### Chapter 1061

Julian couldn't help but think, Dueling with another man for the sake of a woman? That's so romantic!

"Emmanuel, have you lost your marbles?"

Ashton was on duty and had to go out on patrol today. Suddenly, she received a call from Emmanuel just as she was leaving the police station. So, she couldn't help but mock him, saying, "Didn't you hear what I just said? My brother said that even if the earth explodes, even if he jumps from the fifth floor, he still wouldn't want to go on a blind date with your sister!"

She felt extremely proud after saying that!

Didn't Emmanuel say yesterday that his sister is prettier than her?

What about now?

He was helping his sister find a blind date. Unfortunately, her brother would rather die than do so! Didn't this just mean that Emmanuel was wrong? Hah! I wonder how he feels now!

Alas, Emmanuel didn't care about what she said. Instead, he replied impassively, "Things are different now. Just tell him to go to table number 8 at the restaurant on the fifth floor of the Luxoria Hotel. He will definitely go today!"

Ashton was stunned before she guffawed. "Emmanuel Lowe, is he your brother or my brother? Don't I know him better than you?"

Emmanuel couldn't do anything to Ashton at the moment. Fortunately, he understood her strong-willed personality. So, he decided to provoke her by saying, "Why don't we make a bet? You just tell him to go there. If he doesn't go, I'll admit defeat!"

Ashton was dumbstruck for the third time!

Just as he expected, she became excited about the prospect of winning the bet!

“Alright, Emmanuel! You’d better not go back on your word. If my brother refuses to go, I want you to say in front of your sister and me that I’m prettier than her. Also, you have to say it three times in a row!”

Emmanuel chuckled upon hearing her request.

Even a woman as violent as her was still a woman through and through. Since women all love beauty, they couldn’t stand it when someone even implied they were not as beautiful as someone else!

“Deal!” Emmanuel readily agreed.

“Good! Just you wait!”

Ashton didn’t hesitate to seal the deal.

Not only that, she followed Emmanuel’s instructions and immediately sent a message to her brother, informing him to go to the Luxoria Hotel for the blind date. Then, she also said that the woman would be waiting for him there at noon.

Even if she loved winning, she was still going to win with dignity.

Besides, she had already texted her brother. So, it was up to Julian whether he was going on that blind

Just then, Julian, who was still flirting with Roselynn at Quillenrose, received his sister's message and was rendered speechless!

He had already made it so clear last night. Why was his sister being so irrational?

'I'm not going! I absolutely won't go to the Luxoria Hotel today. I'll never go there even if the sea flows backward and the earth is destroyed! I already told you I won't go!'

To his surprise, he had just replied to Ashton's text when Roselynn received a call from Emmanuel.

"What? The other party agreed to go on a blind date at Luxoria Hotel?"

"Yes, Roselynn. Please just go one last time! I beg you! I promised Mom that I would arrange a blind date for you. If you don't go, I won't be able to explain myself to her!"

Emmanuel used a gentle approach.

Even so, Roselynn frowned in displeasure. Emmanuel was really asking for a lot. Just the thought of going on a blind date with that disgusting man made her want to retch.

Alas, she had no choice but to agree, especially when Emmanuel was her only brother. Plus, they had a very close relationship.

"Roselynn, please. I promise that there's a surprise waiting for you this time!"

"Fine, I'm only going because it's the first time you've begged me like this. Got it?"

Roselynn was utterly out of wits when it came to Emmanuel. Then, there was also the fact that she had encouraged him to go on blind dates in the past. Frankly, she didn't expect him to turn the tables on

her.

The world is truly full of surprises!

Roselynn turned to Julian and said coldly after ending the call, "I'm going on a blind date at Luxoria Hotel. I'm closing my shop for the day. So, leave!"

What?

Julian was taken aback as he blurted in surprise, "You said you're going on a blind date? Where?"

"Luxoria Hotel. Are you deaf?"

Roselynn had an even worse impression of him.

Unfortunately, Julian liked her cold demeanor and the feeling of pursuing a goddess like her. The more she acted this way, the stronger his determination to win her over became!

Of course, he didn't know that netizens had a name for people like him, a simp!

"I'll accompany you!"

"No! Who are you to me? You don't even know my name, do you? Why should I let you accompany me on a blind date?"

Roselynn couldn't help but smile bitterly. Others couldn't wait to avoid her, but this man was like gum that she couldn't shake off!

"Oh, right. I haven't asked for your name yet, have I?"

## Chapter 1062

Julian was struck by a sudden epiphany!

He and Max's followers had always privately referred to her as Hestia. So, none of them knew her real name!

"They all call me the Demoness. So. stop bothering me!"

Roselynn couldn't be bothered to tell him her name. After all, her reputation had been tarnished by the Oatleys. Hence, she wasn't about to bring shame to the Lowe family by saying her name in public.

She had given Julian nothing but attitude throughout their entire exchange. Yet, she still found the odd man following her like a lost puppy when she strode out of her store.

"Don't you think you're being way too annoying right now?"

She truly didn't know what to do with him. So, she turned around and barked, "Can you stop following me? I don't like you. I'm not a good woman and not worth your affection!"

Alas, Julian liked her for this very reason!

