

YOU ARE MINE (ENGLISH) - Chapter 621 YOU ARE SO KIND

"Okay. I can tell you the truth. I can tell you what really happened. When Hicks was kidnapped to England he started suspecting. Therefore Stuart pretended that he lost part of his memory. Unexpectedly the news was leaked out immediately. So we thought there must be a mole around us. After Hicks showed up in front of us Stuart decided to turn their trick to his own use to find the mole behind. Therefore we cooperated with each other to look for traces. Finally we found that a mole was also the cause of the death of Stuart's father. So we continued to get deep."  
"Apparently we've been exposed. The divorce agreement was also leaked out. So we inferred that the mole stayed around you. Except for Aaron

only these two kids were around you. So we investigated them. As for what we found you already have seen it."

622 YOU ARE MINE (ENGLISH) - I WILL STAY WITH HIM FOREVER

'After the lunch Edie dragged Cecil into the yard to enjoy the sunlight. Though it was in winter most flowers in the garden were full of vitality.'  
'As she was walking in the yard Julia showed up again. Cecil got alarming immediately. He stood in front of Edie immediately  
"Edie don't worry. I would protect you. What do you want bitch?"  
'Julia squinted and waved hands. The maids took Cecil away directly.'

""Where do you want to take her?""

""Take it easy. I wouldn't hurt him. I just need to talk to you alone

" Julia crossed her arms over her breast and said arrogantly.'

'At this moment

Kenley showed up. He stood in front of Edie without saying a word.

Apparently

it was William's order. He was supposed to protect Edie.'

""Get the hell out of here. It is between her and me. I don't want anyone here.""

""Mr. William's already asked me to protect her. I couldn't go against his order

" Kenley said in a flat indifferent voice

like a mental robot.'

623 YOU ARE MINE (ENGLISH) - STOP THEM

'The night screen had hung out. The house was tranquil. Sometimes

security guards

would come to check.'

'Edie just finished taking a shower for Cecil. After getting him into sleep she started preparing to take a shower. But when she walked into the bathroom

she heard a strange sound out of the window. It sounded really scary like someone passing through.'

'Edie was shocked. She turned around. Unexpectedly the window was opened.'

'Her face was stinging from the icy wind from the outsides. She couldn't help

herself stepping backward.'

'Was it.... the wind?'

'She frowned slightly and walked to the windows. She looked out of the window. It

was on the fifth floor. There was no protective fence here. She could see the night

sightseeing directly.'

'Downstairs was the lawn. Many people were standing there as if something big

happened there.'

'Edie closed the window. But when she turned around

a gun was pointed at her head. Then her mouth was covered tightly. She couldn't

make any sound.'

624 YOU ARE MINE (ENGLISH) - SHE DOUBTED IT

"Since Miss Lara needed to take rest

we couldn't bother you. Let's leave now."

'As Kenley ordered

all those guards taking guns walked out. All of a sudden

the bathroom became empty.'

'Eddie walked with Kenley. But when they walked to the door

Kenley stopped suddenly.'

'Seeing this

Eddie got more nervous. But she remained calm on the face and then said

in an

indifferent voice

"Mr. Kenley

what happened?"

"Nothing. Please

Miss Lara

" he said casually.'

'But his words sounded really heavy for Eddie.'

'Had he conceive something? Did he ask her to leave so he could fight against

Norman in this house?'

'Eddie was not quite sure. So she had no choice but to leave.'

'Every step was really hard for Eddie. When she walked out of the door she suddenly heard the sound of the dagger cutting something.'

'She turned around in shock. Kenley inserted the dagger through the shower

curtain.'

'All basins on the shelf behind fell down. Those backup towels and body wash

were scattered everywhere.'

625 YOU ARE MINE (ENGLISH) - THE SMILE LOOKED MEANINGFUL

'William looked at Edie. It seemed that he used his eyes to tell her something.'

"Mrs. Yates

are you okay? So sorry

my apology. My sister is always rude. She didn't mean it. The doctor would arrive

soon. He would handle this."

"I am fine. I need to sleep now. You really shouldn't come at this point"

Edie

looked at them with her clear cold eyes. She tried to figure out what they wanted.'

'William touched his nose and directly ignored her words

"Though it was not so severe

Stuart must be so worried about you if he heard about it. After all

he loved you more than anyone else. If anything bad happened to Stuart you might also so worry about him

don't you?"

'William said and showed a cold

gloomy smile. Edie really hated that. She felt disgusting.'

'She couldn't really understand such ambiguous words. She frowned slightly

"What exactly do you want to say?"

626 YOU ARE MINE (ENGLISH) - HE WANTED TO LIVE A HAPPY LIFE

'Aaron hung two hands down on the waist. He held his hands into fists.

