

Chapter 841: The Girl Whom I've Been Thinking About Ever Since (1)

"Oh, OH, OH, I remember you. You're the second-ranked God in the entire server. It's a pleasure to meet you!" Due to Shi Yao's interruption, Huang Nian didn't dwell on the familiar feeling that Lin Jiage gave him anymore, instead, he raised his wrist to look at the time and asked, "Where are you guys going? Are you guys going to have dinner? If you don't mind, I wonder if we can have dinner together..."

"I'm really sorry about what happened last time. I've been wanting to apologize to you for a long time, Yaoxi... we just happened to bump into each other today because of fate, so I really hope that you can give me a chance to apologize properly. Otherwise, I'll keep harping on that matter for the rest of my life..."

Huang Nian's words sounded very sincere.

The sincere Shi Yao felt that if she were to reject him, it would seem a little unreasonable.

However, she didn't make the decision on her own accord. Instead, she took Lin Jiage's thoughts into consideration and turned to look at him.

Seeing Shi Yao looking at Lin Jiage., the desolate year turned to look at Lin Jiage as well. "God, I've always admired you. I'm truly thrilled to meet you today, so no matter what, I'll beg you to agree to treat me to a meal..."

Fearing that Lin Jiage would reject his offer, Huang Nian whipped out his wallet and took out his identity card, "I'm really a law-abiding citizen. I'm not a bad person. Let me show you my identity card. If not, you can take a photo of me..."

Shi Yao couldn't help but burst into laughter at Huang Nian's actions.

Lin Jiage also felt that this 36.1 W wild man was quite interesting. After giving it some thought, he agreed, "Alright, I'll treat you to a meal, but there's no need for you to treat us to a meal."

"No, no, no. It's my treat. It has to be my treat. I've let down Yaoyao, so how can I Let You Treat Me? We've already agreed that I'll pay for the meal..."

"No, you've misunderstood..." Lin Jiage interrupted Huang Nian's rambling, "... It's not that I'm embarrassed to let you treat me, but Yaoyao can only be raised by me alone."

Huang Nian: "..."

Was he being forced to feed him dog food?

Was it just his imagination? Why did he feel like he had done something wrong? He shouldn't have eaten with them... could it be that after this meal, it would be too late for him to regret?

..

Reality proved that desolate year's premonition was correct. Even though the meal wasn't too late for him to regret, he still felt a little heartbroken over it — because he had been treated like a dog and tortured to death the entire time!

They went to eat the roast duck.

Throughout the entire meal, Shi Yao's eyes were fixated on food, while Lin Jiage's eyes were fixated on Shi Yao.

Shi Yao's Plate was empty, so Lin Jiage immediately filled it up. Shi Yao's Cup was empty, so Lin Jiage immediately filled it up. Shi Yao's bowl was empty, so Lin Jiage immediately filled it up..

Desolate year stared at the two people before him, and he suddenly felt a little lonely.

Following which, he couldn't help but take out his wallet and open it. Staring at a photo inside, he began examining it carefully. As he looked at it, he stroked the photo with his fingers, and in the end.., he still looked very sad as he sighed.

After capturing this scene, Shi Yao couldn't help but ask curiously, "Desolate year, what are you looking at? You seem a little sad..."

"I'm looking at the girl that I still can't forget," Huang Nian sighed as he stared at the photo.

As a girl, even gossiping about such feelings couldn't resist the temptation. Thus, Shi Yao craned her neck to take a look at the person in the photo, "Who is it? May I take a look?"

Chapter 842: The Girl Whom I've Been Thinking About Ever Since (2)

"Sure..." desolate year generously handed Shi Yao his wallet. "Actually, you know this girl as well, Yaoxi. We used to play games together..."

As desolate year's voice sounded, Shi Yao saw a photo in desolate year's wallet.

The photo was printed out, so its resolution wasn't too high. Even so, Shi Yao could tell from the photo that the girl that desolate year yearned for was a rare beauty.

As humans, they would always take care of beautiful things, so Shi Yao couldn't help but take a few more glances at the photo.

On the other hand, Lin Jiage didn't care about desolate year's personal life at all. Instead, he wholeheartedly helped Shi Yao roll the duck pancake.

When he was about to feed the rolled duck pancake to Shi Yao, he noticed that Shi Yao was still staring at her wallet, so he couldn't help but ask, "Is it really that good-looking? Even the food..."

