

WITH YOU 801

Chapter 801: Sincere (1)

“No...”Leng Nuan’s voice was still emotionless. She answered Lu Benlai with a distant expression. After a while, she explained, “I live in the 601 in the East District. This is the West District.”

Lu benlai responded with an “OH”and then an “OH”as if he suddenly realized something. In the end, he seemed to not know what to say, he chuckled and said, “Anyway, it’s still the same sentence from before. It’s good that you’re okay...”

Leng Nuan did not say anything else.

Lu Benlai, who had always been talkative, was probably shocked. Seeing that she did not say anything, he did not speak anymore. Unlike usual, she ignored him, and he also had endless topics to talk about.

The two of them were silent, and the firemen behind them were busy directing them.

The fire was quickly put out. As there were no casualties, the people surrounding them gradually dispersed.

The suburbs were quiet to begin with, and now it was even quieter.

Leng Nuan, who was staring at Lu Benlai, blinked her eyes and took the lead to break the silent atmosphere between the two of them. “Your...”

She only said two words before she raised her hand and pointed at her hair.

Lu Benlai did not understand what Leng Nuan meant at first. He was stunned for a moment before he reached out to wipe his head. He could feel the burning sensation on his head. Only then did he realize that she was referring to the fact that his hair had burned a lot after he had just rushed into the fire..

He had always valued hairstyles the most, he scratched his head carelessly. “Oh, about that... I’ve been wanting to change my hairstyle recently and shave my head, but I haven’t made up my mind yet. Now, it saves me the trouble. Tomorrow, I can directly shave off this 3,000 thread of worry at the hot spring barber shop...”

Lu Benlai had always been so naughty when he spoke.

In the past, Leng Nuan had been teased by Lu Benlai many times, but this time, she did not laugh out loud. She looked at his wet clothes and at his shivering body in the early winter night, he lowered his eyelids slightly. “It’s getting late. I have to go back and rest.”

“Oh, okay.”After Lu Benlai said that, he used a negotiating tone and asked, “Shall I send you off?”

Lu Benlai had said this to Leng Nuan many times, but every time, Leng Nuan would either reject him coldly or politely. This time, Lu Benlai’s words entered Leng Nuan’s ears. Due to her long-standing habit.., subconsciously, she wanted to open her mouth and say, “No, thank you.”But when the words were on the tip of her tongue, she did not say it. In the end, she simply turned around without saying anything and walked towards her own place.

Seeing that she did not reject him, Lu Benlai grinned and followed her.

"It's really cold today."

"Oh right, you've been reading in the car this afternoon. What are you reading?"

"Have you never liked to talk? Girls are so young. It's better to be lively..."

Along the way, Lu Benlai did not stop chattering. It was only when they were about to reach Leng Nuan's room that she turned around to look at him.

Lu Benlai immediately tightened his lips and did not make a sound.

When she reached the door of her room, Leng Nuan stopped. "I'm here."

"Then hurry up and go in. Rest early. Good night." Lu Benlai, who was in a mess, stood under a dim street lamp and waved at Leng Nuan with a smile.

Leng Nuan nodded slightly and did not say anything else. She stared at Lu Benlai and hesitated for a moment. She did not say the words "You'll go take a hot bath" in the end. Then, she turned around, swiped her room card and entered the room, then, without saying a word to Lu Benlai, she closed the door.

Chapter 802: Sincere (2)

Leng Nuan leaned against the door for a while before walking into the house. When she passed by the window, she glanced outside. Lu Benlai was trembling all over and was still standing under the street lamp.

She did not linger and entered the bathroom.

After taking a hot bath, she looked out of the window again. The place where Lu Benlai had just stood was empty except for a dim yellow light.

He left. Leng Nuan stared at that place and fixed her eyes on it.

She hadn't blown her hair yet. Although there was heating in the wooden house, her scalp was still a little chilly after standing for a long time.

After she came back to her senses, she walked to the dressing table, took the hairdryer, and carefully dried her hair. Then, she applied face cream, turned off the light, and went to bed.

She closed her eyes. She was originally very sleepy, but she couldn't fall asleep for a long time.

She had gone to the hot spring with he tiantian and Jiang Yue. Then, at twelve o'clock, the three of them stayed in Jiang Yue's room for a while.

