

### **Chapter 861: You Touched My Man (1)**

“Who is it?” Liang Mumu’s voice sounded rather unfriendly, perhaps because she had been interrupted in her enjoyment.

Shi Yao didn’t reply to her question. Instead, she walked over to Liang Mumu’s bed.

Liang Mumu happened to open her eyes, and upon seeing Shi Yao, the words that she had wanted to say suddenly disappeared from her mouth.

The technician who had given Liang Mumu a SPA treatment was the same technician she had used in the past, and she was also acquainted with Shi Yao. “Miss Shi, are you here to see Miss Liang?”

Shi Yao didn’t say a word, but her eyes were fixated on Liang Mumu.

Due to Shi Yao’s abrupt entrance, the receptionist also followed her in. “Miss Liang, Miss Shi said that she’s looking for you...”

“All of you, Get Out!” Liang Mumu, who was busy spending money, didn’t say a word. On the other hand, Shi Yao spoke up instead.

The technician and the receptionist didn’t move, but they turned to look at Liang Mumu.

“I have something to tell her, so I’ll have to trouble the both of you to leave for a moment!” Shi Yao said.

This time, Liang Mumu didn’t remain silent. Instead, she nodded at the technician and the receptionist.

After the technician and the receptionist left, Liang Mumu finally met Shi Yao’s eyes and said, “You came to me for...”

Before Liang Mumu could finish her words, Shi Yao grabbed Liang Mumu’s arm and dragged her down from the SPA bed.

“Shi Yao, are you crazy? What are you doing? Can’t you speak properly?”

Amidst Liang Mumu’s struggles, resistance, and furious bellows, Shi Yao didn’t say a single word. Instead, she dragged her toward the wooden bathtub not too far away.

She had already taken a bath, but the milk rose bath was still there. Walking up to the bathtub, Shi Yao mercilessly flung Liang Mumu, who was only wearing her underwear because of the SPA, into the tub.

“Shi Yao, are you crazy? You...”

The water in the bathtub was already very cold, and Liang Mumu shivered from the cold. Just as she was about to climb out of the bathtub, Shi Yao swiftly reached out and pressed her head down, pushing her back into the bathtub.

“Shi Yao, let go of me! Shi Yao, you...”

Ignoring Liang Mumu’s words, Shi Yao took out the phone that she had grabbed when she dragged her out of bed and waved it in front of her. “What’s the password on your phone?”

“The password on my phone. Why should I tell you?”

Right after Liang Mumu finished her words, Shi Yao pressed her head into the bathtub.

Liang Mumu, who had choked on the water, struggled with all her might, and a sobbing sound could be heard coming from her mouth.

“I’ll ask you one more time. What’s the password on your phone?” Shi Yao knew what to do, so she didn’t want to kill Liang Mumu. Thus, she pulled Liang Mumu’s head out of the water and asked her once more.

This time, she didn’t wait for her reply before continuing to push Liang Mumu’s head into the water.

“Shi Yao, do you know that if anything happens to me, you won’t have a good time either!”

“Let me tell you, Shi Yao, this is a legal society!”

“Shi Yao, are you f \* cking crazy? !”

“Shi Yao...”

Liang Mumu’s head fell into the water once more. Due to her incessant speech, she choked on a few mouthfuls of water.

“Shi Yao, let go of me! Shi Yao, i... I’ll tell you, Alright? Shi Yao...”

Shi Yao waited until Liang Mumu had revealed the password to her phone and entered the main page of her phone before she finally released her grip on Liang Mumu’s head.

She swiftly tapped on Liang Mumu’s wechat, and it wasn’t too difficult to find the chat history between her and Qin Yiran.

## **Chapter 862: You Touched My Man (2)**

After clicking on the screenshot, Shi Yao took a quick glance at the content of their conversation. Taking advantage of the fact that Liang Mumu was coughing violently due to choking on water, she swiftly took a screenshot and sent it to her phone.

By the time Shi Yao completed the series of actions, Liang Mumu had already recovered from her shock. Baring her fangs and claws, she reached out to grab Shi Yao’s phone. “Shi Yao, give me back my phone!”

Shi Yao allowed Liang Mumu to snatch her phone away.

“What did you do with my phone? Shi Yao, what do you mean by that?” Liang Mumu questioned Shi Yao as she looked at her phone.

