

YOU ARE MINE (ENGLISH) - Chapter 501 HER PROMISE FOR HIM

'Eddie was sleeping when she heard something.'

'She opened her eyes and gradually noticed the man's appearance.'

'In the darkness

she saw a man stumbling to him.'

""Stuart...""

'She was quite familiar with the figure of the man.'

'Stuart didn't answer. He strides towards her without words.'

'When he stopped in front of her

she realized he was drunk.'

'She wanted to get up. But the man already fell on her.'

'She was forced into the quilt. She remains silent and waits for him to talk.'

""What should I do

Eddie? I don't know what to do

""

'He nagged her names painfully. The voice tortured her heart little by little

brutally.'

'Stuart has never been so desperate and helpless. She never saw her husband in a

vulnerable situation. Stuart maintains his image as a nobleman and never lost his

control.'

'She embraced his back

comforting him. Her hands slowly slid behind Stuart's back to calm it down.'

""What happened? I am here

tell me." Her voice was full of concern.'

502 YOU ARE MINE (ENGLISH) - I NEED TO SEE STUART

""But.... it's the head. You didn't know his condition exactly

either

right? Please be a father. Please.""

'She was so worried and terrified that she wished she could fly to the hospital to

check his condition.'

'Francies nodded

"I would do my best

but I should also ensure your safety. Stop mind wandering. Be easy."

"Okay. I would. But be faster. Stuart would be okay. He would be okay.

He must

be okay....."

'She tried to comfort herself. But it didn't work. Tears still fall down on the face.

She was sick and worried

thinking about the situation of her husband.'

'She kept murmuring

"he would be okay. Yes

he would be okay."

'It was so hard for her to accept reality. Stuart was perfectly well last night. How

can all of these happen to them?'

'Besides

nobody told her. She didn't know anything until Francies told her.'

'Suddenly she felt really lonely. What if Stuart died one day? Would anyone tell

her? Would anybody care about her?'

'Nobody would tell her

as what happened in A.'

503 YOU ARE MINE (ENGLISH) - I COULDN'T LEAVE STUART

'Eddie knew. She also understood.'

'Stuart wouldn't change this as long as he still loved her

'

'He was such an idiot. He just wanted her not to worry about him. But he didn't

know what he could do nothing but made her worry about him more.

She wanted

to scold him while thinking about his situation.'

'But the idiot didn't know. All he could do was to contribute everything good to the

woman he loved

without expecting returns. She can't bear the pain of looking his husband like this.  
She can't imagine how deeply he cares about her. She wanted to cry hard this time because she can't accept the fact that there's something bad going to happen to her beloved husband.'

'Edie's anger almost disappeared. She felt pain for the man in front of her.'

""Why did he run through the red light?""

'Edie took quite a while to make her voice.'

""Because...the vice president called him. We didn't know what she said..." Mr.

Bates said.'

504 YOU ARE MINE (ENGLISH) - A FOOLISH OATH

'Wasn't her obligation to care about her son? But now she made it a condition to

trade with another woman. This sounded really wired for Edie.'

'But Bette didn't feel anything wrong

"yes

as long as you stop him

I would resign my post as the vice president and leave him to take over the group. I

would also try the best to be a good mother.'"

'Edie was too shocked by these words that she forgot to reply.'

'Better continued

"Moreover

this is not a joke. If Stuart keeps doing this

he will ruin his reputation. Blind competition is the worst in the business.

Stuart's

taking great risk to revenge. Do you really want him to destroy himself?""

""Of course

no.'"

'Edie answered immediately without any hesitation.'

""Then

cooperate with me

" Bette laid back. Her voice sounded a little idle. Apparently she believed Edie would definitely agree with the proposition.'

""Okay

don't forget what you've promised." Edie nodded firmly and then left.'

505 YOU ARE MINE (ENGLISH) - THE OLD GREG PASSED AWAY

'To clean Stuart's body

Edie got up quite early this morning. Suddenly

Mr. Bates knocked on the door.'

""Mrs. Yates

I need to tell you something.""

""Okay

right there

" She walked to the door.'

'Mr. Bates looked pale.'

""What happened" Edie had a bad feeling.'

""Mrs. Yates

you need to be strong. This might be terrible news for you

" Mr. Bates sounded heavy.'

'Edie got completely confused

,

""Is it about Stuart?""

""No

it is the Greg.""

""The Greg....what happened?" Edie got more confused

,

""The old Greg passed away at 6 o'clock in the morning.""

'Edie felt her head was heavily struck by a huge hammer. She froze immediately.'

'The old Greg passed away.'

'These words kept lingering around her ears. Edie immediately fell down.'

'Mr. Bates got her up

"are you all right? Mrs. Yates.""

""Mr. Bates

you must be kidding me

right? He's quite healthy. How could he die all of a sudden? This is not the truth.