As Lin Jiage spoke, he casually glanced at the wallet in Shi Yao's hand.

After taking a closer look at the photo, his expression suddenly changed. With a shake of his hand, the duck pancake fell straight into the small bowl in front of Shi Yao.

The Heck! The Heck!

Are you kidding me?

The girl that 36.1 million wild men have been thinking about ever since... is actually his cross-dressing photo?

Is he poisonous in the lean years? He actually saved his photo, printed it out, and stored it in his wallet... This photo is the worst nightmare and stain of his entire life!

Lin Jiage felt as if his state of mind was slowly starting to waver.

“So, it’s that good B * Tch...”

Before the word ‘b * Tch’ could be fully uttered, Shi Yao hurriedly stopped herself from speaking.

This was the person she hated the most in the game! She even gave her a nickname — the white lotus that called her ‘good B * Tch’, and she nearly blurted it out... but it was fortunate that she managed to react in time... otherwise, desolate year would surely be unhappy.

Shi Yao gulped down a mouthful of saliva, and her eyes darted back and forth as she changed the ‘b * Tch’ sound into a ‘pretty’ sound: “... Pretty Little Sister!”

He could accept being pretty, but as for little sister... he rejected her!

Lin Jiage tried his best to calm himself down.

“Lin Jiage, take a look. Isn’t this little sister very pretty?” Shi Yao asked as she passed the photo over to Lin Jiage.

Lin Jiage really couldn’t bear to look at his effeminate self in the photo. All he had to do was take a quick glance at it, and he immediately replied with a random “UN”.

Shi Yao could tell that Lin Jiage was just being perfunctory, so she pouted her lips in displeasure.

Lin Jiage hurriedly replied, “In my eyes, you’re the prettiest.”

Shi Yao’s face was like the weather in June, and it instantly turned from gloomy to sunny.

Looking at the beaming Shi Yao across from him, Hunnian felt as if he had been forcefully stuffed with dog food once more. He silently cupped his lonely and injured little heart in his hands, then, with a tinge of sadness and emotion, he said, “That’s right. Little Cutie is the most beautiful girl I’ve ever seen... back then, I was a wild and unruly horse that could gallop through a myriad of flowers without even touching a single leaf. However, when I met Little Cutie, she was like a little fairy that could cast magic, easily stealing my heart...”

Little Vixen... is it appropriate for me to put her on him?

Besides, to steal his heart... as a man, what does he need his heart for?

Lin Jiage could clearly see that his state of mind was falling apart more and more as the years of famine passed.

Chapter 843: Thinking Of Him In The Dead Of Night (1)

After all this time, desolate year isn’t my rival in love, but Soft Bun’s rival in love... There’s really a mixture of happiness and sadness... ptui, where’s the joy in that? Thinking about how he was being remembered by an old man, and the wallet he carried with him was filled with his photo, how could this

be a mixture of happiness and sadness? It was clearly a mixture of sadness and sadness, the second power of sadness..

In contrast to Lin Jiage, Shi Yao's interest was piqued even more, "Desolate year, from your words, it seems like you really have a crush on Little Cutie..."

"That's right..." as there was no alcohol, desolate year took the soy milk in front of him and treated it as a strong drink, he gulped down a mouthful of it, "... I really have a crush on Little Cutie. Even though I don't know how I fell in love with her, I didn't think much of it after she got separated from me at the Beijing railway station. I feel like our fate is probably just like that. I also know that I might have been deceived by little cutie, but as the days went by, in the dead of night, I started to think about little cutie more and more..."

Thinking of him in the dead of the night... could it be that it was the same as what he imagined when he thought of soft bun in the dead of the night?

Lin Jiage had only created a simple illusion in his mind, and his state of mind had completely collapsed.

The image was too beautiful, and he didn't dare to look at it!

Even if no one other than him knew who Huang Nian's little cutie was, he couldn't stand a man daydreaming about his picture in the dead of the night... No, no, absolutely not.., he had to make desolate year give up on his dreams for him..

With this thought in mind, Lin Jiage spoke up, "I advise you to wake up. Your unrequited love won't come to fruition."

Desolate year found Lin Jiage's words a little hard to accept, he felt that the blow he had received was too heavy, "How do you know that it won't come to fruition? I leave messages for little cutie every day. Who knows, maybe one day, little cutie will come back..."