Shi Yao ignored her, but it didn’t take long for Liang Mumu to see the text message that had been sent from her phone.

When she saw the content of the screenshots, her face suddenly turned a little ugly. “Shi Yao, what did you do with those screenshots? What do you want? Shi Yao, you B \* Tch! I’ve never seen anyone as B \* Tch as you...”

“Shi Yao, you B \* Tch! Delete those screenshots from your phone! Delete them!”

Liang Mumu cursed at Shi Yao as she leaped out of the bathtub, intending to snatch Shi Yao’s phone away from her.

Without waiting for her hand to touch her body, Shi Yao grabbed onto Liang Mumu’s wet wrist and forcefully pulled her forward.

Liang Mumu’s entire body was wet. The wooden floor of the SPA had been waxed, and it was already smooth to begin with. Now that it was soaked in water, with Shi Yao’s forceful pull, the soles of her feet slipped, and she fell to the ground without any warning.

Before she could recover from the pain, a towel was thrown onto her body. Following which, Shi Yao bent down and pressed down on her neck, pinning her down, she leaned closer to Liang Mumu’s ear and said, “Liang Mumu, to be honest, I’m here today to brazenly snatch the chat logs between you and Qin yiran from your phone...”

“Don’t think that I don’t know that you’re the one who came up with the idea behind Han Jing’s matter! Qin yiran might think that you’re targeting me, but I know that you’re not... because you know Lin Jiage better than they do. You know that Han Jing’s actions will drive Lin Jiage into a rage. It may seem like you’re targeting me, but you’re actually trying to harm Lin Jiage, right

“What do you want Lin Jiage to do to Han Jing in a fit of rage, so that Lin Jiage can go to jail? Or perhaps, you want to make him pay with his life?”

“Liang Mumu, you sure are ruthless when it comes to using others to kill others. But let me tell you, Liang Mumu, no matter how smart and ruthless you are, you forgot one thing. You know me, and I know you too...”

“I didn’t want to go so far, but you forced me to do it! It’s fine if you want to make things difficult for me, but I won’t allow you to do this to Lin Jiage!”

“So, the blame lies with you for touching my men! “Liang Mumu, today is the day that you and I will end our relationship. I will show the screenshots that I took back to your Liang clan. Of course, I will show them to the Lin clan as well. I want to see whether the Liang clan will put the Liang clan’s business first or you first.”

After saying those words, Shi Yao ignored Liang Mumu’s curses from anger or fear. She stood up and tidied up her clothes before looking down at Liang Mumu who was lying on the ground, her lips moved once more. “I think that it won’t be long before I’ll never see you again in Beijing, right? Or should I say goodbye to You Now? Never?”

### **Chapter 863: Shi Yao’s Instant Noodles (1)**

“Shi Yao, I’m going to kill you! Shi Yao, you B \* Tch...”

“Shi Yao...”

Shi Yao stared at the hysterical Liang Mumu for a moment before turning around and leaving without saying a word.

Back then, at Grandpa Lin's birthday banquet, Liang Mumu had caused a huge commotion at the inkstone pavilion, and the Lin family wasn't too happy about it. However, due to the Liang family, it was inevitable that the incident would eventually pass.

Even though Liang Mumu had been sent to the countryside and pretended to be sick, everyone knew that they wouldn't bring up the past again.

But this time, it was different. Liang Mumu had caused a lot of trouble over and over again, and the Lin family was already unhappy about it. This time, she had even implicated Lin Jiage, so naturally, the Lin family wouldn't let this matter rest. However, just as she had said.., Liang Mumu wasn't the daughter of the direct line of descent of the Liang family, but she was a relative of the Liang family's daughter-in-law. Her relationship with the Lin family was far beyond that, so naturally, the Liang family wouldn't protect Liang Mumu anymore.

Liang Mumu had always been raised by the Liang family. After this incident, she might no longer be able to rely on the Liang family behind her to live the life of a rich young lady. The Liang family would definitely think that she was too good at stirring up trouble if she stayed in Beijing. They would definitely think of ways to send her as far away as possible.

If they could not live in peace, they could also meet like strangers. However, what Liang Mumu had always wanted was that no one could live in peace.

