

## Ye Chen 2901

### Chapter 2901

When Lai Qing Hua heard this, he could not help but sigh and said: "Old Mai, that Xuan Fengnian is doing wrong in Jinling, Master Ye wants to bring him to justice, you should also give a helping hand for the sake of reason, how can you run away from the battle at this time!

The man's compulsion is very powerful and dangerous, if I really turn against him, I might lose my life!

If he helps me catch Xuan Fengnian, I will spare his life, but if he is stubborn and allows Xuan Fengnian to continue to plague the people, then I will have to kill him!

Mai Chengxing became anxious and blurted out, "You are so young, how can you be so cruel! I have been friends with Brother Lai for many years, don't you have any respect for him?"

As soon as Lai Qing Hua heard this, he immediately said, "Old Mai, don't sow discord here, I'm not begging Young Master Ye to give you a break for my sake!

Mai Chengxing originally wanted to use Lai Qing Hua's face to ask for leniency, but he didn't expect Lai Qing Hua to draw the line so directly with himself, so he said indignantly, "Brother Lai! You're just going to throw stones at him? That's a bit unjust, isn't it?"

Lai Qing Hua's tone became somewhat cold as he spoke, "It's not that I .....

I owe Young Master Ye a great debt of gratitude that I may not be able to repay in my lifetime, so how can I have the face to ask Young Master Ye to give me face?"

Mai Chengxing was shocked.

He did not expect that Lai Qing Hua's words were so heavy.

"How could he, an old senior who is over a hundred years old, owe this youngster in front of him a huge favour? This is too outrageous, isn't it?"

When he thought of this, he suddenly thought of Lai's previous chance and asked, "Brother Lai, could it be that your chance is related to this man? He couldn't help but ask, "Brother Lai, could it be that your destiny is related to this man?"

Lai Qinghua fell into silence for a moment.

He could not say these words.

Because he was unwilling to go against Ye Chen's wishes and reveal his identity to the public.

However, Lai Qinghua's silence caused Mai Chengxing's heart to stutter and he asked nervously, "Brother Lai! Did you really owe that chance to him? !"

Lai Qing Hua said vaguely, "I have no comment on this matter!"

At the side, Ye Chen said indifferently, "Mr. Lai, since he wants to know so much, why not just say it?"

When Lai Qing Hua heard this, he said with a stifled smile, "Ai, Old Mai, you are confused! You guessed right, Young Master Ye is the great benefactor who gave me the chance to pass through the heavens! How could you have offended Young Master Ye when you went all the way to China in search of a chance? !

!! Boom!

Mai .....

Cheng Xing only felt five thunderbolts

Previously, he repeatedly asked Lai Qing Hua about the details of his chance, but Lai Qing Hua said that he could not reveal the identity of his benefactor, even if it was his own son or grandson.

In his view, Lai's chance was so great that he could pass through the heavens. Even Emperor Qin Shi Huang had not been able to turn back the clock and live forever, but he went to China for three years and returned to the United States three years later, twenty years younger.

However, although he was inwardly looking forward to it, there was nothing he could do in the face of Lai Ching-hua, who kept his mouth shut.

Originally, he had thought of running to China to look for the chance, but, in the vast country of China, it was as difficult to find it simply by himself.

However, this matter had always been on his mind and had become the most important wish he wanted to fulfil.

This time, he came to Jinling because he had found an element of chance in his divination, so he came all the way from the United States.

But he never expected that the great opportunity he had been dreaming of would be this young man in front of him!

In an instant, he was so remorseful that he couldn't help but think: "If I had known this, I wouldn't have offended this true god even if I had been killed!

He said with tears streaming down his face, "Young Master Ye, I'm really sorry, I'm so confused.

## **Chapter 2902**

---

Seeing Mai Chengxing kneeling on the ground with a pleading face, Ye Chen's heart recoiled as he said in a cold voice, "If you still want to be able to return to the United States in this life, next you will honestly cooperate with me to catch Xuan Fengnian, and if you can catch him before he kills again, I will give you a chance to return alive. Otherwise, like I said, be prepared to die in Jinling!"