Blue veins

popped out. Those joints looked scarier.'

'He was so angry. But he found no reason to release his anger.'

'Aaron squinted. In his eyes were coldness. He stared at Stuart viciously.'

"Because she likes you. So I couldn't win her heart. I am willing to give up to

satisfy you. But I don't agree with you throwing her in danger. Instead

I want you to take good care of her

to love her. But what have you done?"

'Aaron pressed his anger and roared in a low voice in the meeting room.'

'The sound kept lingering in the room.'

'Stuart raised his eyebrows. His eyes looked complicated. But that complicated expression disappeared immediately. It was too quick to capture.'

'''She's my wife. I would take care of her. I don't need anyone to teach me.'''

627 YOU ARE MINE (ENGLISH) - APPLY THE MEDICINE FOR ME

'He called Ellison. The phone was answered quickly.'

'''Aaron might take actions these days. Be careful. Don't let him learn any operation

of the group. Keep a close eye on him. Don't let him make any rash act.'''

'''On Aaron?' Ellison was shocked slightly.'

'''I think he might save Edie these days. Stop him. I don't want him to be killed by

William.'''

'''Okay. I would handle it. Don't worry

Mr. CEO.' Ellison has been through a lot in his life. But the situation was so

serious at this period that even he didn't dare to relax.'

'''Mr. CEO

Leon's already started taking actions. What do you want to do?'''

'''William wants to kill them all. He would use his men in the organization.

L.N

group couldn't send anyone to do this. This is the only way to protect L.N I know.'''

'Stuart sounded depressed. Apparently it was not a trivial matter.'

'''Okay

" Ellison said.'

'He did not dare to idle slightly.'

628 YOU ARE MINE (ENGLISH) - HE MIGHT RESTRICT YOU

'After quite a while

Arther broke such embarrassed silence. He said in a calm voice

"Since you've already known about this why do you dare to say this to me?'''

'''What are you talking about? I've always stayed with the law and respected the

man like you  
the men who devote themselves to guarding our country. So you are  
wrong. If you  
keep saying this  
I mind resorting to the law for your mistake."

"Master  
you don't have to talk to him. He is an asshole. Let's leave here now."  
'Cecil said anxiously. He couldn't understand even a word of the  
conversation.'  
'William burst into laughter  
"Cecil was still confused. He might not know what his father did...."  
'Before he finished  
both Edie and Arther called him.'

"Mr. William..."  
'Arther sounded really angry. He was trying to press his emotion.'  
'Edie realized her voice was covered by his voice. She frowned slightly.'  
'Why did he interrupt William so quickly? Did he know what William  
wanted to  
say?'  
629 YOU ARE MINE (ENGLISH) - IT IS ME THAT KEEP SPYING ON  
YOU  
'Edie pressed on her lips and asked confusingly  
"The Leon's that William mentioned just now...is your family  
right? You must know something about that bracelet."  
'She rolled up her sleeves  
showing Arther the bracelet on her arms. Arther's face changed slightly.'  
'So...he really knew something about this bracelet.'

"William told me Cecil's father is Norman's men. Is it true? What role  
are you  
playing in this?"  
"Edie..."  
'Arther opened his mouth. But he hesitated for a while. It seemed hard  
for him to  
tell Edie what he was about to tell her.'  
'After quite a while  
he started talking

"In A  
it is me that kept spying on you. Not Cecil."  
'His answer exploded in Edie's brain  
like a thunder. Edie froze.'  
""So.... so you enter my house because of this?""  
""Yes  
" Arther answered.'

""What William said was true. My uncle is a bad guy.""  
630 YOU ARE MINE (ENGLISH) - WE CAN JUST ENJOY THE SHOW  
""Leave him to Stuart. We can just enjoy the show.""  
'At the same time  
Stuart was walking to Edie's room. But he heard the news. His face  
looked grave.'  
'He asked Ellison clearly to watch Aaron's action to prevent him from  
being killed  
here. Stuart didn't expect that he still came here.'  
'What the hell was Ellison doing?'  
'Was it Ellison's carelessness?'  
'He frowned and returned downstairs.'  
'He stood at the door

seeing everything happening outsides. A group of guards in black  
surrounded  
Aaron and kept hitting him.'  
'So many guards were hitting one man.'  
'Aaron's body was covered with blood. His face looked scarier. It is  
covered with  
all wounds. Deep in his eyes was a crazy coldness. When Stuart showed  
up  
he fixed his eyes on him.'  
'Why...was Stuart here?'  
'He said he didn't care about Edie at all. Was he lying to him? Did he  
come here for  
the same purpose?'  
631 YOU ARE MINE (ENGLISH) - DON'T EVER DON'T DREAM OF IT  
'Edie didn't expect he would say these.'