Not the truth."

#### 506 YOU ARE MINE (ENGLISH) - EVERYONE WAS GOSSIPING

'His face hadn't turned gray yet

only a little pale. She even thought that grandpa was only sleeping not dead.'

"Grandpa..."

'She cried out loud while trembling

trying to wake him up.'

'The moment she let out the cry

her throat started aching

as if being pierced by countless small needles.'

'It hurts...'

'It really hurts...'

'Madam Greg was crying. As soon as she heard Edie's voice

she turned around to look at her. She obviously didn't expect to see her.'

'Being reminded that her daughter was still in the police station

she couldn't repress her hatred anymore

so she rushed to Edie like a maniac. Despite that there were still guests around

she slapped Edie hard on the face.'

'Since Edie was still in grief

she didn't see Madam Greg at all. She couldn't even feel the pain after

being

slapped.'

'Because she was already numb.'

'Ivan saw everything

with a serious face

he rushed forward and pushed Madam Greg hard

"What are you doing?"

#### 507 YOU ARE MINE (ENGLISH) - SHE IS PREGNANT

'Seeing her like this. Ivan was a little sad. He didn't stop it from her

anymore. He

just told her to be careful and left.'  
'All of a sudden  
there was only her and grandpa left in the room.'  
'She slowly walked to Grandpa  
kneeled beside him as usual  
and then gently leaned her head on his knee.'  
'She could smell the fragrance in the teapot  
which was grandpa's favorite tea.'  
"Grandpa... I miss you so much. You said that when I get married  
you will come to see me  
I haven't gotten married yet? You always abide by your promises. Why  
not... this  
time?"

'Eddie sobbed out the words.'  
'She closed her eyes painfully  
letting the tears fall wantonly.'  
'She grasped grandpa's hand tightly. His palm had no temperature  
and it was ice-cold.'  
'She didn't know what to say  
and her throat hurt like hell.'  
'No matter what she did this time  
grandpa would never wake up.'  
508 YOU ARE MINE (ENGLISH) - I WANT TO TELL HIM MYSELF  
'Ivan sent Edie to the nearest hospital immediately. Seeing lots of blood  
oozing out  
of Edie's body  
all nurses were shocked. They quickly got her into the emergency ward

leaving Ivan waiting at the door anxiously.'  
'Ivan was praying to all gods  
from the Buddha from the eastern to Jesus from the western  
to bless Edie.'  
'Edie might be pregnant. She's perceived the CEO's baby. If he failed to  
protect  
them  
he should be condemned to death. He knew that his boss wouldn't let  
him go

easily.'  
'Please  
please save them. He prayed silently.'  
'After about ten minutes or a son  
the doctor got out  
with a pair of gloves covered with blood.'  
"Doctor

how's her condition?" He asked immediately when he saw the Doctor  
approaching  
him.'  
"What kind of father are you? Your wife's pregnant for just four weeks.  
She and  
the baby are so weak at this point. She might lose the baby at any  
moment at this  
point. "'

"Lose the baby...."

509 YOU ARE MINE (ENGLISH) - I WOULD PROTECT THE BABY

'After getting all the information about the baby from the doctor  
Eddie bought some medicine and several manuals for pregnant women  
getting ready to leave the hospital. But  
she didn't see Ivan standing aside.'

'She walked out of the door. At the entrance of the stairs  
she heard his voice.'

"Okay. I wouldn't tell her." Ivan answered to someone who called him.  
Eddie was a  
bit confused about who Ivan had talked to.'

'She heard several words.'

"Ivan  
are you there?" She asked  
heading towards him.'

'As she was about to push the door out  
Ivan opened the door before her. Eddie was shocked a little bit.'

"Ivan  
what are you doing here?" She asked him quickly.'

"It's Hawk. I am handling it. Don't want to bother you." Ivan smiled and  
answered.'

'Hearing "Hawk

" Edie immediately forgot what she wanted to say just now.'

""What happened now? Is there something wrong?""

510 YOU ARE MINE (ENGLISH) - I CURSED YOU

'Scarlet sounded really easy. But Edie could hear the sadness from her voice. She

wanted to comfort her this time

but they were far from each other.'

'She knew Scarlet. She might already have fallen in love with Jason. She knew that

her best friend doesn't want any sympathy from other people as she appeared tough

yet vulnerable inside.'

'Thinking about Scarlet's situation

she wants to say some soothing words and encourage her to fight for her love

but she couldn't intervene with her relationship.'

""Scarlet

are you sure? Love is different from other things. If you missed it

you might lose it forever." She manages to say a few words for her best friend

hoping she will change her decision.'

""I am sure. So I travel far away from him. Jason didn't know where I was. I didn't

call you before because I thought you might tell him. Edie

keep the secret.""

'No wonder Stuart told her Jason was busy when she wanted to invite him to the

wedding.'