Hearing these words, Mai Chengxing naturally dared not refute or resist any more, and said with tears in his eyes, "Whatever Young Master Ye says, I will obey my orders. ...."

At this moment, he had already realized that the Ye Chen in front of him was a figure that he could not afford to provoke.

"Other than that. Lai Qinghua's ability alone is even higher than mine, but yet he is treated with respect, so you can see that this person is by no means a person of the pool ....."

"What's even more impressive is that this person is young, but has the uncanny ability to make Lai Qing Hua twenty years younger. This layer alone is far beyond one's perception!"

"Although I don't know if he can kill Xuan Fengnian or not, I know that if I piss off ....."

He, he definitely won't make it easy for me ....."

On the phone, Lai Qing Hua also could not help but sigh, "Old Mai, you should have promised Young Master Ye long ago, why did you have to get into this situation now!"

Mai Chengxing was equally remorseful.

He thought to himself, "How could I have known that he was the one who gave you a great opportunity? If I had known earlier, I would have done whatever he asked me to do, and if I had cooperated with him, maybe he would have given me a great opportunity. ...."

"Now it's a good thing that I just offended someone like this, and now instead of getting any benefit. I still have to harden my head to cooperate, which even if I cooperate with him properly, he may not easily bypass himself afterwards, as for any heavenly chance, even more so, don't even think about it ....."

When Ye Chen saw that Mai Chengxing had finally given up resistance, he opened his mouth and instructed, "Since you agreed, then first give me a detailed account of the specifics of your meeting yesterday, such as what exactly you two talked about."

Mai Chengxing did not dare to delay and hurriedly told all the details of his meeting with Xuan Fengnian yesterday.

There are three very important points.

The first was that Xuan Fengnian's goal in coming to Jinling was to find himself and finish him off.

The second point was that Xuan Fengnian had asked Mai Chengxing to find a breakthrough point from Su Zhiyu, which confirmed that this guy, Xuan, must have got the information from Su Chengfeng. He thought that he was close to Su Zhiyu and that he could find himself through Su Zhiyu.

Thirdly, Xuan Fengnian had received two missions from Su Chengfeng, the first of which was to kill himself. The second mission was still unclear.

After clarifying these, Ye Chen said in a cold voice: "Since you are willing to cooperate with me, then give Xuan Fengnian a call. Tell him that you have made significant progress in your investigation, ask him to come out to meet, I want to set a trap for him to catch a turtle in a jar."

Mai Chengxing asked, "What should I say if he asks me about the clues over the phone?"

Ye Chen said, "Simple, just say that you want to talk to him face to face on a condition before you can give him this relevant clue."

Mai Chengxing asked again, "What exactly are the conditions?"

### **Chapter 2903**

---

Ye Chen said indifferently, "Just say that you feel that he earns money too easily, and that you have worked much harder than him at such an old age for coming all the way here and tossing around Jinling for a few days. So I hope to be able to take a certain share of the reward from him."

Mai Chengxing nodded, but said a little nervously, "Young Master Ye, you may not know that person Xuan Fengnian. This person is brutal to the extreme, the last time he asked me to meet at Phoenix Hill Cemetery, it was clear that he wanted to give me a downward spiral, if I negotiate with him at this time and want to share the money in his hands, then he will definitely move to kill me ....."

Ye Chen said, "You don't have to worry. Although I am somewhat unashamed of your character, I am not so bad as to use your life as bait, as long as you cooperate with me to lure Xuan Fengnian out. I will naturally keep you safe."

Although Mai Chengxing was not too sure in his heart, he knew there was no other choice at this time, so he could only agree and said, "A person like Xuan Fengnian must be suspicious by nature, where does Young Master Ye plan to meet him? If the place is too remote. I'm afraid he'll be wary ....."

Ye Chen waved his hand, "If you ask him to come to Buckingham Palace directly, he must know that you live here, so it's safest for you to only ask him to meet here."

Mai Chengxing couldn't help but say, "Young Master Ye. Buckingham Palace is crowded, and it is located in the downtown area, in case we fight with Xuan Fengnian here, will the commotion be too big? In case it gets too big and badly ended, there might be unexpected trouble ....."