In the process of chatting, time flew by. In the blink of an eye, it was already past two o'clock in the morning. She was so sleepy that she could not open her eyes. She lost he tiantian and Jiang Yue, who were still in high spirits, and left alone.

Jiang Yue lived in the western district and she lived in the Eastern District. The road back was a little long.

However, on the way back, she heard noises and the sound of a fire alarm.

At that time, she was purely curious and looked towards the source of the sound. However, she did not expect to hear her own name amidst the noise.

Leng Nuan, Leng Nuan, Leng Nuan... every sound was sincere.

It came from the wooden house that was on fire.

She kept thinking that it was a dream until the firemen dragged Lu Benlai out of it. Until she stood not far behind him and saw with her own eyes that he had gone crazy and still wanted to rush into the scary wooden house that was on fire, she could not help but clench her fists. Her slightly grown nails pinched her palm, letting her know that this was not a dream. Then, she faced the boy who had collapsed to the point of hysteria, "Senior Lu..."

He no longer had the usual flashy image that he tiantian usually had. In a sorry state, he dashed right up to her.

In that instant, she suddenly had a hallucination. She actually felt that he was even more handsome than that Lin Jiage whom Lord G praised in public.

Was he sincere? He was sincere, wasn't he... Even though she made a mistake and didn't stay in that room, he still risked his life to rush in..

He's really sincere, isn't he?

But... So what if he's sincere?

In the end, she didn't deserve it, and she didn't dare to accept it.

..

Shi Yao had her period, and the next day happened to be the most uncomfortable day of the seven days. Thus, Lin Jiage didn't go anywhere to play, spending the entire time in the room with Shi Yao. If she wanted to eat an apple, he would peel it, whenever she wanted to eat a grape, he would peel it. Whenever she wanted to drink yogurt, he would lick the top of the yogurt..

It wasn't until lunch time that Lin Jiage and Shi Yao finally left their hotel room.

The resort was well-equipped with both Chinese and western food. Thus, Shi Yao chose to eat Chinese before heading to the restaurant. Following Shi Yao's instructions, Lin Jiage made a call to the other five people, he asked them if they wanted to eat?

The five of them accepted Lin Jiage's goodwill, and while they were eating, Lin Jiage and Shi Yao sat at the same table. The five of them chose a new table for themselves, and they sat as far away from Lin Jiage and Shi Yao as possible.

The reason was simple. Lin Jiage and Shi Yao were simply too lovey-dovey, and the five of them didn't want to see them at all.

Chapter 803: Picking Up The Old Habits And Pinching The Peach Blossoms (1)

It was a beautiful day today. After lunch, Lin Jiage accompanied Shi Yao to bask in the Sun since she wasn't allowed to soak in the hot spring.

While they were basking in the sun, the hotel attendant brought over a plate of nuts and a piece of cake for afternoon tea.

Lin Jiage, who had accompanied Shi Yao to watch a television drama for a while, placed the nuts beside his hand and began peeling them while stuffing them into Shi Yao's mouth.

The environment around the two of them was very quiet. Other than the sound of Lin Jiage peeling the shell, there was no other sound coming from the IPAD in Shi Yao's hand. It was a warm and beautiful sunlight, through the glass window, the sunlight fell on Shi Yao and Lin Jiage's bodies, giving them a sense of peace and tranquility.

Under such an atmosphere, Lin Jiage's heart also calmed down.

If it was possible, he really hoped that time would be able to stay in this moment for a long time, allowing them to... quietly grow old together.

Lin Jiage's mind wandered for a moment, and Shi Yao, who hadn't eaten any nuts for a long time, turned to look at him.

Lin Jiage quickly collected his thoughts and stuffed the peeled nuts into Shi Yao's mouth.

Shi Yao beamed with delight, and her eyes curved up in an adorable manner.

Seeing her smile, Lin Jiage couldn't help but smile along with her.

He wished that there would be plenty of time in the future, and every time he saw her, she would always smile like a flower.

Seeing that Lin Jiage was only looking at her without saying a word, Shi Yao blinked her eyes and asked, "What are you smiling about?"

"I'm smiling. It's great that no one will disturb us like this..."

