

## Ye Chen 2491

### Chapter 2491

"Good Master Ye!"

Hong Wu answered, immediately walked forward, grabbed Su Shoude's hair, flung his hand in a fierce slap, smacked Su Shoude eyes.

Su Shoude grew up, for the first time by outsiders directly hit his face, his heart was furious, but he did not dare to send out a fire in his stomach, he could only bear it.

Ye Chen glared at Su Shoude and said coldly, "When I don't let you speak, you can't say a word."

Su Shoude could only cover his face and nod his head repeatedly, not daring to say half a word more.

Ye Chen looked at Ma Chongxin and asked him, "Let me ask you, when Su Chengfeng gave you the order, did he tell you to kill Du Haiqing alone, or did he tell you to kill Su Zhiyu along with him?"

Ma Chongxin blurted out, "Back to Master Ye, Su Chengfeng told me to kill Du Haiqing at that time."

Ye Chen asked, "Then did he have any discontent with Su Zhiyu and felt that she had turned her elbow to the outside?"

"No!" Ma Chongxin did not hesitate to say: "Su Chengfeng is very fond of Su Zhiyu, often lamented with us that the generation of the Su family, the most intelligent, the most capable, in fact, is Su Zhiyu!"

At this time, Su Shoude, his face was already a miserable white.

Ye Chen glanced at him and asked Ma Chongxin: "According to your meaning, that is to say, Su Chengfeng could not possibly want to kill Su Zhiyu together, right?"

Ma Chongxin said solemnly, "That's right! Master Ye, although Su Chengfeng is sinister and poisonous, he really loves Su Zhiyu from the bottom of his heart, so it is impossible for him to kill Su Zhiyu."

After saying that, Ma Chongxin sighed and added: "I'm not going to hide from you, in the tunnel, when I found out that Su Zhiyu was also on Liu's chariot, my whole body was almost scared to death, because I knew in my heart that if Su Chengfeng knew that Su Zhiyu was dead, he would definitely condemn me ....."

Ye Chen nodded and asked him, "That's why you killed Liu War with one shot?"

Ma Chongxin said truthfully: "I killed ..... At that time I wanted to ask Liu Zhan, who ordered him to harm Su Zhiyu, but he not only did not say, but also insulted me, I was impulsive, so I killed him with one shot ....."

At this time, Su Shoude on the side has been scared to the point of tensing.

Ye Chen looked at him and questioned in a cold voice: "Su Shoude, you said that your old man wanted to kill Su Zhiyu, but now it sounds like that's not the case!"

Su Shoude explained in a panic: "This ..... This ..... This I ..... I'm actually not very clear ..... Maybe ..... Maybe I made a mistake ....."

"Got it wrong?" Ye Chen sneered: "Su Shoude, if you don't have a ghost in your own heart, you can't deliberately put Su Zhiyu's pot and dump it on your old man, say, is this matter planned by you behind the scenes?"

Su Shoude, as if his tail had been stepped on, said offhandedly, "No. .... It has nothing to do with me ....."

Ye Chen nodded: "Do not tell the truth is it, but also good to do, Lao Chen!"

Chen Zekai immediately stepped forward: "Master Ye, what are your orders?"

Ye Chen said indifferently: "I asked you to find the African hyenas that like to pull out the anus, have you got the door?"

"Yes!" Chen Zekai hurriedly said, "Jinling Safari introduced a group of African hyenas some time ago, the owner of the Safari has a good relationship with me, and is also a senior member of my hotel, I can contact him and borrow this group of African hyenas!"

"Good!" Ye Chen nodded, looked at Su Shoude, said indifferently: "Since you want to resist, then go discuss life with the African hyenas!"

As soon as Su Shoude heard this, the whole person was instantly scared out of his mind!

He didn't doubt Ye Chen's determination at all, this guy not only had amazing strength, amazing tactics, even his guts were amazing!

If he really pissed him off, he was afraid that he would definitely not end up well .....

Chapter 2492

The terrified Su Shoude hurriedly took off, "I said, I said all ....."

Ye Chen nodded and opened the recording function of the phone video.

Su Shoude saw that he was going to record a video and panicked, "Ye ..... Mr. Ye, what you want to know, I all truthfully confess, but can you please do not record the video ....."

Ye Chen asked him in return, "What? You dare to do still dare not admit it?"

Su Shoude stammered and said, "No ..... No, I just ..... I'm just ..... Just a little not quite used to it ....."

