

YOU ARE MINE (ENGLISH) - Chapter 561 DON'T REPORT BLINDLY

'Eddie must be painful at this moment. Scarlet knew all she could do was standing on her side.'

'Eddie didn't know how long she'd been crying.'

'Her eyes got swallowed.'

'She dried her eyes and said to Aaron

"I need to see Donald. I couldn't let him do this. We must have other solutions. I

don't need him to do this."

"But..."

"Please. If something bad happened to him

I would regret life." Eddie said anxiously.'

'Looking at her eyes

Aaron failed to say no. "I can help you. But I couldn't assure you to stop him. You

need to eat some food

and then I'll take you to his house

""

'Eddie checked the Time. It was at 5 o'clock. They had two hours.'

'The dinner was ready. Eddie had no time to talk to Scarlet.'

"Okay

we need to go now."

"Eat the soup now. Or you'll get hungry soon."

"But..."

'Eddie wanted to go immediately. Scarlet interrupted her

"don't rush. You always want me not to rush. It is quite early. Trust

Aaron

okay?"

562 YOU ARE MINE (ENGLISH) - HE IS A BASTARD

'Those reporters took quite a while to calm themselves down. They changed their

questions.'

"Mr. Lynch

do you remember Mrs. Yates now?"

"Yes. But I couldn't remember what happened between us. We are just friends now. When I see those posts on twitter talking about her affair I was angry. They were denigrating my friends. Out of my obligation for my friends I would also investigate the legal responsibility of those bloggers." "Donald made a light smile. After saying everything out he felt much better.' 'He's been hiding these stories for quite a long time.' "Mr. Lynch do you do this for Mrs. Yates?" "Do you still love Mrs. Yates?" "We are just friends." Donald smiled.'

"Time to end the news conference today. My cooperation would publish our attorney statement to sue Miss Bella and The Bella's group for what they've done to Hawk Real Estate." "Donald stood up and bowed to those reporters again.' 'When she wanted to leave a girl wearing a mask rushed out.'

563 YOU ARE MINE (ENGLISH) - 563 CHAPTER 563: HE STILL CAN'T FORGET YOU

'It was 11 o'clock in the evening.'

'The hospital was full of reporters.'

'Aaron managed to take Edie to Donald's ward.'

'Karen was not there. There was nobody in the ward.'

'Looking at the man lying on the bed Edie couldn't help crying out.'

'His attractive face was as pale and fragile as a piece of paper.'

'Suddenly Edie heard a cold voice

"don't touch him. He is my husband. You don't have the right over him

"

'A furious voice rang. Joanna stood at the door with a thermal container. She's bought Donald's favorite soup. It took her quite a while to find the soup.'

'Eddie held her hands back and turned towards Joanna

"Is it what you want? Is it your revenge on me? Why do you hurt him? Why do you still want to hurt him after getting married to him? Why? Why did you hurt him so much Joanna?"

'Joanna sneered

"Because of you you bitch. He still can't forget you!"

'She walked to the bed. Aaron frowned. He dragged Eddie away immediately. He worried that Joanna would hurt Eddie again.'

564 YOU ARE MINE (ENGLISH) - 564 CHAPTER 564: HE SHOULD BE PUNISHED

'Inside the ward

Joanna stared at Donald's face gently

"I really missed those days when you lost your memory. You only loved me. It was the happiest day for me. If I know it was short and I swore I wouldn't quarrel with you. I would enjoy life with you. Donald I would never divorce you. You would never be able to dump me."

"I am your wife forever..."

'She hugged Donald tightly and closed her eyes painfully. Tears kept falling down

'At 6 o'clock in the morning

Karen's already dealt with those reports. He was exhausted. But he still came to the hospital. When opening the door

he saw Joanna staying with Donald. He sighed. He understood Joanna.
She loved
Donald so deeply

'
"Joanna
you can go now. I can take care of him. The president wants to see you."
'He pushed Joanna. But she didn't wake up.'
'Then

he saw an empty bottle of the sleeping pill.'

'Karen was shocked

"Doctor. Doctor!"

'***'

'Donald slept for 24 hours.'

'He struggled to open his eyes. He felt extreme pain.'

565 YOU ARE MINE (ENGLISH) - 565 CHAPTER 565: FEEL WITH
YOUR HEART

"Bastard

" Paul hit his face with his fist. Donald was so weak at the moment. He
stumbled.

But he still struggled to stand up.'

"Please give me a chance."

"I allowed you to marry her before. I gave her to you. But what have you
done?

We never get her wronged at home. What about you? What did you do
you

our daughter? Donald

do you even still remember what you promised in front of me? You
promised me to

take care of her

to make her happy. It was not been a long time since you've got married.

Have you

forgotten every word you've said?"

'When they got married.....'