Even though Lin Jiage was her boyfriend, Shi Yao felt that his words were too much. The current desolate year had fallen in love with someone, but that person had ignored him. He was infatuated and pitiful, so she should be consoling him..

With this thought in mind, Shi Yao shot a glare at Lin Jiage and consoled desolate year, "Desolate year, I believe in you. Little Cutie will definitely be moved by Your Infatuation..."

"That's impossible in this lifetime!" Without even thinking twice, Lin Jiage blurted out, "It's impossible in the next life as well!"

Desolate year, who had finally been consoled by Shi Yao, suddenly felt his heart clench once more.

Shi Yao glared at Lin Jiage with extreme dissatisfaction and walked up to him, she warned him softly, "Look at how sad desolate year is. Can't you console him? He's quite pitiful too. Furthermore, from the looks of it, he really likes little cutie from the bottom of his heart..."

At this point, Lin Jiage's state of mind had already collapsed, and his tone sounded a little anxious, "He can like anyone, but he can't like Little Cutie!"

"Why?" Shi Yao felt that something was amiss, so she shot a curious glance at Lin Jiage.

Lin Jiage's sharp senses told him that he was too agitated, he hurriedly calmed his tone, "What I'm saying is that he can like anyone, but he can't continue to like little cutie... unrequited love hurts the most. Look at him, he's already in a state of mental derangement. If he's allowed to continue being infatuated with little cutie, what if he really becomes a bachelor for the rest of his life?"

Chapter 844: Thinking Of Him In The Dead Of Night (2)

Hearing Lin Jiage's words, Shi Yao also felt that it was the same as well, so she asked, "Then what should we do?"

"What else can we do? Let's help him..."

"I didn't realize that you were so warm-hearted, Lin Jiage!"

"Darling, this isn't the time to talk about this."

"..."looking at the two people who were whispering together and the neglected desolate years, Shi Yao couldn't help but clear her throat.

However, Shi Yao and Lin Jiage were so engrossed in their conversation that they didn't even spare him a glance.

Shi Yao: "Oh, OH, that's right. Then, tell me, how can we help him?"

"There's a saying that goes like this: the best way to get out of a broken relationship is to fall into a new one. So, we have to think of a way to make him fall in love with someone else..."Lin Jiage felt that his idea was simply too good, it didn't matter who this 36.1 W wild man fell in love with, even if it was a single old lady serving rice in the cafeteria or an old man standing at the school gate. As long as it wasn't him, it was fine.

"That sounds very reasonable..."Shi Yao turned her head and glanced at desolate year.

Desolate year thought that Shi Yao and Lin Jiage had finally remembered him, so he was just about to speak when Shi Yao retracted her gaze, she leaned back into Lin Jiage's ear and continued muttering, "You know what? Huang Nian is really quite handsome. Tian Tian is always asking for a boyfriend in the dormitory room, and she even said that you're her Prince Charming. If I take you in, I'll have to return her another Prince Charming. I think that Huang Nian's looks can meet Tian Tian's requirements, so I'll find a time to invite him out for a meal together with Tian Tian... furthermore, he's a big streamer, so his income is quite impressive. UN UN, I think that this arrangement is simply too great!"

What Lin Jiage wanted was for desolate year to give up on him, so he didn't have any objections to Shi Yao introducing anyone to desolate year as her girlfriend as long as it wasn't herself.

Seeing that Lin Jiage had agreed, Shi Yao turned to desolate year and asked, "Desolate year, do you have time in a few days? We have a gathering. Do you want to come over and play with us?"

"Is it just the two of you?"Desolate year asked.

"No, no, no. I still have a lot of friends..."

“Oh, I can go then.” If it was just the two of them, he wouldn’t have come even if he was beaten to death..

“Then let’s add each other back on wechat. We’ll contact each other later...”

After Shi Yao and desolate year added each other back as friends, the three of them continued eating.

After finishing their meal, Lin Jiage paid the bill and the three of them walked out of the restaurant. Just as they were about to leave, Lin Jiage suddenly thought of something and called out to desolate year, “Um... Do you still want to stream tonight?”

“Of course I do. I stream every day, unless I’m delayed by something.”

Lin Jiage nodded in acknowledgement. A moment later, he asked, “In that case, do you want to join us later?”

