.

Shi Yao only had classes in the morning. After lunch, she returned to her dormitory room at 1:00 pm. There were still about three hours before Lin Jiage's departure time.

Initially, Shi Yao thought that it was still early, so she decided to take a break for lunch. However, as she lay on her bed and closed her eyes, for some reason, she suddenly thought of what might happen if she and Lin Jiage were to stay together tonight, following which, she became exceptionally nervous and energetic... and there was even a hint of anticipation mixed within.

Anticipation... Shi Yao buried her head in the blanket and rubbed her face with her hands.

Isn't this a little too shameless of me to be anticipating something like this..

Shi Yao tossed and turned on the bed for nearly an hour, but she still couldn't fall asleep. In the end, she could only get up to pack up her clothes for the next two days.

As soon as she opened the cupboard, she saw the 'unspeakable fabrics' that Leng Nuan and the others had given her. She secretly took a few more glances at them before swiftly hiding them at the bottom of her clothes and picking up her clothes.

There were only two days left, so she only took a change of clothes and a pair of socks. Then, while she was looking for her underwear, she suddenly stared at the colorful underwear in the storage box, and a conflicted expression appeared on her face..

There was no way she would wear the clothes Leng Nuan and the others had given her!

But... She should have taken two sets of good-looking lingerie, right?

But..

Shi Yao stared at the lingerie and pondered for a moment before hugging the storage box and climbing onto the bed.

She pulled up the curtains of the shaded bed and hid in it. Turning on the flashlight on her phone, she placed the lingerie on the bed one by one and began studying them.

However, before Shi Yao could make a decision, her phone suddenly received a call.

She glanced at the screen, and it was a wechat video call from Lin Jiage.

She didn't think too much into it, so she immediately picked up the call. As she stared at the bed full of underwear, she casually asked, "Didn't you say that you were going to have a meeting?"

"UN, it's about to start..." Lin Jiage was probably busy, so his reply was a little careless. Shi Yao subconsciously raised her head to take a look at her phone screen, and sure enough, she saw that Lin Jiage had his head slightly lowered, as if he was reading a document.

Afraid that it would affect Lin Jiage's work, Shi Yao said, "Then why aren't you going to your meeting?"

"I haven't said good afternoon to you yet, have I?"

If Lin Jiage hadn't said it, Shi Yao really wouldn't have noticed it. But after hearing his words, she realized that it seemed to be the case. Three times a day, regardless of whether Lin Jiage was busy or not, he would always find some time to give her a call.

Shi Yao felt a sweetness in her heart, but her mouth was still half-joking, "Don't tell me that saying good afternoon to me is more important than a meeting?"

"Of course! Do you even need to ask? A girlfriend from heaven and earth is the most important..." without any hesitation, Lin Jiage replied confidently.

A girlfriend from heaven and earth is the most important... Shi Yao couldn't help but be secretly delighted for a moment. However, before she could reply to Lin Jiage's words, Lin Jiage suddenly spoke up once more, "Why is your place so dark?"

"I'm going to sleep..." Shi Yao randomly came up with an excuse.

But before she could finish her excuse, she saw Lin Jiage staring at a certain spot on the screen, not moving at all.

She was stunned for two seconds before she realized that her camera wasn't aimed at her face, but at her bed. No, more accurately, it was a bed full of underwear..

Chapter 792: The World's Greatest Girlfriend (2)

The phone was like a hot potato, and in the next second, Shi Yao tossed it aside, "!!!!!"

Shi Yao tried her best to calm herself down for a moment. Just as she was about to urge Lin Jiage to attend a meeting, she hung up the video call, however, Lin Jiage's slightly smiling voice sounded from the other end of the phone, "Yaoyao, what are you doing laying out a bed of underwear?"

"I..." Shi Yao stammered guiltily for a moment before replying, "... I'm tidying up my clothes!"

"Oh..." Lin Jiage replied with a calm tone, as though he believed her.

But three seconds later, Lin Jiage spoke up once more, "I thought that you were picking out your underwear for tonight?"

Shi Yao, who had been poked in the heart of the matter, suddenly shuddered.

Was Lin Jiage a worm in her stomach? He could even guess that!