Ye Chen grunted and said, "I asked you to directly ask him to meet here, just to minimize his suspicions, and you should also understand that it is impossible for such a person to agree to meet you here."

Saying that, Ye Chen added, "He must also have the kind of concerns you mentioned just now, and if he really has murderous intentions towards you, he wouldn't dare to take you out directly at Buckingham Palace. So I believe he will definitely ask you out to meet him, and he must have chosen the location that way. He wouldn't have any extra scruples or suspicions."

Mai Chengxing nodded and cupped his fist, "It's still you, Young Master Ye, who is thoughtful, why don't I call him right now!"

"No way!" Ye Chen said in a cold voice, "He just met with you last night. You haven't even left the front door of the hotel today, so if you tell him directly that you have a clue, he definitely won't believe it."

Mai Chengxing couldn't help but say, "Xuan Fengnian is not interested in ....."

I may not know everything about me either, right?"

Ye Chen said indifferently, "You and Xuan Fengnian are not the same kind of people, you make money by your craft, he makes money by killing people, just like a cook and a killer, you are not the same kind of people, you are not in the same dimension at all, you can't understand how cautious a person like him who makes money by killing people is, how meticulous his mind is, maybe he has been secretly watching you. So if you make a phone call, you might be exposed."

Mai Chengxing asked, "Then what do you mean, Young Master Ye?"

Ye Chen said, "You should follow your original plan and go to the Du family's old residence, and call him when you return."

Mai Chengxing nodded, then looked at the motionless Mike beside him and busily said, "Young Master Ye, please let my great-grandson recover, and I will go with him to the Du family's old mansion."

If Xuan Fengnian asks about it, you can say that Mike was frightened at Phoenix Mountain last night and is not feeling well today, so you did not let him follow.

## **Chapter 2904**

4-4 minutes

---

Xuan Fengnian was indeed secretly watching the two of them, Mai Chengxing and Mike.

However, just as Ye Chen had speculated, he did not go inside Buckingham Palace directly, but chose to keep an eye on them in the shadows outside Buckingham Palace.

This was mainly because Buckingham Palace was crowded and had a very sophisticated surveillance system, so if there was no one to help, the possibility of completely concealing the surveillance was almost nil.

Xuan Fengnian felt that with his own skills, he could keep a close watch on everyone entering and leaving the hotel outside Buckingham Palace, and as soon as the two grandchildren left, he would be able to follow them all the way.

On the one hand, he was worried that he would not do his job properly and help him find the mystery man, and on the other hand, he was worried that he would steal his credit.

After all, from his point of view, this old man, Mak Seung-hing, is no slouch either.

The best solution is to keep a close eye on him, and if this old man dares to do something behind his back, then he will be the first one to get rid of him. ....

However, Xuan Fengnian did not know that at this time, Mac Chengxing had already turned against the water.

After leaving Mac at Buckingham Palace, Mac Chengxing left Buckingham Palace alone and headed for the Du family's old residence, as instructed by Ye Chen.

Xuan Fengnian was puzzled and wondered why Mac did not come with him, but thought that Mac, a youngster like him, could not have any real ability, so he was not afraid that Mac Chengxing was playing some kind of diversion with him.

So he followed him in a rented Volkswagen car.

After pretending to stay by the Du family's old house for half a day and taking out his compass and talisman paper for a while, he pretended to have something, hailed a taxi and went first to the Forbidden Mountain Tunnel where the incident took place, then turned back to the city for a while before finally returning to the Buckingham Palace Hotel.

Xuan Fengnian followed all the way, followed the Mai Chengxing went to the Du family's old house, and went to the Purple Mountain Tunnel, also followed a large circle in Jinling, more and more sure that the old guy must have found some clues.

So, Mai .....

After Chengxing returned to the hotel, he gave Mai Chengxing a call, and over the phone, asked in a pretend concern, "Old Mr. Mai, I wonder if there is any progress in the matter?"

Mai Chengxing was originally planning to call Xuan Fengnian, but he did not expect the other party to call him first, so he followed Ye Chen's instructions and spoke, "Master Xuan, old man, I was out on a big run, and I had just returned to the hotel when your call came."