511 YOU ARE MINE (ENGLISH) - I TRUST MY HUSBAND

'She was so familiar with Stuart. He cared about her so much. She was the first

priority for him.'

'If Stuart really woke up

he would call her immediately.'

'But he didn't.'

'Perhaps  
Stuart didn't wake up  
or something bad happened.'  
'Whatever the reason was  
Edie hated it. She wanted to know what happened to her husband. She  
misses  
Stuart so much.'  
'But Edie didn't tell Ivan. She just nods.'  
'The doctor said her baby was in great danger. She had to control her  
emotion. She  
should ensure her baby's safety. The baby inside her belly is a great gift  
for her and  
Stuart. She is looking forward to seeing her husband's reaction when she  
tells him  
that they will soon be having a baby.'  
'She couldn't leave until her grandpa was buried. She could set  
everything aside  
now. All she had to do was to protect the baby  
the baby of her and Stuart.'  
'Ivan lied to her. He thought she might see through her

but she didn't.'

512 YOU ARE MINE (ENGLISH) - NO MORE NAIVE BEHAVIOR

'On the first day  
she decided to return to her old flat and she saw it was dirty. She didn't  
have it  
cleaned  
but before she could clean the flat  
she was sent to the hospital.'  
'Now that she got better  
she decided to move to their old house where she and Stuart lived.'  
'Everything remained the same. Even the servants also called her "Mrs.  
Yates." She  
liked this as if Stuart still stayed with her.'  
'She had lots of time now. Sometimes she read the book  
and sometimes she studied cooking

trying to make some yummy food for the baby.'

""Mrs. Yates

the CEO's in Italy now. He would return to France after half of a month

""

""Are you sure he's safe?" She asked Ivan.'

""Yes. I am sure.""

'When Ivan reported Stuart's condition to her

she asked Ivan the same questions.'

'Looking at Ivan's eyes

Eddie believed this answer was not a lie.'

513 YOU ARE MINE (ENGLISH) - WAS SHE DREAMING?

'Donald looked more handsome

cleaner

and younger today.'

'Eddie felt quite safe beside her.'

'He never talked so much before. Eddie listened to him and ate the fruits

he gave her.

She just spends a little time with him to soothe his emotion. Eddie still has

big

respect for him despite their bad ending.'

'But actually

she didn't hear what Donald said.'

'Her heart's flown to England. Her mind was filled with Stuart images at

this

moment. She was worried about his condition.'

'Donald finally stopped. Eddie rubbed her flat stomach and smiled

"I should use the washing room. See you later.""

""I could go with you

" He stood up. Eddie rolled her eyes

"I am just pregnant

not mentally injured. You can stay here. Don't worry. I can take care of myself

""

'Hearing Eddie's sweet joking

Donald also laughed

'  
'In his eyes  
she was always a little girl—the woman who loved her for five years  
yet he ignored her.'

#### 514 YOU ARE MINE (ENGLISH) - DID YOU FORGET ABOUT ME?

'When Donald heard his words  
his face changed all of a sudden  
and said in a cold voice  
"What did you say?"'  
'Stuart didn't answer  
just pulled off his arm  
and then walked to Edie. His voice was still as elegant and beautiful as  
before  
but this time  
it seemed especially unfamiliar.'  
"You are Edie? Sorry  
although I hear your name very often  
I can't remember it. You are my lawful wife

aren't you?"'  
'Hearing this  
the fire of hope burnt in Edie's heart  
she nodded  
"What happened to you? Did you forget about me? I'm your legal wife!"'  
"Well  
I'm formally notifying you right now. I'll see you at the County  
Courthouse at three  
this afternoon and go through the divorce procedures."  
'His voice was cold and sonorous  
which was his unique tone.'  
'She felt like her world was falling apart.'  
'Divorce procedures?'  
'Can someone tell her that this is all fake  
she's dreaming?'

'Edie staggered back and looked at the cold Stuart in front of her

and he was so distant.'

515 YOU ARE MINE (ENGLISH) - EVERYTHING WAS FAMILIAR

"I'm worried that if things don't turn around

my baby will be in danger... What if Hicks take action knowing that I  
have Stuart's

baby? I can't afford to gamble."

'Edie took a deep breath and felt that the task was arduous. She not only  
wanted to

take back Stuart but also protect the child in her stomach.'

'A woman is weak

but a mother is strong.'

'She was not just thinking about herself now

most importantly

the baby in her stomach.'

'She had hoped... the road ahead was not so rough.'

'Ivan didn't expect that Edie would think things through so thoroughly.

He nodded

and said

"Okay

I see. But you must be careful yourself."

"I'll talk to Donald for a bit

and then you can drive me back."

"Okay

I'll wait for you outside."

'Edie turned to Donald and said

"I'm going back. I'm pregnant. Would you please keep it a secret for  
me?"