He hated women who pretended to be innocent. Roselynn was the first woman he met who openly admitted she wasn't a good person.

"Miss Fire, I'm not following you. I just happened to be going to the Luxoria Hotel for a blind date!"  
Julian shrugged.

Frankly, she thought that Julian was mad. So, she decided to save her breath as she got into her car and drove away.

Miss Fire?

She was Miss Lowe. If one really had to give her a nickname, it should also be something like Miss Snow! Her name had nothing to do with fire at all!

“She has such a perfect figure and straight legs. Then, there’s the way she walks...The modeling world truly missed out on a gem! It would be a waste for her not to be my model.”

Julian was now obsessed with Roselynn’s figure.

He quickly called Ashton after daydreaming about Roselynn for a moment!

“What? Julian, you’re actually going on that blind date? Are you out of your mind?”

Ashton almost exploded upon hearing his words!

What is her foolish brother up to?

Just a moment ago, he said he wouldn’t go even if the Earth exploded and the sea flowed in reverse. Yet, now he’s taking back everything he said just like that? Wasn’t he the least bit ashamed for going back on his words just like that?

Alas, Julian didn’t give one whit of what Ashton was thinking. Instead, all he did was tell Ashton to inform the other party he would be there soon.

Frankly, he just wanted an excuse to accompany Roselynn to the Luxoria Hotel. That way, when Roselynn asked for a reason for him being there, he would be able to give a proper answer.

In order to pursue his darling Hestia, he was willing to go on a blind date with that chubby girl!

“The warmth of love shines even in the cold; the sweetness of love is a kind of beauty even in sadness; the completeness of love brings souls together even when they are far apart; the eternity of love makes it seem as though a brief encounter could last forever!”

Then, he exclaimed, “Ah! Love is truly great! You have changed me!”

Julian quickly rushed to the Luxoria Hotel after reciting a few literary quotes. He was so anxious to make it there that he even arrived long before Roselynn did. In the end, he could only wait for her at the entrance.

“God, why are you here?”

Roselynn got out of the car and was a bit exasperated when she saw this weird, long-haired man.

He just refused to leave her alone!

“Miss, I really came here for a blind date. Can you believe that we would end up having a blind date on the same day and at the same place? What a coincidence!” Julian said with a grin, showing a hint of gentlemanly demeanor.

Unfortunately, Roselynn didn’t like the long-haired, artistic type. So, she couldn’t be bothered to pay attention to him. Instead, she ignored him and walked straight into the hotel.

She came here because of her little brother. So, she didn’t plan on sending a substitute for this particular blind date. This time, she was just going to go through the motions herself before explaining her situation to the other party!

In all honesty, she still hadn’t figured out just why Emmanuel arranged this meaningless blind date in the first place.

This was utterly unlike him!

Meanwhile, Emmanuel quickly arrived at the Luxoria Hotel's entrance.

Since he had been here with Mackenzie several times, the receptionist recognized him almost immediately and greeted him with a smile as soon as she saw him.

"Mr. Lowe, hello!"

"Hmm, has my sister gone in?"

"Miss Lowe? She just went to the fifth-floor restaurant with a long-haired gentleman!"

"Okay, thank you!"

He nodded and was about to head to the elevator when he noticed Ashton rushing over.

"Emmanuel, what kind of sorcery did you use to make my brother suddenly change his mind?" Ashton looked beyond astonished!

She truly suspected that Emmanuel knew some kind of magic.

Otherwise, how could Julian, who had just said a second ago that he would rather jump off a building than go on a blind date, agree to come on a blind date in the blink of an eye?

"Do you really want to know?" Emmanuel looked at her with a smirk.

"Of course! Otherwise, why would I come here? Just to see you?" Ashton huffed indignantly.

Little did she know, the receptionist next to her would butt in, covering her mouth and saying, "Miss, you really do seem like you came here specifically to see Mr. Lowe."

## Chapter 1063

However, the receptionist quickly realized she had misspoken after feeling Ashton's gaze on her and recalling Emmanuel's identity as a taken man. So, she wasted no time excusing herself and skeddaddling.

"Hmph, don't listen to that woman's nonsense! I really, really dislike you. I'm just here to see Julian's blind date!" Ashton quickly explained.

Emmanuel didn't pay her any mind and shrugged, walking straight to the elevator.

"Jerk!" Ashton muttered under her breath and quickly followed him.

When the two arrived on the fifth floor, Ashton saw Julian sitting alone at table number 8, waiting patiently. She couldn't believe her eyes as she stomped over.

"Julian!"

"Huh? Ash, why are you here too?" Julian was also quite surprised when he caught sight of Ashton. "Are you that worried that I would be a no-show? Is that why you're here? To supervise?"

"I wish!" Ashton had no intention of making Julian come in the first place. Instead, she wished that Julian wouldn't come. That way, Emmanuel could tell her in front of her sister that she was more beautiful than her! Alas, she had lost that bet since Julian just had to be here!

Hence, she was very agitated as she demanded, "Julian! Didn't you say that even if the sea flowed in reverse and the Earth was destroyed, you would never come for a blind date with Roselynn Lowe?"