Ye Chen looked at him with disgust and said in a cold voice: "Grumbling, nonsense, Hong Wu, then palm your mouth!"

Hong Wu did not say a word, rushed up and kicked Su Shoude on his fat belly, kicking him over to the ground, then directly stepped on his chest, bent down and slapped two slaps.

Su Shoude was smacked around, aggrieved tears in the eyes.

He has never suffered such a crime in his life, his heart is naturally 10,000 suffocating.

But he also knows that there is no point in holding back now.

If you don't cooperate honestly, Ye Chen will let this Hong Wu remove his arms and legs next.

At this moment, Su Ruolei, who had not spoken, said, "Mr. Ye, against this kind of son of a bitch, slapping him is too cheap, just one word from you, I will cut off both of his arms, see if he still dares to play sloppy with you!"

Su Shoude's liver trembled with fear and he said, "No! Don't! I'll tell you, I'll tell you now!"

Ye Chen said coldly, "If you don't get straight to the point, I'll hand you over to Ruoli."

Su Shoude couldn't help but shiver and said with trepidation, "Back to Mr. Ye, it was indeed me who asked Liu Zhan to kill Su Zhiyu, I asked my men to call his family for 20 million, and then asked his family to inform him and ask him to take Su Zhiyu with him when he killed Du Haiqing ....."

Ye Chen questioned, "Why did you want to kill Su Zhiyu? She is your own niece, and she has not provoked you, right?"

Su Shoude said: "I ..... I want to eliminate the future problems ..... Because the old man is very dissatisfied with my big brother, and also very dissatisfied with Su Zhi Fei, if we take out Su Zhi Yu again, the future head of the Su family, it will definitely be me ....."

Ye Chen nodded, and asked, "Who was it that decided to betray Su Ruoli in the first place?"

Su Shoude said without hesitation, "It was also my father's idea ....."

Ye Chen asked rhetorically, "In that case, your elder brother, Su Shoudao, was actually used as a scapegoat by Su Chengfeng?"

"Yes ....." Su Shoude said honestly: "Ruo Li was betrayed just exploded, the people of the country are scolding the old man, the old man felt that his life of fame, can not late in life all smashed in Su Ruo Li's body, so it all dumped on my big brother, and then drove my big brother to Australia ....."

Ye Chen nodded, ended the video recording, faintly said: "If you cooperate earlier, you will not have to receive these slaps, so next time be alert and do not make the same mistakes."

Su Shoude can not say bitter, the expression is more ugly than a dead father, crying face asked: "Mr. Ye ..... Are you planning to send out all those videos just now?"

About the Su family's current situation, Su Shoude couldn't be clearer.

Originally, because of the kidnapping of Du Haiqing and Su Zhiyu today, suffered from the questions of the nation's netizens.

It was not easy to find a large number of water army out to play the victim, forcibly subvert everyone's perception, if all the things he just said were exposed, then the Su family would be all finished.

Not only will the Su family be finished, he will also become a thousand-year-old sinner of the Su family.

The old man is afraid that he would hate to pick his own skin .....

Chapter 2493

At this moment, Ye Chen looked at the flustered Su Shoude, smiled slightly and spoke, "The video just now, a total of three segments were taken."

"The first segment was your confession that it was Su Chengfeng who wanted to kill Du Haiqing, while also dumping the blame on Su Chengfeng, saying that he also wanted to finish off Su Zhiyu;"

"The second paragraph is that you yourself admitted that it was actually you who hired Liu Zhan to kill Su Zhiyu;"

"The third paragraph, is your confession that back in Japan, it was Su Chengfeng who secretly betrayed Su Ruoli and then dumped the pot on your elder brother Su Shoudao ....."

Speaking here, Ye Chen smacked his lips and continued, "Tsk ....." But well, the first paragraph and the second paragraph themselves are somewhat contradictory, so if I were to send it out, I would have to take one of the two ....."

After saying that, Ye Chen looked at him with interest and asked, "Su Shoude, which ones do you think I will send out?"

Su Shoude shook his head, he couldn't figure out Ye Chen's preferences, and didn't know what Ye Chen really wanted.

In fact, the first and second paragraphs, no matter which one was sent out, he would be out of luck himself.

Seeing that he didn't say anything, Ye Chen smiled and said, "To tell you the truth, I'm going to send out the first and third paragraphs, because these two paragraphs, dumping the matter of Du Haiqing, Su Zhiyu, and Su Ruoli on Su Chengfeng alone, that should be enough for that old dog to get a good drink!