Xuan Fengnian smiled and asked, "Aiya, Elder Mr. Mai has stepped in, I'm sure there must be progress in this matter, I wonder how it turned out?"

Mai Chengxing then said, "I'm not going to lie to you, things have indeed made a big breakthrough."

Xuan Fengnian hurriedly asked, "What kind of breakthrough has there been, and has the exact person been identified?"

Mai Chengxing said with some difficulty, "Well ..... Master Xuan, I'm sorry I can't say it explicitly over the phone ....."

Xuan Fengnian said with some displeasure: "What's not to say, you directly tell me the clues, I will find that person to kill, so that you and I can go like Master Su to resume orders."

## **Chapter 2905**

---

Mai Chengxing smiled sarcastically and said, "Master Xuan, I'll be straightforward about some things, the clues can be told to you, but I personally have a small condition ....."

Xuan Fengnian's tone suddenly cooled down and questioned, "What? Now that you have some clues, you want to negotiate with me on terms? You mustn't forget, Mr. Mak, that finding that mystery man is in itself your part of the job! And finding the

It's my job to finish off the mystery man, you're doing your own job and you still want to negotiate with me?"

I have come all the way to China just to make some money. After all, I have never done anything like this before, so I may not be able to live with a clear conscience in the future.

He added, "I've been bringing Mike to China for a few days now, and I've been looking around for all kinds of possible clues before, and I've really had a lot of running around."

At this point, Mai Chengxing turned his words and added, "However, Master Xuan, you have just arrived in Jinling, if I give you the clues today, maybe you will kill that person at night, and then you can pat your butt and take the money, compared to this, my money is indeed much harder to earn than Master Xuan!"

Xuan Fengnian asked in a cold voice, "Mr. Mai, from what you're saying, it seems like you want to take a cut of my money and leave, huh?"

Mai Chengxing laughed, "Aiya Master Xuan, I didn't mean that, I just wanted to meet with you for a chat to see how much you alone took from the Su family and how much the two of us took at the Su family."

"Then we can combine the time we came to Jinling with the time you came to Jinling, and together we can work out an amount that is fair and proper for all three of us."

"If we, the grandparents and the grandchildren, take more, then we'll take the excess and make it up to you, Master Xuan."

"But if it is you, Master Xuan, who has taken more, then we must also trouble you to make up the extra portion to us."

When Xuan Fengnian heard this, he exploded with anger.

In his heart, he thought, "This old thing is really shameless, he wants to calculate money by head and time with me at this time, the old thing wants money without life, right?"

However, he did not have a direct attack on the phone, because he knew very well that it was not difficult for him to kill the two grandchildren of Mak Chengxing, but the difficult part was that after he killed them, he was afraid that there was no way to find out who that person was.

So, he had to find a way to get the clues out of him!

So, he questioned in a cold voice, "Old Mr. Mak, since you want to meet for a chat, let's make a time and a place."

Mai Chengxing was busy saying, "Master Xuan come directly to Buckingham Palace, I have booked a suite here, the environment is good."

Xuan Fengnian refused, "I hate places like hotels, otherwise I wouldn't have come to Jinling and been sleeping in the cold, why don't we make a date at Phoenix Hill Cemetery?"

"Phoenix Hill Cemetery?" Mai Chengxing blurted out, "Your parasite ate that security guard's brain, and now there are rumors that he was eaten by a ghost, causing panic among the people, I'm afraid that the

relevant authorities are also watching the place, I'm afraid it's not appropriate for us to meet there again, right?"

When the police officers came to investigate the corpse in the morning, I even went to have a look at the place. "

After a moment's reflection, Mai Chengxing said with some concern, "Master Xuan, the Phoenix Hill Cemetery is really remote, why don't we change to a closer place?"

Xuan Fengnian said in a cold voice: "If you give me the clue now painfully, then we don't even have to meet, but if you want me to give you a portion of the profit out of my pocket, then sorry, you will have to do what I ask!"

Hearing this, Mai Chengxing went along with it and said, "Good! In that case, then I'll see you at Phoenix Mountain tonight!"