Desolate year readily agreed, “Sure...”

Lin Jiage didn’t say anything else.

Shi Yao and desolate year waved their hands and sweetly said “Goodbye” before the three of them left.

..

After returning to school, before Shi Yao could enter the dormitory building, Lin Jiage stopped her and said, “Right, don’t forget about the dinner gathering tomorrow night.”

Shi Yao knew that Lin Jiage was referring to the Lin family’s monthly family dinner, so she nodded her head and replied with an “MHM”.

Lin Jiage reached out and ruffled Shi Yao’s hair, “It’s cold outside. Hurry up and go in. I’ll see you in the game later.”

Shi Yao nodded furiously twice before standing on her tiptoes and giving Lin Jiage a peck on the cheek. Without waiting for him to react, she ran into the female dormitory building.

Chapter 845: I Still Like You (1)

Thinking about it, this was the first time she had taken the initiative to kiss Lin Jiage..

Shi Yao ran back to her dormitory room in a single breath, her heart still pounding furiously.

He Tiantian, Jiang Yue, and Leng Nuan were nowhere to be found, and the dormitory room was completely empty. Shi Yao leaned against the door to calm herself down for a moment before carrying her towel and pajamas into the bathroom.

After taking a shower, Shi Yao saw an unread message on her phone. It was a message from Lin Jiage, asking her to go online and play the game.

While logging into the game, Shi Yao picked up some bottles and jars and began applying some on her face.

She accepted Lin Jiage's invitation to play the game, and upon entering the room, she realized that there were already three people inside.

[111111] , [year of famine of bean sprouts TV] , and [fruit juice] ..

Just as Shi Yao was about to start the game, she couldn't help but ask through voice chat, "Where's the expert? Are we going to abandon him just like that?"

[juice] : "It's my grandson who abandoned us. He's going to become a chauffeur."

Shi Yao didn't quite understand. "HM?".

[111111] replied, "He was called away by my sister to work overtime."

"Oh, so it was sister Jiayi who called him away..." as the owner of the house, Lin Jiage tapped into the game.

[year of desolation] was currently livestreaming, and after landing on the ground.., as usual, he continued to spout slanderous words, "I still like you. It's like an airdrop. I'm willing to chase after you even if it takes me thousands of miles away. I still like you a lot. It's like having you in my car, making it my home no matter where I drive. I still like you a lot, just like how Magnan and AWM are attracted to each other."

However, before [desolate year] could finish his words, [111111] suddenly spoke up, "Yaoyao..."

Shi Yao: "What's Wrong?"

[111111] : "Come over here, I want to show you something good..."

"Oh, OH." Shi Yao glanced at the small map, and after finding Lin Jiage's location, she ran over to him.

[juice] : "Boss, what are you going to show Little Junior? I want to see it too..."

[year of desolation] : "Let's See It Together..."

As the words of juice and year of desolation sounded, Shi Yao saw the two of them running toward Lin Jiage from different directions on the small map.

The three of them arrived around the same time, but Lin Jiage ignored year of desolation and juice. Instead, he waited for Shi Yao to walk over before jumping in front of her and saying, "Follow me..."

Following which, he turned around and walked toward a road not too far away.

Holding the small pistol that she had just picked up, Shi Yao followed behind Lin Jiage.

When they reached the road, Lin Jiage stopped and pointed the tip of the pistol in front of him, gesturing for Shi Yao to take a look for herself.

Curious, Shi Yao took a few steps forward and saw a densely packed pile of bullets on the road.

Only when she got closer did she realize that the bullets were placed in the shape of a heart. There were three letters and three numbers written inside.

Yao, 520... isn't that the pinyin of 'Yao'? Do I Love You?

Shi Yao circled the bullets on the ground a few times before running up to Lin Jiage, "Did you put those bullets there?"

"UN," Lin Jiage replied. "Do you like them?"

"I do..."

"Then let me show you something that I like even more..." as Lin Jiage's voice trailed off, Shi Yao saw him raise his gun toward a wall in front of them. She subconsciously turned her head to look at the wall, following the series of gunshots that Lin Jiage fired, a bullet hole shaped like a heart was left on the wall.

"Wow..." amidst Shi Yao's exclamation, [Juice] said, "I'm sorry, I shouldn't have come."

Chapter 846: I Still Like You (2)

[year of famine of bean sprout TV] : "I'm sorry, I shouldn't have come either..."