"I, for one, still prefer to concentrate my firepower on offensive battles, so I'll have to concentrate all my firepower together first to bring down this old dog Su Chengfeng!"

After saying that, Ye Chen smiled, turned his words and continued, "As for the second video well ....." I plan to keep it for now and send it to your big brother Su Shoudao for a good look in the future."

Su Shoudao asked, dumbfounded, "Why ....." Why do you want to send it to my big brother ....."

Ye Chen laughed: "If I send the first and third video to your big brother, and your big brother knows that it was Su Chengfeng who tried to kill his two daughters and also his wife, do you think he will fight with Su Chengfeng?"

Su Shoude said with embarrassment, "This ....." My elder brother is afraid that he has this heart, but he doesn't have this ability either ....."

"Never mind." Ye Chen laughed, "Whether Su Shoudao has this ability or not is put aside first, as long as I can make their father and son completely turn against each other, it will be enough for me."

Su Shoudao couldn't help but wince.

"I really can't figure out why this young man in his twenties in front of me is so ventriloquist?"

"If he really sends out the video here, big brother and the old man are afraid that they will form a deadly feud ....."

"The point is, I've shaken out all the things about the old man and dumped the pot on Su Zhiyu as well, the old man will hate me to the bone too!"

At this time, Ye Chen added: "When the first and third videos are sent out, Su Shoudao will definitely want to kill Su Chengfeng in his dreams, and Su Chengfeng, probably wants to kill you in his dreams! By then, you will be begging me to take you in and save your dog's life, otherwise, as soon as you go out, I am afraid that you will be screwed by Su Chengfeng, and even if he doesn't screw you, he will still make your life worse than death."

Su Shoude was even more terrified inside.

"What Ye Chen said is exactly right."

"If these two videos are sent out, the old man will definitely want to flay me alive ....."

"This is not an exaggerated sentence, this is a standard declarative sentence!"

"At that point, I'm afraid I'll really have to beg Ye Chen to take me in, otherwise, as long as he lets me out, even if the old man knows that I was coerced by him, he will definitely not forgive me ....."

Chapter 2494

Ye Chen continued at this point, "As for the second video just now, the one where you personally admitted that you tried to get Su Zhiyu killed, I will wait until your big brother takes out Su Chengfeng and becomes the head of the Su family before sending it to him."

"In case Su Shoudao has a chance to turn the tables, that way, even if Su Chengfeng is taken out, you won't be able to breathe a sigh of relief because once your big brother knows that it was you who tried to kill his daughter, he will also find a way to find you and then do whatever it takes to screw you over."

"See, how about this closed loop design of mine? Whether your father wins, or your brother wins, you will end up dead."

Hearing this, Su Shoude's eyes had burst into tears.

He understood.

He really got it this time!

"What this Ye Chen is trying to do is to put me and the old man and my big brother in a state of mutual hostility at all times, and even kill each other off ....."

"With these videos in his hands, I'll be a dead man anyway!"

"The game between the old man and big brother, if the old man wins, I have to die; if big brother wins, I still have to fucking die!"

"Ye Chen ..... You ..... You have a poisonous heart!"

Ye Chen saw Su Shoude's old tears, sneered and said, "So if you want me to say it, just stay here honestly, I have asked Hong Wu to prepare a single room for you, definitely the best treatment here, as long as you are still here, I can keep your dog's life, but if you want to escape it doesn't matter, when the time comes either your father wants to fix you up or your big brother wants to fix you up, you will be able to weigh it up."

Su Shoude cried out at once: "Mr. Ye ..... Please give me a way out ..... How about you and I work together, you help me take care of my father and my big brother, after I inherit the Su family property, all the assets of the Su family will be divided into 30% for you!"

The first thing you can do is to go to Yanjing and finish off my father, and then go to Australia and finish off my big brother as well!"

When Hong Wu heard this, he immediately cursed, "Fuck! Su Shoude, what the fuck do you want? You want to fool Grandmaster Ye and get him to help you get to the top? Are you fucking worthy?"

Hearing that Su Shoude wanted to provoke Ye Chen to kill his father, Su Ruoli hurriedly blurted out, "Sir Ye, you can't listen to his lies! This kind of person has no credibility whatsoever!"

Ye Chen smiled faintly and spoke, "Su Shoude, even if I killed your father and your big brother, I wouldn't let you go and inherit the Su family."

