

YOU ARE MINE (ENGLISH) - Chapter 741 CODE NAME IS GHOST

"I don't know."

'Finally

Edie told him honestly.'

'At this point

Edie's mind was in a mess. She could not think about this question rationally.'

'Indeed

she sympathized with Marina. She also knew how much Marina has been suffering

from these years. She also knew Marina did this to protect Stuart and keep him

away from a dilemma.'

'But Edie was an ordinary woman. She was also jealous.'

'She loved her husband deeply. She didn't know how to do it.'

"I really don't know how to answer this question. But I am sure about one thing. I

would never tell him about Marina. I don't want to tell him

at least now. I never stole her man. All I want is to protect my man.

But...if I really

tell Stuart about her

I think...I'd better prepare for the worst. But I haven't gotten ready to tell him."

"I see. I know why you hesitate—my apology. I am just a little pissed off after

losing the game. I don't mean to say that. I am so sorry."

742 YOU ARE MINE (ENGLISH) - SEDUCING HIM

'At the moment

Julia walked to Stuart slowly barefoot

like a tempting snake

from the bathroom door to the sofa. She walked so slowly that it took her a long

time to walk to Stuart.'

'She walked quite elegantly

like a dancing butterfly.'

'She twisted her shape

trying to show the best side of her.'

'However

the man in front of her looked so indifferent  
as if he didn't see anything.'

'Looking at Stuart's seriousness on the face

Julia couldn't help herself raising a smile at the corner of her mouth.'

'That was what she liked about him. So cold. So noble and so elegant  
as if nobody could touch him.'

'This man always frightened others away. He had that temper  
like a ghost. It was the symbol of his honor.'

'He wore a white shirt and a dark blue tie. The button was also sewn up  
to the top.

At the moment

his eyes looked so cold and ghost-like

like a weird and damp dark night. He pressed his lips into a sharp line

sexy and charming.'

743 YOU ARE MINE (ENGLISH) - DEEPAND SCARY

'When she said these words out

the room fell into weird silence all of a sudden.'

'Because Stuart didn't answer her.'

'He has already calmed himself down. At the moment

he looked so calm as if he was concerned about nothing.'

'His eyes were so cold at the moment. Julia could not see any emotion  
from his

eyes.'

'He looked at Julia casually.'

'Then

he loosened his hands and moved the hair on her forehead with his  
fingers slightly.

Then he moved his fingers down slowly

along the outline of her face.'

'As Julia felt that coldness of his fingers moving down on her face  
she felt freezing.'

'At the moment

it was so hard for her to remain calm.'

'Stuart said next to her ears in a cold and indifferent voice  
"You do all these just to get a chance to sleep with me  
right?"  
"So  
do you agree to sleep with me?" Julia burst into laughter and  
surrounded his neck  
with her hands  
like a sweet girl talking to her lovely husband.'  
744 YOU ARE MINE (ENGLISH) - STUART WILL NOT MARRY YOU

"Really? Do you really want me to be alive? But....you would not have to  
be  
bothered if I die."  
'Marina said in a depressed voice.'  
'Eddie immediately held her hands and said  
"If you die  
Stuart would feel guilty for life. I don't want to see him living in that guilt.  
Besides  
only if you are alive could the problem between Stuart and Aaron be  
really settled.  
You don't want these brothers to be enemies for life  
do you? Besides  
Aaron has always been guilty of what he has done to you. He thought it  
was he that  
caused your death. Don't you want to tell him the truth?"  
"I..." these words made Marina feel uncomfortable.'  
"You should tell him as long as you are still alive. Otherwise  
you would regret it.... I do this not only for you but for myself. If I am so  
selfish

Stuart will not fall in love with me. I am not stupid. I know what I should  
do.  
Perhaps this is a scheme on him."  
'Then Eddie showed a naughty smile  
easing the nervous atmosphere.'  
745 YOU ARE MINE (ENGLISH) - DEEPLY PAINFUL  
"You deeply love him  
right? Why do you still do this to him?" Eddie said angrily.'

"Indeed  
I love him deeply. But do you see what he did to me? He cooperated  
with Norman  
to ruin my whole family. We've been escaping for such a long time. I  
have no  
family now  
because of Stuart. Do you have any idea about this?" Julia said madly

like a crazy ghost from hell.'

'Edie frowned. She took a glimpse at the clock on the wall quickly.'

'Five minutes have been passed. She still needed to distract Julia for  
fifty-five  
minutes more.'

'She clenched her teeth and made a decision.'

746 YOU ARE MINE (ENGLISH) - A SMART PLAN

"Aaron would not let you go. You would be killed sooner or later. If you  
can kill

us at the same time

I would appreciate it."