'When he decided to marry Joanna

he held Joanna's hands and said word by word

"Dad

I love your daughter. I want to spend a whole life taking care of her and loving her.

I want to make her happy for life. Please give me this chance."

'He almost forgot.'

'He made such a promise.'

'He still remembered before Paul said yes

Joanna answered immediately

"you don't need to ask him

darling. I'd love to."

566 YOU ARE MINE (ENGLISH) - 566 CHAPTER 566: SAVE YOUR BULLSHIT

'Eddie really got mad this time. Aaron didn't insist. He loosened his hands looking at her eyes filled with anger.'

'He made a tricky smile and used a childish voice

"Just a hug. It wouldn't hurt you. Why do you get so angry?"

"I don't want to explain. Cook by yourself."

'Eddie put the plate on the table and left the kitchen angrily.'

'Aaron was still smiling. But at the moment he looked quite lonely and lost

'

'Why did you insist after Stuart hurt you deeply? Why did you struggle so much

when I just gave you a hug?'

'Was it true...'

'That I was bound to lose to him?'

'When Eddie walked into the living room

she saw two little boys seriously sitting on the sofa

especially fatty Cecil. He covered his eyes with his hands and kept saying

"I didn't see anything. Something must be wrong with my eyes."

'Eddie was amused. She didn't know how to explain it to them. So she decided not to

explain anything. "When do you arrive? Who took you here?"

"I take him

"Arther answered.'

YOU ARE MINE (ENGLISH) - 567 CHAPTER 567: SHOWING OFF A STATUS

'It was a young actress. She was bad at talking. Hicks hated every word she said.'

'But other women knew. A woman patted on her head

"don't be silly. Mr. Lynch did acknowledge that they did date each other.

They must

have sex before. Certainly

they might get back together. He might be lying to protect her. Don't trust him.

That bitch couldn't live without a man. She seduces everyone that showed a little

concern towards her

'''

'''Stop. I don't want to discuss this anymore. I invite you to be here for relaxation.

We don't need to talk about these boring stuff. Help yourself. I am gonna prepare

some snacks.'''

'After hearing what that woman said

Hicks get happy again. The smile reappeared on her face. But she still pretended

that she didn't like talking about these gossips. So she turned away quickly. She

thought that she had her revenge against Edie.'

'Other women took relief. They looked towards the young actress together.'

'Her name was Rihanna Black.'

568 YOU ARE MINE (ENGLISH) - YOU WILL REGRET THIS

'Certainly

Hicks knew what these women were thinking about.'

'Her face changed. And she wanted to slap this little boy.'

'''Stop right now. Otherwise

you would regret it. Mr. Sampson come here!'''

'Hicks never expected a little boy dared to do this to her. She thought it was really shameful.'

'Mr. Sampson walked out from the corner. He planned to escape away.

But Hicks

called her. He had to show up.'

""Miss Day.""

""Stop them right now.""

""Miss Day

they are Arther's man. I have no right to stop them. So sorry

" Mr. Sampson shook his head as if he really couldn't do anything.'

'Actually

he could do something

but he didn't want to help Hicks. She's been swaggering for a long time.

He wanted

to teach her a lesson.'

'He didn't like Hicks. Unlike kind and generous Edie

Hicks was sinister

vain

and rude. She was not qualified to be Stuart's wife.'

569 YOU ARE MINE (ENGLISH) - DO WHATEVER YOU WANT

'Though Cecil was young

he had power.'

'Seeing this

Arther couldn't help himself frowning.'

'He knew Cecil's family. His father only loved his mother. His mother was

the only

one for his father.'

'Even his mother passed away

no one could replace her

including Cecil.'

'Cecil was not happy in his childhood. After his mother passed away

his father didn't care about Cecil anymore.'

'He was brought up by Better. Then the babysitter took care of him.

During several

months of staying with Edie

he was the happiest. To some extent
Edie played the role of his mother.'
'Therefore
Arther understood the significance of Edie for Cecil.'
'He came to A city for Edie.'
"All right. Do whatever you want."
'Arther didn't try to persuade him.'
'At this moment
Hicks finally panicked.'

'She thought Cecil was no more than a little boy. He wouldn't really dare
to punish
her. But unexpectedly
the little boy in front of her was a little demon. Another boy older than
him was a
bigger demon.'
570 YOU ARE MINE (ENGLISH) - I WOULD HATE YOU
'Edie's heart started trembling. She didn't believe what he was doing.
Her voice
was trembling
"You want to kill me?"
"Don't challenge my patience
over and over again."
'He said in a cold voice.'
'Edie sneered. She stared at him
"what if I challenged? What would you do? Do you want to kill me?"
'She caught Stuart's hands and applied force to her neck.'