Faced with the voices of Juice and year of famine, Lin Jiage didn't pay any attention to them at all. His words were still directed at Shi Yao, "Do you have a class tomorrow morning?"

"Yes, from ten to twelve in the morning."

"Oh, then I'll pick you up tomorrow afternoon. We'll have lunch together, and you'll go to my company in the afternoon? We'll go over together tonight?"

Shi Yao knew that Lin Jiage's past was to have a family dinner with the Lin family. She had originally planned to go to the library tomorrow afternoon to study, but after thinking about it for a moment, she still nodded in agreement, "Alright, I'll bring the test papers to your company tomorrow."

"The poison is here. Do you want to run away from it or not?" Juice, who had been ignored for a long time, couldn't help but ask.

"Brother, it's no use. The two of them ignored me just like that during dinner tonight," Huang Nian replied.

"Brother, I really admire you. You actually dared to eat with them? Do you know that we don't even eat with them!" Juice said with a tone reminiscent of an experienced person.

However, just as Juice's voice trailed off, he was knocked flying by Lin Jiage, who had gone to the garage to drive a car.

It was as if Lin Jiage couldn't be bothered to speak to the two of them at all. All he did was press the horn with all his might, gesturing for them to quickly get into the car.

Juice was the first to get into the car, followed by desolate year, and finally, Shi Yao, who had jumped down from a nearby building.

By the time everyone got into the car, the poison had already spread over the area. Seeing that Lin Jiage was still not driving, Juice couldn't help but ask, "Boss, why aren't you driving yet..."

"I have to drive, but you have to get out first."

“Why?” Juice was displeased. “There’s no car nearby, so it’s only a thousand meters away. Boss, are you trying to poison me to death?”

“If you don’t hand over the front passenger seat to Yaoyao, I’ll really poison you to death...” as he spoke, not only did Lin Jiage not run toward the safe zone, he even began retreating deeper into the poison zone.

“Alright, Alright, Alright. I’ll switch seats, Alright?” Juice jumped out of the car and walked to the back seat, he turned to Shi Yao and said, “Little Junior, switch to the front seat... Little Junior, look at how boss is bullying me. Aren’t you going to do anything about it?”

“Un...” Shi Yao tapped on the switch and sat in the front passenger seat. After which, she turned her game character to Lin Jiage and said, “Lin Jiage, well done!”

[it’s juice] : “? ? ? ? ?”

[it’s juice] : “Little Junior, are you sure this is a matter of control?”

While Lin Jiage was driving around, Shi Yao spoke up with conviction, “Why should I Care? I’m in the same family as Lin Jiage, and he’s my wife. Everything he does is right. Besides, the passenger seat is mine to begin with... isn’t that right, wife?”

After saying those words, Shi Yao turned her character back to Lin Jiage.

[desolate year of bean sprouts TV] : “Mother, wife? Lin Jiage, how can you tolerate this?”

Lin Jiage ignored desolate year’s fuss and turned to Shi Yao instead, “Yes, husband.”

[juice] : “I’m sorry, I was too conceited.” I thought that little junior would help me, but it turns out... little junior only knows how to help the wicked!

[Douya TV barren year] : “I’m sorry, I was too conceited.” He didn’t think that Lin Jiage would be so shameless as to willingly become a woman!

Chapter 847: The Kingdom I’ve Conquered For Yaoyao (1)

When the car drove into the safety zone, desolate year noticed four people. while Shi Yao was asking “Where are they?”, that group of people had already been brutally massacred by Lin Jiage.

Shi Yao alighted from the car and ran over to lick her bag. On the way, she heard the disgruntled voices of juice and desolate year.

“Boss, you only have an M416 and an AWM. You Don’t need 7.6 bullets. Why did you take all the bullets from 7.6?”

“Lin Jiage, don’t you have an eightfold mirror? Why did you take the eightfold mirror from this bag?”

Lin Jiage didn’t pay any attention to the two of them. Instead, after licking the bag, he controlled the characters in the game to land in front of Shi Yao before tossing them onto the ground, at the same time, he said to Shi Yao, “I’ll give you the 7.6 bullets, the Eightfold Mirror, the medicine bag, the drinks, and the painkillers...”

[juice] : "..."

[Douya TV barren year] : "..."

