

Ye Chen 3061

Chapter 3061

Originally, the family was happily waiting for the arrival of twelve o'clock, but Xiao Changkun didn't expect that he didn't hold back his mood, a show, but he was made to lose all his future income by Ma Lan.

Deep inside his heart, he began to reflect on why he had repeatedly fallen behind in front of Ma Lan.

He found that Ma Lan had this ability, seemingly simple-minded, just by a shamelessly spirited energy, but in fact Ma Lan always found the most accurate point in himself, and at once pinched himself to death.

Thinking back on these twenty years of married life, Xiao Changkun's heart burst with despair, because in these twenty years, he had not won in front of Ma Lan, half of his life was eaten to death by Ma Lan, there was no room for resistance.

Ye Chen saw Xiao Changkun some resentful, and a side of Ma Lan a smug look, a silent sigh, he increasingly felt that his old man is rotten to the wall.

This timid and fearful middle-aged man, the ability is not, the level is limited, and the heart can not hide things, and especially easy to complacent, the bigger problem is always lack of courage, look at it this way, he is afraid that this life, it is difficult

The nightmare of escaping Ma Lan.

Xiao Churan also saw that Dad was depressed, hurried to change the subject and said to Ye Chen: "Right husband, Mom just said, when her legs are better, want you to take her to experience the yacht, I do not know if it is convenient for you?"

"Convenient ah." Ye Chen casually agreed, said: "When Mom's legs are better, the weather is warmer, we will go out to sea to go around."

When she heard this, Ma Lan was overjoyed and said: "Oh, that's really great! I've never been on a private yacht in all my years of life!"

The joyful Ma Lan, said: "Right, let's sail out, can't we go all the way to the south, to the South China Sea Island to turn around? !"

Ye Chen nodded and said: "No problem, from the mouth of the sea to the South China Sea is not much far, to say more than two thousand kilometers, the yacht, at most two or three days to reach."

Ma Lan immediately excited, clapped his hands and said: "Great great! I have never been to the South China Sea, the previous few years, once the winter, Mrs. Xiao will be open to go to the South China Sea for the winter, but each time only take Xiao Changqian and his family to go, never let us follow, think about it I am angry!"

After saying this, Ma Lan began to pull out her mobile phone and research the famous sights and cuisines of the South China Sea.

As the family chatted casually, the time had come to 12am.

Xiao Churan began to take out her phone and silently read the seconds at 11:59 a.m. At the exact moment of 12:00 a.m., she put down her phone and said softly to Ye Chen who was sitting beside her: "Honey, it's 12:00 a.m., happy birthday to you!

Ye Chen laughed: "Thank you, wife!

Ma Lan also hurriedly echoed, "Happy birthday, good son-in-law! Mum wishes you great fortune and prosperity in the future!

Xiao Changkun was a bit dejected, but he pulled himself together and said: "Ye Chen, Dad wishes you a happy birthday, every year and every year!

After Ye Chen thanked the old enemies one by one, his mobile phone began to buzz and vibrate continuously, receiving dozens of text messages and weibo messages in a row.

When he opened his phone, he saw that many of his friends had sent him messages wishing him well at this point in time. Chen Zekai, Hong Wu and Qin Gang were not to mention, Song Wanting, Qin Aoxue, Chen Xiaozhao, Dong Ruolin, Wang Dongxue and Ito Nanaezi had also sent messages wishing him a happy birthday.

Chapter 3062

Apart from that, Mr and Mrs Gu Yanzhong, mother and daughter duo Du Haiqing and Su Zhiyu, father and daughter duo He Yuanjiang and He Zhiqiu, all sent messages of blessing.

Ye Chen did not expect that even Xiao Weiwei had sent a message of blessing, and also thanked Ye Chen for helping her during this period of time.

However, the one person Ye Chen did not expect the most was his grandfather, Ye Zhongquan.

Even he, an elderly man, kept the time of 12 o'clock and sent a message on time to wish him a happy birthday, which Ye Chen had not expected.

His aunt, Ye Changmin, who had always suffered in front of him, also sent a message wishing Ye Chen a happy birthday and apologizing for what she had done in the past, hoping to get Ye Chen's forgiveness.

Xiao Churan could not help but be surprised when she saw that Ye Chen kept receiving all kinds of messages. She did not bother to read the contents of these messages, but only guessed that the people who sent these messages should all be Ye Chen's clients.

The person sitting opposite, Ma Lan, seeing Ye Chen constantly receiving all kinds of messages, couldn't help but lament with a smile on her face: "Aiya, my good son-in-law, your popularity is really great now, so many people keep this time of 12 o'clock to wish you a birthday, they should all be your customers, so it seems like your business this year must be even better than last year!

Ye Chen smiled slightly and said: "Actually, they are all old customers, it's just that we have become friends with them after a long time."

Saying that, Ye Chen replied to all the people who had sent messages, one by one, thanking them, even Ye Changmin, he also politely replied with the word thank you.

After that, he then said to Xiao Changkun and Ma Lan, "Mom and Dad, it's also late, you guys should go back to your rooms early and rest."

Ma Lan nodded and yawned, saying, 'Oh, I'm still a bit sleepy, I can't stay up as I get older.

After saying that, she turned her head to Su Changkun and said, "Give me a hand and take me back to my room.

Xiao Changkun did not dare to say anything, reached out to help Ma Lan up and accompanied her into the lift.

Xiao Churan saw the two enter the lift and couldn't help but ask Ye Chen: "Honey, do you think things can still go back to the way they were between my parents?"

Ye Chen laughed twice: "This kind of thing, who can say.

