Chapter 871: My Name Isn't Lin Jiage, My Name Is Gejia Lin (1)

These simple words seemed to contain an endless amount of strength, and they struck right into Lin Jiage's heart. As a man, he nearly burst into tears.

For some reason, his throat felt incredibly stifled. Without saying a word, he forcefully shook her soft and boneless hand back.

The bedroom was very quiet. He leaned against her body and hugged her quietly.

He felt that it would be insufficient for them to snuggle together for the rest of their lives.

However, the peaceful atmosphere didn't last for long before Shi Yao spoke up, "Eh?"

"HM?" Lin Jiage replied nonchalantly before burying his face into Shi Yao's neck. The unique sweet scent that she exuded caused his body, which had finally calmed down, to heat up once more.

"Why do I feel that the context of that sentence just now is very familiar?" Shi Yao tilted her head slightly to avoid Lin Jiage's close-up lips.

Having kissed nothing, Lin Jiage furrowed his brows in displeasure as he increased the pressure on Shi Yao.

"I'm not lying to you. I really do feel that it's a little familiar..." Shi Yao thought that Lin Jiage didn't believe her, so she spoke up once more.

Lin Jiage replied with a perfunctory "Un" before muttering, "Yes, I do feel a little familiar." Then, he nibbled on Shi Yao's neck once more.

"Where have I heard something like that before? Let Me Think..."

Lin Jiage wasn't satisfied with Shi Yao's disregard for him, so he increased the force between his teeth as if he was punishing her.

Shi Yao's body trembled in pain for a moment before she suddenly recalled something and exclaimed in shock, "I know, I remember now. It's you... Similar words came out of your mouth..."

Lin Jiage, who was completely immersed in Shi Yao's body, let out an indistinct "En" before his burning lips slid down her collarbone.

However, before his lips could reach her chest, she suddenly spoke up again, "What You Said was... coincidentally, I met a lunatic today as well..."

Lin Jiage's lips that were kissing Shi Yao's skin suddenly froze.

"Lin Jiage, tell me honestly. Who are you talking about?"

Lin Jiage fell silent for two seconds before deciding to play dumb. Raising his head from Shi Yao's chest, he asked, "What lunatic? I don't know what you're talking about."

“Stop pretending. You definitely know what I’m talking about. Lin Jiage, don’t think that just because you don’t want to admit your mistake, I don’t know that the lunatic you’re talking about is me!”

“Not only did you call me a lunatic, you even called me a little fatty! You said that I weigh 80 kilograms!” “You even said that I’m only 1.4 meters tall. You even said that if I were to sleep in the upper berth, the person in the lower berth wouldn’t dare to close her eyes at night because she was afraid that I would crush her in the middle of the night... and you even said that I’m so fat that I won’t be able to climb up to the upper berth!”

“Not only that, you even said that I weighed 250 kilograms and that my face was full of pimples. Lin Jiage, what do you mean by that? What do you mean by I weighed 250 kilograms? Are you indirectly calling me 250 kilograms?”

“Lin Jiage, scram! I Won’t bother with you anymore... You’re the 250 Jin fat one, and you’re the one with acne all over your face...”

Following Shi Yao’s accusations one by one, Lin Jiage felt a layer of sweat forming on his back.

No Way? He had been together with her for so long, and she hadn’t even settled the old scores with him yet. Why was she starting to settle the old scores now?

Chapter 872: My Name Isn’t Lin Jiage, My Name Is Gejia Lin (2)

But then again, Soft Bun’s memory is truly astonishing... back then, when they first met in the game, she was still able to memorize every single word he said.

Lin Jiage’s mind spun for a few seconds before he leaned over to Shi Yao and kissed her on the cheek, with a fawning look on his face, he said, “Yaoyao, your memory sure is good. Back then, when we were chatting on wechat, you actually managed to memorize every single word...”

“Of course! Let me tell you, I’ve been able to memorize everything from the first page to the last page of my middle school English text!”

“Amazing, my baby is truly amazing!” Lin Jiage flipped over and lay down on the bed. With a flick of his arm, he scooped Shi Yao up into his embrace, after putting it away properly, he asked, “Yaoyao, I’ve completely forgotten my master’s list. What was the first sentence?”