Following which, Shi Yao's phone rang.

Lin Jiage:"..."

Shi Yao couldn't help but burst into laughter. Under Lin Jiage's speechless expression, she took out her phone and took a look. It was an unfamiliar number, but she was afraid that she would miss out on an important call, thus, she picked up the call. "Hello, May I know who you are?"

The other end of the line fell silent.

Shi Yao frowned slightly, thinking that she had dialed the wrong number. Just as she was about to hang up, a male voice sounded from the other end. "May I know... Are you senior Shi Yao?"

Calling me senior? Or is it a male?

Lin Jiage's back immediately tensed up, and all of his attention was focused on Shi Yao's phone.

"I'm Shi Yao..." after Shi Yao replied, she couldn't help but ask, "... excuse me, are you also from G University?"

“Yes, I’m a freshman from G University, and I’m also from the English department. Senior, do you still remember? When I first enrolled, you were the one in charge of receiving the freshmen...”

Shi Yao didn’t remember, but she was too embarrassed to say that she didn’t remember. Fortunately, the male student on the other end of the line quickly spoke up, “... You’ve talked to me before, and you said that I’m really tall...”

I seem to have lost my impression of you... Shi Yao replied with an ‘Oh’.

The male student on the other end of the line thought that he had remembered her, he immediately spoke up, “Senior, my name is Chen Tao. I’m eighteen years old this year, and I’m already an adult. I’m from Nanjing, and I have a younger sister who’s in junior high this year...”

It’s poisonous... Soft Bun wasn’t doing a household survey, so why would he report it in such detail? And he even emphasized that he was already an adult... was he hinting at something?

Lin Jiage forcefully squeezed the nut in his hand and crushed it along with the nut.

Shi Yao was stunned by the Little Junior’s string of words. She blinked her eyes and asked, “Um, junior, why... Are You Looking for me?”

“Senior, it took me a lot of effort to find your number. I don’t know if I’m being too abrupt...”

Chapter 804: Picking Up The Old Habits And Pinching The Peach Blossoms (2)

Knowing that it would be rude, he still made a phone call... Lin Jiage crushed a nut with his bare hands once more.

Is this child unable to understand human language? Why does he always answer the wrong questions?

Shi Yao could only ask once more, “Um, junior... why are you looking for me?”

“Senior, are you angry?”

Shi Yao: “...” does this child really not understand human language?

Shi Yao: “No.”

“That’s good. You gave me a fright. I thought you were angry...”

Shi Yao hurriedly interjected, “Junior, let’s get back to business...”

“Oh, Oh, I’m sorry, Senior. I tend to spout a lot of nonsense when I’m nervous... Senior, please don’t take offense...”

What do you mean by spouting a lot of nonsense? I really do. Also, your senior doesn’t take offense, but your senior’s man does!

Lin Jiage squeezed the crushed fruit into powder.

“... senior, I’m calling because... i... I’ve never been able to forget you. From the moment I laid eyes on you, I felt like you were my goddess... senior, can I, can I, can I like you?”

No Way! There was no way he could fall in love with soft bun. Oh, no, there wasn’t even a window!

With this thought in mind, the nut shells in Lin Jiage's hands began to crumble into small pieces.

"ER..."to think that he was actually here to confess his love..

Shi Yao, who had received too many similar calls, calmly replied, "If I say no, will you really listen to me and not fall in love with me?"

"No, senior. No matter if you reject me or accept me, I'll still like you! Senior, can I Woo You?"

As Wen Tao's voice fell, Shi Yao felt her scalp go numb.

She was stunned for two seconds before she instinctively turned around and saw Lin Jiage staring straight at her.

Is it just my imagination? She actually felt that Lin Jiage's gaze was a little sorrowful... She, who had done nothing out of pity, felt a sense of guilt, as if she had betrayed him..

Shi Yao discreetly steadied her heart and hurriedly tried to prove her innocence, "Junior, I'm sorry about that. I'm afraid that I'll have to reject you because I already have a boyfriend."

"It's fine, senior. I Don't care. With a boyfriend, I can still break up with him..."

Break up... break up with him? In broad daylight, in broad daylight, and in broad daylight, he was actually cursing him for breaking up with soft bun. Is there any law in this world?