However, even though she hadn't spent much time with Lin Jiage, she had learned a lot of tricks from him. Shi Yao had also learned some fighting skills, so she quickly calmed herself down and blinked her eyes, she replied as innocently as she could, "Why should I pick out lingerie for tonight?"

"Well... also... indeed do not need, after all wear or take off, and, for me, do not wear clothes you I prefer!"

Hobo Hobo Hobo Hobo!

Can't she just give up? If I can't beat her, I can run?

With this thought in mind, Shi Yao said, "Please go to the meeting. I don't want to chat with you anymore. I need to go to the toilet!"

After saying those words, Shi Yao didn't wait for Lin Jiage's response before hanging up the call.

After being interrupted by Lin Jiage, Shi Yao no longer had the mood to choose her underwear. She began stuffing the underwear into the storage box, and halfway through, her phone suddenly lit up, it was a wechat message from Lin Jiage: [that pink one and that white one, I like them...]

[oh, the black one on the far right isn't too bad either. The dark green one on the bottom isn't too bad either...]

SOB SOB sob sob sob... my boyfriend is too despicable. It's too late to return the goods now..

Shi Yao clutched her chest before replying: [what a coincidence! I don't like any of the clothes that you like!]

..

At four in the afternoon, Shi Yao received a call from Lin Jiage, saying that he was already waiting at the school gate.

Shi Yao, Leng Nuan, he tiantian, and Jiang Yue hurriedly left the school.

Lin Jiage was driving his usual car, while Xia Shangzhou was driving a commercial vehicle.

According to Lin Jiage's arrangements, Shi Yao would be with him while the others would be with him. After which, they would split into two groups and head toward the hot spring resort in the northern suburbs of the city.

By the time they arrived at the hot spring resort, it was already 6:30 pm, which was precisely the time for dinner.

The staff of the hot spring resort had already prepared the barbecue that Lin Jiage had suggested. After they checked in to the hotel, they headed straight to the hot spring resort's garden for the barbecue.

On the way here, the five of them had already come to an agreement with Xia Shangzhou's car in advance. In order to give Lin Jiage and Shi Yao more privacy, after dinner, they would chat about their lives for a while before finding an excuse to leave, in fact, on the way here, they had even thought of an excuse in advance.

But in reality, they were overthinking things.

That was because before they could finish their barbecue, they could no longer sit still.

The reason was simple. Lin Jiage and Shi Yao had gone too far. The entire meal wasn't a barbecue, but a dog slaughter!

Chapter 793: I Only Want To Date Once, And I Only Want To Be With One Person (1)

For example, Shi Yao said that she wanted to eat chicken wings, and Lin Jiage eagerly ran over to roast chicken wings. So he actually placed all the other kebabs on his plate., Xia Shangzhou grumbled unhappily, "Boss, why are you making us eat like this?" As Lin Jiage earnestly sprinkled the ingredients on the chicken wings, he seemed to be making a lot of sense, he said, "What does it have to do with me? I just need to take care of Yaoyao."

For example, there was a small fish pond in the hot spring manor, and there were some small yellow croakers in it. The fish pond wasn't too deep, so those who came to eat the barbecue could go fishing by themselves and have the hot spring staff clean it up before roasting it, thus, he Tian Tian suggested that everyone take out a hundred yuan each and compete with each other to see who could catch the most fish. After that, Shi Yao's luck really wasn't that great, and she was the one who caught the least fish in the group, in the end, when they were counting the fish, Lin Jiage ended up dumping all of his fish onto Shi Yao. Lu Benlai wasn't convinced, so he claimed that he was cheating. Thus, Lin Jiage confidently asked, "Are Yaoyao and I family?" Lu Benlai nodded and replied, "Yes." Lin Jiage replied unhurriedly, "Since we're family, what's mine is hers, and what's hers is mine. So, is there a problem?" If you are not convinced, then you also find a boyfriend or girlfriend Ah! Mhm, that really makes sense. No one could refute it, and they could only watch helplessly as Shi Yao carried away the 700 yuan with a basket full of small yellow croakers.

If Lin Jiage and Shi Yao were really that strong, they wouldn't have been able to do anything about it, but Lin Jiage and Shi Yao were the ones who went the extra mile when it came to abusing dogs.

Have a good meal, can't you? The answer is no.

Lin Jiage refused to eat the kebabs cooked by anyone but Shi Yao, and no one else was allowed to eat them.