“The late Emperor died halfway through his business venture. Today, the world is divided into three parts, and Yizhou is in dire straits.”

“That’s right, that’s right. What’s next... However, the officials of the imperial guards are always on the inside, and the loyal ones are always on the outside. They are always chasing after the late emperor, hoping to repay his majesty’s kindness... And Then... and then what?”

“It’s better to open the emperor’s ears. With the late emperor’s benevolence, we shouldn’t belittle ourselves, and we shouldn’t neglect our loyalty...” Shi Yao slowly came back to her senses, she glared furiously at Lin Jiage and said, “Lin Jiage, you’re doing this on purpose! You’re trying to divert my train of thought, and you’re trying to avoid the crux of the matter. Do you think that I’ll be able to forgive you just like that? Let me tell you, Lin Jiage, I’m even angrier now! The kind that can’t be coaxed!”

“But, Yaoyao, my name isn’t Lin Jiage, it’s GE Jiage Lin...”

Seeing the serious expression on Lin Jiage's face, Shi Yao was rendered speechless. "You –"

Seeing that Shi Yao seemed to be really angry, Lin Jiage spoke up without hesitation, "I was wrong..."

Shi Yao didn't respond.

"I was really wrong..."

Shi Yao still didn't respond.

"Yaoyao, you can't do this. You Can't just turn your back on me after sleeping with me..."

"Are you even human?"

Without any hesitation, Lin Jiage replied, "I'm not a human, I'm a dog."

Shi Yao couldn't help but burst into laughter.

Seeing that she was laughing, Lin Jiage blinked his eyes at her, "... I'll apologize to you, so don't be angry, okay?"

"That depends on how you apologize. I'll decide whether I'll forgive you or not..."

"Un... I'll kneel down and apologize to you until you're satisfied, Alright?"

"Then kneel down!"

"Wait for me for a moment..." as Lin Jiage's voice trailed off, Shi Yao felt as if Lin Jiage's hand had touched something. Following which, a faint sound echoed.

After those sounds disappeared, a moment later, Lin Jiage suddenly hugged her, flipped over, and pressed her under his body.

Before Shi Yao could react, Lin Jiage had already barged into her world.

His series of actions came out of nowhere. Shi Yao's body trembled in fright, and she subconsciously let out a soft cry. However, before she could make a sound, his lips had already sealed hers.

..

It took a long time before the room returned to its usual calm.

Lin Jiage panted heavily as he stared at Shi Yao beneath him. Reaching Out, he caressed her wet hair and asked, "Are you satisfied now that you're kneeling?"

[please give me a bag of decontamination powder!]

Chapter 873: Yaoxi, Love Eating, Ice Cream (1)

"You're not satisfied?"

"Then I'll continue..."

As Lin Jiage's voice fell, his hand fell from her waist to her chest.

It was only then that Shi Yao finally understood what Lin Jiage meant when he said, "I'll kneel down and apologize to you until you're satisfied."

Kneel down and apologize... That's right, he had knelt down the entire time just now..

Shi Yao was so embarrassed that her entire face was on fire. She reached out and pressed down on Lin Jiage's hands, "Lin Jiage, you big hooligan!"

Being scolded, Lin Jiage didn't mind at all as he lowered his head and kissed Shi Yao's collarbone.

His kiss was very serious, alternating between light and heavy. It didn't take long for Shi Yao's breathing to become unsteady, "Lin Jiage, you... aren't you tired?"

"Are you doubting my sincerity in apologizing?" Just as Lin Jiage's voice trailed off, Shi Yao saw a small paper bag floating from his fingertips onto the ground.

..

In any case, Shi Yao had been tormented terribly. By the time this was over, she was so tired that she didn't even want to move.

In her daze, she knew that Lin Jiage had carried her to the bathroom to take a shower. By the time he helped her dry her body and placed her back on the bed, she had already fallen into a deep sleep.

In contrast to Shi Yao, who was completely paralyzed, Lin Jiage didn't feel sleepy at all.

He gazed at the sleeping girl in his arms, and the corners of his lips curled up.

He didn't know how long he had been quietly staring at Shi Yao for, but when he heard the notification on his phone, his gaze finally fell on the bedside table.