When Julian noticed how intense Ashton was, he scratched his head awkwardly and said grandiosely, "Yes! But later on, I discovered that love can really overcome everything! I can do anything for the sake

of my Hestia! I can also do things I don't like just to win her heart!"

“Who is this Hestia you’re talking about?” Ashton was really confused. Just what woman had such great charm that she could completely captivate her nitpicky brother?

“She’s here!” Julian pointed casually.

Ashton immediately followed his gaze and thought she was seeing things! Wasn’t that Emmanuel’s sister, Roselynn? What the f\*ck was going on?

Emmanuel was also sitting in a corner of the restaurant and found Ashton’s expression amusing! She probably didn’t know that both their siblings had used stand-ins for their blind dates previously! “Alright, go away. Don’t you dare get in my way!” Julian saw Roselynn approaching and quickly shooed Ashton away. That way, she wouldn’t be able to interfere with his conversation with Roselynn.

Ashton had no choice but to walk away, feeling a bit lost. Eventually, she took a seat next to Emmanuel.

Before she could say a word, she was rendered utterly dumbstruck! Another unexpected scene unfolded before her as Julian sat at table number 8 while Roselynn sat at table number 9. Although they were at different tables, they were still very close to each other!

Julian had been persistently... No, perhaps it would be more appropriate to say “attempting” to flirt with Roselynn.

“What on Earth is going on here?” Even Ashton, a master detective, couldn’t understand the convoluted and bizarre story behind it all!

The moment Emmanuel noticed she was about to storm over, he quickly grabbed her wrist and smiled, saying, “Do you still think your brother would consider you more attractive than my sister?”

“You despicable guy!” Ashton was so frustrated that she wanted to punch him. It was only the fact that she knew she wouldn’t stand a chance that she stayed her hand.

“If you want your brother to stay single, then, by all means, go ahead and interrupt their date!” Emmanuel pulled Ashton back to his side.

Ashton’s face had a peculiar expression. This man was really audacious. Even though he had a wife, he still dared to hold her hand? Hmph! How infuriating! Still, she couldn’t help but feel disappointed when he did release his grip on her wrist.

Emmanuel didn’t care about her thoughts as he hastily whisked out his phone to invite Mom and his wife to join the video call. He had deliberately told Roselynn to pick Table 9. That was because he recalled just how Julian and Ashton had derided Roselynn prior to this. Now, he was going to use this opportunity to ensure that they wouldn’t learn about each other’s identities so quickly. Of course, he had another purpose in mind, which was to prevent Roselynn from discovering that her blind date was the guy who had been bothering her all this while. He was worried she would turn on her heel and leave right then and there if she were to know about this. So, as long as they stuck to his calculations, they would have more opportunities to interact!

“Mom, what do you think of this man? He likes Roselynn!” Alessandra joined the video call first. So, Emmanuel immediately asked for her opinion.

“He’s a grown man, isn’t he? Why does he still have long hair? Well, other than the strange hairstyle, he seems okay.” Alessandra didn’t like men with long hair either. So, she couldn’t help but furrow her

brows in distaste.

Ashton was angry to see them, a mother and son, criticizing Julian with such abandon. After all, Julian was the future heir of the Summerton Group. He was worth hundreds of millions. So, just when did it become the business of an old woman to disparage him like that?

Chapter 1064

1064 Figuring Out Each Other’s Identities

Mackenzie was filled with anger when she saw her brother cozying up to Roselynn. It was all my brother's fault for being so useless. How could he submit to Emmanuel's sister?

Fortunately, amidst her busy schedule, she managed to join the video call and immediately spoke up for Julian upon hearing Alessandra's words. "Mom, Julian is a renowned photographer and artist, so having long hair suits his professional demeanor!"

"Is that so?" Alessandra understood, but her expression remained displeased.

Understanding was one thing; accepting it was another!

After all, people from their generation would not appreciate men with long hair.

At that moment, Roselynn glanced at the time and realized it was already past noon, and the other party was still not here!

What was going on?

That person was still making a fuss!

Seeing her impatient expression, Julian initiated a conversation. "What's wrong? Is your blind date running late?"

Roselynn nodded impatiently.

Julian immediately replied, "That is unacceptable! As a gentleman, how can he be late for a date with someone as stunning as you? I won't let him off the hook when I see him later!"

After saying that, he took the opportunity to sit at Roselynn's table.

She did not chase him away because he did strike a chord with her. Moreover, she even remarked self-deprecatingly, “Not only is he late, but he also said that he wouldn’t come on a blind date with me even if the world were to be destroyed or even if someone forced him to jump off a building!”

“What? That’s infuriating-”

Julian immediately stood up and was about to unleash his anger upon hearing this, but he suddenly froze!

Wait... Wait a minute.

This statement not only sounded familiar, but it also sounded exactly like what he said!

“So, do you know now?”

Roselynn did not understand why he froze and continued saying self-deprecatingly, “Even someone who is overweight and smells bad doesn’t want to come on a blind date with me, I am a malicious and ominous woman. Please stop bothering me. I’m doing this for your own good!”

Julian ignored her entire sentence and latched onto one key point and said in an astonished tone, “Someone who is overweight and smells bad? You said your blind date is overweight?”

“Yes!”

She noticed his strange expression and couldn’t help but furrow her brows.