Saying this, Ye Chen's expression suddenly became very cold as he said in a stern voice, "I will pick up where I left off and push down the entire Su family!"

Su Shoude was frightened by Ye Chen's eyes, his liver and guts splitting.

Because, Ye Chen's eyes carried full killing intent!

At that moment, Ye Chen turned around, looked at Su Ruoli and said indifferently, "Ruoli, I know you care about Su Shoudao, after all, he is your father, I can understand that, but I can tell you clearly right now, if Su Shoudao really has something to do with my parents' death, I will definitely kill him with my own hands, and if you dare to stop me then, I will also kill you."

Su Ruoli's body trembled instantly, and he quickly lowered his head and said respectfully, "Sir Ye, Ruo Li's life was saved by you, Ruo Li does not dare to stop you from doing anything, if father he is really your father's killer, and you want to avenge your father, Ruo Li will never stop ....."

At this point, Su Ruoli fell to the ground with a poof, choking on a sob and begging, "Sir Ye, Ruoli has only one request! If the father has nothing directly related to the death of your parents, please spare his life ....."

Ye Chen said with an expressionless face, "Don't worry, I, Ye Chen, only kill scum and scum that harm Heaven and earth, if your father really has nothing directly related to my parents' death, I will naturally spare his life."

Immediately afterwards, Ye Chen turned his words around and said in a cold voice, "However! No matter what, Su Shoudao will have to pay the price for forming the 'Anti-Ye Alliance' back then! Even though the deadly crime can be spared, the living crime is still hard to escape!"

#### Chapter 2495

As Su Ruoli was Su Shoudao's daughter, deep down her heart was naturally thicker in blood than in water.

However, she could not help but think in her heart, "I already owed Duke Ye a life, and Duke Ye, moreover, had given me a heavenly chance to grow my martial strength rapidly, so I must be obedient to him in order to repay his kindness, for reasons of reason and sense."

"If my father really bears unshirkable responsibility for the death of Duke Ye's parents, then if Duke Ye were to seek revenge on him, I would naturally have nothing to say ....."

"So, one can only hope that father he is not directly related to the death of Ye Chen's parents ....."

"Fortunately, Lord Ye is also a person, very upright and fair, since he has said that as long as father is not his father's enemy, he will be able to spare father's life, then the rest will depend on whether father is innocent in this matter."

Thinking thus, she respectfully said to Ye Chen, "Sir Ye, with these words of yours, Ruo Li is relieved!"

Ye Chen nodded slightly and said to Hong Wu, "Alright, escort this Su Shoude to the single private room prepared for him, and by the way, take this Steve with you as well, to meet with his son."

As soon as Steve heard that Ye Chen wanted him to meet with his son, he immediately opened his mouth and asked, "Where is Walter now?!"

Ye Chen laughed, "Your precious son, right now, is lying in the special private room I have prepared for her."

Steve blurted out, "Lying down? Is he sick?!"

Ye Chen said indifferently, "Given that your son's character is really too scummy, so I'll ask him to come here and have a proper bed-rest reformation. As for why exactly he is lying down, when you meet him later, it's better to let him tell you himself."

Having said that, Ye Chen stood up and ordered the crowd around him, "Pick them both up and take them away!"

Hong Wu and Chen Zekai personally went up, one picked up the other, dragged the two of them and headed out.

Ye Chen put his hands behind his back and followed them with a single step.

When they arrived at the kennel area of the dog farm again, Su Shoude and Steve trembled with fear at the sight of the iron cages.

As they were dragged further in, they discovered that the iron cages on either side of them housed a number of very fierce fighting dogs.

They were even more dumbfounded to find that several of the cages contained not dogs, but people!

Steve soon saw his son!

His son, Walter, was lying on a hospital bed, looking frail.

Just beside Walter stood a yellow-skinned young man who was carrying a bowl of white porridge and somewhat roughly shoving a spoon into Walter's mouth.

This young man was Jiro Kobayashi, who worked as a bagman at the dog farm.

Steve immediately struggled and shouted, "Walter!myson!whathappenedtoyou?!"

Hong Wu went up and gave him a big slap on the face, cursing and shouting, "F\*ck! What the f\*ck are you talking about? Don't you both know Mandarin? Speak Mandarin to me! If you speak that shit in front of us again, I'll cut your tongue out!"