Afraid that his phone would ring again later and Wake Shi Yao up, he immediately picked up his phone and silenced it before taking a look at his wechat.

Someone in the [sexy and wild] group had tagged him.

He took a look and saw that it was Lu Benlai and Xia Shangzhou who had tagged him and Shi Yao in the group to see if they wanted to play games.

Without a second thought, he typed three words: "Not interested." Just as he was about to send it out, he suddenly thought of something and clicked on the group business card to change his name, after which, he returned to the [sexy and wild] group chat and sent the two words that he had just typed out: "Not interested."

[juice] : "Ice Cream?"

[expert sent by monkey] : "Who's ice cream? It actually looks like boss's hair..."

[juice] : "Grandson, are you stupid? How is this like boss's hair? This is boss!"

[expert sent by monkey] : "Uh, why is boss so stubborn? He named it ice cream... No... little junior sister is Yao Xi Loves Ice Cream, Yao Xi, loves ice cream... F * ck, do you have to go so far... even a name has to be fed to dog food!"

[juice] : “Not only did he feed her dog food, he even fed her so crazily. He brazenly changed the name to Little Junior sister loves eating herself... loves eating...”

[juice]@[Yao Xi loves ice cream] : “Little Junior sister, can you control it?”

[expert from Monkey]@[Yao Xi loves ice cream] : “Can you come out and protect the single dog?”

[ice cream] : “No , she can’t see.”

[juice] : “How do you know that Little Junior can’t See?”

[ice cream] : “She’s asleep.”

[expert sent by monkey] : “How do you know that Little Junior is asleep?”

[ice cream] : “What do you think?”

Chapter 874: Yaoxi, Love Eating, Ice Cream (2)

?

The group instantly fell silent.

A minute later, [juice] : [F * ck! Does this mean that you and I aren’t the same type of people as Old Xia?]

The same type of people?

Lin Jiage frowned slightly as he tapped on the screen a few times.

[ice cream] : [when did I become the same type of people as you? I have a fiancée even before I was born. Do you have one?]

[juice] :”... Boss, please Lower Your Voice.”

[expert of the monkeys] : “Boss, even though you have little junior, you can’t treat me and Little Lai like this.”

Following which, the two of them went crazy, sending out ‘crying’emojis.

Looking at the string of emojis that kept appearing on the screen, lin Jiage decided to be merciful for once. “On account of how pitiful you two are and how long it’s going to be for you to suffer alone for the night, how about... I tell you a bedtime story so that you can have a good sleep?”

[juice] : “Boss, I Knew You Loved Me!”

[expert of the monkeys] : “Scram! You’re Shameless! Boss clearly loves me the most. He’s telling me a bedtime story, but you’re just basking in my glory.”

[juice] : “I didn’t expect my grandson to be so ignorant...”

“...”

Faced with the chat history of the two of them arguing with each other for no apparent reason, Lin Jiage’s face remained impassive as he typed on his phone screen.

Roughly three minutes later, he sent out the bedtime story he had typed out.

[ice cream] : “There was a boy who came from a decent family background. The boy’s academic results were very good, and there were many girls who liked him, but the boy never paid any attention to those girls. It wasn’t until the boy turned fifteen that his grandfather told him that he had a fiancée, and the boy met his fiancée. After that, the boy and his fiancée went through a lot of things, and eventually, the two of them got together. The boy’s name is Lin Jiage, and his fiancée’s name is Shi Yao.”

[juice] : “...”

[expert sent by monkey] : “...”

[juice] : “Boss, are you sure you’re telling a bedtime story?”

[expert sent by monkey] : “Boss, are you sure you’re not basking in happiness?”

[ice cream] : “You don’t Like It?”

[ice cream] : “Then I’ll give you another one.”

[ice cream] : “There was a boy who loved to play games. One day, he met a girl in the game, and for some reason, they added each other as friends. After that, they often played games together, and as time passed, they developed feelings for each other. After that, they evolved from games into reality, becoming a loving couple. The boy’s name is Lin Jiage, and the girl’s name is Shi Yao.”

[juice] : “...”

[expert of the monkeys] : “...”

[ice cream] : “What? You still don’t like it? Alright then, I’ll continue changing your bedtime stories for you.”