She wasn't a saint, nor was she a good person. She only wanted to live a simple life, a simple life with the person she liked. If someone interfered with her simple life, she couldn't just sit around and wait for death to come.

Everyone had something that everyone had to protect, and the thing that everyone had to protect for her would become a successful warrior.

..

After returning to the car, Shi Yao asked the chauffeur to send her back to G University.

By the time she reached the entrance of G University, the sky was already completely dark.

Shi Yao hadn't received Lin Jiage's call yet, so she assumed that he hadn't walked out of the school's administrative office yet. However, on her way to the administrative office, her footsteps were still a little hurried, so by the time she reached the office building.., in the winter, a thin layer of sweat still formed on her forehead and the tip of her nose.

It didn't take long before Lin Jiage walked out from the office building.

When she saw him, she immediately trotted over to him.

Before she could say anything, Lin Jiage had already caught a glimpse of the sweat on her nose. "Why are you sweating so much?"

"Oh, I was bored just now, so I went out to run a few laps around the field." Due to her habit of lying, Shi Yao guiltily avoided Lin Jiage's eyes, but before he could say anything, she suddenly changed the topic, "Why did you take so long to come out? Did teacher punish you for writing a self-reflection? How many words did you write?"

“Ten Thousand Words.” Lin Jiage thought back to how he had been locked in his office and had to write ten thousand words of self-reflection, and his heart felt stifled.

“Hah...” Shi Yao chuckled before rubbing Lin Jiage’s wrist, “Thank you for your hard work...”

Following which, she spoke up once more, “I’m so hungry. What should we eat?”

Lin Jiage was already used to his girlfriend caring about him for less than three seconds before asking, “What do you want to eat?”

“Un...” Shi Yao tilted her head and pondered for a moment. Then, she saw a few drops of blood on Lin Jiage’s messy hair and clothes, she said, “... why don’t we head back to your house first... It’s not appropriate for you to go out for dinner like this...”

### **Chapter 864: Shi Yao’s Instant Noodles (2)**

Lin Jiage loved cleanliness to begin with. When he was locked in his office to write a self-reflection, he already wished that he could take a shower in his dormitory room. Thus, upon hearing Shi Yao’s words, he nodded his head without any objections, “Alright.”

During the afternoon meeting, Lin Jiage learned that Han Jing was spouting nonsense online, so he drove all the way to school to look for him.

Thus, on the way home, Lin Jiage drove while Shi Yao sat in the passenger seat.

It was already past eight o’clock, so the traffic was smooth. Shi Yao was staring straight at Lin Jiage driving ahead while the bustling night scenery was constantly moving backward. Sitting in the car, she glanced at Lin Jiage from time to time, and from time to time, she glanced out of the window, for some reason, a feeling of having no regrets for the rest of her life suddenly rose in her heart.

In truth, the things that Han Jing had caused in the forums over the past few days were quite awful and disgusting. After all, he was using a girl’s private life to attack her. However, Shi Yao felt that this wasn’t a bad thing either. At the very least, Han Jing had shown her just how important she was to Lin Jiage... No, she had always been important to Lin Jiage, but today.., it was only now that she realized that she was far more important to him than she had imagined.

There weren’t many guys who could do what Lin Jiage did, right? There were plenty of guys who would suspect their girlfriend the moment they saw someone saying that their girlfriend was sleeping with them, right? But Lin Jiage didn’t... she was in the office, and he didn’t even bother to ask her about it. Instead, he went straight to Han Jing, forced him to apologize to her, and even told her that she had a birthmark on her body.., without any hesitation, he replied, “I only believe in you...”

Shi Yao thought that the luckiest and happiest thing in a person’s life couldn’t be more fortunate than meeting Lin Jiage like she did?

While Shi Yao was deep in thought, the car continued driving forward. Just as it was about to reach the entrance of Lin Jiage’s neighborhood, Shi Yao caught sight of the supermarket beside her, and she said, “Stop the car...”

Lin Jiage hit the brakes.

“Well, I’m going to the supermarket to get something to eat...”

“What do you want to eat? I’ll Get You...”

“There’s no need for that. I’ll go by myself. I’m not allowed to park here either. Wait for me in the car...” Shi Yao said as she unbuckled her seatbelt, jumped out of the car, and rushed to the supermarket.

