

## YOU ARE MINE (ENGLISH) - Chapter 71 LACK OF MONEY

'The look on Zoe's face was priceless and she definitely got what she deserved. She indicated that she was a conniving and malicious woman who was born to play evil scenes in movies. Edie looked her over intently while she stared speechlessly at her. Zoe had no reply.'

'Instead she walked towards Edie grabbed her arm tightly and said 'Are you free tonight?' In Edie's mind Zoe was like a malicious cold snake and could bite at any time. As she held her arm Edie felt as though she crossed a scary snake. She felt a little uncomfortable.'

'She pulled her arm back and said 'Sorry

I have something to do tonight.' Zoe kept smiling 'We still have lots of time. What about a cup of coffee?' 'Sorry

I felt a little tired. I need to take a rest.'

## YOU ARE MINE (ENGLISH) - 72 GONE

'In the chateau

Jason wanted to play bridge  
but no one played with him. Todd had been out of his mind ever  
since he arrived at  
the resort. He left Fifi behind on his way back to the chateau;  
apparently  
he was not in the right state of mind.'

'Fifi was brought by Todd  
in the eyes of Jason and Stuart  
she still could not compare to a pet of Todd's

and now he was in a bad mood  
she could not even grasp the thought that Todd wasn't happy.'

'As for Stuart  
it soon got dark  
and he stared at his phone as if waiting for something. Jason  
patted Todd on the  
back

'Todd  
don't you like playing bridge? The last time you said you had to  
win  
come on  
brother  
let's do it  
okay?'

'Todd moved his hand away

'No.'

'Come on?'

“No.’

“Snooker?’

“No.’

“Todd

you’re not usually like this. You’re the type a person who doesn’t waste time. Todd

didn’t respond when he heard his friend’s words. He waved and he stared with empty blank eyes. His mind was elsewhere.’

YOU ARE MINE (ENGLISH) - 73 PRIVATE TROOPS

’The drive to the Villa was twenty minutes but it only took Stuart eight minutes to get there. He didn’t even park his car he threw his keys at the doorman and went straight to the tenth floor with Todd.’

’As soon as he stepped out he heard the sound of a doorbell in the corridor. There was a woman ringing the doorbell of room 1003. She turned her head when she heard footsteps coming toward her.’

’Their eyes met and suddenly the look on both of their faces changed. The woman turned around and started to leave and it was Queenie.’

’Todd did not expect to see Queenie here

and he was shocked. When she started to turn around  
he seized Queenie's wrist. 'What are you running away from?'  
She turned her head  
quickly as if she could feel his intense gaze. It was apparent she  
didn't want to see  
him.'

#### YOU ARE MINE (ENGLISH) - 75 HIS ANGER

'Mr. Luis had not been happy for a long time. When he became  
the senior  
executive of The Universe Entertainment  
he had slept with a lot of women. He fooled around a lot on his  
wife but found that  
it just wasn't fun anymore. Although they were beautiful  
it was just sex.'

'This time it was different; he actually liked Edie. It was her  
innocence that made  
him think of the campus queen at school when he was young.  
When you were  
young  
who did not have a dream lover?'

'Edie's beauty made him feel like he was in a dream. Something  
he hadn't thought  
of over twenty years ago. So

when he entered the room and saw her lying on the bed  
he looked at her. Every part of her body from head to foot  
and his hands shook with excitement how he wanted to touch  
her.'

#### YOU ARE MINE (ENGLISH) - 76 SAVING HER

'Mr. Luis was like a piece of rotten meat to Stuart. He was beaten hard. Luis didn't think he was going to survive. Stuart's fists beat on his flesh and his bones were broken. All Ross could do to protect himself is to cover his head like a coward. The one vital part of his body that he was trying to protect was the reason he could not see who was beating him.'

'When he was thrown to the ground Ross shouted: 'How dare you touch me! Do you know who I am?' Stuart grasped his collar and picked him up from the floor. His eyes were filled with murderous coldness: 'Ross Luis how dare you touch my woman! You'd better see who I am!'

'When Ross heard the sound of Stuart's voice he cowered to the floor. He had heard his voice before and thought it sounded familiar but there was no way it could possibly be Stuart Yates. While being beaten he desperately tried to open his eyes.'

YOU ARE MINE (ENGLISH) - 77 DON'T BE AFRAID

'Stuart heard her speak so he immediately sat up. He leaned over and touched her cheeks gently trying to comfort her. 'Don't be afraid Edie

it's me.''

'Edie was so hot

and all she could smell was the familiar smell of his cologne. She started to regain consciousness and was becoming more aware of her surroundings. Suddenly she felt a pair of cold hands on her cheeks and they were gently touching her skin. She slightly started to calm down.'

'Edie couldn't help it

but she touched his masculine hands. It was like an electric shock. He quickly took back his hands and turned his back to her. He breathed in and out two times and didn't dare to look at the beautiful woman on the bed. This was torture!'

'Edie felt his hands move away slowly and her longing desire to be touched had intensified. The effect of the drug was wearing off but the fire in her body seemed to be spreading rapidly. She couldn't help but whisper  
'Stuart...''

YOU ARE MINE (ENGLISH) - 78 SUPPRESSED HER  
DESIRE

'Edie shivered as her boiling body entered the cold water. The coldness pierced right through her heart. Stuart didn't want to leave her alone in the cold water so he decided to sit on the side of the bathtub.'

'After a period of time Edie felt that the freezing water had gradually suppressed her desire within it cleared her mind then she slowly opened her eyes. Her eyes gradually focused on Stuart he had such a handsome face and he was right in front of her. Stuart's gaze looked both anxious and nervous and he asked 'Are you feeling better? Or are you still feeling sick?'

'Edie was startled by what he had just said and then her eyes were brimming with tears. Continuous drops of tears started rolling down her cheeks like rain; they hit the surface of the water and made one ripple after another.'

YOU ARE MINE (ENGLISH) - 79 I WILL PROTECT YOU FROM ALL EVIL

'The receptionist brought up cold medicine shortly after. About an hour later Stuart thought Edie had finished

so he asked

‘Edie? Are you feeling better?’ The bathroom was occupied by silence

then Edie’s dazed voice appeared

‘Ah... yes.’

’Stuart frowned

‘Did you fall asleep in the bathroom?’ Edie felt a little guilty she avoided the question and said

‘I’m coming out now’ Before she finished her sentence

a short and hastened scream came out of the bathroom. ‘Ah——’

’The scream took a beat away from Stuart’s heart

and he rushed into the bathroom without any hesitation. ‘What happened!’ When

entering the bathroom

Stuart’s mind went blank as he witnessed the scene before him.

Edie’s upper body

was out of the water

sitting on the side of the bathtub

her dress almost seemed transparent under the light.’

YOU ARE MINE (ENGLISH) - 80 SHE’S UNCONSCIOUS

’The next morning

when Stuart was ready to ask Edie to eat breakfast

he realized that something was wrong. Edie’s cheeks were flushed

and she was breathing rapidly with a layer of sweat on her forehead. Seeing that

she was unconscious

Stuart touched her forehead. He could tell that her temperature was very high.'

'Stuart frowned and called her

'Edie?' Edie did not respond at all. The face of Stuart became worried

and he immediately picked up the phone and dialed his private doctor

Julian.'

"Hello?"

"Julian

come to the Holiday Villa now.' Stuart glanced at Edie on the bed and his eyes flashed a bit of anxiety

'And Be quick.'

'Julian's family began to serve as the Yates Family's private doctor from his

grandfather. He knew the past medical history of all the family members in the

Yates Family very well. He was also very clear of how solitary Stuart was.'