"Edie
I am not in the mood playing the game with you. I've brought the
divorce
agreement. Sign it. Then we can proceed with the divorce."
"I don't agree
"she said word by word.'
"You should agree."
'Stuart's voice sounded scary. The man behind him wanted to take
Scarlet away.'
"What are you doing?" Edie roared at him angrily

like a crazy beast. She rushed towards Scarlet
but someone stopped her.'

"If you don't sign on the agreement
everyone besides you would pay for your mistake. This is the result of
your
naughtiness."

'He didn't mix any emotion in his voice. It sounded like ice in a cold
winter. It kept
hurting her heart.'

571 YOU ARE MINE (ENGLISH) - YOU DIDN'T OWE ME ANYTHING

'When hearing these words
Stuart felt his heart was trembling hard. He held fist tightly. The nail
inserted in his
skin. Apparently
it took him lots of effort to control himself.'

'He tried the best to hide the pain deep in his heart and said in a flat
voice

"finished?"

'He spared no effort to say these words out. It was so difficult for him as
if the
word almost tears his heart apart.'

"I am finished..."

'Eddie said in a low voice and loosened hands. But she caught Stuart's arm
tightly
next moment and bit his arms hard.'

'She bites so hard that the arms started bleeding.'

'The man never cried out. However
he felt painful.'

'Eddie wanted to take vengeance on her. Stuart didn't cry. But she already
burst into
tears.'

'Though her eyes were full of tears
she didn't want to let him go.'

'Stuart lowered eyes to look at her. She looked desperate. He couldn't
help himself
covering her head with his big hands.'

572 YOU ARE MINE (ENGLISH) - SHE LOST EVERYTHING

'Edie froze for a while and then smiled

"tell me. I can handle it."

'Danny sighed

"because of your latest news

Star Entertainment's manager layer.. is planning to prohibit you. I am sorry to tell

you this. I've tried the best. But I couldn't change their decision. The company's

stock price was also influenced..."

'Edie planned to put her hands on the bed. But when hearing Danny's words

she held the fist tightly.'

'Within one day

she lost her husband. She lost her marriage. She lost her career.'

'She lost everything.'

'Edie didn't say anything. Danny was a little worried about her

"Edie

are you okay. It's normal. Don't be too sad. After several years they would forget that news. You can restart."

'Restart? It must be so difficult. As an actress

she had only several years to reach something. Now she had so many scandals.

After giving birth to her baby

she would no longer be able to get any chance.'

'Edie tried to hold her tears back

but she failed. The tears kept falling down.'

573 YOU ARE MINE (ENGLISH) - HELP ME KEEP THE SECRET

'Edie rushed into the kitchen. It was quite clean there. It was a little different from

what she imagined.'

'She only saw two men there

and one is the apprentice

the other is the cook.'

'The cook was a 170 cm fat man—a little short. Edie looked at his back.

She

thought he must be a kind man.'

"You cooked all those dishes?" Edie asked him. Her voice was trembling.

She

wanted to cry out. Because....she didn't see that man.'

'The cook turned around and smiled

"yes

miss. Do you like it?"

"Yes

they are all delicious. It's been a long time since I ate such delicious food

last

time."

'Edie couldn't help herself crying. Tears fell down from her face.'

'Why?'

'Why wasn't he?'

'The more she expected

the more she was disappointed.'

"If you like it

I can make you one more dish. What about braised beef?"

"Great. I like that. Thank you so much."

'She bowed towards the cook to express her appreciation and turned around.'

'Seeing her walking out

Aaron felt sad. She looked really sad and lost.'

574 YOU ARE MINE (ENGLISH) - DON'T TRUST THOSE RUMORS

'After getting back from that restaurant

Edie didn't get out often. Food for breakfast

lunch

and dinner was brought from that restaurant. Their taste is so good

like food cooked by Stuart. She even started to wonder whether there were any

addictions in that food. Otherwise

why did she never get tired of that food?'

'But whatever it was

Edie started eating. Everyone was relieved.'

'But she still didn't like to go out. Even Scarlet wanted to go out with her. Aaron didn't know how to handle this either. But he worried that she might be depressed if she stayed inside for a long time. So he asked for help from Brittany. He asked her to take Edie to show her around.'

'Brittany made a good plan. She told Edie many theories of experts in the field of pregnancy. They all said pregnant women should do exercise to make the baby grow better.'

575 YOU ARE MINE (ENGLISH) - SHE BECAME STRONGER

""Stop thinking about those annoying things. We come here to entertain ourselves don't we?""

'Edie smiled on the face. But deep in her heart

she felt bitterness

,

'He was getting married next month. So soon.'

'She heard Hanna's voice

"Hicks

don't be so kind. I couldn't believe you trust these words. That woman is totally a

bitch. Trust me. I even heard her affair with Stuart's secretary. I tell you.

She is a

bastard. She was not adopted. She is Mr. Greg's mistress's daughter. Her mother

was a bitch. She should pray that her baby was not a girl. Otherwise she might also be a little bitch!""