[ice cream] : “A boy was very angry with a girl. He said that if he didn’t break off the engagement with her, he would write his name in reverse. In the end, after spending so much time together, the boy realized that the girl was the one for him. So, one day, the boy really wrote his name in reverse. In the end, the boy and the girl lived happily ever after like princes and princesses. The boy’s name was Lin Jiage, and the girl’s name was Shi Yao...”

Chapter 875: Sunlight, Shi Yao (1)

[juice] : “Boss, I’m sleepy. You Don’t have to tell me bedtime stories anymore.”

[expert of the monkeys] : “Boss, I’m sleepy too, so you don’t have to tell me bedtime stories anymore.”

[ice cream] : “Oh, right...”

Before Lin Jiage could finish his sentence, Lu Benlai and Xia Shangzhou immediately sent another message.

[juice] : “Daddy, I’m really sleepy”

[expert of the monkeys] : “Daddy, I’m already asleep”

Lin Jiage leisurely tapped on his keyboard a few times.

[ice cream] : you've misunderstood. I'm not going to tell you another bedtime story. I'm going to tell you... Yaoyao kicked the blanket, so I'm going to cover her now. I don't have the time to tell you a bedtime story

After sending the message, Lin Jiage locked the screen, put down his phone, and carefully covered Shi Yao with the blanket. Then, he went back to looking at Shi Yao in her sleep.

The more he looked at her, the more Lin Jiage felt that everything was surreal. It was as if he was dreaming.

He couldn't help but reach out and touch Shi Yao's cheek.

The gentle touch made him feel a little more at ease.

After which, he continued staring intently at Shi Yao... The look on her face was very serious, as though she was afraid that everything would turn into nothingness the moment she closed her eyes.

This was the first time that he had fallen in love with a girl, and it was also the first time that he had a physical relationship with her. Furthermore, she was the girl that would accompany him for the rest of his life in the future.

Lin Jiage slept later than Shi Yao, but he woke up earlier than her.

By the time he opened his eyes, the morning sun had already shone through the curtains, illuminating the entire room.

He narrowed his eyes and subconsciously glanced into his embrace. The girl was sleeping soundly with her head resting on his chest.

He suddenly felt a lot more at ease, and as he gazed at the sunlight outside the window, he felt an inexplicable sense of relief.

He thought that the happiest thing in life was opening one's eyes. There was sunlight, and there was Shi Yao.

Shi Yao had a very deep and long sleep, and by the time she woke up, it was already noon.

This was the first time she had shared a bed with a male student, so she thought that they were in the dormitory room. After opening her eyes, she subconsciously stretched her back, and her hands and feet came into contact with her firm muscles.

Her entire body froze, and after a moment, she finally recalled what had happened last night. Just as she was about to turn her head to see if Lin Jiage had woken up., but in the end, Lin Jiage stretched his head into her neck and asked, "You're Awake?"

His breath drifted into her ears, making her feel numb. Shi Yao couldn't help but shrink her neck and let out a soft "MHM."

"Are you still tired?"

Shi Yao was taken aback for a moment before she realized what he was referring to. Her face reddened, and she shook her head lightly. She realized that he was hugging her from behind, so he couldn't see her movements, thus, she continued, "I was really tired last night, but I'm fine now..."

As her voice trailed off, she could clearly feel that his hands were starting to become disobedient.

"Lin Jiage..."

She subconsciously called out his name, but before she could finish her sentence, his hand had already reached for the middle of her thigh.

Instinctively, her body tensed up for a moment before she spoke with a trembling voice, "... what are you doing..."

Before she could finish her sentence, she felt a sudden weight on her body. By the time she regained her senses, she was already lying beneath him...

Chapter 876: Sunshine and Shi Yao (2)

It was only when he reached the end of his journey that he finally lowered his head and kissed her on the lips for a moment before replying, "Apologize."

..

That day, Shi Yao didn't manage to leave Lin Jiage's house.

The first day wasn't too bad. Even though Shi Yao had classes, she was still a good child and rarely skipped class. Thus, it wasn't a big deal for her to have a record of skipping class.

As for Lin Jiage, his company was his, so no one dared to say anything if he didn't go to work.

But who knew that even after waking up the next day, Shi Yao still couldn't get out of bed. She skipped another day of class, and so did Lin Jiage.