Steve was so aggrieved by the slap, but he didn't dare to fight Hong Wu at all, so he covered his face and choked up and asked in Mandarin, "Walter, my son ..... You ..... What's wrong with you?!"

Chapter 2496

Walter also struggled to get up, but tried several times without success because of his weaker body.

So he could only lie helplessly on the bed and while shedding tears, he spoke in Mandarin: "Dad ..... I ..... I have been poisoned and now I have uremia ....."

After saying this, he could no longer control his emotions and cried out, "Dad! You have to save me dad! This hellhole is like hell ..... If you don't think of a way to get me out, I might die here."

Ye Chen laughed, "Walter, it's impossible for your dad to save you, but the good news is that I plan to leave your dad here to take care of you, and you two will live in a single room from now on."

After saying that, Ye Chen said to Kobayashi Jiro, "Jiro, from now on you won't have to feed this Walter, concentrate on feeding your dog."

When Jiro Xiao Lin heard this, he was overjoyed and said, "Excellent, Sir Ye! You don't know, I have to feed this Walter every day, and I also have to serve him shit and urine, which is much more disgusting than serving a dog."

Ye Chen smiled slightly, "Let his father do this from now on, you haven't put in much work these days, ask Hong Wu to give you a day off later, as long as you don't leave the dog farm, you can do whatever you want."

Xiao Lin Jiro was so excited that he bowed repeatedly, "Thank you, Sir Ye! Thank you, Sir Ye! If I can have a day off, I ..... I would like to have a good sleep and then ..... And then drink two more beers ....."

After saying that, he looked at Ye Chen and asked somewhat nervously, "Sir Ye, can I ..... Can I have two bottles of beer?"

Ye Chen smiled, waved his hand and said to Hong Wu, "Hong Wu, have someone prepare a case of beer for Jiro tomorrow, so that he can relax and unwind!"

Hong Wu immediately said, "Okay Master Ye, leave it to me!"

When Jiro Kobayashi heard that he could have a case of beer, he was so excited that tears welled up in his eyes and he choked up, "Master Ye, thank you ..... I ..... I haven't had a beer in a long time ....."

Ye Chen smiled, "As long as you behave well, not to mention beer, even white wine red wine or even your Japanese sake can be fixed for you."

As if hitting chicken blood, Kobayashi Jiro said excitedly and repeatedly, "Mr. Ye, I will do my best again and do my best!"

Ye Chen nodded his head and waved his hand, "Alright Jiro, you go and rest first, you are not needed here."

Kobayashi Jiro hurriedly said, "Alright Lord Ye, I'll leave you to it for now!"

Hong Wu then gave a wink to his men, and immediately one of his men came forward and led Jiro Xiaobayashi away.

Ye Chen asked Hong Wu at this time, "Where is the welcome ceremony I asked you to prepare? People have been here for half a day, why don't you hurry up and start?"

Hong Wu hurriedly nodded and said, "It will start, it will start!"

After saying that, he hurriedly shouted at the people around him, "Quick, get the props!"

As soon as the words left his mouth, several of his men immediately brought out a large roll of red blankets from the empty dog cage next to him, and several of them spread the red blankets in an orderly manner from the corridor of the kennel, all the way into Walter's single dog cage, directly to the edge of Walter's hospital bed.

One of them brought a red suit jacket to Hong Wu, who then turned into a master of ceremonies and said with a serious and emotional expression: "Today, Mr. Steve Hogewitz has travelled a long way to reunite with his dog son, Walter, on this happy day. historical moment!"

After saying this, one of the boys hastily held a bouquet of flowers and shoved it into Steve's arms, threatening in a low voice: "Hold tight, if you drop one flower bone I'll break your legs!"

Chapter 2497

Steve naturally did not dare to be negligent and could only hurry to hold the flowers tightly in his arms.

At this time, Hong Wu pointed to the entrance of the dog cage and said to Steve, "Next, we have Mr. Steve, presenting flowers to his dog son, Walter! Everybody applaud!"

His group of minions immediately applauded enthusiastically.

Steve's expression was ugly, but he didn't dare to say a word of dissatisfaction.

When Hong Wu saw that he was still dawdling and not taking any steps, he couldn't help but scold him, "What are you dawdling about? Do you want me to give you another hospital bed next to your son's bed?"

Steve shuddered in fear, before he hugged the flowers in a panic and took a difficult step into the entrance of the metal cage.

Steve, who was wearing only a pair of trousers, was frozen like a popsicle by now, so he walked like a zombie with limited mobility.