No one else was allowed to eat it, but even eating the meat skewers wasn't enough to stop Lin Jiage's incorporeal mouth.

As he ate, he complimented Shi Yao on how delicious her kebabs were. This wasn't even worth mentioning anymore, but the most hurtful thing was that while everyone was eating, he suddenly called out to her, and Shi Yao raised her head to ask what was wrong? He said, "Nothing much. I just wanted to call out to you."

Furthermore, before Shi Yao could even ask for a tissue after eating, Lin Jiage had already passed the tissue over to her. In fact, he even wiped Shi Yao's mouth in front of the entire table. After which, Lu Benlai finished his meal, he had to trouble Lin Jiage to pass him a tissue, but Lin Jiage's face was filled with reluctance.

It's fine if he's unwilling, Lu Benlai thought to himself. Can't he just stand up and take it?

But in the end, after he stood up and grabbed a tissue, Lin Jiage said, "I'm sorry, but I only serve my girlfriend."

"..."

In the end, Xia Shangzhou, who hadn't even met a single girl he fancied, couldn't take it anymore. Clutching his battered little heart, he found an excuse to escape with a stomachache.

There was another girl he fancied, but after a meal where he spoke to Leng Nuan countless times, Lu Benlai, who had been ignored countless times, found it impossible to look straight at Lin Jiage, who was in love with him. Thus, he found an excuse to go to the hot spring and fled as well.

After Xia Shangzhou and Lu Benlai left, Leng Nuan, he tiantian, and Jiang Yue didn't stay any longer either.

However, it was worth mentioning that during the meal, he tiantian received a call from Han Jing.

He asked he tiantian a lot about Shi Yao and Lin Jiage, and he also asked if Shi Yao and Lin Jiage were together.

Chapter 794: I Only Want To Date Once, And I Only Want To Be With One Person (2)

He Tiantian didn't know how to respond to Han Jing's words. After discreetly asking Shi Yao for permission, she replied to Han Jing truthfully, saying that Shi Yao and Lin Jiage were together.

After which, Han Jing fell silent for a moment before hanging up.

..

After filling their stomachs, Lin Jiage and Shi Yao walked around the artificial lake of the hot spring resort before returning to their room.

Before returning to their room, Shi Yao was quite nervous. Even when she was chatting with Lin Jiage, she was sometimes a little too late to respond.

Actually, she wasn't the only one who was nervous. There was also Lin Jiage. By the time they reached the entrance of their room, their palms were already sweating profusely.

However, there were some things that were actually much smoother than one could imagine.

Shi Yao couldn't remember exactly how she and Lin Jiage ended up kissing. It seemed like Lin Jiage had poured a cup of water for her after returning to his room, but she didn't drink much from it, after which, the cup of water was placed back on the coffee table, and she fell into Lin Jiage's embrace..

Lin Jiage's kiss was even more mesmerizing than the previous ones.

Shi Yao's heart thumped wildly for quite some time before her mind was completely filled with Mush, and she lost all ability to think.

He pressed her under his body and kissed her passionately, causing her to feel dizzy and unable to breathe properly.

In her daze, Shi Yao felt Lin Jiage's hand reaching for her waist and digging into her clothes..

His fingertips were cool, and as they slid across her skin, they left a trail of force that sent shivers down her spine.

Shi Yao's head felt even more dizzy. However, the last person to wake her up was Lin Jiage's chuckle. Following which, with a hint of ambiguity in his voice, it fell into her ears: "Not that the most do not like to wear those underwear, how or wear this pink?"

Lin Jiage's teasing rendered Shi Yao speechless. She held her breath for a moment with a reddened face before muttering, "You're annoying!" Before opening her mouth and biting his shoulder.

He didn't Dodge, allowing her to bite him lightly for a moment. After which, he carried her and flipped her over, allowing her to lie on top of him. Then, he reached out and grabbed her neck, turning her face toward him, "Yaoyao, there are some things that I have to say first."

It was only after he spoke that Shi Yao realized that Lin Jiage's expression had become exceptionally serious.

She didn't say anything, but her gaze that was looking back at him had also become a little more serious.

"Yaoyao, after tonight, I won't give you any chance to go back on your words. Do you understand what I mean?"

Shi Yao didn't seem to understand what he meant. She nodded before shaking her head.

