

## My Ex-Wife and Kids Came In Like A Wrecking Ball Chapter 639

“What does Young Master Xander want to discuss with me?”

After taking a seat, Rosalie bit the bullet and asked.

She really did not want to cause trouble, and Stacy’s eyes were fixated on her. If Xander could not come up with a reasonable explanation, Rosalie felt that Stacy’s eyes were going to devour her.

Xander knew her situation well and didn’t embarrass her. He said lightly, “This cooperation depends on the great efforts of Dr. Jacobs and Young Master Martin. I must thank you in advance.”

Finished, he raised his glass and drank bottoms up.

Rosalie politely followed with a toast and took two sips.

“Stacy sis, where did that woman come from? Why does Young Master Xander seem to value her so much?”

“Could she be involved with the young master? She looks like she can seduce men! “

Stacy’s girlfriends who saw Xander’s attitude towards Rosalie, immediately speculated with displeasure in Stacy’s ears.

Stacy originally felt that Rosalie was a threat to her status, but now she was even more annoyed when she heard the girls adding fuel to the fire.

“It seems that Dr. Jacobs is still very important in this cooperation.” Stacy gritted her teeth and raised her glass, and said to Rosalie, “All the more I must thank Dr. Jacobs on behalf of Xander. I hope you all have good cooperation.”

After speaking, she raised her head and wanted to down the drink, but was stopped by Xander, frowning.

“No need, Dr. Jacobs and I know each other, I can thank her myself.” Xander looked at Stacy coldly.

Over the years, Stacy’s feelings were not unclear to him, but due to the friendship between the two families, Xander has always been able to keep one eye closed and maintain a superficial relationship with her.

However, this time Stacy did not act appropriately, and Xander could not bear it anymore.

Hearing Xander’s words, the smiling facade on Stacy’s face began to crack, and her expression became gradually ugly.

Everyone in attendance must have heard it. According to Xander, they clearly felt that Rosalie had a closer relationship with him.

And Stacy was just a foolish clown.

Stacy's wine glass was still in her hand, and when she heard this, she did not put it down, nor did she drink it.

For a time, the atmosphere between the three became very strange.

Rosalie was caught between the two and could not help but feel a headache.

Rosalie could not bear to watch Stacy's slight embarrassment and opened her mouth to help her. "In the end, this cooperation is a common cause for all of us, and we also need everyone to work hard together, let's have a toast!"

Her voice fell, and everyone responded, raising their glasses and drinking them all.

Stacy also took a sip and put the wine glass back in its original position.

"It seems that everyone is going to talk about business later. My sisters and I will not disturb you and go back first."

Stacy got up with an ugly face and looked down at Rosalie. "Dr. Jacobs, I have something to say to you. Could you walk US to the door?"

Rosalie was puzzled, but she had no reason to refuse, so she got up and followed them to the door of the banquet hall.

"What is it, Miss Hudson?"

Stacy raised her eyes and glanced at the people at the table and withdrew her gaze, with a smile on her face, but her tone was icy. "Just because you helped me just now, don't even think that I will thank you. I'm warning you, stay away from Xander!"

Hearing this, Rosalie frowned slightly.

regarded as a work event, she did not expect that she would inexplicably get into someone's case.

Although she tried to be friendly, Stacy's hostility towards her continued to increase.