If Shi Yao skipped class, she would at most lose her final exam points. However, Lin Jiage was different. On the afternoon of the second day that he wasn't at work, his phone was already ringing a little frequently.

That night, Shi Yao had repeatedly emphasized to Lin Jiage that he had to wake up early the next morning, and those who were at work had to go to class, and those who were at work had to go to work. Lin Jiage kissed her skin and replied with a 'un un', but on the morning of the third day, the alarm that Shi Yao had set was tampered with by Lin Jiage in the middle of the night. Furthermore, when she woke up, she was still unable to get out of bed due to his pestering. On the third day, Lin Jiage's phone calls could be said to be endless compared to the next day. As soon as the call ended, the next call came in..

Having been tricked twice in a row, Shi Yao paid extra attention to her surroundings before falling asleep on the fourth night. Instead of setting the alarm, she used her phone to order a takeaway breakfast, and the time she had set was 8 a.m. Sharp.

At 8:00 am, the doorbell rang on time, waking up Shi Yao and Lin Jiage from their sleep.

Knowing that the breakfast she had ordered had arrived, Shi Yao urged Lin Jiage to hurry up and pick up the takeaway.

Lin Jiage found his home clothes, put them on, and walked out of the bedroom.

Three minutes later, he returned.

Lying on the bed, he subconsciously pulled Shi Yao into his embrace. Just like the previous three mornings, his hands naturally began searching for Shi Yao's chest.

Just as his hands were about to touch Shi Yao's chest, Shi Yao suddenly flipped over and lay on top of Lin Jiage's body, taking the initiative to lower her head and kiss Lin Jiage's lips.

Shi Yao rarely took the initiative to do so. Even though her actions were clumsy, she still managed to mesmerize Lin Jiage with just a few moves. Unable to restrain himself, his hands touched Shi Yao's skin once more.

"No..." Shi Yao avoided Lin Jiage's hands and lowered her head to whisper into his ear, "I want to do it myself..."

Even though Lin Jiage was suffering from the unbearable pain, he still gave in to Shi Yao's words.

However, just as Shi Yao lowered her head to kiss Lin Jiage's lips once more, a thought suddenly struck her. She reached out to pull a tie from the side and bound Lin Jiage's hands, "In order to prevent you from going back on your words later, I'm going to tie you up first..."

Lin Jiage didn't resist at all. He allowed Shi Yao to tie up his hands, and when Shi Yao lowered her head to kiss him..., with a hint of seduction, he whispered softly to Shi Yao, "Yaoyao, I didn't think that you would actually like this..."

Shi Yao didn't say anything. Instead, she gave Lin Jiage a radiant smile before lowering her head to kiss him. While he wasn't paying attention, she wrapped the tie around his hands around the pillar beside the bed.

Lin Jiage felt his head spinning from Shi Yao's kiss. Just as he was about to execute Shi Yao on the spot, the shy and obedient girl suddenly flipped over and stood beside the bed.

Lin Jiage was stunned for a moment before turning to look at Shi Yao.

Chapter 877: Didn't You Say That You're A Dog? (1)

Meeting his gaze, Shi Yao bent down, she reached out and patted his cheek, "As for you, just lie here. In about half an hour, your secretary will come to rescue you. As for me... I'll be going to school first..."

After hearing Shi Yao's words, Lin Jiage's eyes were still a little dazed. He blinked a few times before realizing that he had fallen into Soft Bun's trap.

It turned out that her initiative and her seduction were all part of a conspiracy.

It was no wonder everyone said that beauties were trouble. To think that even someone as shrewd as him wouldn't be able to see through her seduction.

It was just that he was so infuriated by her that he couldn't even get up or down..

But of course, Lin Jiage wouldn't allow his thoughts to show, "Yaoyao, untie me and I'll send you to school."

Hearing those words, Shi Yao's hand, which had been patting Lin Jiage's face a few times, began pinching his beautiful face, she savagely ravished his face twice, "Do you think I'm Stupid? I've spent so much effort to tie you up, so unless my brain has gone crazy and I don't want to go to class anymore, I'll untie you!"

"As for you, don't even think about letting me free you. If you have the time, why don't you calm down and calm down your body..."

