

YOU ARE MINE (ENGLISH) - Chapter 731 I'VE BEEN MISSING YOU SO MUCH THIS YEARS

"Let's go back for lunch

" Edie said embarrassingly.'

"But you haven't answered me

" Stuart insisted.'

"Okay. Okay. Stuart

do you know what shame means?"

"I know what "I love you" means."

'Stuart threw an eye on her. His eyes looked quite profound.'

"..."Edie found no word to say. Her face turned as red as a ripe apple holding her breath at her throat.'

'She felt so embarrassed.'

'What happened to the man standing in front of her right now? Why did he get so skilled at flirting? Now he even could get her blush with just several words.'

"I've been missing you so much these years. I was so dumb before so I didn't tell you. Now since you've come back to me

I should say all these words out to tell you how deep I love you.

Otherwise

I would regret it so much. I don't like being mild and roundabout. I love you. I miss

you. I want you. I want to tell you all. You don't have to answer me. All I need is a

look or a movement

and then I would understand it all."

732 YOU ARE MINE (ENGLISH) - MAKE A LIVING

'After finishing the photographing

all Edie needed to do was to look at those photos in front of the computer. Stuart

would handle everything else for her.'

'When others wanted to give him a favor Stuart stopped them

"they are my wife's equipment to make a living. I think I need to do it myself."

'Wow.'

'Make a living!'

'They were the Yates' couple. They didn't need to work to make a living!'

'What the hell was he talking about?'

'When hearing these words

all at present wanted to burst into tears. This might be the best show of their love.'

'Even they didn't realize it

and others could feel how deep their love was.'

"Have you finished?" Stuart asked Edie

"Well

yes. I've been doing this for a whole afternoon. I am starving

" Edie stretched her body and said in a poor voice.'

'When they packed up everything and prepared to return back home

Nina caught up with them and said

"Thank you so much for what you've done today. How about dinner together? On

my treat."

733 YOU ARE MINE (ENGLISH) - MEET AN OLD FRIEND

'When Avan wanted to answer

the phone started ringing. It was Sophie's parents. They called to ask when Sophie

would return back home.'

'Hearing their question

the anxiety and annoyance on Avan's face disappeared immediately. He started

drinking the juice at a relaxing speed.'

'But Sophie got anxious

"Laty's mom

could I stay here for several more minutes. I can also sleep with Laty..."

'Hearing this

Edie fell into a dilemma

"But your mom wants you to go back home early. She was worried that you might

be late for school tomorrow. You can still come here on weekends to play with

Laty

okay?"

'Sophie had no choice but nodded. Then she turned around and ran towards Laty.

Then she said next to Laty's ears

,

"Laty

stay away from that guy."

'That guy?'

'Laty looked towards the direction Sophie pointed. She saw Avan drinking juice

quietly. When seeing Laty's eyes

he immediately showed an innocent cute smile.'

'What has he done to Sophie?'

734 YOU ARE MINE (ENGLISH) - I CAN HELP YOU

'The scandal was deadly for any actress

including Queenie.'

'But Todd stood out and told the public the baby Queenie conceived was his son.

He decided to get married to Queenie.'

'The wedding was wonderful. Stuart also attended their wedding.

Though Edie

couldn't arrive

she watched the whole process on the live show on TV. She was so happy for

Queenie.'

'Since Queenie has already gotten married to Todd

she must know why she faked her death five years ago. So she didn't talk much

about that in front of Nina.'

'As expected

Nina nodded and smiled

"Yes

I've been married. I know you've also been married to Stuart. I feel so happy for you."

'Now Edie didn't see any sorrow or loneliness in Queenie's eyes. Now insides

Queenie's eyes were peace and warmth. Edie thought she must lead a happy life with Todd.'

'This was enough for her.'

'Everyone had his or her own story and experience that he or she didn't want to

share with others. So Edie didn't ask Queenie any more questions.'

735 YOU ARE MINE (ENGLISH) - WHY IS SHE HERE?

'At the moment

inside the study in the flat...'

'Stuart held the mobile phone tightly. His eyes were so cold.'

'Aaron

on the other side

also realized the seriousness. He paused the meeting immediately.'

""Is it Edie? What happened to her?""

""I need to use the satellite positioning of the group. Please help me locate Edie's

position right now

as well as the car. Check the monitor for me. Keep me in touch.""

'Then

Stuart rushed out.'

'Aaron said behind him

"Stuart

it is so dangerous. You could not go alone. I would send some men there right

now.'

""I have no time. I will never forgive me if anything bad happens to her. I could

wait here watching her dying. This is much scarier than death..""