She picked out a few boxes of yogurt, a big bag of instant noodles, and a few sausages before carrying them to the cash register. Just as Shi Yao was about to take out her phone to scan the code, she caught a glimpse of a row of small, colorful boxes placed on the shelves beside her.

She hesitated for a moment before raising her head to glance at Lin Jiage, who was waiting in the car by the roadside. After some thought, she decided to act like a thief in the end. She sneakily picked up a small box with two fingers and threw it into the middle of the yogurt box.

After returning home, Lin Jiage went to take a shower while Shi Yao went to the kitchen to make instant noodles.

By the time Lin Jiage came out of the shower, Shi Yao had just finished cooking the instant noodles. “Lin Jiage, come over and have some Shi Yao brand instant noodles...”

Walking into the dining room, Lin Jiage glanced at master Kang’s bag of convenience and said, “It’s clearly master Kang brand instant noodles...”

Shi Yao pushed a large bowl of instant noodles before Lin Jiage and passed him a pair of chopsticks, at the same time, she said with conviction, “That’s not it. I put eggs and sausages in the instant noodles... so, it’s precisely because of Shi Yao brand instant noodles that master Kang brand instant noodles don’t have sausages and eggs...”

“...” Lin Jiage was rendered speechless by Shi Yao’s words. All he could do was silently eat his ‘Shi Yao’s brand of instant noodles’ with his chopsticks.

### **Chapter 865: You Are Tastier Than Instant Noodles (1)**

Throughout the entire process of eating instant noodles, Shi Yao would occasionally raise her head to look at Lin Jiage.

If she were to look at him too many times, it was inevitable that Lin Jiage would catch her.

“What’s wrong? Is there something on my face?”

Hearing Lin Jiage’s question, Shi Yao shook her head. She glanced at him once more before lowering her head to continue eating instant noodles.

Seeing that Shi Yao had moved her chopsticks, Lin Jiage also moved his chopsticks as well. However, Lin Jiage had only taken a few bites, and as if recalling something, he raised his head to look at Shi Yao and asked, “Yaoyao, are you in a bad mood?”

Shi Yao was taken aback by Lin Jiage’s sudden question.

“Are you in a bad mood... because of Han Jing?”

In the end, Lin Jiage was still a little disgusted with Han Jing. He didn't make his intentions too clear, and he only said what he wanted to say.

It was only then that Shi Yao understood what he meant. He was afraid that she would be upset because of Han Jing..

However, she only felt regret for Han Jing. A young man in his prime could have chosen a more suitable girl to fall in love with, but he had to fall into such a crazy obsession..

Shi Yao knew that Lin Jiage had misunderstood her intentions, but she also knew that something like this had happened. Even though she had calmed down, Lin Jiage still felt a little apprehensive in his heart, afraid that she wouldn't feel good.

Another indescribable feeling of gratitude filled Shi Yao's heart. On the way back to school after leaving Liang Mumu's place, the impulse that she had been feeling in her heart grew stronger and stronger.

Seeing Shi Yao's silence, Lin Jiage put down his chopsticks.

The slight sound of the bowls and chopsticks colliding woke Shi Yao up, and she hurriedly turned to Lin Jiage with a soft smile, “No, I'm not sad about those things. I just, just...”

Shi Yao, who hadn't thought of an excuse yet, saw the two bowls of instant noodles in front of the two of them. Her head felt hot, and she blurted out, “... I just think that you're better than instant noodles.”

Lin Jiage:” ...”

Lin Jiage:” ...”

Lin Jiage:” ...”

Was he being molested by his girlfriend?

You taste better than instant noodles... shouldn't those words come out of his mouth?

But why was he so relieved that he was being molested?

It was just like, just like last time... when she forced him to drink the medicine with her mouth and said that she would do it the hard way instead of the hard way..

If this goes on, will he really become a lady and soft bun become her husband..

If she were to say that she was full, would Lin Jiage send her back to school? At that time, she couldn't possibly say that she didn't want to leave and that she wanted to sleep here tonight, right?

After she left Liang Mumu, that thought suddenly surfaced in her mind. To her, it was a little too bold, but she still felt that tonight was the perfect night for her..

Shi Yao's pitch-black eyes rolled back and forth, but in the end, she chose to take a roundabout route out of embarrassment. Shaking her head at Lin Jiage, she said, “I'm not full yet...”

