

YOU ARE MINE (ENGLISH) - Chapter 281 HAVE A BABY

'After listening to what Edie had to say

Stuart was too emotional. He gazed at her with love in his eyes.

He paused

took a deep breath

softened his voice

and asked

'What is it that you want to hear?'

'Edie pondered for a second and realized there was nothing she

wanted to hear and

silently said

'I know how hard it is for you to talk about your feelings. So

I guess there really isn't anything I need to hear from you.'

'Then Edie decided to talk about something else

and suddenly a deep and charming voice whispered in her ear

'I love you.'

"Pardon me?" Edie said

sounding surprised. She was startled by his words. They had gone

through so much

together

but he'd never said that with so much passion in his voice. The

man in front of her

was so familiar

handsome

proud

and understanding. Endless tenderness surged in his grave

dark eyes as he looked at her. The reflection of Edie could be

plainly seen in his

eyes. It was evident that he only had Edie in his heart.'

YOU ARE MINE (ENGLISH) - 282 TRENDING

'After that night

Stuart finally let Edie go to work. She was so excited to see

Danny

'Danny

I have missed you so much!'

'Danny didn't buy it and sneered

'I thought you said you were going to get a divorce?'

'Edie smirked

'Really? How come I don't remember saying that?'

"You finally found someone who treats you right

and you should be thrilled. Stuart is not only handsome but also

has money and

power! Don't ever let anything like this happen again

or I will wring your little neck!'

"Sorry

it was all my fault

'Edie said

and her face relaxed into a happy smile.'

'The two of them chatted for a while

then Danny said mysteriously

'Something big happened over the past few days. With

everything that's been

going on

I haven't had a chance to talk to you about it.'

'What is it?' Edie asked curiously.'

'I have a friend from the Dynasty Elegy crew and he told me that you actually got the role of Yvonne Patricia at the audition.'

YOU ARE MINE (ENGLISH) - 283 FIRST PREGNANCY COURSE

'Edie and Danny talked for a while longer before she left the company. It was still

early

so she decided she would visit Stuart at work. Edie decided not to have a driver

today

so she stopped on the side of the road to get a taxi. When she got in the cab

and once the driver heard she was going to the L.N. Group the taxi driver looked at Edie in admiration.'

'Wow

young lady

you work at the L.N. Group!' he said with great respect.'

'Edie smiled and said

'No

I don't work there. My husband does.'

'Then the driver said excitedly

‘Wow
your husband must be a very successful man! He must be earning
millions of
dollars every year! I heard even a security guard who works there
earns at least
three million dollars a year.’ Then he took a deep breath and
continued
‘My uncle’s neighbor went to an interview for a job this year
but unfortunately
he didn’t get it.’

YOU ARE MINE (ENGLISH) - 284 THE PROCESS OF GIVING BIRTH

’After everyone sat in their seats

the teacher handed out the booklets. Everyone casually started
flipping through the
pages. The teacher turned the projector on
and a few words appeared on the screen.’

’It read

‘The process of giving birth.’ Edie was not expecting to see such
startling content
at the beginning of the course. She peeked at Stuart
and he was looking at the screen very intently.’

’With a serious tone in her voice
the teacher said

‘Women have two ways of giving birth
natural labor and cesarean birth. We are now going to watch two
videos about each

of them.’

’The first video played was about natural labor and because no anesthetic was used

the woman’s shrill cry echoed through the classroom. When seeing a baby coming out of such a small place Edie’s expression changed. Blood was everywhere as the woman had a vaginal tear which was between the vagina and rectum.’

YOU ARE MINE (ENGLISH) - 285 I WANT TO HAVE A DAUGHTER

’You really don’t want to have a baby anymore?’ Edie said in almost a whisper.’

’Stuart shook his head and said with a frown on his face

’The process of giving birth is too painful! You could run into all kinds of complications and maybe even death. I don’t want you to take the risk.’

’There were tears in Edie’s eyes

and she said

’How could I be so lucky to have a man who cares and loves me so much? What more could I ask for?’

’Edie’s heart was touched; the tears began to stream down her cheeks. She reached

out and put her hand around Stuart's neck.'

"But I want one

'She said bashfully.'

'Stuart was startled and said

'Really

you want one?'