Lin Jiage's gaze grew even more sorrowful.

The sorrowful Shi Yao replied resolutely without any hesitation, "Junior, there's no way I'll break up with my boyfriend! Besides, I don't like guys younger than me!"

"Why? Senior? Don't tell me you like older men?"

Old, old, old men? Are you talking about me?

This is too much! So what if I'm Young? So what if I'm Young? Who doesn't sound like I've never been 18 before!

To pry into his corner right in front of him, does he really think that he, Lin Jiage, is a vegetarian... why doesn't he ask around to find out what his strongest hidden skill is? That's pinching a peach blossom... Let's see how he'll get back to his old job..

With this thought in mind, Lin Jiage suddenly spoke up, "Baby..."

His clear and elegant voice, along with his gentle tone, sounded as corny as it could be.

Shi Yao shuddered, and she turned her head to look at Lin Jiage.

Before her gaze could even touch Lin Jiage's face, his lips were already pressing against hers.

Chapter 805: A Lifetime Cake (1)

Shi Yao's eyes widened in shock for two seconds before she finally realized what Lin Jiage was doing.

I'm still on the phone with Junior Wen Tao and Junior Wu Shu..

Shi Yao instinctively wanted to struggle, but Lin Jiage seemed to have predicted it beforehand. He grabbed the back of her head and forcefully kissed her lips before prying open her teeth, he forcefully barged into her mouth..

He continued to kiss her for a long time until her breathing became a little ragged. Only then did he silently lift his eyelids to take a look at Shi Yao's phone screen.

Perhaps, the person on the other end of the line had heard the slight movement just now and knew what Shi Yao had done... So, he hung up the phone.

Hehe... You Little Brat, you want to fight with me..

Lin Jiage sneered disdainfully in his heart, and in the next moment, he deepened his kiss. It was only after he was satisfied with the kiss that he reluctantly let go of Shi Yao.

Shi Yao leaned against Lin Jiage's chest, and it took a while for her to regain her breath.

She subconsciously glanced at the phone screen and saw that the call had already been hung up. Then, she recalled that the sound of their kiss had already been heard by Wen Tao and Wu Shi on the other end of the phone, and her face immediately flushed red, she glared at Lin Jiage with a tinge of shame, "You... you... you did it on purpose!"

Lin Jiage reached out and stroked Shi Yao's hair, "I didn't do it on purpose. I did it on purpose."

Before Shi Yao's hair could stand on end.., he immediately spoke up once more, "Besides, Yaoyao, I'm helping you... Do you like him? If you don't like him, then of course you don't like him pestering you either. Look at me, didn't I just help you clear your path?"

"Then should I thank you?"

"I'm willing to do all of that, but if you want to thank me, I don't mind if you do something to me."

"You, you, you..."unable to win against Lin Jiage's bickering, Shi Yao puffed up her cheeks and said, "I'm angry, the kind that can't be coaxed!"

"Alright, Alright. I was wrong. I'm not angry anymore. How about this..."Lin Jiage said, "... look at the girl on my phone. If you think that there's a problem with any of them, you can call her and force her to hang up using the same method I did. That way, it'll be fair, right?"

"Fair my ass!"Did he think that she was an idiot? HMPH HMPH... Shi Yao, don't look at her face, don't look at Lin Jiage.

"Yes, yes, yes. Fair my ass... how about this, I'll buy you a cake to eat..."

"Do I look like someone who can be dismissed with just a piece of cake?"

"No, no, no, how is that possible? Our baby needs at least a hundred pieces of cake to be dismissed, right?"

"UN UN, we agreed on a hundred pieces of cake!"

"Alright, Alright, a cake for Life!"

..

In the afternoon, the phone call from that junior, Wen Tao and Wu Shi, didn't give Lin Jiage too much of a sense of crisis.

It wasn't until that night that..

Due to her period, Shi Yao went to bed early. After busying himself with work for a while, he took a shower and climbed into bed. Just as he was about to go to sleep, his phone suddenly rang.

Lin Jiage subconsciously touched his phone and realized that it had already been muted. Only then did he realize that it was Shi Yao's phone.

He thought that it was just a message, so he didn't pay too much attention to it. Just as he was lying on his bed, his phone suddenly rang once more.