Before she knew it, he suddenly jumped up in excitement, grabbed her hand, and exclaimed, “You... Are you

She noticed his strange expression and couldn't help but furrow her brows.

Before she knew it, he suddenly jumped up in excitement, grabbed her hand, and exclaimed, "You... Are you Roselynn?"

Roselynn furrowed her brows even tighter, shook off his hand, and asked curiously, "When did you find out my name?"

"Oh my goodness! My goodness gracious!" Julian slapped his thigh a few times in excitement before exclaiming, "I am Julian Summerton!"

"What? It's you?!" she exclaimed in surprise. Though it wasn't like a fairytale where a frog turned into a prince, this long-haired man was definitely much more attractive than that overweight person based solely on his looks.

"Of course it's me!" He beamed with joy and even took hold of her snow-white hand excitedly.

Upon seeing this scene, Ashton was shocked as she had never seen her brother like this before!

Emmanuel was just as shocked. He had expected a thrilling moment when the two of them finally figured out each other's identities, but he hadn't anticipated Julian to be so bold!

Even Alessandra and Mackenzie, who were not present, would be surprised at how quickly the plot developed.

However, Julian paid no attention to anything else and shouted, "I didn't know you were my blind date last time. I thought it was that unpleasant person!"

"What unpleasant person? It's so rude and disrespectful to refer to my high school classmate like that." Roselynn quickly withdrew her hand and gave him a cold glare.

“I’m sorry! I’m sorry!” Julian quickly apologized. “What I meant was, she looks far worse than you! If I had known you were my blind date, I wouldn’t have had to wait so long! Do you know that I’ve been thinking about seeing you again and trying to get to know your name for the past two weeks?”

He didn’t seem fake from her perspective.

It was clear that this man genuinely liked her, but so what?!

Wasn’t it the same with Jaxton when he pursued her?

And what happened?

Their backgrounds didn’t match, so it was destined to have a bad outcome.

In the next moment, Roselynn stood up and was about to leave.

“Hey, Miss–Fire... No, Roselynn. Please don’t go!”

Chapter 1065

1065 Let’s Talk

ben quickly grabbed her and exclaimed anxiously, “I have feelings for you. Since we are here for a blind date, I will marry you! How about I propose to your family tomorrow... No! How about today? 750 thousand? 1.2 million? Just tell me the dowry amount you desire!”

“Are you out of your mind? Let go of me!” Roselynn had no interest in money and forcefully pushed him away.

He was confused. Did she think the dowry was too small?

However, Roselynn said, "We Just met for the first time and you already want to marry me? Are you treating marriage as a joke? I'm not afraid to admit that I have been married before and I hurt my ex-husband badly! I know don't deserve a dowry of a few hundred thousand. I only went through with this for the sake of my family. Now that it's done, goodbye!"

"Roselynn! Roselynn!"

No matter how Julian called out, she did not turn back.

Emmanuel and Ashton were stunned by this scene, especially Ashton. She couldn't understand what her brother saw in this woman and she couldn't understand why Roselynn didn't like her brother.

Alessandra was frustrated and said, "What is Roselynn doing? Julian likes her so much. Why doesn't she give him a chance?"

Mackenzie remained silent on the other side of the video call.

Perhaps she understood Roselynn!

Roselyn felt that she wasn't worthy of Julian and because of her previous failed marriage, she had developed a serious fear of marrying into a wealthy family.

"Mom, we can't rush this. I will talk to Roselyn!"

Emmanuel quickly comforted Alessandra. "At least she has made some progress by meeting her blind date!"

"Emmanuel, you should talk to your sister then!"

"Mom, I will!"

Emmanuel ended the video call but didn't go after Roselyn. Instead, he intercepted Julian, who was still trying to catch up with Roselynn.

Smack!

The two collided head-on, and Julian felt like he had hit a wall.

His future brother-in-law was quite sturdy!

"Move aside!"

He wasn't afraid of Emmanuel at all. He still wanted to bypass Emmanuel and continue chasing after Roselynn.

Emmanuel grabbed his arm and said, "Julian, let's talk!"

"U What are we going to talk about?"

He wasn't afraid of Emmanuel at all. He still wanted to bypass Emmanuel and continue chasing after Roselynn.

Emmanuel grabbed his arm and said, 'Julian, let's talk!'

"Uh... What are we going to talk about?"

Although Julian was eager to catch up with Roselynn, he had to show some respect to his future brother-in-law.

“My sister!” Emmanuel said.

“Hey, if you want to discuss this, I won’t feel sleepy anymore! Come on, let’s sit down and chat slowly!”

Julian was indeed very interested in Roselynn.

51

Having a good figure was one thing, but he felt that she was different from the women he had encountered before.

Perhaps, this was what they called love at first sight!

Ashton couldn’t interfere as the two men were going to discuss a woman. She had come to see him during work hours and was about to go on duty, so she slipped away.

“Julian, do you know why Roselyn rejected you?” Emmanuel got straight to the point.

He felt that Julian was different from Jaxton. It wasn’t just a simple desire for Roselyn’s body. He saw a fiery passion in Julian’s eyes when Julian looked at her.

Perhaps, that was love?