While Lin Jiage was tossing away the items, Shi Yao kept bending over to pick them up. Eventually, she found that she couldn't pick them up anymore, so she said, "My bag is full..."

[juice] leaped over and asked, "Little Junior, can you give me a 7.6 bullet?"

[Douya TV barren year] also leaped over and asked, "Yaoxi, do you use the eight-fold mirror? If you don't, can you give it to me?"

Without waiting for Shi Yao to respond, Lin Jiage spoke up first, "No, you can't. This is the territory I'm calling Yaoyao from."

[juice] : "..."

[year of famine] : "..."

Lin Jiage glanced at his bag. Just like Shi Yao, it was a level 2 bag. After which, he glanced at juice and year of famine before turning to the only level 3 bag on his back and saying, "Give your bag to Yaoyao..."

[juice] : "..."

"Are you going to give it to me or not?" Lin Jiage took out a grenade and pointed it at juice.

[juice] : "No... It's impossible!"

After which, he tossed his bag to Shi Yao.

Watching this scene, [desolate year of bean sprouts TV] realized that he was the only one with a level 3 head, so he silently retreated, however, he was still stopped by the sharp-eyed Lin Jiage, "Year of famine, your level 3 head..."

[year of famine] : "...before Lin Jiage could even reach for his grenade, year of famine had already tossed his level 3 head right before Shi Yao.

The one who had completely defeated year of famine and juice was the final battle in the finals.

[juice] circled around the back, and [year of famine] set up his gun.

The two of them discovered the enemy's location and reported it to Lin Jiage with all their might.

"Boss, there's someone in the southwest, under the tree!"

"God, there's someone in the northwest as well, behind the Rock!"

"F * ck! Boss, I'm talking about the southwest! Why are you running to the East!"

"That's right! God, where are you running to..."

Amidst their frenzied and agitated words, Lin Jiage and Shi Yao turned into boxes. Following which, fruit juice and barren year also turned into boxes.

[juice] : "Boss, if you had cooperated with US just now, we would have definitely eaten chicken!"

[Douya TV desolate year] : “That’s right. God, why did you run to the east? There are several Voldemort over there...”

Amidst the indignant chatter of the two, Lin Jiage’s unhurried voice finally sounded, “Yaoyao is in the east...”

Juice:“...”

Bean sprouts in famine:“...”

[juice] : “Bye!”

“Bye-bye!”

Chapter 848: The Kingdom I’ve Conquered For Yaoyao (2)

Shi Yao: “Are you guys not going to play anymore?”

[juice] : “I’m not playing anymore. I can’t play anymore.”

[year of desolation] : “I can’t play anymore. It’s too heart-wrenching to be with you guys.”

“Really?” Shi Yao felt that it wasn’t too bad. She and Lin Jiage weren’t as lovey-dovey as they said, were they?

Lin jiage: “No.”

“I don’t think so either...” Shi Yao agreed with Lin Jiage’s words. Then, she turned to juice and barren year and said, “Perhaps it’s because you two have been single for too long, and seeing a couple makes your heart ache...”

[juice] : “My hands are so cheap. What game should I play? I should go chase after my goddess.”

[bean sprout TV] : “My hands are so cheap. Why Am I streaming? I should go look at my little Cutie’s photo.”

[shi juice] : “Who’s Little Cutie?”

[Yao loves ice cream] : “Little Cutie is a girl that Huang Nian likes. She used to be his fan, but she stopped talking to him.”

[shi juice] : “I’m sure it’s a girl, but it could also be a boy. Big Eagle Cute Girl is everywhere in the game now.”

[Yao loves ice cream] : “Ha, if it’s really a boy, then desolate year would be a tragedy.”

[bean sprout TV desolate year] : “I won’t allow you to say that about my little cutie... besides, even if it’s a boy, I’ll still continue to like him!”

“PA—”

While everyone was chatting, the sound of glass shattering was particularly ear-piercing.

[Yao loves ice cream] : “What’s That Sound?”

[year of famine of bean sprout TV] : “What’s Wrong?”

[it’s juice] : “What’s Going On?”

Ten seconds later, Lin Jiage’s voice sounded through the earpiece, “It’s nothing. I lost my grip on the glass and accidentally dropped it.”

After a brief pause, Lin Jiage spoke up once more, “Didn’t you guys say goodbye just now?”