It was still Shi Yao's phone.

He was afraid that if it continued ringing like this, it would wake her up, so he reached out and touched her phone, silencing it.

Chapter 806: A Lifetime Cake (2)

After a series of actions, Lin Jiage subconsciously wanted to return Shi Yao's phone back to her, but the screen suddenly lit up, and another message came in.

"Shi Yao, are you really with Lin Jiage?"

Who is this person..

Lin Jiage frowned slightly. Following which, he saw the screen lighting up and dimming non-stop.

One message after another popped up on Shi Yao's phone.

Lin Jiage didn't need to think to know that the person who sent those messages was definitely a male.

Not to mention, he had sent so many messages in the middle of the night..

Lin Jiage's eyes flickered for a moment, but in the end, he still held Shi Yao's hand and unlocked the screen. He entered the messages on his phone and read through them one by one.

"Are you asleep?"

"Shi Yao, it's Han Jing."

"Are you still ignoring me? The reason why I'm here is to ask you..."

"Shi Yao, are you really together with Lin Jiage?"

"I know. This might be true, but I want to hear it from you."

Han Jing... that art student who treated soft bun to a fish and sang a song to confess his love for her in the dormitory room?

Yesterday, he seemed to have called he tiantian to ask if it was true that Shi Yao was with him on the forum... didn't soft bun ask he tiantian to tell him that they were really together? Why did he still send a message to soft bun?

Could it be that he still hadn't given up on Soft Bun?

While Lin Jiage was deep in thought, a new message appeared on his phone.

It was still from Han Jing: [Shi Yao, I really like you. Even though you've already ignored me, I still like you very much. I've never forgotten you. Shi Yao, is there really no hope for me?]

"..."why are so many people coveting my soft bun?

Lin Jiage stared at the screen for a moment before turning his head to look at the sleeping girl on the bed. Finally, his gaze darkened, and he raised his finger to type a few words on the screen before sending it out.

"She's asleep."

Does this mean that he finally understands what's going on?

Does this mean that he should give up on her?

Just as Lin Jiage was about to put down his phone, another message appeared on the screen.

Han Jing: "May I know who you are?"

Han Jing: "Lin Jiage?"

Nonsense... could it be that it's not Lin Jiage, but GE Jiayin?

Lin Jiage flicked his finger: [what else could it be? Who Do you think it is?]

This time, Han Jing didn't respond at all.

After putting down his phone, Lin Jiage couldn't help but feel indignant. Thus, he picked up his phone, he sent a message to Han Jing: [Student Han, since you have such deep feelings for Shi Yao, and now that she has found her own happiness, aren't you going to give her your blessings?]

Lin Jiage waited for a moment, but seeing that Han Jing still didn't respond, he sent a message back: [it seems like student Han's feelings for Shi Yao are only so-so. You Can't even give her a generous blessing...]

[but even so, student Han, as an alumna, I'll still invite you to my engagement party with Shi Yao. I wonder if you'd be willing to do me the honor?]

Heh heh heh, let's see who's going to be the one to die..

Lin Jiage finally calmed down and deleted all of Han Jing's and his chat history. After which, he returned to his message page and realized that Shi Yao had a lot of unread messages, and those unread messages didn't have any comments at all, they were all 11-digit phone numbers..

Chapter 807: Plucking The Peach Blossoms Of The Entire G University (1)

Finally finding his footing, Lin Jiage deleted all of Han Jing's and his chat history. After which, he returned to his message page and realized that Shi Yao had a lot of unread messages, and those unread messages were all uncommented, all of them were 11-digit phone numbers..

"May I know if you're Shi Yao? I'm Wang Xu from the computer science department. We met once in the school hall."

This name, this major... it was likely that he was a male student... just like Wen Tao and Wu Shi in the afternoon, his intentions were sinister.

With this thought in mind, Lin Jiage moved his fingers and said, "I'm sorry, I'm not Shi Yao. I'm Lin Jiage's girlfriend."

After successfully sending the message, he looked through the remaining unread messages and continued reading.

[junior Shi Yao, I'm Wang Miao from my third year. The word 'Miao' was coined by my parents. Ha, most people don't recognize it. Junior Shi Yao, the reason I'm sending you this message is to ask if I can treat you to dinner?]