“Why? Is it because I’m not handsome enough? Or not rich enough? I’m actually not a destitute artist. I-”

“Stop! Emmanuel quickly interrupted him as Emmanuel felt that he was getting further and further away from the point.

“If you truly want to pursue my sister, you should get to know her well!”

“Of course, I want to know her, but she doesn’t give me a chance! By the way, Emmanuel, can you tell me what kind of woman your sister is? I’m curious about every aspect of her!”

Julian held Emmanuel’s hand tightly.

Emmanuel glared at him as a signal for Julian to let go quickly. He wasn’t used to talking like this, especially with another man.

“Although Roselyn sometimes has a fiery temper, she is straightforward and kind. Perhaps she feels that you two are not compatible and she doesn’t want to hurt you. That’s why she doesn’t let you get close to her!”

Upon hearing Emmanuel’s words, Julian immediately became excited. “How are we not compatible? We match in all aspects such as height, age, gender, and temperament!”

“All of that is just superficial!”

Chapter 1066

1066 The Discussion About Marriage

angel sighed and recounted the history between his sister and Jaxton to Julian.

Ater Rstening, Julian clenched his teeth in anger. “That Oatley guy is despicable! He married Roselyn but didn’t know how to take care of her. He always wanted her to obey him and fulfill his desires. Isn’t that beastly behavior?”

Upon discovering Roselynn's strong personality, Julian not only didn't dislike or fear her but instead felt that she was more like Hestia!

This perfectly exemplified the modern beauty of women that he recognized. Roselyn was much stronger than those women who pretended to be Innocent and weak!

“I hope you understand what I'm trying to say!” Emmanuel stated directly. “Because of her ex-husband, she is now misunderstood by relatives and friends while enduring various insults. After experiencing a failed marriage, she is afraid of getting married again! She did not accept you because she feels that she can't overcome the conflicts. between you and your family.”

Julian's mood also became complicated when he heard this, and he lightly tapped the table with his hand.

This was indeed a problem!

His mother also valued social status.

FIFS ±

That was why he had been avoiding marriage. The women his mother and family introduced to him were all proud, arrogant, and hypocritical.

He didn't like those masked socialites, so when he met a genuine woman like Roselynn, he was deeply attracted to her and felt that she was different from the rest!

“In any case, I hope you think it through before deciding whether or not to continue pursuing my sister! After all, those who enter relationships without marriage as the goal are just playing around!”

After Emmanuel finished speaking, he stood up and left Julian alone, who was lost in thought!

After leaving the hotel Emmanuel received a call from Mackenzie.

“Emmanuel, is your sister’s blind date over?”

“For now!”

He briefly explained the situation to Mackenzie He even told her what he and Julian had talked about.

“Well, you’re right! Marriage is a matter between two families. If their backgrounds don’t match, it’s difficult to last long!”

Mackenzie held the same view, not only because of Roselynn’s previous experience but also because she and Emmanuel were in a similar situation.

Although they had been trying to maintain their marriage, with the support of her grandfather and his mother, Emmanuel still hadn’t gained the internal recognition of the Quillen family. Furthermore, their relationship hadn’t been fully publicized in Yeringham!

Mackenzie also didn’t know if their marriage would last.

The next moment, Emmanuel seemed to understand her thoughts and said firmly, “But I believe that if two people truly love each other, they can overcome any difficulties!”

Emmanuel still hadn’t gained the internal recognition of the Quillen family. Furthermore, their relationship hadn’t been fully publicized in Yeringham!

Mackenzie also didn’t know if their marriage would last.

The next moment, Emmanuel seemed to understand her thoughts and said firmly, “But I believe that if two people truly love each other, they can overcome any difficulties!”

“I talked to Julian to see if he was determined enough. If he doesn’t have that kind of determination, he shouldn’t get together with Roselyn!”

What a fool!

Mackenzie once again wondered if Emmanuel was pretending to be dumb.

His words sometimes easily touched her heartstrings. It was something that others couldn’t do.

“All right. Let’s not talk about them for now. You have to accompany me to visit the Quillen family tonight!” Mackenzie finally got to the point.

“Okay!” Emmanuel immediately agreed, but deep down, he felt a hint of pressure. Every time he visited the Quillen family, he had to face her large group of aunts and their relatives.

Not a single one of those women supported his marriage with Mackenzie!

However, it was still noon now, and there were a few more hours until his wife finished work. After thinking about it, he decided to go back to his own company.

He wanted to know why Henry fired Frederick.

What audacity!.

Meanwhile, Shane was still enjoying a work–life–like paradise at the M&L Group.

During lunchtime, he always dined with Lily, Leah, and Lola. He unabashedly admired their stockings, enjoyed delicious food, and didn’t even pay afterward!

The male employees at the company envied his good fortune to death!

Some people didn't understand why Shane, who had no looks and no job skills, was admired by the ladies from the marketing department.

But everything became clear once they found out that he was a relative of the general manager!

Connections were the most important productive forces these days!

Shane, a girl is waiting for you at the company entrance." After Shane and the three beauties from the marketing department finished their meal and returned to the office, the receptionist walked over and smiled as she spoke to him:

Chapter 1067

1067 Asking For Money

Bhane, is your girlfriend here?"

So, you have a girlfriend? I guess I should keep my distance from you from now on!"