In truth, Lin Jiage knew that it wasn't that Shi Yao didn't understand what he meant, but he was a little uncertain about it. After a few seconds of silence, he decided to tell her everything, word by word.

"I only want to fall in love once in my life, and I only want to be with one person. Yaoyao, if you're really together with me tonight, then you can only be together with me for the rest of your life."

His voice was faint and soft, but it carried a charm that Shi Yao couldn't describe.

"So, Yaoyao, have you thought it through?"

A lifetime... such a vague phrase, but Shi Yao believed it.

He really liked her, but he was willing to let her go for her; he had done so much for her, yet he didn't complain at all..

Shi Yao looked back into Lin Jiage's eyes, and without the slightest hesitation, she nodded furiously. "I've thought it through."

"I..."The words "I've thought it through"fell into his mouth.

Chapter 795: The Bewitching Evildoer (1)

Shi Yao looked straight into Lin Jiage's eyes, and without the slightest hesitation, she nodded furiously, "I've thought it through."

"I..."The words "I've thought it through"fell into Lin Jiage's mouth.

This time, his kiss was frenzied, and the force of his kiss was also much stronger than the previous one.

His body was burning hot, and it felt as if his entire body was on fire. Shi Yao felt her body heat up as well.

He kissed her for a long time, and his hot lips slowly moved along the corners of her lips to her earlobes, behind her ears, neck, and... gently nibbled on her beautiful collarbone.

At the same time, his fingertips landed on her back, unbuttoning her underwear one by one.

The moment Shi Yao felt her chest relax, he took off her blouse. Then, he carried her in his arms, flipped over, and pressed her back under his body.

Their breaths became increasingly messy, and one by one, her blouse was taken off by him. Then, he pressed his lips against hers and took off his blouse. Following which, his smooth and perfect skin lines fell into Shi Yao's eyes, she heard a 'Pa Cha'sound, and Shi Yao knew that it was the sound of Lin Jiage untying his belt. Following which, Lin Jiage left her body. The weight he had lost and the rustling sounds he heard from time to time.., this caused Shi Yao to suddenly become even more nervous, and her body began to tremble slightly.

Soon, another weight fell on her body, and Lin Jiage pressed himself on top of her. However, this time, after their lips intertwined for a short while, just as she was feeling dizzy from his kiss, Lin Jiage suddenly seemed to have thought of something, he lowered his voice and said, "Wait a moment."Then, he wrapped his arm around her waist with one hand, and with the other hand, he started rummaging through the scattered clothes on the floor.

Curious, Shi Yao opened her eyes and took a quick peek. She saw that Lin Jiage had taken out a small colorful box from his pocket.

Of course, she knew what it was... Her face reddened, and she quickly retracted her gaze, only to see Lin Jiage's bare chest... Her face reddened even more, even her breathing became unsteady.

She could only turn her gaze away once more, only to see Lin Jiage taking out a small bag from the small box and putting it to his mouth.

Actually, this action was quite common, but Lin Jiage's eyes were too light and lustful. With a small bag in his mouth, the contrast made him look even more bewitching and alluring than usual, this was especially so at this moment. The aura emanating from his body was no longer just his usual clean and refreshing fragrance, but a living desire..

Such a sight made Shi Yao feel that the current Lin Jiage was simply a demon who could turn all living beings upside down!

Indeed, he was a demon... Jiang Yue, he tiantian, and the others were wrong. The delicious ice cream ball wasn't her, it was him..

While Shi Yao was staring at Lin Jiage's imagination running wild, Lin Jiage, who had torn open the small bag, turned around. Just as he was about to use the small bag, he suddenly caught sight of something on the ground from the corner of his eye.

He paused for a moment before turning his gaze over. After which, he tossed the small bag into the trash can at the side.

Seeing this sight, Shi Yao frowned slightly and stared at Lin Jiage in confusion.

But before she could ask him anything, Lin Jiage suddenly spoke up first. In his hoarse and deep voice, there was a faint hint of a 'f * cking dog'in his voice, "Yaoyao, why don't you go to the bathroom..."

PS: Oh, I'm sorry. The gas bill is too high, so I had to stop halfway through the car... ..

Chapter 796: The Bewitching Evildoer (2)

The washroom?

Shi Yao blinked her eyes and said, "I don't want to go to the washroom..."