"I want a child who looks like you and me. He will be treated so well! I'll care for

him and love him

and I will give him the childhood that I always wanted.' Edie

explained. Then she

smiled and said

'Don't you think it would be amazing to have a child of our own?'

YOU ARE MINE (ENGLISH) - 286 DINNER INVITATION

'Ivan was standing right beside Stuart and could hear every word of his

conversation with Hicks. Thinking of Stuart's past experiences with Hicks

Ivan became extremely worried. He paced back and forth in the room

waiting for Stuart to get off the phone.'

"Um... Edie is going to act in this drama. Didn't you say that you wanted me to

stay away from her? That's why I turned down the audition.'

Hicks said hesitantly.'

'Stuart immediately stopped tapping his fingers and said

‘Yes

I remember what I said. Thank you
you did a good job.’

‘Hicks was a little timid and said

‘Thank you for the other night.’

‘She took a deep breath and waited for Stuart’s reply

‘I will let the Universe Entertainment arrange a few new dramas
for you. Just try to
wait patiently

and you should soon hear from your agent.’

‘Hicks couldn’t hide her excitement and said

‘Thank you so much

Mr. Yates.’

YOU ARE MINE (ENGLISH) - 287 HOW ARE YOU?

‘It was the next day

and Edie still hadn’t told Stuart that she was going to have dinner
with Donald and

Joanna. She was dreading the thoughts of going out with them
because of their

previous relationship. Edie waited until five o’clock to call Stuart
and tell him

where she was going.’

‘When she called

Ivan answered. Edie was a little surprised as the number she
called was Stuart’s

private number
and usually

Stuart would respond. After Ivan explained why he answered the phone instead of Stuart Edie found out that the L.N. Group's headquarters had a significant problem in Europe.'

'Stuart was at a video conference and Ivan told her that he would probably have to work late this evening and he would not be home for dinner. Ivan felt guilty for telling this to Edie but she was relieved. She quickly said 'It's okay. Stuart's work is more important. Don't say anything to him to interrupt his work.'

YOU ARE MINE (ENGLISH) - 288 YOU NEED TO BE CAREFUL

'Scarlet lowered her voice and said 'Our magazine has recently been doing a write up on financial topics and has investigated the current situation of Hawk Real Estate Co. Ltd.'

'Edie's heart jumped and she asked 'What happened?'

"Hawk Real Estate Co.

Ltd. has been selling shares rapidly this month and converting its shares into cash.

For a long-established family company the stocks are very critical. This isn't good because this is the company's primary assets and earnings. They could very easily go bankrupt. The Hawk Real Estate Co.

Ltd. may be in a big financial crisis!' Scarlet explained as briefly as she could.'

'Financial crisis? Really! Donald didn't show any signs of any troubles while we were having dinner. I guess this is his own business and it has nothing to do with me' Edie said.'

YOU ARE MINE (ENGLISH) - 289 COME WITH ME

'Nothing could explain the sadness Karen felt. Donald's treatment plan was not sufficient and he was isolating himself from everyone except for Edie.

Karen looked at Edie

and a pang of guilt shot through her. 'Yes

I was worried about Donald and since I was in the area

I thought I'd stop by and check on him. Then I saw you and wanted to come

over and say hello.' Karen smiled politely.'

'Edie nodded with a smile and said

'Yes

it has been a long time since we have seen each other last
Miss. Karen. We should go for lunch sometime. I'm sorry

I'm in a hurry. It's getting late

and I have to get home. We should talk soon

okay?'

"Okay

take care of yourself

Edie

' Karen said with uneasiness in her voice. Then Donald and
Karen left.

Donald smiled gently and put his arm around Karen's neck. She
was a little

hesitant and was pushed forward with force.'

YOU ARE MINE (ENGLISH) - 290 I WILL COME BACK
AND GET YOU

'After hearing Karen's question

Donald jerked the steering wheel to the right. Karen was caught
off guard and

plunged forward. Then she hit her head on the windshield. Before
she had a

chance to say anything

she heard Donald's cold voice. 'You asked me where the
previous Donald

was ? Don't you know ? He is dead.' Donald wore an evil smile
on his face
and his voice was hoarse.'