'Then

Stuart rushed out of the door. He drove out of the flat immediately.
After ten
minutes
Aaron called him.'
'He told Stuart the location of the car. Now it has been tracked. He
would check the
driver
and he wanted Stuart to take care of himself.'

736 YOU ARE MINE (ENGLISH) - THE PUNISHMENT SOUNDED BRUTAL

"..." hearing Edie's words
the man's face changed immediately
" Such an arrogant woman. You have no sense to appreciate favors. Why
do you
think I am not me at this moment?"
"You are so sly. An honest soldier would not have such eyes. So worldly.
You
never planned to lie to me at the very beginning. But you don't want to
show me
who you are. It is easy for me to tell."
'He has already told her the answer. Why did he still want to ask her?'
"Quite interesting. But since you can see this
I believe you are smart enough to win the game. Accept the bet. You
would not
lose anything. I am not Julia's man. Besides
I can pose as anyone. If you win
I might be able to leave this place."

"Really
" Edie's eyes started shining immediately.'
"That depends on you. Are you sure you can win the game? If you lose
you would be punished."
"What punishment?" Hearing this
Edie got a little nervous.'
737 YOU ARE MINE (ENGLISH) - JOIN ME
"What do you want to do?" Edie frowned and asked in a cold voice.'

'Julia stepped towards her and pinched her jaw tightly. It seemed that she was in a good mood
"You would know soon. You would be satisfied. I promise."

'At the moment
Eddie heard the disfigured woman's voice
"Mrs. Yates
time for dinner."
"Oh. So you've seen each other. I don't have to introduce you to each other again.
You know who she is
right? You look so calm. I really underestimated you before."
"What do you mean? What are you talking about?"
'Hearing Julia's words
Eddie turned towards the disfigured woman nervously. She saw that woman looked away immediately as if she was so afraid of what Julia was going to say out in the following.'
'Julia froze for a while. Then she realized what happened. She burst into laughter and said
"Oh

so you haven't introduced each other. All right then
I can tell you now. I can tell you who that ugly woman is."
"Who is she?" Eddie asked Julia immediately.'
738 YOU ARE MINE (ENGLISH) - SAY SOMETHING PLEASING
'Looking at her slim back
Eddie felt so sorry for her. Even the coat on her looked heavier than her.'
'If she was Marina
Stuart's ex-girlfriend
how could Stuart pay for her?'
'Tonight

she might not be able to fall asleep.'

'Because of Marina and the bet with that man.'
'So far
all she knew here was Marina and Julia. After talking with that man
Edie knew that man was quite confident in his skills. Though one-day
was too
short for Edie
she still decided to challenge it.'
'The one that he was going to pose tomorrow must surprise her.'
'It would not be a man. She met lots of men.'
'So it must be a woman.'
'Julia and Marina. Which one would he pose?'
'Edie spent the whole night thinking about this. She opened her eyes
before the
dawn came. It was so boring with television and mobile phone. She was
so nervous
and anxious. Killing time here drove her crazy.'
'At seven o'clock

someone knocked on her door.'
'Edie got alerted immediately
"Who is it?"
"Me. Have you gotten up?" Marina asked.'
739 YOU ARE MINE (ENGLISH) - SOUNDS UNCOMFORTABLE
'Julia slapped her face so hard that Edie felt so painful.'
'Then Julia pretended to rub the wounds on her face casually. She felt
more
painful.'
'Edie tried the best to stand the pain. She took a deep breath and said
"What do you hear from me?"
"You are nothing in front of me. You are too low to be Stuart's wife."
"Julia
if you want me to say these words

I would say you are not confident in yourself."
"What the hell are you talking about?"
'Julia frowned. Her eyes turned vicious. Then she slapped directly
towards Edie.'
'Edie was hit on the sofa. She felt so dizzy that she could not stand up

immediately.'

740 YOU ARE MINE (ENGLISH) - YOU WILL LOSE THE WHOLE GAME

'After hearing these words

the man nodded. He approved what Edie said.'

""Indeed

it was me. But you still lost the game.""

'The man said in a determined voice.'

'Edie smiled

"I haven't finished. Don't rush to draw the conclusion.""

""Oh

have you found anything more?" the man asked. He conceived that his voice was

trembling a little bit. But no one could detect that except himself.'

'Edie's eyes were so clear and cold at the moment

like the dawn in the cold autumn

pure and clean. It seemed that she could see into the bottom of the heart.'

'She looked at the man in front of her and said in a sweet voice.'

""Julia

the one I met today was also you.""

""Are you sure? If you are wrong

you will lose the whole game

" the man said in a ghost voice. His smile turned profound.'

'Edie bit her teeth and said firmly

"Yes. I am sure. It is you.""

""Explain it to me." the man got interested