It was amazing to have such a rare word as a name, and he even specially noted what to read. He thought that everyone was like him and had never gone to school before. It was truly unfortunate that he recognized this word, and not only did he recognize it, he even knew how to use this word, for example, 'Miao is like a mountain and a river' meant that it was like a mountain and a river. Another example was 'Miao is long', which meant forever. Another example was 'Mutual Miaoxuan', which was used to describe trees that were scrambling to reach higher and farther away, this phrase came from 'the book of Zhu Yuansi'. Does he know who Zhu Yuansi is? The word 'jade mountain' means that one's life is unknown. Do you understand?

What's more hateful is, can I treat you to dinner..

Lin Jiage chuckled inwardly before moving his fingers once more. "Sure, but can I bring my boyfriend along for dinner?"

Lin Jiage changed to another unread message, and it was still from a male student.

[junior Shi Yao, do you like to watch movies?]

[i... I have two movie tickets here...]

This time, Lin Jiage didn't even have the mood to retort back. He continued scrolling through the unread messages on the phone numbers.

There was a passionate one: [Shi Yao, even if you don't love me, I'll still protect you for the rest of my life.]

There was a Joker: [Shi Yao, can you accompany me from my lush hair to my balding head?]

There were some who were tireless, "Good night, November 30th." "November 29th, the temperature has dropped. Put on more clothes. Good night, Shi Yao." "November 28th, I went to watch a movie today, and it's pretty good. I recommend you. Good night." "November 27th..."

“...”

So, it turned out that there were so many guys harassing soft bun at G university without him knowing?

Lin Jiage couldn't bear to continue reading the unread messages, and the more he read, the more stifled he felt.

He put down his phone and stared at Shi Yao's sleeping face. As he stared at her, his mind suddenly wandered, and before he realized it, the corners of his lips curled up in a doting smile.

It was only after Lin Jiage regained his senses that he realized that the depression he felt from those messages from those unfamiliar boys had already dissipated by more than half in the process of staring at Shi Yao.

It was no wonder those boys were chasing after his soft bun one after another... his soft bun was so adorable. If it were him, he would have chased after her as well... err... hadn't he been chasing after her for a very long time, and he had just caught up to her? From the looks of it, he was still much stronger than those boys..

However, he still had the resolve to think about the past. Just because he was with soft bun now, he couldn't ignore those rotten peach blossoms.

Chapter 808: Plucking The Peach Blossoms Of The Entire G University (2)

If one day, soft bun were to pluck a rotten peach blossom on a whim, he would be in for a good cry.

But right now, his target wasn't just a rotten peach blossom, but all the rotten peach blossoms in G university that were coveting soft bun... So, he had to think of a way to pluck all the rotten peach blossoms in G University!

Think of a way, think of a way..

Biting his thumb, Lin Jiage stared at the ceiling for a moment before sitting up and taking out his phone to send a wechat message to Lu Benlai and Xia Shangzhou.

Xia Shangzhou was the first to reply, "Boss, what's your motive for doing all this? Are you going to propose to Little Junior?"

Lu benlai immediately appeared, "Boss, aren't you heartbroken that you're asking me to do all these things to propose to you? After all, I'm a man with no hair right now..."

Lin Jiage: "I'm not proposing to you."

Lu benlai: "If you're not proposing to me, then you're abusing me?"

Xia Shangzhou: "Boss, there's a saying that goes like this: 'Love dies quickly when you show it off.' look at how you showed it off last night. Didn't you get beaten up by your period in the end?"

To think that Xia Shangzhou would actually bring up a sore point and provoke him with the pain in his heart... very well, he had already written it down in his little notebook.

Lin Jiage, who had set his heart on destroying the rotten peach blossoms in G University, decided to let Xia Shangzhou off for the time being. "I'm not trying to show off my love either. I'm just trying to pinch the peach blossoms."

Lu Benlai: "Huh? You want to make such a big show to declare your sovereignty? Boss, you sure know how to play around."

Xia Shangzhou: "Boss, Little Junior is all yours. Why do you still care about those rotten peach blossoms?"

Lin Jiage didn't reply to the two of them and replied, "In any case, remember to help me prepare for what I just said. Thank you."