'Edie said.'

'Hearing these words

Julia sneered

"Wow. So impressive. You really fear nothing. Okay  
then

I can satisfy you."

'Julia's eyes turned cold

scary

and brutal.'

'Julia was so proud and arrogant. Now Edie kept provoking her. She has  
already

gotten too mad to think about other things calmly.'

'She hit the whip on Edie directly without even considering the result  
caused.'

'Edie immediately held her head. She felt so painful that she almost  
faded out. But

Julia kept whining that she was taken up by the extreme pain over and  
over again.'

'Edie clenched her teeth tightly. The blood oozed out between her teeth pouring down from her mouth slowly. Edie could roll on the floor at the beginning.

But after several minutes

she could not move anymore. She just laid there

dying.'

747 YOU ARE MINE (ENGLISH) - HE FELT LOST

'Aaron rushed to Julia's flat quickly. But he didn't see Julia or Edie. So he went

back to ask more men to come here.'

'When he came back

Marina was waiting at the door. Seeing him

she asked immediately

'

'''Aaron

what happened to Edie? Do you have any news?'''

'''Why are you here? You should stay in the hospital now. Do you know it is so

dangerous outside at this point? You should not walk outside alone.'''

'Seeing Marina

Aaron frowned. He immediately asked his men to protect Marina and her sister

especially Marina.'

'Aaron never expected he would see Marina again like this. It was hard to describe

his feeling at the moment. It was really complicated.'

'Marina smiled. Those wounds on her face made her look weird. But everyone

would say her smile was so peaceful and warm.'

748 YOU ARE MINE (ENGLISH) - HE LIKED MARINA

'Aaron stood there alone in the large hall. At the moment he felt so lost and lonely.'

'Actually

he was tired.'

'He liked Marina. But he couldn't win her heart. On the contrary he hurt her.'

'He fell in love with Edie. But he couldn't get married to her. Now he stood there watching her being trapped in danger.'

'He was a man. But at the moment he could do nothing.'

'Suddenly he started being frightened.'

'He thought love was so rare for him that he might not be able to find it. So he decided to find a suitable girl that was willing to spend the rest of her life with him. But he was refused just now.'

'He didn't know whether he felt sorry for Marina or he was just worried about himself. He couldn't tell the difference.'

'Finally he signed. He reminded Edie and then murmured "If you are here

I would definitely ask you what love is. Why could it make your stay with Stuart all the time without getting tired of each other? What the hell is love?'

749 YOU ARE MINE (ENGLISH) - I WOULD BE WITH YOU

"No...I couldn't help myself worrying. Please sleep with me. Hug me. Then I would not be that worried."

'Edie stared at Stuart like a poor kid.'

'Even Stuart was brutal and cold; he was touched by her wet eyes at the moment.'

'Finally he nodded helplessly and got on the bed carefully.'

'He lay on the edge of the bed and held her little body tightly with his big hands to ensure that she wouldn't fall from the bed.'

'He rubbed her pretty hair and asked

"So hurt

right?"

"No. I don't feel hurtful anymore at the moment when I see you. You are really the

best doctor for me." Edie said

making a bright smile.'

'As long as Stuart was staying with her

she could forget all the pain behind.'

"Why did Julia beat you?" Stuart has wanted to ask this question for a long time.'

'Hearing this question

Edie froze for a while. Her smile froze on her face for a moment. Then she hides

her emotion immediately.'

750 YOU ARE MINE (ENGLISH) - HOW CAN I LEAVE YOU?

"Stuart

how long have you been staying up?"

"Three days and nights."

"..."

'Hearing these words

Edie fell into silence. She felt so warm at the bottom of the heart that she wanted to

cry out.'

'Edie didn't say any more words. She just grabbed the corner of his clothes to feel

the warmth on his body.'

'Then she heard Stuart said in a lovely voice

"So

stop talking now. I couldn't fall into sleep until you fell asleep. You don't want me

to die from exhaustion

right?"

"No. I want you to be alive

" Edie said in a serious tone and closed her eyes. She was struggling to fall into

sleep. Stuart lowered his eyes to see her pale

quiet face. He saw her eyelids were still trembling. Her eyebrows were raised

slightly. Though she has already closed her eyes she looked so serious at the moment. Seeing this Stuart couldn't help himself burst into slight laughter.'

'Such a silly girl.'

'He stared at such a sweet girl so gently. At the moment his eyes looked so determined and powerful.'

751 YOU ARE MINE (ENGLISH) - ARE YOU SAFE NOW

'He was so focused and serious.'