Xuan Fengnian smiled, "Tonight at midnight, I won't see you.

## **Chapter 2906**

---

A venomous look surfaced on Xuan Fengnian's expression as he hung up the phone.

He really did not expect that this old thing, Mai Chengxing, would dare to negotiate with him.

At the very moment when he was feeling indignant, something suddenly tumbled in his arms and he hurriedly reached in and pulled out his own insect from his arms.

As soon as it came out, the big white fat insect twisted its body and squeaked out of its mouth, as if it was dissatisfied and protesting.

Xuan Fengnian stroked it and said comfortingly, "Don't be anxious, I know you didn't get enough last time, don't worry, I've prepared two meals for you tonight, I'll make sure you have a good meal!

Interestingly, the big, fat white bug seemed to be able to understand what Xuan Fengnian said.

When Xuan Fengnian said that he would let it have a good meal, it immediately stopped its discontented protests and rolled around in Xuan Fengnian's hand repeatedly.

At this moment, Xuan Fengnian let out an evil laugh and said to himself, "Mai Chengxing, Mai Chengxing, since you are so insensitive, don't blame me, Xuan Fengnian, for being merciless! Today, next year, will be the anniversary of your death. Tonight, I will use you and your great-grandson's brains to feed my precious children!

At this moment, Mai Chengxing hung up the phone, looked at Ye Chen beside him and said honestly: "Young Master Ye, what you asked me to do, I've done it all"

Ye Chen .....

Nodding slightly, he said indifferently, " Then it will be hard for you to go with me to the Phoenix Mountain Cemetery in the evening."

Mai Chengxing looked horrified and said, "Young Master Ye, didn't you say that you only needed me to ask Xuan Fengnian out for you? How come you're asking me to go with you now?"

If you don't show up, the chances are that Xuan Fengnian won't just show up. If he notices something unusual and runs away, then he will immediately guess that you betrayed him, do you think he will let you go?

Mai Chengxing's expression immediately became very ugly.

He said, "Ye Chen is right, since I have arranged to meet with Xuan Fengnian at the Phoenix Hill Cemetery, if there is anything unusual, Xuan Fengnian will suspect that I betrayed him, and if he wants to take revenge on me, there is nothing I can do.

The first thing that happened was that I had to go to the cemetery, and if I didn't get rid of Xuan Fengnian, then I would have to be buried with him. ! If Ye Chen is not strong enough, then we will both end up becoming food for that white worm.

At this moment, Mai Chengxing kept calculating in his heart any possible scenarios and the corresponding results.

After thinking about it, he still felt that he had to trust Ye Chen and hope in Ye .....

Ye Chen was able to finish off Xuan Fengnian.

As for the reason, it was also very simple, if Ye Chen finished off Xuan Fengnian, he would still have a chance to live; but if Ye Chen failed to finish off Xuan Fengnian, then he would definitely die.

So, he could only stiffen his head and agreed, saying, "Okay, Young Master Ye, I will go to Phoenix Mountain with you at night.

In the evening, Ye Chen sent Xiao Churan home and ran away from home himself on the pretext that he had something to do.

At the entrance of Tangchen Yijin, Hong Wu drove a taxi and parked it at the roadside.

At this moment, the taxi was displaying the words Stop Operating on the front.

Hong Wu had been waiting here for a long time, and when he saw Ye Chen come out, he hurriedly got out and said respectfully, "Master Ye, you're here.

Ye Chen nodded and pointed to the taxi and asked him, "Is there anything wrong with this car?"

Hong Wu said: "This is a standard operating taxi, the license plate and documents are all genuine, you can rest assured.

Ye Chen said with satisfaction, "Okay, good job, give me the keys to the car.

Hong Wu did not dare to delay and hurriedly handed a key to Ye Chen's hand and spoke, "Master Ye, if you have any problems, feel free to contact me.

"Good." Ye Chen nodded slightly, shook the car keys and spoke, "I'll leave first.

After saying that, he got into the cab of the taxi, started the car and drove towards Buckingham Palace.

## **Chapter 2907**

---

When Ye Chen arrived in front of Buckingham Palace, Mai Chengxing also walked out from the hotel lobby.