When he stepped onto the red carpet and stumbled to Walter's bed, Hong Wu immediately stepped forward and said, "Next, please ask Mr. Steve to lay flowers for his dog son Walter!"

After that, he explained to Steve, "Don't be in a hurry to let go when you lay the flowers later, you both have to hold the flowers at the same time and face our brothers over there with the cameras, so they can take a picture of you both, how can we not record such a ceremonial scene?"

Steve wanted to die, his son was now lying in bed in this state, he didn't even know what was wrong with him, but at the moment he could only play this highly insulting game with him at Hong Wu's request .....

Walter was even more of a painful mess deep inside at this point.

If he had known that things would have developed into this damned state, beating him to death, he wouldn't have dared to have any unpleasant thoughts about Wang Dongxue.

But now it was too late to say anything.

Steve had no choice but to hand the flowers to his son, while still holding the other side of the flowers in his own hand.

Father and son looked into the camera together.

A few of the boys took the hand-pulled salute and crackled it over and over, with coloured sequins falling all over the father and son's heads and bodies.

At this moment, the flash clicked, and a picture full of black humour was taken.

Hong Wu then said in a loud voice, "This is the end of the welcome ceremony for Mr Steve and his son's reunion, everyone applaud!"

A crowd of youngsters applauded, before Hong Wu smiled and asked Ye Chen, "Master Ye, are you still satisfied?"

Ye Chen nodded and smiled, "It was a good job, it was a bit interesting."

Hong Wu hurriedly hugged his fist and said respectfully, "Thank you for the compliment, Master. If there is another time, I will definitely make it more grand!"

Ye Chen looked at Su Shoude, who was stunned, and asked, "Mr. Su, do you think our hospitality is quite elaborate?"

Su Shoude's face turned pale with fear as he wailed in his heart, "You call this fucking polite? You call this fucking polite? You're a devil!"

However, he did not dare to say so, he could only comply with Ye Chen's intention and nodded his head repeatedly, "Preachy ..... Tasteful ..... Duke Ye is really too prescriptive in what he does!"

Ye Chen gave a hint and said, "Some day if your son is in my hands, I will definitely also give you two masters such a ceremony, and then it will definitely make it even more grand than this."

Su Shoude said in horror, "Ye ..... Mr. Ye, my son he is an honest boy ....."

Ye Chen said in a cold voice: "Just because you are a bad to shit father, your son is no better!"

Su Shoude instantly looked ashamed and did not dare to say more.

#### Chapter 2498

Ye Chen ignored him, looked at Steve and spoke, "Steve, do you know why I have your son here?"

Steve's eyes were red and he shook his head.

Ye Chen looked at Walter and said coldly, "Come on, Walter, introduce your glorious history to your father."

"I ....." Walter didn't know what to do for a moment.

Ye Chen said in a cold voice: "Speak quickly!"

When Walter saw that Ye Chen had moved with anger, he shivered in fear and hurriedly said, "I'll say, I'll say it ....."

Then he looked at Steve and choked up, "Dad, it's all my fault, I'm to blame ....."

With that, he then told the whole story of how he coveted Wang Dongxue's beauty while spying on the Empire Group's industry in Jinling, and in order to achieve the goal of killing two birds with one stone, he poisoned Wang Dongxue's father.

After hearing all this, Steve's whole person was already near collapse.

Only at this moment did he realise that his son, who on the surface appeared to be well-behaved and understanding with unlimited potential, was in fact a complete scum of the earth in his bones.

It was because of this son's beastly behavior that he buried his own future and also ruined himself along with.

He was so filled with rage that he slapped Walter across the face and shouted, "You bastard! You've not only ruined yourself, you've ruined me!"

Walter cried, "Dad ..... I'm sorry ..... I ..... I didn't want things to turn out like this ....."

Saying that, he looked at Ye Chen and choked up, "Mr. Ye, there is a head for injustice, and there is a master for debt. I'll take the blame for what I've done myself, please let my father leave here and go back to America."

Ye Chen could not help but laugh out loud, "Walter, do you really think I am a three-year-old child? If I let your dad go back now, in case he goes back to get help and comes back to save you, won't that be a problem for me myself?"

After saying that, Ye Chen added, "Besides, I told you before, since you were able to drag Wang Dongxue's father down, then I can follow suit and drag your father down as well, from now on, your father will also have to stay here for enough ten years, as a way to take care of you and atone for your sins together!"