'His voice sounded like it came from hell. Karen's whole body
was shaking
and her thoughts were scattered. While rubbing the back of her
head
she tried to open the door
but it was locked. Then Donald grabbed Karen's neck
and it felt like she was being held by iron forceps. His brow
furrowed as his
mouth turned grim
and his fierceness took her breath away.'

YOU ARE MINE (ENGLISH) - 291 IS HE STILL
WORKING ?

'Edie decided that instead of going home
she would go to the L. N. Group and see Stuart. Learning a
lesson from the
last time she went to visit Stuart
Edie called Ivan in advance. 'Hello
Ivan. I'm going to stop and see Stuart. Is he still working ?'
" Yes
Mrs. Yates. He is still in a meeting. It's been going on now for
three hours
and it doesn't seem like he will be finished anytime soon!' Ivan
felt a little
guilty because Stuart hadn't seen Edie all day.'
" Okay

thanks

Ivan. I may stop by and see him. If he's still in a meeting
I will wait for him in the VIP lounge
' Edie said and hung up the phone.'

'Edie looked at the time
and it was almost ten o'clock. Since Stuart was still in a meeting
Edie wondered if he had anything for dinner. So she changed her
plans and
asked the driver to turn around and go to Stuart's favorite
Japanese
restaurant. Edie got rice with sushi
a cake and made sure she had extras for the staff.'

YOU ARE MINE (ENGLISH) - 292 I TRUST YOUR
JUDGEMENT

'Stuart quickly left the room with Ivan. 'How long has Edie been
here?'

Stuart asked.'

"About forty minutes

' replied Ivan.'

'Stuarts' eyes angrily flashed as he stepped forward. ' Why didn't
you tell me
sooner?'

"Miss Edie told me not to disturb you

' Ivan replied timidly. Ivan wanted to tell Stuart what he was
thinking.

'Stuart has a different attitude when Miss Smith is around. Work mattered when Edie wasn't around and when she was it all came to a halt.' The board meeting was crucial but he didn't dare say a word to Stuart. Ivan bent his head and remained silent.'

'Stuart glared at Ivan. His gray eyes are smoldering with unmasked anger.

There was a dangerous glitter in them. 'Don't let this happen again. If it does there will be consequences.'

YOU ARE MINE (ENGLISH) - 293 YOU ARE MY WIFE

'As soon as they arrived at the Villa

Edie and Stuart quietly went to their bedroom. Stuart gently laid Edie on the bed

and in a matter of seconds he stripped them both naked. They made intense passionate love like never before. After that she fell into a deep sleep. When Edie woke up it was daylight. She could hear someone's voice coming from outside the bedroom and realized it was Stuart.'

"Is Hicks okay? Is she in danger?" Stuart asked his voice full of concern. He lowered his voice and looked towards the

bedroom door.'

YOU ARE MINE (ENGLISH) - 294 I'M LEAVING THE CITY

'I'm leaving the city! Will you talk to me now?' Her voice sounded breathless and high.'

'You're leaving? Where are you going?' Edie asked looking over her inquisitively.'

'I'm going back to Europe. I haven't told Stuart yet.' Anna looked at Marina and back at Edie. 'Would you take a walk with me? There's something I need to tell you. Please give me a chance to explain.' There was a tinge of sadness in her voice.'

'Edie was reluctant but she agreed. They walked outside to a garden behind the hospital. They sat down on a bench. Anna stared at Edie for what felt like an eternity before she finally spoke.'

YOU ARE MINE (ENGLISH) - 295 WHO ARE YOU?

'The doctors were still trying to talk the patient down

but it was clear he was not in control of his mental state. He sounded one step short of going over the edge. He was shouting swearing and telling the doctors to shut up or he'd kill Edie. He kept ordering them to get his wife.'

'Donald took one step forward and said to the patient

'Let her go and take me as a hostage. I'm the...'

'Before Donald had a chance to finish his sentence he was interrupted. The voice coming from behind him was a familiar one.

Donald turned around and saw Stuart. Donald gave him a dirty look

even as he stepped to the side and let him pass.'

'The crowd was silent. Donald frowned and listened as his face hardened in

hate for the man who had taken Edie from him. Stuart kept walking

not giving Donald a second glance. Stuart's heart and mind raced but he kept his composure.'