When he reached the entrance and saw the taxi driven by Ye Chen, he waved his hand at Ye Chen.

Ye Chen then drove the car in front of him, lowered the window and opened his mouth to ask, 'A taxi?

Yes!" Mai Chengxing nodded and said, "I'm going to Phoenix Mountain Cemetery."

Go to Phoenix Mountain?" Ye Chen said in mock horror, "Why would you go to a place like that in the middle of the night? I can't go, it's too bad luck.

Mai Chengxing was busy saying, "Little brother, I have something to do at Phoenix Mountain, if you think it's unlucky, can't I give you more money?

When Ye Chen heard this, his eyes twinkled and he asked, "Increase the money? How much can you raise?

Mai Chengxing directly took out ten hundred yuan notes

Handing it to Ye Chen, he said, "A thousand dollars, what do you think?"

Ye Chen therefore .....

The money-eyed look, cheerful beckoning said: 'Come, come, come, get in!

Mai Chengxing then pulled open the car door and sat in.

Ye Chen hurriedly started, the vehicle towards the Phoenix Mountain all the way in.

On the road, Mai Chengxing asked with a nervous face: "Young Master Ye, you said that Xuan Fengnian, in the end will not follow in the back?

Ye Chen blandly said: "No matter if he followed or not, we do the show to do a full set, otherwise in case of disclosure, the other party will definitely disappear without a trace in the first - time.

Mai Chengxing could only nod and asked, "Then when we arrive at the place, should I go in by myself or do you have other arrangements?

Ye Chen then said: "You just get off the bus and go in, wait for Xuan Fengnian to contact you.

Mai Chengxing asked nervously: "Then after I get off, what do you do? Is it secretly following, or waiting outside for the rabbits?

Ye Chen blandly said: "Don't worry, I will follow you in openly at that time.

Mai Chengxing couldn't help but ask: "Wouldn't that make Xuan Fengnian suspicious?"

Ye Chen confidently said: "No, Xuan Fengnian will definitely find a way to let me go in as well. The company was surprised: "How can you be so sure?"

Ye Chen sneered: "Because Xuan Fengnian is extremely important to that natal parasite, he is bent on feeding his natal parasite, so certainly will not stand by and let go of a potential food, and once let me go, to him also a few more exposure risk, why not simply kill me, killing two birds with one stone?"

Mak Shing Hing couldn't help but ask, "What if he doesn't want to get involved and just wants to sort things out with me? That way, if you don't drive the taxi away, Xuan Fengnian will definitely have doubts in his mind.

Ye Chen waved his hand and said confidently: "Don't worry, Xuan Fengnian will definitely not be able to let me go by then!"

## **Chapter 2908**

---

Although Ye Chen did not know Xuan Fengnian, nor did he know how he acted, he felt that for a person like Xuan Fengnian, cruelty and killing must be engraved in his bones.

The fact that he did not kill was not because he was kind-hearted, but because conditions did not allow him to do so, and once conditions allowed him to do so, he would definitely not be soft.

According to Mai Chengxing, the last time he met Xuan Fengnian at the Phoenix Hill Cemetery, Xuan Fengnian had lamented that there was only one security guard at the huge Phoenix Hill Cemetery, so much so that he could not even get enough food for his native parasites.

This shows that once conditions allow, Xuan Fengnian cannot kill just one person, he must be killing as many people as possible.

Today, Mai Chengxing's attempt to take a share of his pocket must have touched his scales, and he will definitely be moved to kill Mai Chengxing, otherwise he wouldn't have asked Mai Chengxing to meet him at Phoenix Mountain.

When the time comes, he will definitely not show any mercy to himself as long as he sees himself as a taxi driver.

At this moment, Xuan Fengnian had been driving behind Ye Chen's taxi.

He was originally thinking that tonight, even Mai Chengxing and his great-grandson .....

Mike was taken out together.

But to his surprise, only Mai Chengxing was the only one who walked out of the hotel.

When he saw him get into a taxi, Xuan Fengnian had already made up his mind that he would kill the taxi driver as well, so that he could feed his own insects, otherwise eating only this bad old man, Mac Chengxing, would not be enough to feed his insects.