Walter looked at Steve with tears streaming down his face and cried, "Dad, I'm sorry ....."

Steve was similarly in tears.

He really didn't expect that a trip to China would completely bury his future, or even his freedom in life.

Ye Chen then pointed to the empty cage next door and said to Su Shoude, "Mr. Su, this is the single room you will live in from now on, if you feel lonely, this father and son next door can still be your companion, after a while, I will find an opportunity to bring your father here as well, and you two pairs of fathers and sons will be able to make a mahjong table."

When Su Shoude heard this, a chill ran through his heart.

"Ye Chen forced me to record so many videos, if this is really exposed, the old man will definitely hate me to death, in case he really gets the old man over here too, this father and son cage meeting, really how awkward it is ....."

"Moreover, if Ye Chen really got the old man in, wouldn't that make my big brother whole?!"

"When the time comes that the two of us masters live in a dog cage here and he inherits the Su family headship outside, then wouldn't he turn over a serf and become the final big winner?!"

Thinking about this, Su Shoude's heart was as uncomfortable as it could be.

He had originally thought that by forcing his elder brother Su Shoudao out, he would become the heir to the family head.

Seeing his great success, he did not expect that a trip to a small place like Jinling would bring him to such an end .....

Just as his entire body was in agony, Ye Chen suddenly remembered something and opened his mouth to ask: "Hey right Mr. Su, when we first met in the hotel room, who did you send a voice to say you were going to beat someone's ass?"

Su Shoude did not expect that Ye Chen would be interested in matters concerning his private life.

He was from a large family and was very concerned about the privacy of his private life, so when he heard Ye Chen ask about this matter, he subconsciously became a little nervous and did not dare to respond even though he was stammering.

Ye Chen could not help but frown and asked him, "What? Not willing to say?"

Seeing that Ye Chen was somewhat dissatisfied, Su Shoude hurriedly shook his head and said, "No, no, no, I am willing to tell, willing to tell ....."

Immediately after that, he said, "That woman is ..... It's Zheng Xiaoqi ....."

"Zheng Xiaoqi?" Ye Chen asked in surprise, "Is it that Zheng Xiaoqi, who is known as a jade girl flower girl in the film industry?"

"Yes ....." Su Shoude nodded nervously, "That's her ....."

Ye Chen couldn't help but sigh: "Aiya, I really didn't expect that the jade girl Zheng Xiaoqi, who was said to be ice-clean and pure in the news media, was actually your adopted lover ..... In vain, my wife still approves of her very much and keeps saying that she is one of the benchmarks of the entertainment industry, saying that she is very clean, never spreads scandals, and never even takes kissing scenes with other male stars, it seems that most of the people in this circle also have another side that is not known to the public."

Su Shoude nodded awkwardly and stammered, "She ..... She doesn't take kissing scenes because I don't let her. .... I've told her before that she must never be intimate with other men, even if it's acting ....."

Ye Chen smacked his lips and said, "Tsk ..... If the people of the country knew that the goddess of their hearts was going to be crushed by a big, ugly, old, fat, middle-aged, fat pig like you at night, they wouldn't know how sad they would be."

Su Shoude's expression was depressed and his face was red and dark, and he could tell that his pride had been hurt by Ye Chen's words.

However, even though his pride had been hurt, he did not dare to say anything in front of Ye Chen, so he could only nod his head in the most embarrassed way and agree, "Yes, yes, what Mr. Ye said is ....."

Ye Chen snorted and asked him, "Has this Zheng Xiaoqi been in Jinling all this time, or did she come over from somewhere else specifically to have a rendezvous with you?"

Su Shoude hurriedly said, "She came over from somewhere else ..... In fact, she was recently filming a movie and my father suddenly asked me to come to Jinling, so I let her come over to keep me company ....."

Ye Chen laughed, "Seeing that you are quite old, I didn't expect you to still have a lot of energy."

Su Shoude said awkwardly, "No no ..... Not even when you're old ....."

Ye Chen smiled and said lightly, "Alright, it's not too early, you should rest well here, you won't have a starlet like Zheng Xiaoqi to warm your bed in the future, so adapt to the life in the dog farm as soon as possible, when the time is right, I will send your father over with you, so you can reunite father and son."

Su Shoude bowed his head deeply, not daring to answer.

Ye Chen looked at Steve next door and said indifferently, "Take good care of your son here."

Steve had to nod repeatedly, "I know Mr. Ye ....."