'Stuart held her and passed through Julia without turning back. He didn't even throw an eye on Julia.'  
"'Where's Arther?" Edie realized Arther. She didn't want to give him up totally.'

"After you go back with me William would certainly let him go."  
'After walking out of the room Edie saw those blood on the floor extending to the iron door clearly.'  
"'What happened? Just now?" Edie asked him in a trembling voice. She had a bad feeling but she didn't know why.'  
"'Nothing.'  
'Stuart answered peacefully. Then he bent down to put Edie into the car. Then he got into the car.'  
'The car was driven away. The building behind them became smaller and smaller in their sight until it finally disappeared.'  
'Stuart held Edie's small hands tightly as if he was so worried that she might disappear one day.'  
"'We would be home in one hour. You can sleep for a while.'"

632 YOU ARE MINE (ENGLISH) - DON'T BELIEVE ANYONE EXCEPT ME

'Listening to Stuart's special prattle Edie couldn't help herself rolling her eyes  
"Okay okay. Yes sir. I won't do anything. All I need to do is to tell you and wait for you coming to me."  
"'Sound jealousy. Are you dissing me now?'"  
'Stuart loosened her body and placed her on the platform. He already covered the

platform with a clean towel. It was the seat for Edie specifically now.'

"No. I never dare to do that." Edie rolled her eyes and smiled.'

'Then she looked towards the pan asides

"What are you cooking?"

"Fried steak. The western style for dinner

" he answered. Then he took fresh fruits and cut them into shapes. Then he poured

yogurt on them. Then the fruit salad was served. It was Edie's favorite snack before

dinner.'

'Edie put a fork up a piece and put it in her mouth. She recalled what she saw this

morning.'

633 YOU ARE MINE (ENGLISH) - WHY DID HE LOSE?

'Edie kept rolling on the bed. She couldn't fall asleep. She couldn't control her

emotions. She was so excited. At this moment

she heard the sound of someone stepping towards the room.'

'She immediately covered herself with the quilt and lay down. Then she closed her

eyes.'

'Soon

the door was opened.'

'Looking at his little wife wrapping herself tightly in the bed

he threw the quilt and bent down

"Take some fresh air."

"Oh. Okay...I know..."

'She opened her eyes and hammed.'

"I should take a shower now. Wait for me."

'Then he turned around and walked into the bathroom. Edie didn't know how to

handle the situation. She was so nervous that she didn't even know where to put her

hand. She looked at her swallowed belly

worrying that she might look so ugly when naked. Would he disdain her?'

'The more she thought about  
the more worried she got. Finally  
she was so hot that she kept sweating.'

'She touched her belly gently. She was so worried that Stuart might not  
like how  
she looked now.'

634 YOU ARE MINE (ENGLISH) - I WOULD GET REVENGE FOR HIM

""I don't know why he was killed  
either. When Ellison found him  
he already died. I promise I would get revenge for him. I would tie the  
murderer up  
and take him to you. You can do whatever you want to him.""

'His voice sounded low and cold. He squeezed those words one by one  
as if it was  
so hard for him to talk.'

'At this moment  
Edie's mind had already in a mass. She was in such a mass that she  
couldn't notice  
something wrong with Stuart.'

'She didn't know why she suddenly recalled what she saw at William's  
castle.'

'She stood upstairs  
seeing a man being shot. The blood poured out

wetting the floor. The dead man was dragged out.'

""How...how did he die?" Edie asked.'

""Shot

" Stuart said in a powerful voice.'

'Gun....why was it a gun?'

'She kept thinking about what she saw at William's castle. It kept hurting  
her heart

like a sharp knife. Her head started aching hard. She couldn't think about  
anything

at the moment. It was too painful.'

635 YOU ARE MINE (ENGLISH) - LONG TIME NO SEE, MY ENEMY

'When Edie met with Aaron for the first time'

'Aaron wore a red plaid shirt

pretending to be gay. He kept calling her in such a soft voice that she almost believed what he said.'  
'When she saw him again

they were in the club. It was her first time to quarrel with Stuart. When she stayed alone in the bedroom she felt someone was looking at him.'  
'In the beginning Aaron tried to play a bad guy in front of her. But after he kidnapped her she realized he was such a poor boy.'  
'He felt so insecure that he had to curl himself up in the corner for a whole night.'  
'She felt so sorry for him.'  
'His mother was always so strict with her even more strict compared with the vice president.'  
'To prevent him from painting she even broke his hands directly.'  
'The only hobby he had was painting. But he was no longer able to lift the pen.'