He also has already made up his mind, when Mai Chengxing arrived at Phoenix Mountain in a car, he did not even talk to him, first to kill the driver, and then force Mai Chengxing to tell the specific clues, and when Mai Chengxing explained clearly, then he will also be finished.

Xuan Fengnian didn't take the aged Mai Chengxing seriously, he knew that Mai Chengxing had only studied feng shui all his life and was not proficient in killing, plus being too old, he was no match for him at all.

As for the taxi driver who had stopped him casually, he was even less worried.

Not to mention an ordinary driver, even if it was a well-trained special forces soldier, or an expert in internal martial arts, he would have no chance of winning in front of his own compulsion.

In his eyes, such an ordinary person is just .....

It was just a ration for his native parasites.

When Ye Chen drove out of the city, he had already noticed a Volkswagen car behind him that was always a few cars away from him, trailing him all the way.

He also guessed that the person sitting in that car should be Xuan Fengnian.

However, he did not respond in any way, as if he did not see him, and went straight to the Phoenix Hill Cemetery.

At this time, the Phoenix Hill Cemetery was indeed as Xuan Fengnian had said on the phone, and there was no one left long ago. The previous case of the security guard being drained of his brain had not yet been solved, and the entire Phoenix Hill Cemetery's operation team was on edge, so no one was sent to keep watch.

Xuan Fengnian saw Ye Chen's taxi enter the Phoenix Hill Cemetery's panoramic road, so he turned off his lights and followed him directly.

The taxi drove halfway up the mountain, Ye Chen parked the car at the entrance of the cemetery, Mai Chengxing said to him somewhat nervously: "Young Master Ye, then I will go down first, please also pay more attention, don't fall into the path of Xuan Fengnian!"

He was afraid that Ye Chen might not be able to take care of himself, and that he might die here.

## **Chapter 2909**

---

Ye Chen said blandly at this time, "You get out of the taxi first, Xuan Fengnian is right behind you and will be up here soon, as long as you do what I tell you to do, I can naturally keep you safe."

Mai Chengxing gritted his teeth and nodded, even if he didn't trust Ye Chen, he didn't have any other choice at this time, so he could only walk out of the taxi with a stiff head.

Just then, Xuan Fengnian drove that Volkswagen sedan up the hill so fast that when he saw that Mai Chengxing had already gotten out of the car, he directly kicked the accelerator and drove into the rear of whichever taxi Ye Chen was in.

He waited for the car to stop and stepped out of the car in mock anger, shouting at the Volkswagen behind him, "Are you crazy? I'm the only car in this shitty place at night, and you can rear-end me? !"

The door of the Volkswagen behind him suddenly pushed open and a man with a sinister look on his face pushed down the door and sneered at Ye Chen: "Young man, don't be so angry!

Ye Chen angrily questioned, "You hit me and you're telling me not to be so angry?"

Xuan Fengnian laughed grimly and said: 'When people get angry, their brains tend to fill with blood, and this filled brain is like unbleeding pork, it's not good!'"

Ye Chen cursed: "Damn, you're sick in the head, aren't you?"

I'll let you experience what it's like to have your brain sucked clean.

After saying that, he immediately took out the fat and big white compulsion from his pocket and said lovingly, "My good boy, you can eat this appetizer first, after eating this, I will let you eat the old one later!"

At this moment, Mai Chengxing, who was on the side, sternly scolded, "Xuan Fengnian! What are you trying to do?!"

Xuan Fengnian looked at Mai Chengxing and said in a cold voice, "Of course I want to kill you!

"But well, as long as you honestly tell me the clues you've found out, I'll give you a painful death later before I let my native parasite eat your brain."

"But if you don't tell me honestly, then I'll let it gnaw your skull clean bit by bit, and let you experience for yourself how it feels to have your brain eaten!

"Believe me, that will make your life worse than death, if you don't believe me, later on you can see how this kid died first!

Ye Chen this time skimmed his mouth, a disdainful face said: "Sh\*t, where the stinky stupid, raising a disgusting grasshopper even if the big bug, but also full of f\*cking mouth, on this broken thing, still want to eat my brain? Where the f\*ck did you drink last night .....