Lin Jiage seemed to be holding his breath for quite some time before he managed to squeeze out a few words, "Then you still have to go..."

Shi Yao blinked her eyes with an aggrieved look on her face.

Who would do such a thing? She didn't want to go to the washroom, and she had to be forced to go to the washroom..

Please don't act cute, I'm really afraid... I can't help it, and I'll fight you to the death just like that... Lin Jiage muttered to himself as he turned his gaze away. He then pointed to a certain spot on the ground and gestured for Shi Yao to take a look for herself.

Perplexed, Shi Yao blinked her eyes at Lin Jiage before turning her gaze to the spot where his finger was pointing at.

Her gaze landed on her underwear..

Shi Yao was just about to ask Lin Jiage what he was doing in her underwear, but before she could finish her sentence, she saw a bright red stain on her pink underwear..

Blood? Blood... Blood!

Suddenly, Shi Yao seemed to have understood something. Pushing Lin Jiage aside, she took a glance at the sofa and saw that it was stained with blood as well... She, she, she was... having her period?

In the next moment, Shi Yao dashed into the washroom barefooted.

Following which, the door to the washroom was slammed shut. Lin Jiage flipped over the blanket and wrapped it around his body. Sitting cross-legged on the sofa, he stared at the night view outside the French windows, and he began to doubt his life.

He really couldn't understand the situation that was happening right now. How could such a bloody thing happen to him?

He had been waiting for so many days, and he had already taken off his clothes. Just as the Arrow was about to be released, her period came?

????

Lin Jiage wrapped himself tightly around the blanket, and the more he thought about it, the more he felt his heart ache. He even felt a sense of tragedy, as if he was going to die before he could even finish his lesson!

"Lin Jiage..."

Shi Yao's weak voice suddenly sounded from the bathroom behind him.

It was impossible for him not to feel depressed after such a thing had happened. But even so, after hearing Shi Yao's words, Lin Jiage still replied with a gentle and elegant voice, "What's Wrong?"

“T-there’s no bun here...”

Bun? Lin Jiage frowned. At this point in time, Soft Bun still wanted to eat?

But despite his displeasure, Lin Jiage didn’t dare to show it on his face. He could only reply in a gentle voice, “What flavor of bread do you want to eat? I’ll go buy it for you...”

“No... it’s not bread for eating, it’s bread for eating...”

Lin Jiage thought to himself, Heh, don’t lie to me. I’ve read books before, how can I still use bread? Tell me, how can I use bread? Let me use it too..

Seeing that Lin Jiage still hadn’t responded to her question, Shi Yao thought that he still didn’t understand what she was referring to, so she could only speak up once more, “It’s just sanitary napkins...”

So, the bread in soft bun’s mouth was actually referring to sanitary napkins..

Lin Jiage replied with an “OH” before continuing without any hesitation, “I’ll go buy them for you right away.”

Even though he was feeling extremely stifled down there, and a raging fire was raging in his lower abdomen, Lin Jiage still threw away the blanket, picked up his clothes, and began putting them on.

Before he left, he greeted Shi Yao in the bathroom, “I’ll be going now...”

“Un...” Shi Yao’s soft reply echoed in the room. Lin Jiage rummaged through his wallet and headed toward the entrance of the hotel room. Not too far away, Shi Yao’s voice sounded from behind him, “Lin Jiage...”

Chapter 797: A Man Defeated By Period (1)

Lin Jiage stopped in his tracks. “What’s Wrong?”

“When you’re buying the bun, can you bring some real bread along with you? After what you said just now, I feel like eating it...”

Lin Jiage:“!!!!”

Even in this state, she still wants to eat it?

Unable to wait for Lin Jiage’s reply, Shi Yao asked, “Can I?”

Can I say no? That was what Lin Jiage was thinking in his heart, but his mouth replied nonchalantly, “Sure, is there anything else you want to eat?”

“Ham sausage, jelly, yogurt, chocolate, french fries...”

“Baby, your heart is really big!”

Lin Jiage’s voice was a little low, so Shi Yao couldn’t hear him clearly from the bathroom, “What?”

“It’s nothing. I told you to wait for me. I’ll be right back.”

..

Lin Jiage went out wearing only a thin layer of clothes. It was already very cold in Beijing at the end of November, and the fire in his body had mostly subsided by the time he returned from the cold.