'The story was short. But Stuart took a long time to analyze it. Edie was quite

energetic at the beginning. But she soon got sleepy.'

'As Stuart finished one story and was about to tell the next one

Edie stopped him immediately.'

""No. Don't read. Stop okay. I am so sleepy now.""

""What? You don't like it?" Stuart asked her in shock.'

""You would be a perfect teacher.""

""You are admiring me right?" Stuart didn't get Edie's point. He thought she was admiring him. He couldn't

help himself raising her eyebrows slightly. At the moment he looked really proud.'

'Edie held her forehead helplessly

"Stop reading. Talk with me okay?""

""Okay

since you don't like it. What do you want to hear? I can say all to you sincerely.""

""So glib. Since when have you changed?" Edie said unsatisfactorily.'

""I only say those words to you.""

752 YOU ARE MINE (ENGLISH) - LET ME HUG YOU FOR A MOMENT

""Edie are you in there?""

'Hearing Stuart's voice  
Ghost frowned immediately. He looked around. Nothing could hide him.  
If the  
door was opened at the moment  
Stuart would definitely see him.'  
"Shit. Am I bound to die here?" Ghost started complaining the fate.'  
"I am here. Stuart would not dare to do anything to you

" Edie said immediately.'  
"But when you send me at the door and leave  
Stuart might kill my next moment. It is not easy to survive. I don't want  
to be  
killed. Shit. What should I do now??"  
'Edie wanted to say more words to comfort Ghost. She wanted to tell  
Stuart was  
not that kind of guy. But as she was about to say those words out  
she found she was also not sure of it. So she had no choice but to hold  
all her  
words back.'  
'Then she said in a low voice.'  
"I would help you. Don't panic. I would not hurt my friend."  
'Hearing these words  
Ghost immediately calmed himself down. Edie's words were like a cold  
wind in  
winter.'  
753 YOU ARE MINE (ENGLISH) - DON'T GIVE UP  
'Edie didn't make any sound. She felt so bitter at the throat. She felt so  
painful.'

'Hearing these words  
Stuart placed his hands on her small hands to protect her from the  
coldness.'  
'Then he opened his mouth and said with determination  
,  
"Yes  
indeed  
it is so dangerous. But I won't let you die. Never."  
'These words.'

'Were the most brutal words for Edie.'  
'Stuart said he would not let her die.'  
'So... he would die.'  
'Edie's heart started aching so hard that she felt it so difficult to breathe.'  
'After quite a while

she managed to say words  
"So....you are going to sacrifice yourself  
right? Don't lie to me. Don't hide this from me. Don't comfort me. I  
should prepare  
for this. If you really leave me alone  
what should I do? I should prepare for this."  
'She said in a hoarse voice. The cold wind blew into her throat like  
hundreds of  
thousands of sharp needles inserting into her throat.'

'Stuart wanted to turn around to wipe her tears. But Edie refused him.'

754 YOU ARE MINE (ENGLISH) - MORNING KISS

'The next day  
Stuart still prepared breakfast for her. Edie got up and looked at her in  
the mirror.  
She cried for such a long time that her eyes got to swallow.'  
'She bit her teeth and took her maquillage out. Then she started making  
up to make  
her eyes look less ugly.'

'They had only five days.'  
'No. To be exact  
they had only four days to stay with each other. Edie wanted to spend  
these four  
days with Stuart happily.'  
'After making up  
Edie looked better. Then she took a deep breath and walked towards the  
kitchen.'  
'Towards the man  
she loved deeply.'  
'Seeing Stuart busy in the kitchen  
she hugged him behind and said in a slight voice  
"Morning

my Mr. Yates."

"Morning

Mrs. Yates

" the man turned around and said in a low and hoarse voice. His voice sounded like

the Cello notes jumping under the sunshine.'

'Soon

he pressed his lips on her lips and opened her mouth

absorbing the beauty.'

755 YOU ARE MINE (ENGLISH) - STUART'S LETTER

'Edie didn't know when she fell asleep. When she woke up

it was seven o'clock.'

'The eye masks on her eyes were still cold. It was soaked by her tears last night

'

'She didn't take the mask off first. She stretched her hands to look for Stuart on her

side.'

'She didn't touch anything.'

'She raised the corner of her mouth

showing a bitter smile. She wished Stuart was preparing breakfast for her at the

moment. But he wasn't.'

'She knew it was impossible. Therefore

she felt heartbreaking while smiling

'

'She took off the eye masks. Looking at the while ceiling

feeling his smell filled the room

she started missing him

like being addicted to the hottest poisonous. She missed him crazily. She could not

help herself missing him. She could not stop it.'