When he received the 'OK' reply from Lu Benlai and Xia Shangzhou, Lin Jiage was just about to put down his phone and fall asleep when he recalled Xia Shangzhou's taunts at him. Thus, he picked up his phone once more.

He was just about to send a message to both Lu Benlai and Xia Shangzhou, but when he thought of Lu Benlai, who had already lost his head during the day.., Lin Jiage mercifully sent another message to Xia Shangzhou, "You don't understand. Having a girlfriend and having a girlfriend's troubles is called happiness and Sweet Troubles."

Xia Shangzhou quickly replied with a string of sobbing emojis.

Lin Jiage ignored him and put down his phone.

How could a bachelor who couldn't even meet the girl he liked mock him?

Lin Jiage stretched out his arm and pulled Shi Yao into his embrace.

So what if he was a man who had been defeated by his period? He still had soft bun to hug him to sleep through the long night, but Old Xia... could only hug him alone, right?

Ha... Lin Jiage, who had imagined this scene, couldn't help but burst into laughter. He buried his head into Shi Yao's neck and closed his eyes in satisfaction.

..

It was already four o'clock in the afternoon when they returned to school from the hot spring resort.

Shi Yao and Lin Jiage had originally planned to have a barbecue tonight, but on their way back, Lin Jiage received a call at the last minute, saying that he had an important client to meet.

Even though Shi Yao really wanted to have a barbecue, she still chose to go to the canteen for some rice noodles and let Lin Jiage busy himself with his own matters.

It was already December, and there was only a month left before the final examination.

In order to prevent herself from getting flustered before the final examination, Shi Yao headed to the library in advance to revise her homework.

Around ten o'clock in the evening, Shi Yao, who had been reading for two hours, stretched her back lazily. Just as she was about to take a break, she received a call from Lin Jiage.

Chapter 809: Gejia Lin (1)

There were still quite a few students studying in the library, so Shi Yao didn't want to disturb them. Thus, she quietly walked out of the library with her phone in her hand. Only when she reached the end of the corridor did she answer the call.

Just as she raised her phone to her ear, Lin Jiage's voice sounded, "Yaoyao, where are you?"

"I'm studying in the library..." after a brief pause, Shi Yao heard a slight commotion from Lin Jiage's side, so she asked, "Why is it so noisy over there?"

"Oh, there's someone playing basketball next to me..." without waiting for Shi Yao's question, Lin Jiage continued, "... I'm back at the school, at the rostrum of the sports field..."

"You want me to look for you?" Shi Yao asked half-jokingly.

Who would have thought that Lin Jiage would respond with an "En" without the slightest hesitation.

"..." Shi Yao was speechless for a moment before saying, "Alright then, wait for me for a moment."

After hanging up the call, Shi Yao made a trip to the washroom before returning to the library.

The library, which was filled with students just a moment ago, had actually lost half of its students in the process of her answering a call.

Are all the students of G University so hardworking these days?

Shi Yao thought as she tidied up her books.

Just as she was about to leave the library with her books in her arms, she realized that another half of the students were gone.

It seemed like the students of G University weren't as hardworking as they used to be..

Thinking of Lin Jiage, who was waiting for her on the field, Shi Yao didn't dwell on this insignificant issue for too long before leaving.

On the way out of the library, another group of people left the library and overtook her.

On the way from the library to the field, Shi Yao happened to pass by the school's supermarket, and she turned in to buy two bottles of drinks.

When she came out, she saw many people running out of the school and dormitory buildings.

Shi Yao looked in the direction of the crowd. Just like her, it was the school field.

Could it be that the students of G University no longer loved to work hard, but instead, they loved to train their bodies at night? Since when did the overall quality of the top students become so high?

Shi Yao opened a bottle of beverage and sipped on it as she walked toward the field.

By the time she arrived, there were already many people gathered at the school field.

Shi Yao glanced at the crowd in bewilderment as she said, "Excuse me, I'll be right back." From time to time, she would squeeze her way toward the rostrum.

It wasn't easy for her to squeeze her way to the rostrum, but Lin Jiage was nowhere to be found.

Just as she was about to take out her phone and make a call to Lin Jiage, someone patted her shoulder.