[year of famine] : “That’s right...”

[it’s juice] : “That’s right...”

“Then, take care...” as the owner of the room, Lin Jiage mercilessly kicked the two of them out of the room.

Only Lin Jiage and Shi Yao remained in the room, and the room immediately fell silent.

The two of them chatted for a moment before Lin Jiage asked, “Are you still playing games?”

Shi Yao glanced at the time, and it was already late. “I’m not playing anymore, right? I’m going to sleep now. I still have to memorize the words when I wake up tomorrow...”

Lin Jiage replied with an “Un”, “Then you should go to bed early.”

“UN UN, you should go to bed early too.”

The two of them continued to chat in the game for a while longer due to the issue of “Sleep early and have a good night” before they parted ways.

After exiting the game, Shi Yao, who had been severely deprived of sleep for the past two days due to her match with [hate from Love], drank a bag of yogurt before climbing into bed to sleep.

Meanwhile, in a residential area more than ten kilometers away from g university, Lin Jiage cleaned up the broken glass fragments on the floor and threw them into the trash can before heading to his study.

On his computer, he saw the livestream page of [year of famine on Bean Sprout TV] .

After parting ways, year of famine went to bring his fans along. Lin Jiage didn’t pay much attention to the content of his livestream. Instead, he ended the recording function on his computer and opened up the video recording, scanning through it from beginning to end, after which, he took a screenshot of the twenty-plus minutes of video he had played with Shi Yao, opened a new account, and uploaded it to the school forum.

After the video was uploaded, he stared at the computer screen for a moment before raising his finger and typing a line of words: [111111] I reveal the truth..

Chapter 849: Teenage Boy’s Heart Explodes (1)

He knew the truth of the matter. He knew that [111111] was him, and he also knew that he was cuckolded in the school forum. He brought it to himself, but the rest of the school did not know.

Although Soft Bun won [hate because of love] , proving that she was also capable, that match was far from enough. Those rumors about Soft Bun's private life.., they would still criticize her... what about her being a womanizer everywhere, saying that she was fooling around with all kinds of boys..

She was the girl he truly liked. In the past, when she was not with him, he would not allow others to bully her. Now that she was by his side.., how could he just watch as those people on the forum spouted nonsense and did nothing?

On the day of the incident, he had been thinking about how he could help soft bun win this round, and it wasn't until this afternoon that he bumped into desolate year..

He was a live streamer, and a very famous one at that. As such, it was normal for G University to have his fans. On the other hand, if he and soft bun continued to stream with him, as long as the video was uploaded to the school forum.., the nonsense of [born from love] would fall apart..

As Lin Jiage typed and posted on the forum, he thought that if it weren't for his thoughts, he wouldn't have agreed to have dinner with desolate year, and he wouldn't have known that desolate year was thinking about him..

Recalling what desolate year had said, "Even if it's a boy, I'll still continue to like him", Lin Jiage's hands trembled, and he nearly threw his laptop away.

No, no, that fellow desolate year is too terrifying!

He wanted to send all of his female comrades to desolate year, and no matter what, he had to make desolate year fall in love with someone else!

Forget about he tiantian or that sunny-side-up Jiang Yue, even if it was Lin Jiayi... err... compared to that fellow desolate year who liked him, he was more willing to force himself to call him brother-in-law!

..

The next day, Shi Yao opened her eyes, and a post about [111111]'s true self revealing the secret fell into her eyes.

It was forwarded by another student to He Tiantian, and he tiantian forwarded it to her. After which, she posted a post on he tiantian and Jiang Yue's 'insane' page.

The main content of the post was a video.

With a curious mind, Shi Yao clicked into the video and watched it for half a minute. It turned out to be the video recording of her playing the game with Lin Jiage, Nian Nian, and juice last night.

As it was a video recording, even the bullet screen in Nian Nian's livestream room was recorded.

—'66666, the second-ranked God in the entire server fired a gun, leaving behind bullet marks in the shape of Love Yao.'

—“The theme of the Aragami's livestream today is to feed dog food?”

—“Hahaha, I still need eight times more mirrors, but what happened in the end? I lost my level 3 head!”

—“I pity the Aragami and that fruit juice for a second, and then I’ll continue enjoying the dog food of the Aragami and Love Yao Xi!”

—“Hahaha, the Aragami has been kicked out of the livestream room...”