Lin Jiage:” ...”

It was fortunate that he had seen her eat three large bowls of Wontons in one go in front of him, so he remained calm.

“What do you want to eat? It’s not too late yet. I’ll bring you to eat...”

Did he think that she was an idiot? After leaving his house and having their meal, he would definitely drive straight to school..

Shi Yao continued shaking her head, “I don’t really feel like going out, can I order some takeout?”

“Then what do you want to eat?” Lin Jiage asked as he whipped out his phone, opened the takeout app, and handed it to Shi Yao.

### **Chapter 866: You Are Tastier Than Instant Noodles (2)**

Lin Jiage’s dining table was huge, and Shi Yao’s hair was loose. When she went to pick up her phone, her entire body stood up, and without her noticing, her long hair slipped into the bowl of instant noodles.

“Hair...”

Lin Jiage reminded Shi Yao a second ago, but in the next second, he stood up and grabbed her hair.

He placed his phone on the dining table, took out a tissue, and helped her clean up the soup stains on her hair.

Shi Yao raised her head and glanced at Lin Jiage, suddenly, she felt as if her hair was a godly aid... so, she hurriedly said, “It’s fine. I’m going to wash my hair today anyway. I’ll order some takeout first. After I’m done, I’ll go take a shower.”

“UN,” Lin Jiage replied without thinking too much into it. He wiped her hair twice before returning to his phone and passing it to Shi Yao.

However, before Shi Yao could pick up her phone, Lin Jiage’s phone rang first.

Shi Yao glanced at the screen. It was the director of Lin Jiage’s company, and she knew that it was his work, thus, she said sensibly, “You should go ahead and answer your call. I’ll... Use My own phone to order takeout.”

“You go ahead and order first. I’ll head back after you’re done...” as he spoke, Lin Jiage was about to hang up the phone.

Shi Yao hurriedly grabbed his hand to stop him from making a move, “It’s already so late, and I’m calling you. There’s a good chance that something urgent has come up. You should hurry up and answer the call.”

Lin Jiage glanced at Shi Yao and said, “Give me your phone.”

Shi Yao was perplexed, but she didn’t ask. Obediently, she passed her phone over to Lin Jiage.

Lin Jiage took her phone and tapped on it twice, “My Alipay has bound you to an intimate payment. After you order takeout, you can use the intimate payment directly.”

Shi Yao took the phone and saw the additional intimate payment in Alipay. Her heart was filled with joy, but she mumbled, "It's not like I don't have any money..."

Lin Jiage had already picked up the phone. Upon hearing those words, he didn't speak to the director on the other end of the line. Instead, he grabbed Shi Yao's wrist and pulled her into his embrace, lowering his head, he whispered into her ear, "But, you can only be fed by me..."

Seeing that the call had finally picked up, the director on the other end of the line was just about to call out 'director Lin' when he heard those words. His hand trembled in fright, and his phone fell to the ground with a 'Pa'.

Hearing those words, Lin Jiage rubbed Shi Yao's hand and placed the phone to his ear before asking coldly, "What's Wrong?"

A moment later, the director finally raised the phone with a shattered screen and said, "No, no... What's wrong? Lin, CEO Lin, what you said just now, was... was..."

"It wasn't meant for you," Lin Jiage replied before the other party could finish his sentence.

The director heaved a long sigh of relief and began talking about the main points.

As Lin Jiage listened to the conversation, he walked toward the study room. Along the way, he was still wondering if there was something wrong with the director's head. To think that he would actually think that those words were meant for him... how beautiful he was!

..

After Lin Jiage's figure disappeared from the study room, Shi Yao put down her phone and ran to the bathroom to take a shower.

Usually, Shi Yao would take around twenty minutes to take a shower, but this time, it took her forty minutes to turn off the tap.

Standing in front of the sink, Shi Yao's heart pounded furiously as she dried her hair.

After she was done cleaning herself up, she walked out of the bathroom and stopped at the bedroom door.

She took a deep breath, took another deep breath, and then clutched the thing in her hand tightly before she pulled the door open and walked out.

### **Chapter 867: I Want to Eat You (1)**

?

There was no one in the living room, and a bright light could be seen peeking through the half-closed door of the study room.