As she said those words, Shi Yao stood up straight and prepared to take a shower. However, just as she was about to turn around, she suddenly recalled that she had used a tie in case Lin Jiage managed to break free. Thus, she walked into the changing room and grabbed a bunch of ties, after tying Lin Jiage's legs, she also tied his hands a little tighter. After making sure that he was unable to break free, she clapped her hands with a look of joy on her face as though she had accomplished a great feat. After which, she hopped into the bathroom.

Not too long later, the sound of water splashing could be heard coming from the bathroom.

Lying on the bed, Lin Jiage felt even more tormented by the sound.

He tried his best to move his body, but he was still unable to break free..

It wasn't a good thing for his girlfriend to have such a high IQ..

It wasn't easy for him to endure until Shi Yao finished washing up. After which, she wrapped herself in her bathrobe and walked out of the bathroom. Lin Jiage immediately put on an intolerable expression and said to Shi Yao, "Yaoyao, I need to Pee..."

"Oh..." Shi Yao glanced at Lin Jiage, who was lying on the bed, and calmly walked into the changing room. She grabbed the clothes that she had left behind and put them on, at the same time, she replied nonchalantly to Lin Jiage, "... then you can pee on the bed then. The bedsheets and covers are going to be changed soon anyway, so it's no big deal... you don't need this bit of money, do you?"

"Don't feel disgusted. When you get old, you might end up paralyzed, and that's what you'll experience when you can't move on the bed. So, why don't you feel it for now... thinking about it this way, it's actually pretty good... ha..."

Ha? Ha, my ass..

Lin Jiage turned his head to the side and rubbed his head against the pillow. Then, he spoke up once more, "Yaoyao, it's fine for you to tie me up, but when the secretary arrives later and sees this scene, what will he think..."

Lin Jiage saw Shi Yao pausing in front of the vanity mirror, and he knew that his words had struck a chord in Shi Yao's heart, thus, he continued, "... the Secretary is an outsider after all. He won't say anything in front of me, but if he goes behind my back, there's a good chance that he'll tell everyone in the

company about this matter, and the news will spread to other companies. After that, how am I supposed to continue living like this..."

Chapter 878: Didn't You Say That You're A Dog? (2)

While applying eye cream gently around her eyes, Shi Yao glanced at Lin Jiage through the dressing mirror and asked, "Didn't you say that you're A Dog?"

"Er..." Lin Jiage was rendered speechless for a moment.

Three seconds later, Lin Jiage's motto was, "The most important thing in life is to be thick-skinned." He spoke up once more, "Fine, just say that I'm a dog. Think about it, I'm also your dog. If my secretary were to spread the news of my current situation, how would I be able to continue being a dog? There's also a saying that you have to look at the owner before you can beat up a dog. At that time, not only will I lose face as a dog, but your beautiful face as well..."

"That does make sense..." Shi Yao nodded in agreement.

Seeing that there was hope, Lin Jiage's eyes lit up. "So, Yaoyao, hurry up and let me go..."

"It's impossible for me to let you go, but I don't need your secretary to save you anymore. I'll find someone from my family to save you..." Shi Yao picked up her phone and said, "... I'll get Sis Jiayi to come over. In any case, SIS Jiayi used to bathe you when you were young, so no matter how pathetic you look, it won't matter in front of Sis Jiayi..."

Lin Jiayi? What kind of joke is this... that demoness... she's even worse than my secretary!

Lin Jiage was so shocked that he nearly sprung up from his bed. However, his hands and feet were bound, so he didn't manage to sit up.

"Yaoyao!"

Without a second thought, he tried to stop Shi Yao, but he was still a step too late. Shi Yao's call had already been dialed, and Lin Jiayi seemed to be standing by the side of the phone, he instantly picked up Shi Yao's call: "Good Morning, Little Darling Yaoyao!"

"Good morning, SIS Jiayi!"

"I'm so happy to hear Little Darling Yaoyao's voice early in the morning. Yaoyao, Mwah..."

Lin Jiage's face darkened.

Mwah... Mwah, your little brother Mwah..

"Sis Jiayi, I'm calling because I need your help with something."

"Alright, go ahead."