YOU ARE MINE (ENGLISH) - 296 THE CRIMINAL

'Donald was devastated when he heard Edie cry out for Stuart.

Her words

struck him like a thunderbolt. He could feel his heart thumping in his chest

and temples. Donald could barely utter a coherent word. And finally

he thought
'Edie really doesn't love me anymore. He knew to lose his
memory had broken
her heart. But for so long
he believed that Edie was only with Stuart to make him jealous.'
'Donald had always thought they were destined to be together.
From the
sickening look on his face
the realization was hitting him hard. He felt as though someone
had stabbed
an icicle into his heart
so sharp and cold. Swallowing past a hard lump in his throat
Donald gathered his thoughts and looked at Edie and Stuart. He
wanted
Stuart to disappear
but in his heart
he knew that was going to happen.'

YOU ARE MINE (ENGLISH) - 297 DO YOU HEAR ME ?

'Fabian came rushing straight toward Stuart
and he knocked him to the ground again. He was no match for
Stuart. Stuart
had strength like a god. He looked at Fabian with knitted brows
and wearing
an air full of disdain. His cold eyes
full of anger
stared at him.'

'The crowd gathers around and watches
no one interferes. Everywhere voices were heard gossiping

shouting
and criticizing. 'Did you know he was the CEO of the L. N.
Group?'

'It was at this moment that Stuart came to realize
Fabian no longer had the knife in his hand. He was so weak
and he wasn't a threat to anybody anymore. Then Fabian tries to
get up but
collapses onto the ground. His breath is coming in what sounded
almost like

sobs. 'She'll get what's coming to her. They all will.' He kept
saying it over
and over again.'

YOU ARE MINE (ENGLISH) - 298 STUART HEART IS
FILLED WITH
SORROW

'Hearing Donald speak
tears were welling up in her eyes
and Edie blinked them away. The doctors gathered around
Donald
forcing Edie to step back. 'Everyone steps back and gives us
some room
' one of the doctors yelled. They immediately opened Donald's
shirt to look at
the puncture wound.'

'What can I do? Is he going to be okay?' she asked frantically.'

'Excuse me
but please don't interfere
' the doctor said.'

'The doctor tried to stop the bleeding by applying pressure to the wound. A stretcher was brought outside and they slowly moved Donald over on to it and took him into the hospital.'

'As they walk past Edie her voice breaks and tears begin to race down her cheeks.

'There's so much blood.'

YOU ARE MINE (ENGLISH) - 299 THE MADNESS OF THE PAST

'Edie took her phone out of her purse and realized it had no power. She wanted to call Stuart and find out where he was. She was worried that she might not be able to find him. She looked in the waiting room and in the lobby and couldn't see him. Then she stepped outside of the hospital and there he was sitting on a bench. People were walking by staring at Stuart.

One girl took out her phone and took a picture of him.'

'Stuart had been sitting outside for four hours

waiting for Edie to return. She thought he looked so sad and lonely. Edie could not take her eyes off of him

and then she slowly walked toward him. The closer she got the sadder she felt. Stuart was always on top of things so perfectly in control. He had always been there for her when she needed him most.'

'Edie wrapped her arms around Stuart's neck and gently put her face against his. She softly said

'I'm back. I wasn't sure where you were. I wanted to call but my phone was dead.'

YOU ARE MINE (ENGLISH) - 300 HOW DO YOU RUN THE COMPANY ?

'After arriving at the Villa

Edie and Stuart sat down and ate dinner. They were both exhausted from the incident at the hospital; they barely spoke. When Edie was finished

she went to her bedroom to rest. Stuart couldn't relax because he still had a lot of work to deal with. The meeting with the board members from yesterday was lingering in his mind. Stuart decided to go back to the study. He opened his computer and started a video conference with the board members from headquarters. He wanted to see if they had finally made a decision.'

'Stuart was called Europe
and it was in the middle of the afternoon. When everyone was
connected
one of the executive members of the L. N. Group asked
'According to our agreement
all board meetings are to be held in the morning. They are not to
be held in
the middle of the afternoon. We have been waiting for you for
over six hours.
Would you mind telling us what was more important than your
business ?'
The man sounded impatient and angry.'