Could it be that Lin Jiage isn't done with his work yet..

With this thought in mind, Shi Yao walked up to the door of the study room and quietly pushed the door open.

She had only wanted to take a peek at the situation in the study room, but Lin Jiage caught her red-handed. Just as she was about to hide her head with a smile, Lin Jiage gestured for her to come in.

Shi Yao gently pushed the door open and walked over to the desk.

She stretched her head out to take a look at his computer screen. It was filled with densely packed formula codes... she couldn't make sense of them, so she turned her gaze to Lin Jiage.

The male student stared at the computer with a serious expression on his face as his fingers swiftly tapped on the keyboard.

It was no wonder everyone said that a serious working boy was the most charming... un... but her boyfriend was always charming!

With this thought in mind, Shi Yao couldn't help grinning silently.

Lin Jiage glanced at her, and seeing that she was smiling, the corners of his lips curled up as well. Then, he stared at the computer screen as he typed, "What Are You Laughing At?"

"You're laughing at how handsome my boyfriend is!"

Lin Jiage chuckled softly. He reached out with one hand, grabbed her wrist, and pulled her to sit on his lap. After which, he circled her and continued typing on the keyboard.

However, it didn't take long before Lin Jiage was done with his work. He moved his neck and lowered his head to look at Shi Yao in his embrace. Then, as if recalling something, he raised his wrist to look at the time. It had already been more than an hour.., her takeout hasn't arrived yet? Or has it arrived yet? Didn't he hear anything?

With this thought in mind, Lin Jiage frowned slightly. "Has the takeout arrived yet?"

Shi Yao shook her head.

"Which restaurant did you order? Why is it so slow? I want everyone in the company to order it once a day to give him a bad review..."

Is this how rich people seek revenge?

Shi Yao hesitated for a moment before replying honestly, "I didn't order takeout..."

"Why didn't you order it? Didn't you say that you weren't full yet?" Lin Jiage said as he picked up his phone. "Why don't we order it now? What do you want to eat? Spicy hot pot? Pizza? Spicy Hot Pot?"

Lin Jiage didn't ask a single question, and Shi Yao shook her head. By the time he reached the end of his sentence, Shi Yao couldn't help but ask, "I don't even want to eat it..."

"Then what do you want to eat? Do you want to eat the food cooked by the old chef? Or do you want to eat the food cooked by the Beijing Grand Hotel? I'll give them a call and have them send it over to you once it's ready..."

Shi Yao continued shaking her head. "No..."

Er... What's going on? This wasn't her reaction when she mentioned food in the past..

A hint of worry surfaced on Lin Jiage's forehead, "What's wrong? Did something happen again?"

Shi Yao shook her head once more before asking a question that had nothing to do with Lin Jiage's question, "Are you... done with your work?"

"I'm done with my work..." as Lin Jiage spoke, he turned Shi Yao's face to himself. With a slightly serious expression, he asked, "Yaoyao, are you hiding something from me?"

"No!" Shi Yao's eyes darted left and right, not daring to meet Lin Jiage's gaze.

However, the male student's gaze was fixated on her, showing no signs of letting her off.

Lin Jiage's gaze made Shi Yao's heart grow weak. In the end, unable to take it anymore, she blurted out, "Alright, I'll tell you. I, I, I want to eat dog meat!"

### **Chapter 868: I Want to Eat You (2)**

?

Rather than saying those words out loud, Shi Yao's words were more like a roar.

With an aura of desperation, Lin Jiage was initially staring at Shi Yao with a serious expression, but after a moment of silence, he suddenly froze once more.

What kind of reaction is this... could it be that he didn't understand what she meant? But Dog Meat... those two words came from his mouth..

Shi Yao carefully observed Lin Jiage for a moment, and she saw that the young man was still in a daze, as if his acupoints had been struck.

It seemed like he really didn't understand what she meant? But it wasn't easy for her to say those words, so she couldn't just... give up halfway, right?

Biting her lip, Shi Yao rolled her bright black eyes, and she decided to go all out. She repeated Lin Jiage's words to him, "This dog isn't that dog..."

She had already hinted so clearly to him, so he should finally understand now, right?

Thinking about it, this seemed to be the first time in her life that she had been so bold and impudent..

Shi Yao could vaguely feel her cheeks turning red and hot.