'She got up slowly. She felt quite painful in all parts of the body. But she didn't

care.'

'She saw a letter on the bed stand.'

'[Open the letter after two days]'

'Seeing this

Eddie raised a heart-broken smile.'

756 YOU ARE MINE (ENGLISH) - INDEED COLD

'At the same time

inside the building.'

'At the door of the flat were parking lots of luxurious cars. When seeing that scene

most people would believe it was a car contest held here.'

'However

as a matter of fact

it was an engagement party.'

'Besides

this engagement party was so weird.'

'Several days ago

Stuart left the L.N group and showed his love for his wife in front of all media. No

one expected that he would engage with another woman today. As for

Stuart's

relationship with his wife

no one knew about that.'

'After all

an engagement didn't mean anything. Stuart's wife was still Edie.'

'Besides

seldom people knew Julia. Only several people who have cooperated with the L.N

group and knew something about the British political circle heard of her.'

'Because Julia's last name was William.'

757 YOU ARE MINE (ENGLISH) - AFRAID OF DEATH

'Apparently

Julia was not in the mood to waste time on Stuart. She didn't want to be patient

with him at all. Therefore

she kicked the door open directly.'

'Seeing the black suit on the bed  
she couldn't help herself frowning and asked Stuart in an angry voice  
"Why don't you dress?"  
'Stuart roared out in a cold voice without even raising his head to look at  
Julia  
"Get out."  
"'Wow. But we are about to get married. Darling  
are you going to say these words to your fiancées? Is it proper to say  
these words?"  
Julia irritated him.'  
"'We both know it is false. We don't have to be serious  
do we?" Stuart said in a cold voice  
"I have only one wife. She is Edie Lara."  
"'Don't worry  
as long as you agree to get engaged with me

and I would let her go. Aaron has sent her away just now. You don't have  
to worry  
about anything now. Julia took her mobile phone out and showed him a  
video  
,

'Edie wore heavy makeup and got into Ivan's car  
and then she left.'

'Stuart saw everything.'

758 YOU ARE MINE (ENGLISH) - STRANGE FAMILIAR

'Though she didn't even know whether she loved Stuart or not  
she knew clearly that she wanted to protect this man.'

'Perhaps he was the only man that she had ever fallen in love with  
though she never held his hands once  
she never hugged him  
she never kissed him...'

'When she heard that Stuart had changed  
for another woman  
she felt uncomfortable. Stuart was no longer the man before'  
'However

Marina was a rational woman. Though she didn't know whether she loved him or not she was clear about one thing.'  
'She knew what she wanted to do at the bottom of her heart. It was..'  
'She would never let anything bad happen to this name. She wanted to protect this man from any danger.'  
'She liked looking at this man. She liked seeing him walking out of the darkness.  
She liked seeing him smiling. She liked him and looked young and energetic. She liked seeing him stopping frowning...'  
'Though she was jealous of Edie she had to acknowledge that she liked Stuart like this. She liked him so much.'

#### 759 YOU ARE MINE (ENGLISH) - DECIDED TO CHANGE

""Actually  
I don't blame you at all. This might be our fate  
" Marina said and smiled brightly and purely.'  
""Though I've become ugly  
I feel more confident now. I never dared to smile or stare at you directly before.  
But I could do this now. Besides  
you've found the girl you loved  
haven't you?'  
'When hearing her last sentence  
Stuart's face changed immediately.'  
""I am sorry.""  
'Stuart said in a guilty voice.'  
""Why?""

""Because  
though you've come back to me  
I could not love you anymore.""  
'When it came to love  
Stuart was never able to lie to anyone. Though he was so straight

Marina liked it. Because it was the best way to express myself in a romantic relationship. Edie Lara was enough for him. He would not fall in love with anyone else. He didn't want to fall in love with anyone else.'

760 YOU ARE MINE (ENGLISH) - IT WAS HER ATTITUDE

'After hearing these words Marina felt into silence. She suddenly realized the difference between her and Edie Lara.'

'Though Stuart was in a high position much higher than them

Edie could always get along with him in the position equal to Stuart.'

'But Marina couldn't.'

'Compared with Edie Marina was much nobler. She saved Stuart's life. Though she knew she could stand as equals with Stuart she never believes she deserved such an excellent man. Therefore she made herself a maid for him. She defined herself as the babysitter of Stuart that was responsible for taking care of everything in his daily life.'

'However...'

'That was not what Stuart needed at all.'

'Stuart had lots of between maids. They would take care of everything in his life. Besides Stuart didn't like women. So he had no personal connections between maids these years. He had already been used to handling his life independently these years.'

'It was Marina.'