Ye Chen didn't say any more and said to Chen Zekai, "Send me back."

"Okay Young Master!"

Hong Wu sent Ye Chen and Chen Zekai out of the dog farm, and while only Chen Zekai was around, he said to Ye Chen, "Young master, on your aunt's side, it's time for tonight, do you think we should let her go?"

Ye Chen frowned: "It's time?"

"It's here." Hong Wu hurriedly said, "This time your aunt behaved quite well, she didn't make any noise or fuss."

"Mm." Ye Chen nodded and said, "Then let her hurry up and leave, tell your little brother to open the door, she can leave whenever she wants."

Hong Wu hurriedly said, "Okay Young Master, I'll make a phone call and arrange it!"

Ye Chen patted him on the shoulder and instructed, "This side of the dog farm is of great importance, so you must keep an eye on it for me, don't let anyone from unknown sources approach the dog farm, and strictly prevent your junior brothers from leaking secrets to the outside world!"

I have already made all the arrangements for the dog farm, and every one of the people working in this are my beloved ones, and during this period of time, I have asked them not to leave the dog farm 24 hours a day, and not to have any contact with the outside world, all of them are under closed management. management, absolutely no word will leak out."

Chapter 2500

Ye Chen gave a hmph and said, "The Su family is extremely powerful, although they didn't have any industries or connections in Jinling before, once they want to, they can immediately turn Jinling upside down, it's possible that tomorrow there will be at least dozens of helicopters going back and forth and searching for clues in the skies over the entire Jinling, you have to be very careful."

Hong Wu nodded and said seriously, "Young Master, don't worry, I will do my best!"

"Good." Ye Chen smiled, "I'm still at ease with your work, that's all, I'll go first."

.....

Leaving Hong Wu's dog farm, Ye Chen took the Rolls Royce driven by Chen Zekai and returned to the city.

Because he had just gotten Su Shoude and Steve to come to the dog farm, Su's family must now be looking for clues all over Jinling, so Ye Chen didn't take the helicopter back again.

It was too late at the moment, and a helicopter at night without the cover of fireworks must be very loud and definitely very noticeable.

So it was safer to take a car, at least it wouldn't give any hints of clues to Su's family.

On the way back, while driving, Richard Chen asked Ye Chen, "Young master, when do you plan to send out the video?"

Ye Chen spoke, "At the latter half of the night! I'll go back and edit the video and process my voice as well, then I can send it out."

Richard Chen hurriedly asked, "Then are you planning to post it on the short video platform?"

"Yes!" Ye Chen nodded and said, "The Su family as a whole is still very strong, if I post it on other platforms, it will probably be PR'd by them the first time, but if I post it on the Ye family's own short video platform, with such a great opportunity to step on the Su family, the Ye family will definitely however miss it, so they definitely won't delete the video."

Chen Zekai said with a smile, "If you really post the video on the Ye family's short video platform, the Ye family will not only not delete it, but I'm afraid they will also try to promote it by all means frantically ....."

Ye Chen laughed, "That would be perfect."

.....

When Ye Chen returned home, Xiao Churan was still busy in the study.

Before Ye Chen left for the Jinling International Hotel, she had been busy with the company's business, and now that she was back, she hadn't finished working.

He gently pushed the door of the study open a crack, and Xiao Churan was with her back to him, adjusting the design manuscript in front of the computer.

Ye Chen looked at his wife's back and felt more or less heartbroken in his heart.

"If I had known that my wife would work so hard for the cooperation of the Empire Group, I actually might as well not have given her this project ....."

"It's just that there's no turning back from the opening bow, my wife attaches such importance to this cooperation, if I let Wang Dongxue call off the cooperation now, then she will definitely be doubly devastated."

Thinking of this, he sighed softly and closed the door of his room again without disturbing Xiao Churan.

Back in his room, Ye Chen put water on himself and soaked into the bathtub, while holding his mobile phone in his hand, he used a simple video editing software to start processing some of the footage shot today.

The main footage was in two parts.

One was the part of the tunnel where Ma Chongxin was filmed.

The other part is the part at the dog farm, filming Su Shoude.

These two parts not only clearly stated the fact that it was Elder Su who ordered the killing off of Du Haiqing, but also dumped the pot on Su Zhiyu's head as well.

Ye Chen knew very well that as long as he sent out the edited video, the Su family's reputation would suffer a devastating blow!

Su Chengfeng would also become the oldest dog in the country to be spat upon!