Lola and the other two women teased and complained simultaneously.

Haha... I'm still single! But being so charming can sometimes be a disadvantage. I have to reject women's advances every day, which can be quite annoying! Lily, Leah, Lola, don't worry. I won't start dating so soon in order to avoid hurting your feelings!"

After Shane reassured them, he confidently walked downstairs to see which woman was looking for him..

Since he became popular in the company, he had become a bit confused about his own appeal!

Little did he know that as soon as he stepped out, he was immediately reprimanded by someone.  
“You’re so slow, Fatso! I’ve been waiting for you downstairs for ages!”

“Oh! It’s you, Marilyn! What brings you here?”

He was taken aback. He hadn’t seen Marilyn for three days since he started working at the company because she didn’t live with him.

“I’m out of money, so I came to ask you for some!” She boldly stretched out her hand toward him.

“But I haven’t received my salary yet!”

Shane was also in a dilemma. Even though he had good benefits in the company, he couldn’t get his salary in advance!

“I don’t care. You promised my sister to take care of me! If you can’t give me money, take me to Old Mr. Quillen’s house then!”

Marilyn was being unreasonable.

Shane was even more troubled. How could he know where Terence lived?

And why would he send Marilyn to that old man’s house?

“How about you come into the office with me first and I’ll think of a solution!”

Shane thought that he could either borrow money from his colleagues or ask the manager to advance his salary. After all, he was a highly sought-after talent in the company! He should have some privileges.

“Hmph! You have an afternoon to figure it out! If you don’t have money to spend on me, I won’t bother with you anymore!” Marilyn snorted coldly and walked into the company with him.

“Shane, who is she?”

“Yeah, the company doesn’t allow us to bring random people here!”

As Shane brought Marilyn into the office, Lola and the other female colleagues kindly reminded him.

“She’s my sister. There’s no one to take care of her at home, so I brought her to the office.”

As soon as Shane said this, his female colleagues felt a bit resentful. Marilyn was an adult, yet she still needed her

She’s my sister. There’s no one to take care of her at home, so I brought her to the office.”

As soon as Shane said this, his female colleagues felt a bit resentful. Marilyn was an adult, yet she still needed her brother to take care of her!

However, they still smiled and greeted Marilyn politely.

Marilyn didn’t pay any attention to them. She only wanted to get money from Shane!

“By the way, why isn’t Ms. Pennington in the office today?” Shane suddenly asked.

He wanted to request an advance on his salary from Lauren Pennington, but since she wasn’t there, it was impossible!

“Oh, you’re looking for Ms. Pennington? She has a management meeting this afternoon, chaired by Mr. Houghton.” Lola quickly informed him.

“Well, that’s troublesome!”

Shane could only turn around to find Marilyn. He scratched his head and said, "Marilyn, just wait a moment. Without Ms. Pennington here, I can't ask her to advance my salary."

Marilyn didn't even look up at him and snorted coldly. "If you don't give me the money this afternoon, I'll go find Old Mr. Quillen myself!"

Upon hearing this, he immediately became worried!

"You don't have any money on you and you don't even know where Old Mr. Quillen lives. How are you going to find

him?"

"You don't need to worry about that! You can't even take care of me. Am I supposed to starve to death if I don't seek Old Mr. Quillen?"

Although Marilyn's words were harsh, Shane couldn't come up with a response.

"All right. I will definitely find a way to get the money before the end of the workday! Don't rush to leave. Just sit in our company for a while!"

He was really worried that she would wander around aimlessly.

If it were a guy, he wouldn't be as concerned, but she was a nineteen-year-old girl who was unfamiliar with the area. If she were to get lost, what should he do?

There could be serious consequences if she was targeted by criminals. Such videos often circulate online.

"So, I have to sit here all afternoon? That's so boring!"

Marilyn was playful by nature. It would be better to kill her with a sword than to make her sit obediently in the pantry all afternoon!

#### Chapter 1068 Rumor

Shane was uncertain about what to do in this situation. His gaze casually swept over and happened to catch sight of Henry's office, along with the LCD computer!

Suddenly, an idea struck him!

He clapped his hands lightly. Didn't Henry mention that he could help if Shane encountered any difficulties? Shane wanted to borrow his computer. He shouldn't be angry, right?

"Marilyn, do you enjoy playing computer games? Let me take you to play, okay?"

Marilyn's expression finally improved a bit upon hearing this. When she was studying, she often skipped classes and went to the Internet cafe with other boys to play games.

Playing computer games would be a good way to spend the afternoon!

Soon, Shane brought Marilyn to Henry's office and attempted to open Henry's computer without permission, only to find that it required a password.

He had no choice but to find the receptionist.

The receptionist asked him to wait and then went to find Henry's secretary.

"Are you serious? You came to me for this kind of thing? Do you think anyone can just use Mr. Houghton's computer?" The secretary was indeed very angry.

But the receptionist said. “Shane is Mr. Houghton’s relative, and his sister should also be Mr. Houghton’s relative. There shouldn’t be a problem with them using his computer, right?”

Upon hearing this, the secretary couldn’t help but frown!

Sometimes, things in the workplace could be quite challenging.