Lin Jiage placed the bag of snacks that Shi Yao had asked for on the coffee table before carrying another large bag to the washroom.

He raised his hand and lightly knocked on the door, "Yaoyao."

The door to the washroom opened slightly, and Shi Yao's fair arms stretched out from within.

Lin Jiage passed the bag to her.

After she retracted her hand, he was just about to turn around and sit down on the sofa when he heard her voice once more, "Why did you buy so many?"

"Oh, I didn't know which brand you wanted to use, and I also didn't know if you wanted a daily or night brand, so I took one of each..."

Shi Yao imitated Lin Jiage's tone and replied with an "OH". A few seconds later, she spoke up again, "Lin Jiage..."

"HM?" Lin Jiage, who had walked far away from the bathroom door, stepped back and asked, "What's Wrong?"

As if embarrassed, Shi Yao stammered for a moment before finally saying what she wanted to say, "I need you to pass me a pair of underpants. They're in my suitcase..."

Hearing her words, Lin Jiage suddenly remembered that she had indeed run into the bathroom without any clothes on.

He replied with an "Mm" before walking over to a small suitcase that Shi Yao had brought over.

Opening the suitcase, when Lin Jiage was helping Shi Yao look for her underwear, he immediately found a pile of thin fabric.

He thought that it was underwear, so he picked it up and took a look at it before realizing what it was..

His ears reddened, and the lust that he had gone through so much to get rid of in the cold wind once more seeped into his body.

"Lin Jiage?"

Shi Yao spoke up once more.

Lin Jiage hurriedly snapped back to his senses, "They're here..."

As he spoke, he took out a piece of lingerie from under the pile of fabric.

"No, I meant to say that you're going to bring me a T-shirt..."

Lin Jiage replied with an "Mm" before squatting down to pick up a t-shirt and heading to the washroom.

After handing the clothes over to Shi Yao, he sat on the sofa and stared out the window for a moment. Then, from the corner of his eye, he couldn't stop his gaze from drifting toward Shi Yao's luggage..

What was she preparing those things for? Could it be that she was going to wear them for him to see..

As these thoughts entered Lin Jiage's mind, he couldn't help but start daydreaming. As such, he didn't even notice Shi Yao coming out of the bathroom and walking over to his side.

"Lin Jiage?" Shi Yao called out to Lin Jiage. Seeing that he didn't respond, she took a few more glances at him.

Chapter 798: A Man Defeated By Period (2)

"Lin Jiage?" Shi Yao called out to Lin Jiage. Seeing that he didn't respond, she took a closer look at him.

Following which, Shi Yao noticed that Lin Jiage's gaze was constantly drifting toward a certain direction.

It was purely out of curiosity, so she followed his gaze as well. It was her luggage... was there something wrong with her luggage?

Shi Yao craned her neck to examine her luggage for a moment before noticing a familiar cloth..

Wasn't that... wasn't that a present from Leng Nuan and the others?

She had clearly hidden it at the bottom of the cupboard, so how did it end up in her luggage?

Shi Yao frowned as she recalled how he Tianian had asked her to wash the apples before she left... so, that was when they had secretly placed the items in her luggage?

Shi Yao stood up abruptly and ran over to her suitcase, closing it behind her, then, she turned to Lin Jiage and began explaining, "That, I didn't buy it... that, it was a gift from them... I don't know how I got in... No, no, they were the ones who sneaked it in behind my back..."

Faced with Shi Yao's anxiety, Lin Jiage replied absent-mindedly, "Mhm..".

Shi Yao's embarrassed face began to burn. She looked around for a moment before running over to the sofa and bending down to pick up her underwear, just as she was about to find an excuse to hide in the bathroom, she said, "Um, I'm going to wash my clothes..."

As she said those words, she ran over to the bathroom. However, just as she took half a step, her wrist was grabbed by Lin Jiage. Following which, the male student stood up, he took her underwear from her fingertips and said, "I'll help you wash it. You can rest on the bed..."

Many years ago, her mother stopped helping her wash her underwear... Shi Yao hurriedly shook her head and said, "There's no need, there's no need. I'll do it myself..."

