Alpha Richard Brown.

“What the hell are you doing here? I asked her, roaring and burning with hatred for her.

She eyes me before turning away from me.

“What the hell? Did she just ignore me? I grabbed her hand and dragged her away from the dance floor.

“Let go of me, she screamed. I refuse to listen to her. I continue dragging her to my VIP room. I opened the door and snapped it shut.

“Now tell me, what the fvck are you doing here? I roar. My roar is not affecting her. She smirked at me. “Who are you, please? She asks, I don’t know you.

I was shocked. My word fails me. I don’t know what to say. This is my first time being treated like this. She pretends not to know me. “Why am I hurt? Is this not what I wanted, but I hate it when the guy touches what’s mine? I hate it when she dances with another guy. And she is pretending not to know me. “What the fvck is wrong with her?

“Are you playing games with me, Jane? I asked her.

“Jane. Who is Jane? Please, I don’t know who Jane is, and I don’t know you as well, she said, turning away and trying to walk out of the room.

“Where do you think you are going? I growl.

“Going back to where you pick me from. Of course, I am going back to the dance floor, I’m going out to have fun”, she let out.

“No, you are going nowhere. Not without my permission,” I roar at her.

“Based on what? Who are you, Bastard? She asks.

I am tired, enough already.

“Jane, enough of your games. Stop pretending you don’t know me, or did your brain stop working because I reject you? Is that why you are here? To sell yourself to a stranger in the club?”

Jane’s point of view.

I was shocked when I came face to face with my rejected mate on the dance floor. “Is he attractive to me? “Did he want me now? If yes, I will make him beg me before I can accept him back.

“What the fvck are you doing here? He roars when he realizes the girl he was lusting after is his rejected mate. I got disappointed, and my hope got shattered again. I did not acknowledge his presence. I choose to ignore him. He is no Alpha of mine. When he realized I ignored him. Sure, it did not seat well on him, a proud Alpha like him.

He roared and started dragging me to only God knows.

“Let go of me”, I yelled, but he never listened to me. When we reached a silent place, he opened the door and slammed it shut.

“Now, tell me what the fvck are you doing here, wearing this kind of cloth? He roared, his eyes shot red. He is angry. “But why? “Did he not hate me? “Did he not reject me before I’m weak? He roars and releases his Alpha aura. “Did he think he was affecting me? He is never affecting me or his aura.

“What the hell did he think he was? My mate, or my master? “Did he think he is still my mate? I pretend not to know that bastard.

“Who are you, please? I asked him, trying hard to hold my laughter. He was shocked when I asked him that. He went silent. After composing himself, he finally spoke.

“Are you playing games with me? Jane. He told me.

“Jane, who is Jane? Sorry, I don’t know who Jane is, and I don’t know you as well, I said, turning away and trying to walk out of him. He suddenly growls at me, trying to scare me. I sneer.

“Where do you think you are going?”

"I'm going out, of course. Why ask me again? I answer.

"You are going nowhere. Not without my permission.", I won't allow you to step out from this room in that rag you put on.

"The first time I saw you, I knew you're a Bitch. Are you here to sell yourself after being rejected?"

You can as well sell yourself to me, I will be glad to pay you for your first time" I can see no one has ever touched you", he smirks.

"I will ask for his permission, based on what? "Is he my alpha, or is he sick in his brain not to know who he's talking to?

"Are you sick? Do you still think you are my mate, for God's sake? Did you not reject me? Or do you think if I have a wolf, I won't accept your rejection immediately? I will accept your rejection without thinking twice,

You are just a proud stupid brainless Alpha" I yell.

Despite everything before, I refuse to acknowledge him. I got annoyed when he insulted me again. I am never a pushover. Not again. I will never allow him to insult and scatter me. I will never let him step on me again. No more insults.

"Who the hell are you, Bastard. I slapped him hard on his cheek. "How dare you insult me? "Do you want to die? I don't know how I got the courage. I don't want to be insulted again. I am not weak.

He holds his cheeks where I bestowed the slap on him, he was looking at me like a prey he wanted to devour.

He is burning. He is burning with different kinds of dangerous emotions. I don't care if he's angry or burning. I am more furious.

"Don't ever mess with me again, Alpha Richard" I roar.

I regret being mated with a j.erk like you, if you ever cross me or my path again, I swear I am going to k!ll you", I threaten him, before storming out of his room. I don't know what came over me. I am a wolf less girl, but I have no fear when dealing with that bastard mate of mine. "Yes, I am strong. I won't let their word get to me. I won't let anyone insult or bully me.

I will be the worst enemy to those who bullied me over all these years.

What bad luck for running into, unfortunately being like him.

I am yet to enjoy myself. I am here to get over him. Yet, I come across that bastard here in the club. Without letting any uninvited creature get to me or his words, I stepped on the dance floor and started dancing with a lot of guys. This is fun. I missed a lot.