"It's like this, Sister Jiayi. Can you come to Lin Jiage's apartment in about half an hour... Lin Jiage..." Shi Yao turned to look at Lin Jiage, who was tied up by her, she deliberated for a moment before saying, "... he might need your help. You'll know when you get here."

“Doesn’t the ATM have hands?” Lin Jiayi’s gentle tone suddenly turned cold, as though she wasn’t interested at all.

Shi Yao was stunned for a moment by Lin Jiayi’s sudden change in attitude. “Sis Jiayi...”

“Alright, Yaoyao. I’ll be there for your sake.”

“Thank you, SIS Jiayi.”

Shi Yao smiled happily. After chatting with Lin Jiayi for a while longer, she ended the call.

Shi Yao, who had already tidied up, walked over to the bed and picked up her bag. “I’m going to class. SIS Jiayi will be there in half an hour. Be Good...”

After saying those words, Shi Yao waved her hand at Lin Jiage before walking out of the bedroom without even looking back.

Lying on the bed, Lin Jiage could hear the sound of Shi Yao’s footsteps disappearing into the distance, the sound of the door opening, the sound of the door closing, and even the sound of his heart turning cold.

Half a minute later, the door was pushed open once more. Lin Jiage, who had his eyes closed and a lifeless expression on his face, suddenly opened his eyes. Hearing the footsteps getting closer and closer, he could tell that it was Shi Yao’s footsteps, he immediately asked, “Yaoyao, are you...”

Before he could finish his words, the bedroom door was pushed open, and Shi Yao poked her head in. “Oh right, where did you put the takeout you took this morning?”

Chapter 879: Combat Prowess Is Formidable (1)

Before he could finish his words, the bedroom door was pushed open, and Shi Yao poked her head in. “Oh, right. Where did you put the takeout you picked up this morning?”

Lin Jiage could clearly hear his heart breaking. “...”

Seeing that Lin Jiage was silent, Shi Yao frowned slightly. “Lin Jiage?”

Lin Jiage hurriedly put away his thoughts and replied, “It’s on the dining table.”

“Alright...” Shi Yao beamed radiantly before closing the bedroom door with a ‘peng’. Following which, Lin Jiage heard her footsteps in the living room, sometimes far away, and sometimes near, until finally.., with the bedroom door closed, the entire room returned to silence. Lin Jiage couldn’t help but grit his teeth in frustration.

Did Soft Bun think that she would be safe just by running off to school?

She... Just you wait! Let’s see how he’ll deal with her the next time he catches her..

..

Lin Jiayi agreed to meet Shi Yao at Lin Jiage’s apartment for half an hour, and thirty minutes later, Lin Jiayi appeared at the entrance of Lin Jiage’s apartment on time.

Lin Jiayi didn't know the password, so she called Shi Yao and Lin Jiage separately, but no one picked up. Thus, she decided to lock the Passcode. "111111", "222222", "333333"... and then, at "666666"..., just as she expected, the door lock opened with a 'Kacha'.

Pushing the door open, Lin Jiayi shouted "Atm" while changing her shoes.

She shouted several times, but no one paid any attention to her. She placed her bag on the sofa and headed straight for her bedroom.

Pushing the door open, she saw the scene on the bed. It was as if her acupoints had been pressed, and she suddenly froze at the door.

Three, two, one... Lin Jiage silently counted down the numbers in his mind. Just as he had expected, just as 'one' was about to settle down, Lin Jiayi's burst of laughter sounded from the door.

I knew this would happen... Lin Jiage buried his head under the pillow and pretended to be dead.

"I didn't realize that you guys were so good at playing games..."

"This is Sm? My younger brother actually has an m constitution? TSK TSK TSK..."

As Lin Jiayi said those words, she scanned the entire room, and then, for some reason, she began counting, "One, two, three, four..."

Curious, Lin Jiage stuck his head out from under the pillow. Just as he was about to ask Lin Jiayi what she was counting, he saw her squatting beside the trash can, she was still counting in the trash can," ... six, seven, eight... not bad... atm, I didn't realize that you were such a formidable fighter..."

Lin jiage immediately understood that Lin Jiayi was counting small umbrellas, so he couldn't be bothered with her anymore. Thus, he retracted his head back under his pillow.

"Wait, there's another one... nine... ten..."

