Chapter 1360 After all...

Andrius currently had the strength of a Martial Saint, and he was reinforced by the Hades' Axiom and the medicinal power of the Dragon Flame Lotus...

However, he still could not pull it out!

It was clear that this item was truly extraordinary. Its reputation was not for show. "Phew..."

Andrius took a deep breath and began his third attempt.

"Rise!"

He bent his legs slightly, clenched his teeth, and with a forceful exhale, his physical strength burst forth to pull out this legendary divine weapon.

However... "PE"

The next moment, his meridians were shattered from the strain, yet he still could not pull it out. He even spat out a mouthful of blood, suffering internal injuries.

"Andrius..."

Seeing this, Kate came to his side with concern. She handed him some pills and persuaded him, "This Linebreaker Overlord is indeed extraordinary. Maybe we should just forget about it."

Andrius did not speak. He was examining his physical condition. "Hm?"

Suddenly, he discovered that the spear seemed to have changed as if there was some kind of connection between himself and the spear.

"Step back! | want to try again!" Andrius immediately instructed Kate to step back. His eyes stared at the Linebreaker Overlord, shimmering with fervor.

Kate hesitated but ultimately retreated as he said.

“Rise!”

Andrius made another attempt without hesitation.

Undoubtedly, he spat out blood once again.

Kate became even more worried.

However, Andrius showed no sign of giving up. Instead, a smile appeared on his face. He continued to try again while spitting blood.

In the end, after an unknown amount of attempts and mouthfuls of blood spat out, mountain-like Linebreaker Overlord moved!

Even if it was just a slight arc, it was real. Crack! At the same time, a crisp sound resounded.

The rust on the Linebreaker Overlord was shaken off, flying like snowflakes and quickly falling to the ground, forming a large circle around the spear. Visit to read the latest chapter of this novel