—“What should I do? I don’t want to watch the Aragami’s livestream anymore. I really want to continue watching the show of love between the Aragami and Love Yao Xi!”

“...”

So, yesterday, the discussion in desolate year’s livestream room wasn’t about how to play games, but about her and Lin Jiage?

Shi Yao was slightly speechless for a moment before she continued reading the messages left by the students of G University.

—“F * ck, F * CK, F * ck! Are you serious? 111111 is actually the campus belle? He’s so handsome, has such a good background, and is so good at his studies. Yet, he’s still playing games so well?”

—“I suddenly feel so envious and jealous of Shi Yao. What should I do?”

Chapter 850: Teenage Boy’s Heart Explodes (2)

—“It’s no wonder Shi Yao was able to win first place in the school tournament. So, she has a boyfriend who’s so good at gaming. I finally understand why I’ll never be able to eat a chicken!”

—“Do you have to be so lovey-dovey just to play a game? Haven’t you heard of how Lovey-dovey dies quickly?”

Seeing this, Shi Yao was displeased. “What do you mean by ‘Lovey-dovey dies quickly’? Lin Jiage and I have always been lovey-dovey!”

He Tiantian was watching the video when she happened to see Lin Jiage forcing the juice out of his backpack with a grenade. Hearing Shi Yao’s words, he replied mercilessly, “Shut up!”

“Yaoyao, ever since you got a boyfriend, I feel like you’re going to soar into the sky!” Jiang Yue chimed in.

In response to he Tiantian and Jiang Yue’s rage, Shi Yao chuckled and continued browsing through the forums.

—“What should I do? After seeing school Herb Lin and Shi Yao, I really want to fall in love!”

—“Is it just my imagination? I Can’t believe that my eyes are filled with pink bubbles throughout the entire game! My Young Man’s heart is about to explode!”

—“What the hell is a young man’s heart about to explode?”

“...”

Due to the fact that the post [hate because of love] was already very popular, even the post [111111]’s main body revealing the secret was also very popular.

Most of the comments revolved around the interaction between Lin Jiage and Shi Yao in the game. However, when Shi Yao scrolled to the back of the thread, she saw someone mentioning 'hate because of love'.

—"How did that hate because of love, who analyzed that Shi Yao slept with 11111, disappear?"

—"Does that mean that Lin Jiage is the one who cheated on Lin Jiage?"

—"Who is the one who hated Shi Yao out of Love? After killing ten people and eating chicken yesterday, did Shi Yao really come forward to eat SH * t again?"

—"That's right. What about live streaming? I'm a man of my word..."

—"Even if she doesn't eat SH * t, she should at least come out and apologize, right? As a university student, she can't be so despicable!"

—"With all due respect, you guys are all fence-sitters. Weren't you talking about Shi Yao a few days ago?"

—"Apologize, apologize, apologize, apologize, apologize to Shi Yao because of love and hate. If you don't apologize, I'll Eat You Alive..."

—"Computer master, kneel to beg the human flesh this scum..."

"..."

Shi Yao had originally planned to find a time today to post a statement and ask [hate for Love] to apologize, but now it seemed like she didn't have to do anything. Those forum members who liked to eat melons, it was likely that they would make [hate for Love] stand up for her.

Due to the large number of replies, it was inevitable that there would be some words that were still stubbornly scolding Shi Yao. However, Shi Yao didn't pay too much attention to it. After all, no one was perfect, and no one was worth RMB. It was impossible for everyone to like one another., thus, she didn't finish reading through the forum posts. Instead, she took a look at the general direction of the situation, and after understanding the situation, she went to wash up before heading off for breakfast and class.

Just like the conversation she had with Lin Jiage the day before, Shi Yao saw Lin Jiage picking her up for lunch right after class.

Thanks to the video chat in the school forum, many people had heard of their conversation in the game the day before, so they knew that he was coming over. Thus, when Shi Yao came out of the school building, there were already many students holding their books in their hands, pretending to be chatting with one another, they were all gathered around Lin Jiage.

After lunch, the two of them arrived at Lin Jiage's company a second ago, and the next second, Lin Jiage was called away for a meeting.

Shi Yao opened her English paper a second ago, and the next second, she felt drowsy. She hesitated for a moment, but in the end, she decided to head to the lounge inside and lie down on Lin Jiage's bed to take a nap.