But after considering it, she realized that if she didn’t allow them to use it, they might get fired.

t report her to Henry, and shot

If she let them use it and something went wrong, it would be a matter between themselves, and she wouldn’t have to take responsibility!

With this in mind, she reluctantly gave the password to the receptionist.

After the receptionist informed Shane, he accessed Henry’s computer.

Although there were no game programs on the computer, the configuration was high, and Marilyn was very satisfied. She could directly download whatever game she liked!

Upon seeing her contentment, he finally wiped the sweat off his forehead and returned to his position in the marketing department.

Not long after, the management meeting concluded.

Henry returned to his office and saw someone sitting in his seat, leaving him stunned for several seconds!

What was going on?

Someone actually dared to sit in his seat without permission? And she even touched his computer?!

Wed, 20 Dec

Someone actually dared to sit in his seat without permission? And she even touched his computer?!

“Who are you? Who let you in? And who helped you turn on the computer?!”

Henry used to be the general manager in Eve’s company, and his presence was not something an ordinary person could handle.

Marilyn was immediately frightened. She trembled and was unable to speak!

“Miss Carver! Miss Carver!”

Upon seeing that she didn’t respond, Henry quickly shouted in anger.

Adley Carver heard his call and hurriedly ran in.

When she saw Henry’s face turning pale with anger, she also became flustered!

“What’s going on? Who is she? How did she manage to access my computer?” He stared intently at Adley.

Besides himself, only the secretary knew the password for his computer, so she must be aware of this.

“Mr. Houghton, she... she’s your relative, Isn’t she?” Adley asked, trembling.

All she received was Henry's furious outburst!

"Nonsense! I don't have any relatives in this company! Who started this rumor?!"

"Ah?"

Adley was momentarily confused. Who had spread such a convincing rumor? It was a complete deception!

But she quickly reacted and immediately walked up to Marilyn, pulling her up and reprimanding her. "You, get out of here! Don't ever touch Mr. Houghton's computer again!"

"Hmph! I'll leave. Who cares about a lousy computer!"

Marilyn realized what was happening and didn't care at all. Then, she stood up and left.

After all, this wasn't her company. No matter how angry these people were, they couldn't do anything to her.

Upon seeing her attitude, Henry exploded with anger!

\*Miss Carver, which employee brought this woman into the company? Notify their department head to fire them Immediately!"

"Ah? Yes... yes!"

Adley didn't dare to say much and quickly walked towards the marketing department.

Meanwhile, Shane saw Lauren return from a meeting and immediately entered her office.

“Shane, is there something you need?” She pushed her glasses up and asked with a smile.

Shane was Henry’s relative, so she had to take good care of him

Chapter 1069

1069 The Ups And Downs In Life

Mu, Pennington, I have a favor to ask! Can you advance me one month’s salary? I’m in urgent need!” Shane at her with a charming smile. He did not hold back and boldly made a request.

Oh? It shouldn’t be a problem. I’ll ask Mr. Houghton for approval. As long as he agrees, it’s fine!” The company was newly established, so Lauren didn’t have the authority to approve it.

Upon hearing that she could ask Henry for approval, Shane became happy! Henry was so easy to talk to, so there shouldn’t be any problem, right?

But unexpectedly, Adley hurriedly walked in the next moment with a pale face. Upon seeing her, Lauren immediately felt a sense of unease and asked subconsciously, “Adley, what’s the matter?”

“Ms. Pennington, someone from your marketing department brought an outsider to the company without permission and messed up Mr. Houghton’s computer! Mr. Houghton is very angry, so you must handle this, seriously!”

“What? Who dares to do that? Don’t they know that outsiders are not allowed in the company?” Lauren was instantly furious.

Adley immediately shot a cold glance at Shane! Shane chuckled and said, “Ms. Pennington, that’s my sister. She had nowhere to go, so I let her stay in the company for an afternoon. I promise it won’t happen again!”

Lauren didn’t dare to lose her temper for a while and secretly whispered to Adley, “Doesn’t Mr. Houghton know Shane’s sister? They should be relatives, right?”

“What nonsense!” Adley immediately became agitated. “Mr. Houghton said he has no relatives in this company! Don’t spread rumors! It will tarnish his reputation!”

“What?!” Lauren was so angry that her face turned red. She stared at Shane and questioned, “You and Mr. Houghton have no family relationship?”

“No!” Shane looked surprised and innocent. “When did I say that we are relatives?”

Lauren felt deceived and played with. She, the department head, had been trying to please a high school graduate with no skills for several days. If people found out, it would be embarrassing!

“You! You’re fired! Get out immediately!” She pointed angrily at the door and shouted at Shane.

“Uh...” He panicked immediately. “Ms. Pennington, even if I have no family relationship with Mr. Houghton, is it necessary to fire me right away when I want to advance one month’s salary?”

After a pause, he leaned over and asked proudly, “Aren’t I the talent that the company has longed for?”

“Heh... Talent? Lauren almost burst out laughing in anger, “With your kind of incompetence, I still wouldn’t consider it environmentally friendly enough even if I throw you into the trash can! I really want to kick you into the sun and turn you into ashes, so you won’t pollute our environment anymore!”