What? How many dishes ah drink so much?

Xuan Fengnian laughed, full of contempt said: "Ha ha, really ignorant fearless, my native parasite killed countless people, including some so-called martial arts experts, but those experts in front of it, each one is a lamb to be slaughtered, not the slightest resistance, let alone you an ordinary person? You will soon pay the most painful price for your ignorance!

Ye Chen grunted " you dead old man less fucking bragging in front of me, I did not raise a baby silkworm when I was small, you worm is not a little bigger than the baby silkworm? What's the big deal?

"Bastard!" Xuan Fengnian cursed in anger: "You ignorant child, how dare you compare my native parasite with the silkworm baby, I want your dog's life!

After saying that, he shook one hand, to the life compass shouted: "Go!

Immediately after, the native parasite immediately curled into a bow, and then in his hand flicked, the whole body jumped up in the air, straight to Ye Chen's sky!

Ye Chen then saw that the speedy coming compulsion, with a mouth full of black teeth, the mouthpiece looks, seems to be much sharper than the blade made of steel, he does not doubt that this thing can bite a big hole in the sky!

## **Chapter 2910**

4-4 minutes

---

Xuan Fengnian had a cold smile on his face at this time.

He knew that this ignorant young man in front of him would soon have to pay the price of his life.

Because, no one could stop his own native parasite!

Don't look at this big worm that is white and fat, but its body is actually harder than steel, and it can be called invulnerable to swords and guns!

And its bite ability, much more vicious than an adult tiger!

Xuan Fengnian had used his own native parasite to kill the Japanese ninja, the Japanese ninja that cut iron like mud ninja sword cut in the body of the native parasite, immediately shattered into a pile of irregular pieces of iron.

Someone also tried to use fire to resist his native parasite, but spare thousands of degrees of flame, but also can not hurt the native parasite a little.

Therefore, Xuan Fengnian already foresaw in his heart Ye Chen's fate.

Must be his own life compulsion directly jumped to the top of his head, and then a bite will bite a big hole out of his heavenly spirit cover, followed by directly into it, all the things in his cranial cavity a brain devour clean.

And in .....

In the process of devouring, this arrogant and ignorant young man will also experience this world. The most extreme pain in the world!

Because his native parasite has a unique technique, that is, when devouring someone's brain, it simultaneously releases a blood clotting prevention toxin into the other person's brain!

This toxin will pass through the opponent's brain and quickly spread throughout the opponent's entire body's nervous system, while making the opponent's nervous system tens of times more sensitive.

It was precisely because of this that the native parasite was able to continue to manipulate the opponent's corpse through the opponent's nervous system after killing, and it could be said that this toxin, too, was a kind of nerve conduction medium for it.

What's more, this toxin enhances the sensitivity of the opponent's nervous system before death and makes the opponent's perception of pain increase by dozens of times.

In this case, even just being slapped, will hurt to the point of almost wanting to die, not to mention the pain of the brain being eaten up a little, simply more brutal than any known torture in this world!

Xuan Fengnian also wanted to take advantage of this arrogant .....

The young man, to give Mai Chengxing a downward spiral.

So, he looked at Mai Chengxing and sneered: "Old man Mai, you take a good look at what will happen to this kid, if you still resist with me, then you will end up just like him!"

Mai Chengxing's heart was also very nervous, thinking: "What I am most worried about now is that Ye Chen will be killed by a single blow from Xuan Fengnian's native parasite, in that case, I will really be doomed!"

"If I tell Xuan Fengnian that the dead cab driver is the mystery man he's looking for, he won't believe me even if he dies, he'll definitely think I treat him like a retard!"

A thought to this, Mai Chengxing heart is also a million thoughts, the heart lamented: "I can not say this old bones, this time to throw in here"

Just saying, the parasite has flown to the top of Ye Chen's head, just twenty centimeters away from Ye Chen.

At the same time, it has opened its mouthpiece wide, ready to Ye Chen's head directly to a ruthless gnaw down.

And like a fool, Ye Chen did not even know to dodge