'Donald

who saw everything

had a very complicated expression on his face.'

'He thought that Edie lived a happy life

but unexpectedly

she wasn't at all.'

516 YOU ARE MINE (ENGLISH) - ARE YOU PREGNANT?

'Hicks just had a look around the dining room. Like a woman of the  
house

she commented on things she didn't like. She could replace everything she didn't like. She was enjoying it but then she heard a disgusting voice.'

'She came out and looked at Edie's angry little face. She turned her eyes and suddenly said

"What's the matter? How desperate are you? Looking at children's photos every day... Are you pregnant?"

'Hicks didn't know that when she was saying this

a man upstairs listened quietly and his eyes darkened.'

'When Edie heard this she said calmly

"it's none of your business!"

'Even though her relationship with Hicks was okay in the past when she saw Hicks and Stuart together at the airport their previous relationship had been completely broken.'

"You..."

'Hicks was used to pretending to be weak. She was angry but didn't know how to rebut.'

517 YOU ARE MINE (ENGLISH) - HE FELT GUILTY

"You wouldn't be in hours

" Stuart said indifferently. He crosses his slender legs and surrounds his chest with hands. He looked so mysterious and cold.'

'Edie couldn't see any emotion on that handsome face.'

'She struggled to control her despair

"I don't agree. I didn't make any mistakes. We still love each other. Why should we divorce? I am still one of your families. I wouldn't just leave. I decided to fight for this marriage even you give up on me

"

"My lawyer would handle all these for me." He said again in a cold tone.'

"Whatever. But before this

I am still your wife

" Edie stared at Stuart.'

'The air around them seemed frozen instantly.

,

'At the moment

Hicks opened the door.'

'Seeing Edie on the bed

she was shocked

"what the hell are you doing?"

518 YOU ARE MINE (ENGLISH) - SUPPRESS HER SADNESS

"Okay

but don't annoy Hicks and me."

'Stuart said

and left.'

'Edie could smell the light flavor on him. It felt like snow water

,

'That was the smell of Stuart. She still remembers his fragrance.'

'When Stuart opened the door

he saw Hicks standing there.'

'His face remained the same

"what's up?"

'Hicks got a little embarrassed

"The waitress is too dumb here. He poured red wine on my dress. See."

She

pointed out a huge stain in her dress.'

'The wine stain on her white shirt looked really hilarious. She felt mad

but she didn't want to lose her temper and upset Stuart.'

'Stuart immediately took off his coat and covered it

"Let's go."

'Hicks was freezing for a second. Then she realized what Stuart did for

her. She

was surrounded by happiness

and in a sweet voice she said

,

"Darling

I love you."

'Stuart didn't say anything in reply

but Hicks was already satisfied. Stuart felt annoyed by the way this woman

expressed her emotion to him.'

519 YOU ARE MINE (ENGLISH) - I DON'T FEEL ANYTHING

'Stuart was amused when he heard what she said. The woman obviously was

stubborn and didn't want to give up.'

"Nonsense

" Stuart said.'

'Then

he turned around

leaving. Edie immediately followed him.'

"Where is Hicks? Why didn't you stay with her? Have you thought of anything?

Did you recall a piece of memory from your past?"

"Do you still care about me? I bet."

"You are angry just now. You must be worrying about me. Please tell me.

Are you

worrying about me?"

"Don't rush. Wait. Please

Stuart

can you answer me?"

'Edie saw a trace of hope again. She felt her world was lightened up

again. She still

wants to win back his love for their baby. She was madly in love with her husband

that she can't dare to let go of him.'

'As she tried the best to catch up with Stuart

the man stopped suddenly. She stuck her face on his back. So painful.'

'She covered her nose. She could feel the blood was already rolling inside. She

almost cries

but she suppresses her pain.'

520 YOU ARE MINE (ENGLISH) - I WAS DRUGGED

'The doctor sounded shocked on the other side and couldn't believe

what Edie had

asked her.'

""Doctor

" Edie kept asking.'

""Yes

but you should be careful. You can try some specific gestures. I would

send you

photos. Make sure to be gentle when you are going to have sex with

your husband

""

""Are you sure you wanna look at it? I mean

it's too dirty

" the doctor said.'

'It took a few seconds for Edie to answer

"Yeah. Okay

thank you very much just send it

""

'Soon

the doctor sent her some photos.'

'Dirty

indeed. She felt embarrassed watching several photos sent by her

doctor.'

'Then

she put the mobile phone in the pocket and walked to the reception

desk

"Do....do you...do you have aphrodisiac incense?" She stutters as she

blurted out

this stupid idea.'

""Sorry

madam. We don't sell that kind of thing." the receptionist looked

frightened while

looking at the beautiful woman standing next to her.'

"..."

'Edie didn't realize the meaning of her words until this moment.'