Although Shane thought she was too harsh in her insults, he couldn’t help but secretly give her a thumbs up. “Intellectuals remain intellectuals. Even in their way of cursing!”

And it even rhymed. That was truly impressive!

“Get lost!” Adley immediately reprimanded Shane. After all, it was because of this guy that she was scolded by Henry and she left a bad impression on him!

"Ms. Pennington, I promise I won't bring outsiders to the company next time. At most, I won't advance my salary. Can you let me stay?"

Shane still wanted to negotiate a bit. After all, he could eat and chat with the beautiful ladies in black stockings every day. If he lost this good job, where else could he find one?

In the next moment, the security guards and male colleagues rushed in and forcibly dragged him out.

“Alas... The ups and downs of life!” In no time, Shane was holding a lousy box and stood at the company’s entrance with Marilyn.

“Hmph! Do you think you can take care of me with your abilities? If I really followed you, I would starve to death! You useless trash!” After scolding him, Marilyn walked away directly.

“Hey, Marilyn. Where are you going?”

“It’s none of your business! Take care of yourself first! You pauper!” She didn’t even bother with the short fatso and hailed a taxi.

“Driver, I need a ride!” Shane panicked and waved at a Maserati, regardless of whether it was a taxi or not.

,who might reso

He was truly worried about Red’s rebellious to extreme measures to make money or be deceived by men!

Chapter 1070 Unexpected Encounter

To his surprise, the driver of the Maserati recognized him and called out, “Shane? Is that you?”

“Oh? It’s you, Manny!”

Shane was both surprised and excited to see Emmanuel.

In the next moment, he rushed over, and tears started streaming down his face.

“Manny, it’s so good to she’ll make a deal with strangers again for

se you! Please help me find Manlyn. I’m at Just 450

Emmanuel was speechless.

Marilyn had left early, and he couldn’t catch up even if he tried. Even if he could, he didn’t want to

If she wanted to make money this way, she would eventually learn her lesson.

“You can’t control her for long, and that girl is not someone you can handle!” Emmanuel said bluntly.

Although he was also saddened by Red’s death, Red and Marilyn were two different entities. Shane shouldn’t transfer his emotions for Red to Marilyn.

Shane also sighed and realized that Emmanuel was right. In just a few days of getting to know that rebellious girl, he found that he couldn’t handle her at all.

She didn’t take him seriously at all and just wanted to use him as a scapegoat!

“By the way, how did you end up working in this company? Do you know why Frederick was suddenly fired?” Emmanuel asked quickly.

“I don’t know either! The people in this company are a bit strange... Shane explained his own experience to Emmanuel in detail.

Just as the two of them were talking. Henry happened to walk out of the company entrance and saw a Maserati parked at the entrance. He was startled.

When he saw the man opening the car window, he was shocked. Wasn't that the elusive tycoon, Emmanuel?

Who was Emmanuel talking to?

Henry suddenly had a bad feeling, and when he saw the back of the man talking to Emmanuel, he was even more frightened!

One didn't even need to look at the face to know who it was by looking at the sturdy figure!

Who was so audacious to fire the supervisor sent by Emmanuel?

"Um... um!" In the next moment, Henry hurried over.

Although he couldn't even speak a complete sentence for a while, he successfully caught the attention of Emmanuel and Shane.

"Mr. Houghton, why are you here?"

Shane didn't know Emmanuel's true identity yet, so he found it strange to see Henry rushing to the door in a hurry!

15:53 Wed, 20 Dec

Mr. Houghton, why are you here?"

Shane didn't know Emmanuel's true identity yet, so he found it strange to see Henry rushing to the door in a hurry!

Henry quickly smiled and nodded apologetically to Emmanuel, then asked Shane nervously, what are you doing? Why are you holding a box?"

Shane, what are you...

As soon as he asked, Shane got angry!

"Mr. Houghton, are you pretending to have amnesia or deliberately playing with me? It was you who fired me because I brought my sister to the company, and now you're asking me?"

What on earth?

Henry slapped his thigh in frustration!

So, the girl who tampered with his computer turned out to be Shane's sister?

www

He was still thinking about which employee would dare to do such a thing in the company!

At this moment, he could only sigh at his own stupidity. How could he not have thought of this?

Now that he had fired the supervisor sent by Emmanuel, and Emmanuel was right in front of him, what should he do?

Unexpectedly, Emmanuel smiled and spoke up. "Mr. Houghton, well done!\*

"Huh?" Henry was momentarily confused. Was Emmanuel being sarcastic? Was he angry?

\*Company rules must be strictly enforced. Whoever violates them must be punished!" Emmanuel said.

"Ah! Yes!"

Henry nodded repeatedly. Only then did he realize that Emmanuel was not being sarcastic.

But he quickly reacted and smiled immediately, "However, the company also has some leniency for new employees. Shane has only been with the company for less than three days, so a warning is enough for the first offense. There's no need to fire him!"

"Really?!"

Shane's spirits immediately lifted. As long as he wasn't fired, he could continue working with the ladies in black stockings. Everything would be fine!

"Of course it's true. I'll take you back to resume your duties right away!"

Henry quickly pulled Shane and left while stealing glances at Emmanuel.

Upon seeing that Emmanuel didn't give any further instructions, he felt relieved and continued his actions boldly.