Lin Jiage still didn't say a word, but the gaze he was looking at Shi Yao was slowly changing.

Shi Yao was too focused on her nervousness to notice the slight change in his expression. Seeing that he wasn't saying anything, she assumed that he was still unable to react in time. Feeling ashamed and embarrassed, she opened her mouth once more in a fit of anger, her words became clearer, "Lin Jiage, don't you understand what I'm trying to say?"

"Lin Jiage, why are you so stupid..."

"Lin Jiage, you, you, you're driving me crazy..."

In the end, Shi Yao's tone became a little heavy, as if she was really angry.

“Aiya, I’m not talking to you anymore. I, I, I...”

As Shi Yao spoke, she suddenly slipped out of Lin Jiage’s embrace. Turning around, she faced Lin Jiage and placed her hand on his shoulder. There was a hint of disappointment in her tone, lowering her head, she pressed her lips against his.

She didn’t have much kissing experience, and it was all thanks to Lin Jiage that she could count the number of times she had kissed him.

When she kissed him, she was quite aggressive. However, after her lips touched his, she mimicked the way he kissed her. After taking the initiative to kiss her a few times, she suddenly felt helpless and awkward.

She had the heart of a queen, but she didn’t have the heart of a queen..

Shi Yao pressed her lips against Lin Jiage’s and racked her brain for a long time, but she couldn’t think of a way to continue kissing her. Thus, she patiently waited for a while, but Lin Jiage still didn’t take the initiative to kiss her, recalling how she had hinted at him for so long, but he still didn’t respond, she opened her mouth and bit down on the corner of Lin Jiage’s lips.

The sharp pain caused Lin Jiage’s body, which had been frozen for a long time, to stiffen up for a moment.

Sensing his reaction, Shi Yao hurriedly released the force between her teeth.

“Yaoyao, you...”

He only said three words, and Shi Yao could already guess what he was going to say next. With a reddened face, she hurriedly glanced at him and nodded at him. However, she suddenly felt that she had been too unreserved, thus, she buried her head in his chest and rubbed it against his chest. Only after she felt a little more confident did she slowly stretch her neck to his left ear and hesitate for a moment, finally, he whispered the words from the bottom of his heart, “Lin Jiage, I don’t want to eat spicy hotpot, pizza, or spicy hotpot. I want to eat you...”

### **Chapter 869: Skin-to-skin Contact (1)**

If the previous Shi Yao was truly a little embarrassed, then right now, there was a hint of seriousness in her words.

As she spoke, she discreetly stuffed the thing that she had been holding in her hand after taking a shower into Lin Jiage’s palm before whispering into his ear, she continued speaking softly, “... My relatives left yesterday, Lin Jiage...”

The thing that she had given him was wrapped in plastic, and it was a little prickly. Instinctively, Lin Jiage took a glance at it, and with just a single glance, he was able to make out what it was.

Condom... back then, when Soft Bun had asked him to park his car at the entrance of the supermarket, she had rejected him and insisted on buying it herself. Was this all for this?

Soft bun was using her own way to tell him... that she was willing to be with him, whether it was her heart or her body?

Lin Jiage had already known what she meant from the moment she said 'dog meat', but he wasn't sure. However, at this very moment, when he finally understood what had happened, he realized that his heart was trembling.

It wasn't because he was excited that he could sleep with her, but because she had shown him how much she liked him.

Lin Jiage could clearly feel his blood boiling, but the expression on his face didn't reveal the ecstasy in his heart.

He sat motionless on his office chair as he stared silently at Shi Yao with a complicated gaze.

He moved his lips, wanting to say something, but he was so moved by her that he was unable to say a single word.

It took him a lot of effort before he finally spoke in a soft voice, "Yaoyao, I... AM very happy."

In the end, Shi Yao was still a little shy. She hid her head in Lin Jiage's embrace, not daring to look at him no matter what. Hearing his words, she felt that she should reply to him, but she didn't know how to respond, thus, she racked her brain for a moment before putting her head back into his ear with a serious expression on her face, as though she was making a vow, he said, "Lin Jiage, don't worry, just leave yourself to me. I'll be responsible for you until the end, and I'll be good to you for the rest of your life!"

Lin Jiage:"!!!"

Lin Jiage:"!!!!"