'Little bitch...'

'These two terms

like needles

inserted deeply into her ears. Her body froze. She couldn't move a little bit at the

moment.'

'The woman could say anything about her. She can handle it.'
'But she couldn't stand others' cursing her mother and her baby. She
couldn't. They
had no right to do this.'

""Really? She looked innocent. Hard to believe.""

576 YOU ARE MINE (ENGLISH) - SHAMELESS WOMAN

""Then

I am sorry. I don't want to make you any trouble. But I would if I need

" Edie didn't pretend to be polite in front of Hicks.'

""You mean you want to slap both of us?""

""Miss Day

don't forget me. I feel sorry for my brother. He really decides to get
married to you.

It was really his bad luck. I would hit you today
whatever he thought. I am his sister. He would forgive me sooner or
later. Unlike

you. He can change his wife whenever he wants.""

'Brittany said and smiled. She didn't want to care about his brother's
feelings

anymore. She was so angry.'

'Hicks frowned

"Stop."

'Edie threw an eye on Brittany

"Don't. I want to do it myself. Don't let her move. I would handle the
rest.""

""Okay. Be careful. If that bitch dares to do anything to you
Aaron might kill them all. She would go to hell directly." Brittany said in
ease.'

'But in Hanna's ears

these sounded like a curse from hell.'

577 YOU ARE MINE (ENGLISH) - STOP DREAMING

""I also wanted to know. As a woman stealing others' husbands and
breaking others'

families when you say these words

how do you feel? Do you feel shame? Or you are born to be a shameless asshole."

'She smiled and fought back. Her eyes bent to be a curve. Deep in her eyes were a whole world.'

'Seeing her smile

Hicks frowned angrily. Her nails inserted deeply into her skin.'

"I know Stuart ahead of you. How could you say this?"

"If he didn't lose memory

you know who he would choose. You don't have to say these words.

Anyway

you've got the man. Those scandals were everywhere now. You now have been the

winner. Why do you still want to make me trouble?"

'Winner?'

'This word amused Hicks.'

578 YOU ARE MINE (ENGLISH) - I AM MUCH MORE POWERFUL THAN YOU

"Indeed

such a brave boy. Worst temper. Otherwise

you wouldn't **** Marina for seven days and nights and then threw her into the

ocean without hesitation. Do you have an obsession with Stuart's women? Marina

that year and Edie now....apparently

you became much heart-tendered. I think it is so unfair. I want to give you a hand.

What do you say?"

"Who the hell are you? If you dare to touch her

I swear I would kill you.'

'Aaron threatened. Every time the man mentioned Edie

he would explode

like a firecracker.'

'Aaron felt the man was approaching. He slapped his face hard and then pinched

his jaw.'

"Aaron

you couldn't even guarantee your safety. Think about it
" the man said in a brutal cold voice. And then he stood up and ordered
"beat him hard to bleed. Otherwise
he wouldn't tell you anything."

'Then more than ten men rushed to him—apparently
the man's prepared for this for a long time.'

579 YOU ARE MINE (ENGLISH) - I WILL PROTECT HIM

'At the same time
in the villa

Eddie tried all means to contact Aaron's men. But she didn't get any
useful
information.'

'She kept walking in the living room
anxiously. Finally

a name came into her mind.'

'Stuart.'

'As the name rushed into her mind
Eddie couldn't help herself biting her lips.'

'He was the last one she wanted to ask for help
,

'It was just a short time since they divorced. If she asked for his help
he might think she was still entangling him.'

'But she couldn't think of any other solutions. Except for Stuart
no one could help her find Aaron
,

'Finally

Eddie made the decision. She drove to the headquarters of L.N. and
rushed into the
top floor.'

'Every staff at L.N. knew her. They also heard about her scandals. But she
was

their president's ex-wife
they didn't dare to stop her.'

'When she arrived

the meeting room was closed. They were having a meeting. But she couldn't wait for even one more second. So she rushed into the room.'

580 YOU ARE MINE (ENGLISH) - I WOULDN'T LEAVE HER ALONE

'At this time Ivan walked to them with more than ten armed men.'

""Mr. CEO I've checked. They've run towards the east. It was a forest. We heard barking.""

'Stuart reminded the map William sent to him. There was a dog training field. They were specialized in training the dog for those guards and police officers.'

'There was barking in the forest. Did they unlock those untrained dogs?'

'He was worried.'

""Let's go.""

'Stuart held Edie's hand tightly and rushed to the forest'

""Separate. You protect...Miss Lara.""

'Stuart's voice was so cold.'

'When hearing the last two words Edie felt her heart was burning. She took her hand back.'

'As Edie got her hand back Stuart felt his palm was so cold. He didn't realize until this moment.'

'Stuart noticed Edie's move. But he didn't turn around. He couldn't even take a look at her.'