As if he couldn't be bothered to argue with her, Lin Jiage wrapped one hand around her waist and carried her on his back. He brought her to the bedroom and placed her on the bed. After covering her with the blanket, his eyes seemed to be on fire, he stared at her for a moment before saying, "Be good." Fearing that he wouldn't be able to control himself, he got up and left.

After washing Shi Yao's underwear, Lin Jiage brought a cup of brown sugar water and placed it on the bedside table. At the same time, he also brought over the food that Shi Yao wanted to eat, with a deliberate tone, he said, "You eat first. I'm going to the hotel's coffee shop. Is there anything else I Can Do?"

After Shi Yao's permission, Lin Jiage left the hotel room.

He said that he was going to work for a while, but the current him wasn't in the mood to work at all.

However, before he completely calmed down, he really didn't dare to stay in the hotel room with her. Not to mention, he had almost succeeded just a moment ago... that feeling was simply too unbearable... he wasn't a monk, so he really couldn't stand it..

Lin Jiage stood outside for a moment in the cold wind before heading over to look for Lu Benlai and Xia Shangzhou.

The two of them were playing poker, and when they saw him, they were astonished.

"Boss, you're done already? I thought you were going to fight to the end of the day!"

"Boss, didn't you say that one box isn't enough? Are you using one now?"

Faced with the teasing from the two of them, Lin Jiage felt even more depressed.

Even though what had happened tonight was truly a farce, he couldn't accept being doubted in that aspect. Thus, after finding a seat on the sofa, he grabbed a pillow and hugged it tightly in his embrace, he said those three words in a sorrowful manner, "My period."

Lu Benlai and Xia Shangzhou immediately understood what was going on, and they burst into unrestrained laughter.

"Boss — a man who was defeated by his period!"

"A man? I think you're using the wrong word. It's clearly a boy..."

"Boss, do you know what this is called? Don't abuse a dog, abuse a dog and get struck by lightning!"

"Hahaha..."

However, not long after Lin Jiage arrived and joined them in their poker game, the two of them were left with nothing but their underpants.

..

That night, it was already two in the morning when the three of them finished their card game in Xia Shangzhou's room.

After they left the room, an accident occurred, or rather, an accident.

Chapter 799: There's Someone Waiting In My Room (1)

..

By the time the three of them had finished playing cards in Xia Shangzhou's room that night, it was already two in the morning.

After they had left the room, an accident had occurred, or rather, an accident.

After the end of the game, Xia Shangzhou and Lu Benlai were in an abnormal state of mind, and they proposed to have two glasses of wine.

After playing cards for a few hours, Lin Jiage, who had already calmed down completely, turned down the two of Them's suggestion, thinking of Shi Yao, who was left alone in the hotel room. "You guys go ahead and drink. I have to go now..."

A vengeful man, he deeply remembered the words he had been mercilessly ridiculed by two people when he came here tonight. When he reached out his hand to tidy up the table to win money, do not forget to continue to speak: "I and you are not the same, I have someone waiting in my room, unlike you, no worries..."

"Well... not bad, win this money, can feed Yao Yao to eat a few big meals."

After saying those words, Lin Jiage waved the stack of hundred-dollar bills that he had organized before slyly saying, "I'm leaving, I'm going back to see my girlfriend." After which, he took the money he had won and left.

Before leaving, Lin Jiage seemed to have thought of something. He turned his head around and said, "Even if I'm a boy, I'm still a boy with a girlfriend. As for you two..."

He didn't finish his sentence. Instead, he gave Xia Shangzhou and Lu Benlai a look of pity and pity before slowly opening the door and slowly walking out, after which, he slowly closed the door and left.

After Lin Jiage left, Lu Benlai and Xia Shangzhou really did open a bottle of wine to drown their sorrows after suffering the double blow of losing their money and showing off their love for each other.

Even though they said that they were drinking to drown their sorrows, the two of them only drank half a bottle of red wine before leaving.

The rooms in the hot spring manor were all individual wooden houses.

Lu Benlai's room was a little far away from Xia Shangzhou's room.

Humming an off-key tune, he walked along the gravel road, making left and right turns as he made his way from one wooden house to another to where he lived. On his way there, he met with an accident.

It was already late at night in the hot spring villa, and it was extremely quiet.

At first, Lu Benlai only faintly heard some movements, but he didn't pay much attention until a voice came from behind him.