Lin Jiage:"!!!!!"

His gratitude vanished into thin air in an instant. At this very moment, he felt that the most important thing to do right now was to reinvigorate his character.

What exactly went wrong? Why did he and Soft Bun take the wrong script out of nowhere? Was she supposed to say those words?

If word of this got out, he would probably be laughed out of his mouth... he had to sleep with her today..

With this thought in mind, Lin Jiage got up and kicked away the chair behind him. He wrapped his arm around Shi Yao's waist, carried her on his shoulder, and walked out of the study room.

After kicking open the bedroom door, Lin Jiage tossed Shi Yao onto the bed. Following which, he pressed his body onto her body and forcefully pressed his lips against hers.

He kissed her fiercely, but as he kissed her, his entire body softened.

After taking a shower, she was only wearing a nightgown, so he easily took off her clothes.

His lips slowly slid down from her lips, landing on her chin, her earlobes, and down her fair neck, sliding down her collarbone..

Shi Yao's heart began to race, and her nervousness was tinged with traces of fear. However, she didn't Dodge at all.

His breathing grew more and more erratic, and the strength he used to kiss her grew stronger as well.

### **Chapter 870: Skin-to-skin Contact (2)**

When he lost control of his strength, she couldn't help but Hiss in pain. He stopped in a hurry and pressed his lips against hers again. After kissing her for a while, he put his head next to her right ear.

Although she didn't turn her head to look, she could vaguely hear his teeth tearing the packaging.

After a while, he looked up again and met her eyes.

The lights were not turned on in the bedroom. The moonlight outside the window quietly shone on the bed through the window.

He and she looked at each other for a while. Then, he slowly lowered his head and kissed her eyes, her nose, her lips... Finally, it landed on her heart.

Her entire body seemed to have been electrocuted. She trembled slightly. Then, her fingertips silently clutched the sheets under her body. She even held her breath.

It was as if he was kissing a treasure. Inch by inch, his kisses transformed every part of her body. In the quiet bedroom, the sound of her and his unsteady breathing could be heard.

She could clearly feel that his body temperature was rising. In the end, it was frighteningly hot.

They had been intimate for an unknown amount of time before she heard his voice. "Yaoyao..."

She instinctively responded with an "Mm", but before she could finish her sentence, he had already entered her world.

He had tried his best to be gentle, and she had also tried her best to prepare herself mentally. However, when this moment arrived, she still shivered in pain.

He stopped abruptly and did not dare to move.

He kissed the corner of her lips repeatedly, waiting for her to slowly adapt.

Only when he felt her whole body relax did he continue.

It was still a little painful, but she tried her best to endure it.

She had actually seen similar scenes in some books. She thought that this moment would be very terrifying, but when this moment really came, she found that even if it was painful, it was still sweet.

It was his first time, and it was also her first time. Both of them had no experience, and it was all based on human instinct. There were not many tricks between them, and they were even a little clumsy, but they were inexplicably very satisfied.

His body slowly began to sweat. When the sweat dripped onto her chest, there was a sudden indescribable feeling. Along with the pain that he brought to her, it entered her blood and entered the deepest part of her heart.

She knew that this kind of feeling was called "Soul fusion, skin-to-skin contact."

She could not help but reach out and hold his shoulder.

Her subtle movements caused his body to tremble slightly, and then he went even crazier.

Shi Yao felt as if her entire body was about to be devoured by Lin Jiage. In the end, her mind felt a little dizzy, and in her daze, she felt as if she had returned to the year when she was thirteen years old, grandpa Lin pointed at a young man who was so beautiful and exquisite that he looked like he had walked out of a manga and said to her, his name is Lin Jiage, and he's your fiancé..

..

After an unknown period of time, the room finally quieted down. Drenched in sweat, he collapsed onto her body.

His breathing was still ragged, and it took quite a while for him to regain his composure. He tilted his head slightly and kissed her hair. Then, he suddenly smiled and said, "Yaoyao... You're Mine Now..."

So tired that she didn't even want to move, Shi Yao didn't say a word. Instead, she quietly moved her hand.

Sensing her movements, he hurriedly passed his hands over to her.

He clasped her hands tightly, and after a long while, she finally moved. Turning around, she replied, "What a coincidence! You're Mine Too..."