'Edie's been to his gallery. He was quite good at painting. Everything in his painting looked vivid. He took every painting so seriously.'  
636 YOU ARE MINE (ENGLISH) - DON'T YOU CARE?  
'When Norman said these words his eyes turned malicious and insidious. He squinted. He recalled a scene many years ago.'  
'Norman never lost anyone except one man. If his opponent were this man he would never win. This man was so cautious that even Norman didn't think he was no more than a man.'  
'So Norman tried all ways to find this man. Finally he knew. It was from Stuart.'

'He was the best killer in William's organization.'

'His code name was K.'

""How could I call you

Mr. Yates? Mr. president that steered a course between the black and the white?

Or... mysterious K?'

""Stuart

Stuart Yates

" Stuart said in a cold voice. Then he stood up. Both men were tall and powerful.'

'They stood face to face. The atmosphere in the grave became weird all of a sudden...'

""I thought I could never seize a chance to capture you. Thank you very much for giving me this chance.""

'Norman fixed his eyes on him. His eagle eyes were shining with vicious and cunning light.'

637 YOU ARE MINE (ENGLISH) - I WANT TO MAKE A DEAL WITH YOU

'Arther promised Edie that he would help her get in touch with Norman. But she

didn't expect that it was three months later when she finally could see Norman

again. In these months

Arther called her everyday

telling her how frequently Stuart dealt with William.'

'Arther wanted Edie to talk to him. However

Edie didn't do anything.'

'Because Edie knew she couldn't persuade Stuart. He wouldn't listen to her.'

'It was like playing Chinese chess. Stuart should be careful about every step.

Otherwise

he might fail and lose everything.'

'She knew Stuart was evil. She knew all these were torturing her conscience. But she still remained on his sides.'

'It was this man that solved all her problems when she was in need. Now it was time for her to help him out.'

638 YOU ARE MINE (ENGLISH) - SHOPPING FOR BABY NEEDS

'When Edie walked out she saw Stuart rushing towards her.'

""What....""

'When she wanted to ask him what was up Stuart held her into his arms tightly.'

""Stuart...""

'She called his name. The smell on his body calmed herself down gradually.'

'He held her so tightly that she felt a little uncomfortable. But she didn't want to push him away.'

'He looked so worried about her just because she stayed in the washing room for several minutes more than usual.'

'She could feel his strong body trembling slightly.'

""I am fine. Don't worry.""

""Don't leave me for such a long time again without my permission.""

'Stuart said word by word.'

'He was so anxious while waiting for her outside. But he couldn't rush into the

lady's room. So he asked a lady to help him. But he was told that the lady's room was under repair.'

'All of a sudden he was restless and even agitated.'

639 YOU ARE MINE (ENGLISH) - ARE YOU STILL PLAYING WITH ME?

'But...it was time for him to leave.'

'He had to leave now.'

'Because his transactions with William have been exposed

someone found their accounts of shell companies  
and all that money has been intercepted.'

'He's been waiting for this day for a long time.'

'Norman was the man coming to catch him.'

'Stuart already got the call in advance. He was waiting for Norman at the  
door.'

'It was in June. The rain suddenly poured down.'

'Norman had his soldier taking the umbrella for him. Standing under the  
black

umbrella

Norman looked vicious and sinister

as if he felt so pitiful for Stuart.'

""I didn't expect I would prison you like this. You tricky bastard. I don't  
like

winning in this way. Are you still playing with me?" Norman raised his  
eyebrows.

He's tried his best. Unexpectedly

Stuart was still able to do a number on him.'

'Besides

Stuart was not as desperate as Norman expected. On the contrary  
he's managed to control the progress of everything.'

'He was always the trickiest fox.'

640 YOU ARE MINE (ENGLISH) - STUART'S LETTER

'Every news story was shocking.'

'Ellison...'

'In Edie's memory

she saw him in the conference room. In her eyes

he was a strict astute old man. He was so powerful

like a lion waiting for a chance. Old as was he

he could still control everything.'

""Too shocking

right? I didn't know until I surveyed recently. Ellison was my grandpa's  
best friend.

These are....my grandpa's order. He wanted to protect the Yates and the whole group. When L.N get involved in the gang my uncle was selected to sacrifice for the group. I didn't expect that this time was my turn. It was Stuart that saved me. He took all responsibility to protect the whole group and me."

'Aaron made a bitter smile. He didn't expect that he could say these for Stuart one day.'

"He cooperated with the gang in his own name. They've found evidence. He was imprisoned now. We don't know what would happen in the future...please prepare for the worst."

'Edie understood his meaning.'