"601 is on fire, I received it, I'm already here... someone is already calling the police? Okay, okay, I received it, I'm on my way..."

As he finished speaking, a security guard spoke into the walkie-talkie as he hurriedly ran past him.

Fire? 601?

Lu Benlai took two steps forward and suddenly remembered that Leng Nuan's room was 601. Then, he quickened his pace and caught up with the security guard, grabbing his arm. "Did you just say that 601 is on fire?"

The security guard was stunned for two seconds. "Yes, the surveillance room suddenly issued an alarm saying that 601 is on fire..."

Before the security guard could finish his sentence, Lu Benlai let go of him and ran away. He jumped about ten meters forward and retreated. "Which direction is 601?"

The security guard raised his hand and pointed to the left. Before he could say anything, Lu Benlai had already disappeared into the night.

From a distance, Lu Benlai saw a wooden house. There was a flash of fire.

The fire was already very big. Before Lu Benlai reached the wooden house, he could already feel the hot air coming from the front.

The fire brigade had not arrived yet, but there were already some people surrounding the wooden house.

Chapter 800: There's Someone Waiting In My Room (2)

Lu Benlai looked around and didn't see Leng Nuan. He grabbed a random person and asked, "Has the person who lives in this room come out yet?"

That person was probably on vacation too. When he heard Lu Benlai's words, he shook his head. "I don't know. I only came out to take a look after hearing the commotion..."

I don't know... What kind of answer is this?

Lu Benlai's tone was slightly anxious when he spoke again. "When did you come? Didn't you see anyone coming out after you came?"

This time, the person Lu Benlai asked had yet to reply, a person beside him answered, "I came earlier than him. When I came, the fire was already very big. There was thick smoke coming out of the window. However, no one came out after such a short while. If there really was someone inside, they would have probably fainted by now..."

This time, before the person who spoke could finish his sentence, Lu Benlai rushed towards the burning wooden house.

"Hey, Buddy, What are you doing?"

"Such a big fire, you might not be able to come out if you go in. Moreover, we have already called the police. The fire department will be here soon..."

Lu Benlai completely ignored the warm-hearted person's reminder behind him. He directly rushed to the door of the wooden house and began to shout Leng Nuan's name loudly.

No one answered.

The door was locked. He tried to push it twice but could not open it. Then, he looked at the open window beside him. Without hesitation, he ran straight to the window.

On the way, he happened to pass by a small fountain. He did not care that it was winter at the moment. He stood on the fountain and quickly soaked his clothes. Then, he tore a piece of his shirt, covered his mouth and nose, and entered the room through the window.

It was full of flames. Lu Benlai called out Leng Nuan's name while looking for her inside.

Through the crackling sound of the flames, Lu Benlai heard the sound of the fire alarm outside.

Then, the door was opened. Someone rushed in and dragged him out.

"Leng Nuan, Leng Nuan..."

Lu Benlai, who was thrown out of the wooden house, subconsciously rushed into the wooden house again. But soon, he was stopped by the security guards.

"Let go of me, I want to go in and find someone... Leng Nuan... Leng Nuan..."

Lu Benlai struggled crazily. As he was still unable to break free from the security guards, his voice sounded hysterical.

Perhaps it was because he had used too much strength, his voice became a little hoarse in the end. However, he was still desperately shouting Leng Nuan's name. The moment he broke his voice, a clear and cold voice came from behind him, "Senior Lu..."

Lu Benlai seemed to have hit his acupuncture points and suddenly quieted down.

Three seconds later, he turned around and saw Leng Nuan standing under a plum blossom tree about five meters behind him.

He was stunned for a moment, and then a look of ecstasy flashed across his face. He broke free from the security guard and subconsciously rushed towards Leng Nuan.

"You're fine. You're not in the room. You scared me to death. I thought you were trapped inside..."

As he spoke, he reached out to grab Leng Nuan's arm, wanting to make sure that she was really fine.

However, before his fingertips touched Leng Nuan's clothes, Leng Nuan took a step back in extreme repulsion and avoided his hand.

"I'm fine, senior Lu..." Leng Nuan's voice was still emotionless.

"It's good that you're fine. It's good that you're fine." Lu Benben didn't mind Leng Nuan's coldness and alienation. He repeated the words several times like a false alarm, then he said something new, "I thought you were in the room..."