"Little Junior, you're here..."

Shi Yao turned around and saw Lu Benlai's head, which was reflecting in the dark due to his shaved head.

Suppressing the urge to laugh the moment she saw Lu Benlai, Shi Yao asked, "Where's Lin Jiage?"

"Boss has something to attend to, so he asked me to tell you to wait for him here for a while..." Lu Benlai said, glancing at the textbooks in Shi Yao's arms, she asked, "Little Junior, do you want me to hold those books for You First?"

Shi Yao lowered her head to take a look at the three books in her arms before shaking her head.

"There's no need for that."

"Just give them to me... your hands will have other uses later on..."

Shi Yao, who didn't quite understand the latter part of Lu Benlai's words, blinked her eyes and asked, "What?"

"It's nothing." Realizing that he had nearly revealed an important secret, Lu Benlai hurriedly shook his head and forcefully took the textbook away from Shi Yao's embrace.

Chapter 810: Gejia Lin (2)

Shi Yao had just finished half a bottle of her drink when she noticed that Lin Jiage was still nowhere to be seen. She couldn't help but ask Lu Benlai, "Where on earth did Lin Jiage go?"

"Emmmm..." Lu Benlai raised his phone and glanced at the time. Seeing that it was about time, he didn't make any excuses and pointed straight ahead, "Little Junior, look over there..."

Shi Yao followed Lu Benlai's line of sight and saw that a projection cloth had been placed on the previously pitch-black stage.

Just as she was about to ask Lu Benlai, "What does that do?", a pen suddenly appeared on the projection cloth, and it was swiftly sketching.

In the blink of an eye, a scene appeared on the projection cloth.

There were many people in the elevator, and one of them was a boy and a girl. Their drawings were exquisite, and the rest of the figures were all drawn in the simplest way possible.

After the painting was completed, Shi Yao saw clearly that the boy and the girl were staring at each other. Then, the brush that she had just drawn fell on the empty space beside her and wrote, "First time meeting, a pair of mesmerizing eyes."

The painting remained still for about ten seconds, and the projected canvas was once again blank.

The same pen started drawing once more.

The originally noisy playground gradually quieted down.

At the very end, Shi Yao, who was standing at the very front, heard the rustling of the pen and paper.

This time, there was still a girl and a boy in the painting, but they were in different situations. The only similarity was that they were both holding a phone in their hands, on the screen of the phone, there were eight words: "Great Luck, Chicken Dinner Tonight."

Just like the first picture, after the whole picture was drawn, there was still a sentence in the blank space: "Fate has brought us to meet in different worlds."

Soon, the third picture continued. It was a forest, and it was a boy and a girl. Although the picture was very general, from their expressions, it could be felt that they were quarreling.

In the blank space of this picture, there were only three words: "Sorry."

In the fourth picture, a boy and a girl were standing together at the top of the mountain, admiring the sunset. In the blank space of this picture, the words were written: "The most beautiful thing is not the scenery, but you."

In the fifth picture, the boy and the girl were in different places, making phone calls. In the blank space of this picture, the words were written: "I like you, seriously, seriously like you."

In the sixth picture, the girl was asleep, and the boy was secretly kissing her. In the blank space of this picture, it was written: "Nice to meet you, the girl I like."

In the seventh picture, there was only one boy. Without the girl, the caption next to it was: "After parting with you, I only have one thing that is most important: Goodbye. See you next time."

In the eighth picture, there was no boy, only the girl who was smiling like a flower. In front of the girl was a small mountain of snacks, fruits, and various delicacies. The caption next to it was: "For the rest of my life, I will accompany you to eat, eat, eat, eat, eat, eat."

In the ninth picture, there were no boys or girls. Instead, there was a scenery — blue sky, White Clouds, a breeze, and a hundred flowers, a bright moon, and stars. The caption beside it read: "Blue Sky, with White Clouds, a breeze, and a hundred flowers, a bright moon, and stars, and I'll always be with you."

When the tenth picture appeared, the pen didn't drop for a long time. A voice came out from the projection cloth, which had been very quiet, "There's a secret phrase, do you understand it?"

As the voice fell, the pen fell on the paper. The strokes were very slow, and one stroke after another, three words were written: Gejia Lin.
