My Ex-Wife and Kids Came In Like A Wrecking Ball Chapter 1902-t was only three days from the wedding day.

Rosalie thought she would be calm about it. After all, she had been married once, and they had registered their marriage. Moreover, they stayed as a married couple for years back then.

Unexpectedly, she was still excited when she saw the wedding gown Estelle had designed for her.

It was breathtakingly beautiful!

Her daughter's talent in design was outstanding.

The wedding gown was not traditionally white. Instead, it emitted a faint grayish glint. Under the sunlight, it looked elegant and gorgeous. It was a fishtail dress, and stars were embedded at the hem of the dress. It looked more like a swan's feather than a fishtail.

The material was light and comfortable. Rosalie had worn it once and could not believe her eyes when she looked at herself in the mirror. She looked pure and elegant.

"Mommy, I have a theme for this gown. It gradually turns from gray to white, like the ugly duckling that turned into a swan!" Estelle explained with her cute voice. She used the only fairytale she knew.

However, it fitted what Rosalie had experienced throughout these years.

Maybe because she felt like an ugly duckling, it made her think the wedding gown suited her well.

"Estie, you did well. I like this wedding gown a lot. You're such a genius and will be the most famous designer in the future." Rosalie even wanted to flatter her daughter after trying on that gown.

Looking at her happy mommy, Estelle was also delighted. She immediately looked for her brothers to share her joy and boast about it.

Byron was in his study. When he heard the commotion, he walked out of the room.

Instantly, he was attracted to the beautiful woman and was startled for a few seconds.

“This is beautiful! You look gorgeous. It’s perfect! Honey, I feel like marrying you again and again looking at you in this gown,” Byron exclaimed.

However, all Rosalie did was shoot him a cold glance.

“What do you mean by marrying me again and again? We’ve already gotten married twice. How many times do you want to divorce me?” Rosalie was pissed off.

Byron quickly approached her but carefully walked past the long dress. His gaze on her was gentle, and he kissed her while she was off guard.

“I’m sorry. I didn’t mean that. There is no next time. This time, it’s for a lifetime.”

Byron’s gaze on her was charming and passionate.

However, Rosalie seemed to be used to that. She complained in displeasure yet in a coquettish way.

Lucian and Nox also quickly came over and saw their mommy looking like a fairy in that dress.

They praised her from their hearts immediately.

“Mommy, you look like a fairy descending to the mortal world! Daddy is lucky to marry a fairy like you.”

“Mommy, you’re so pretty. Estie must have brought this dress for you from heaven. The design is so beautiful.”

They did not forget to praise Estelle, making her bloom in joy.

Rosalie had also been praised so much that she was on cloud nine.

Meanwhile, Byron was startled to hear the two little boys praising his wife and daughter better than he did.

Just as they talked about the gown, Melody and Benedict came with plenty of things.

They brought everything needed for the wedding, from the decorations to the items the bride needed. They did not want anything to go wrong so that they could give Rosalie a perfect wedding, leaving no regrets.

When they saw Rosalie in the wedding gown, Benedict praised Estelle for being a good designer.

Melody was startled for a few seconds before she muttered, ‘This gown is much more beautiful than what I wore when I married Benedict back then.’

As she spoke, she glared at Benedict.

Benedict looked at her helplessly.

Then, Melody smiled and said, “Rosie has maintained her body shape well. Many will be envious of her if they see her wear this. It’s gorgeous!”
