Richard Stance.

They keep trying to anger me to death. They keep bugging me to accept that sc.umbag of a mate. They are trying everything in their power to match me up with her. Why won't they let me be? My wolf is a pain in my a.ss. Raymond is bent on forcing me to accept her. What's her usefulness? She's dumb as a fool. She's worthless. She has no wolf. She's weaker than a mere human. She didn't deserve me. I'm too good for her. She's getting on my nerves. Why won't she just disappear forever? I'm sure she dresses so se.xy in the club to s.educe me. She stalks me and knows I come there to relax and enjoy myself. Parker makes me lose my strong chip. He k!lls her because of that worthless trash. He even threatened me because of that thing he called a mate. My friend, Raymond, went against me and tried to imitate her to look good in front of me. I have been keeping myself for my mate. I want her to be my first. Who knows, I will be mated to her? The Goddess blesses me with someone like that. That ugly existed. I will pay my wolf back for k!lling my chip. I will make him regret k!lling her. I will get back to him by hurting his precious mate. What can I do to get back at him? How can I make both of them suffer? I want that bltch to suffer more. Oh, yes, I get it now. To make her suffer agonizing pain, I will fvck with a she-wolf. Yes, sleeping with her will make her feel pain, or better still, k!ll her since she has no wolf. She has no one to take her pain away. Good payback. I plan my revenge and follow it up. I pushed my wolf deeper and made him fall asleep. I put on my clothes and set off to the club. I parked my car in front of the club before stepping down. Interesting. I saw so many hot and se.xy girls. They are my type of ladies. The thought of that bltch comes to my mind. "What the fvck!!"

Is she trying to force me to my death? I immediately removed her from my thoughts. I need to focus. I'm on a mission here. I walk deep inside the club. Girls swarm around me. I keep checking them out. I need to choose the best one that I can bestow my mercy upon. I chose her. I finally found a pure but cute one.

"Come over here and make me happy", I said. You should be happy I chose you. It's your duty to serve me, and I shall bestow you with my blessing.

She slowly walked to where I was seated. I grab her hand and forcibly force a k!ss on her.

“Hmmm!” She m0ans.

I picked her up and headed to my personal room. The one I usually rest my head in. I opened the door and pushed her to the bed.

“Take it easy, baby,” she fl!rted.

What a b!tch! She thinks she’s something now because I choose her. Who does she think she is? She is nothing but a wh0re.

“You are nothing but my fvck slut”, you don’t get to complain about how I treat you”, I clench her jaws. Do you understand?

“Yes, yes, I do. “I’m sorry”, she pleads.

“Good!!” Now str!p!!” I command. I want to see you n.aked.

She trembles at the way I talk to her. She began to und.ress. I was satisfied when I saw her in her full glory. She’s average. Her b00bs are not too big or too small, just so so.

“What are you trying to do to me? She asks when she sees me bringing out a black veil.

“How many times will I tell you not to question me? “You have no right to question me, slut”, I roar. I’m getting impatient. I need to be fast before Parker wakes up. She’s getting on my nerves. “Do you want me to cut out that tongue of yours?

She fell to her knees and started begging. This is how a weak one does it. They only know how to beg the strong. The strong prey on the weak. She crawls and holds my legs. She began to cry.

“I will k!ll you, if your tears drop on my shoes,” I threatened. Do you want to stain my shoe with those dirty tears of yours?

She immediately stopped crying and cleaned up her tears. It is totally silent now.

“On your feet”, I growled. Do you see this veil? I’m covering your eyes because you have no right to see me n.aked.

She nods her head before I cover her face with the veil. When I was satisfied, I started to und.ress my clothes. I’m n.aked and ready for my revenge.

This is my first time. My first time seeing a n.aked woman. I push her to the bed before I climb to meet my prey.

“Let’s get started, shall we? I gr0an before slamming inside her petals.

“Ahh!! She screams.

What the fvck.

“Hey, why are you screaming? I ask that b!tch. Why did I choose her?

“It hurts! It hurts a lot”, she gr0ans.

I smirk. She’s good at pretending. “Don’t tell me you’re a v!rgin, or are you a v!rgin?

She trembles. I don’t think she’s pretending or trying to gain my sympathy.

“Yes, I am. “I’m still a v!rgin”, she wails in pain.

What the fvck!! Virgin! She’s a v!rgin.

“What are you doing here if you’re a v!rgin? A v!rgin turns a b!tch.

“Are you trying to s.educe a man? I ask her. I hate this b!tch in front of me. She made me remember that mate of mine. She makes me remember seeing my mate In a very se.xy short gown and trying to s.educe a man when she got her mate

They are sisters. A slut.

“I’m trying.

“Shut it, I cut her off. I don’t need an explanation from you. You got what you wanted. You want my money and I want your body. I’m going to pay you well. Let’s get back to where we stopped and don’t disturb me with your wail.

“Perform well.

I penetrated her once more. I began to fvck her deeper. She gr0aned, which made me mad. This won't do. I turned her on all four before I began to viciously pound her hole. She's sweet. I pull her hair harder and fvck her faster, harder and deeper. She began to sob louder. I don't care. I'm in my heavenly space.

"I am c.umming!! I roar. I grabbed her b00bs as I fvcked her like there is no tomorrow.

"Ahh!!" As I empty my fluid inside her, I m0an. I began to grow hard again. My c0ck is standing once more.

"Please, I'm tired. "Let me have some rest", she said, shifting herself to the end corner of the bed. I need to do well to make that bltch suffer.

"I got your body. You got my money. That's the deal from the start. You don't tell me when and how to have your body. As you can see, my shaft is ready to fvck your hole. Oh, I have forgotten. You can't see me in my glory. "Come here, don't make me force you! Come over here!!"

She crawls back to me. I dragged her leg before thrusting into her. Her sobs echoed throughout the room and nearly shattered my eardrum.

After many rounds of se.x with her. I let her go when I noticed she had just her last breath. I don't want her to die because I enjoy her body. I left her on the bed to take my shower. I never knew it was this sweet, even with someone that's not my mate. I wonder how my mate will taste. I should have tasted her first, before rejecting her! My mistake.

"Take this!!" Take this money. It's for your service, and I gave you some tips as well", I announced. I was fully clothed and I had removed the cloth from her eyes.

I told her, "You're not bad." She gave me a nasty attltude. Who cares?

I'm done with her. She didn't deserve my attention. She should be happy that I chose her and that I conferred my mercy and fluid upon her.

My fluid is inside her and she's giving me some nasty attltude. I drop the money on the bed when she refuses to accept it.

“The deal is over!! Never shall we meet again. “Goodbye. I walk out of the room leaving her alone. She will leave the room if she’s done crying.