"Honestly speaking, you guys haven't left the house for a few days..."

"No Wonder Yaoyao tied you up..."

She's really asking for trouble... Lin Jiage couldn't take it anymore, "Name your price!"

"I like atms, you're so straightforward!" Lin Jiayi took a look around Lin jiage, "There are a total of nineteen ties. One tie costs 8,888, and the other one costs 18,888... you..."

"Be straightforward!" Lin Jiage didn't wait for Lin Jiayi to finish speaking before he spoke up.

"Alright, wait for me for a moment..." after saying those words, Lin Jiayi walked out of her bedroom. Not too long later, she returned with a piece of white paper in her hand. On it, there were two rows of words written in black, it was Lin Jiage's IOU to Lin Jiayi,"... use your mouth to bite the pen and sign your name on it. Then, I'll immediately take the money to settle the matter!"

Lin Jiage didn't even bother to argue with Lin Jiayi. He bit down on his pen and wrote 'Lin Jiage' on the paper.

Lin Jiayi took a look at the IOU, and after confirming that there was nothing wrong with it, she carefully folded the paper and stuffed it into her pocket. After which, she took out a pair of shiny scissors from her trouser pocket.

“Wait, wait, wait...”

Before Lin Jiage could finish his words, Lin Jiayi had already cut his expensive and limited-edition ties into pieces.

After she was done, Lin Jiayi casually tossed the scissors onto the bed and said, “Alright, I’m done.”

I’m done with your brother, I’m done... staring at the six-figure figure figure that had been scrapped in an instant, Lin Jiage gritted his teeth and said, “Lin Jiayi, don’t you know how to untie these ties?”

“I do, but what you want is a straightforward price. If you choose a premium price, I’ll definitely help you untie them carefully. I’ll also give you a good service attitude and help you iron these ties one by one...”

After hearing Lin Jiayi’s unreasonable words, Lin Jiage didn’t even want to look at Lin Jiayi anymore. Pointing to the door, he said, “You can leave now!”

After which, he lifted the blanket, got off the bed, and headed to the washroom.

“ATM, don’t chase me away so quickly... we still have a transaction to complete...”

“I took your photos and those photos of the condoms...”

“Don’t you want to destroy them?”

Lin Jiayi followed behind Lin Jiage, chattering non-stop.

Seeing that Lin Jiage was ignoring her, Lin Jiayi continued, “Since you don’t want to destroy them, I’ll print out all of these photos in a moment. I’ll set up a photo album wall on the first floor of Lin Enterprise, and I’ll post your photos on it so that everyone in the company can take a look at them...”

Lin Jiage stopped in his tracks, “Tell me, how many...”

Before Lin Jiage could finish his sentence, Lin Jiayi’s phone suddenly rang.

It was a reminder of an incident. Lin Jiayi was browsing through the photos on her phone when she clicked on it. Upon seeing the content of the incident, the smug look on her face disappeared completely, a deep sorrow that couldn’t be dispelled was etched into her beautiful eyes. She gripped her phone tightly and stared at the screen for a long time before raising her head to look at Lin Jiage, “Forget it. Since You’re my younger brother, I don’t want that money anymore. I still have some other matters to attend to, so I’ll take my leave first...”

After saying those words, without waiting for Lin Jiage’s reply, she turned around and strode out of the bedroom.

Lin Jiage frowned slightly. He could vaguely sense that something was amiss, so he turned to look at Lin Jiayi and said, “Sis...”

Lin Jiayi's footsteps paused for a moment. Three seconds later, she turned around with her usual flamboyant and beautiful smile on her face. "What's Wrong?"

Lin Jiayi stared at Lin Jiayi for a moment before shaking his head. "Nothing much."

"I still have a meeting to attend to, so I won't be able to make it in time. I'll take my leave first..." Lin Jiayi said as she turned around. With her back facing Lin Jiayi, she said "Goodbye" before pulling open the bedroom door and walking out.

The moment she closed the bedroom door, the smile that she had been trying so hard to force on her face suddenly disappeared. A layer of mist appeared in the depths of her pitch-black eyes.

She tried her best to hold back her tears, but when she reached the entrance with her bag and lowered her head to change her shoes, there were still tears falling from her eyes onto the floor one by one.