Xiao Churan asked in a low voice: "What's the situation between Dad and that Auntie Han now? After Dad cried so much in the car last time, I was too embarrassed to ask him about these things anymore

Xiao Churan asked nervously: "Honey what do you mean when you say we will see soon?"

Ye Chen thought of He Yuanjiang and said indifferently: "I can't say this right now, but if there are any results, I will tell you first.

Xiao Churan nodded helplessly: "Alright then.

The two of them really want to divorce because of that Aunt Han, I'm afraid that Mom will be too miserable alone in the future.

The two of them are really going to divorce because of that Aunt Han. It's better to let them deal with their own affairs, we as children only need to support their own decisions.

Speaking of this, Ye Chen added comfortingly, "You see many young people don't want their parents to interfere with their private lives, let alone their parents. So we won't have to worry much about it.

Xiao Churan nodded gently, as if she too was relieved in this moment, so she took Ye Chen's arm and said: "OK, then listen to you and let them make their own decisions, let's go back to our room and rest.

Chapter 3063

Early the next morning.

After Ye Chen and Xiao Churan had breakfast, they drove her to the old mansion in the old city, just as they had done yesterday.

From what Xiao Churan said, Du Haiqing had put a lot of effort into restoring this house, and many small details were even perfected regardless of the cost.

In the car, Xiao Churan lamented to Ye Chen: "It's the one you met yesterday, that client of mine, Auntie Du, I originally made him a proposal of more than two million dollars, which was actually very sufficient for repairing her old mansion, but she kept adjusting the proposal again yesterday and increased the budget directly to one thousand

I find that rich people really don't care about the cost of doing things, the actual sale price of this house is estimated to be no more than one million, and the government does not allow renovation or major changes to the exterior, but she has to use so much money to restore the interior, ten million could almost buy that alleyway, I really can't understand

Ye Chen smiled faintly and said: "Maybe this old mansion has some special meaning to people, so it makes sense that people want to spend money to fix it up better.

I don't know why she chose to come to Jinling to retire," Xiao Churan said, "By the way, Auntie Du's daughter is also said to be living here with her, and her daughter also speaks with an accent from Yanjing.

Ye Chen nodded and laughed: "In fact, living in Jinling is much better than living in Yanjing, Yanjing, a place where the summer is hotter than the south, and the winter is particularly cold, and the spring and autumn days are particularly short, usually October is directly into the winter, the next year in March and April began to warm up, the most important thing is that the weather is particularly dry, windy all day and night, some years ago there were sandstorms, the past two years is considered The last two years have been better, but all kinds of environment is still much worse than the south, you see how good our Jinling, the air is moist, the four seasons are clear.

Xiao Churan could not help but laugh: "Look at you say, as if you are familiar with Yanjing, you have lived in Yanjing ah?

Ye Chen laughed: "not to help a client in Yanjing some time ago to see the feng shui, the client and I spit, in fact, the more people to the north, the more they yearn for the south, you see the northeast all year round cold, the people there like most is the South China Sea.

Xiao Churan nodded and said: "What you say is also...The climate conditions in Jinling are indeed much better than in the south.

After that, Xiao Churan said: "By the way, Auntie Du seems to have a good impression of you, has been asking me about you, after hearing that you can read feng shui for people, she said she wants to invite you to go over and give her a look too, if you have time, go and give Auntie Du a look, she is quite nice.

Ye Chen could not help but frown, Du Haiqing is not unaware of his true identity, why bother to say this to Xiao Churan again?

Thinking of this, his mouth will casually said: "last time I went to see, her set of old mansion feng shui is still very good, there is no need to do any changes, if you really want to transfer, then also wait until after all done. When the time comes to do a subtle adjustment will be almost done.

"Good." Xiao Churan did not know that Ye Chen was being perfunctory, nodded and said: "Later, when we arrive, I will go and talk to Auntie Du.

Ye Chen sent Xiao Churan to the entrance of the old mansion, Du Haiqing just came out from the courtyard, and when he saw Xiao Churan get off, he said with a smile: "Churan is here.

Xiao Churan smiled and said, "Hello Auntie Du, I made a slight adjustment to the last plan, you can take a look at it again later."

Chapter 3064

"Good!" Du Haiqing nodded, waved his hand at Ye Chen sitting in the driver's seat, smiled and said: Hello Mr. Ye, hello again.

Ye Chen lowered the car window and said with a smile, "Hello Auntie Du, I have something to do later, so I won't get out of the car."

Du Haiqing quickly nodded and said: "If you have something to do, hurry up and go busy, Chu Ran in my place you can rest assured.

Ye Chen nodded, and in his heart, he couldn't help but wonder, last time Du Haiqing saw Xiao Churan, She was called Mrs. Xiao, but this time she changed her name to Churan, it seems that the relationship between these two people is progressing quite fast.

Ye Chen does not doubt Du Haiqing's character, but once he thought that she seems to have some deliberate intention to get closer to Xiao Churan, his heart is still more or less a little worried, worried that Du Haiqing intentionally or unintentionally said something.

But at the moment he did not want to remind Du Haiqing directly, I believe Du Haiqing still have some sense of things.

So, he said goodbye to the two of them and drove straight to Buckingham Palace, waiting to pick up Gu Qiuyi and then go to the airport to pick up Gu Yanzhong and Lin Wanqiu and their spouses.

After Ye Chen arrived at Buckingham Palace, he went straight to Gu Qiuyi's room.

Just as he reached the door of Gu Qiuyi's room, the door of the room opened from inside.

Chen Duoduo, the agent of the company, was wearing a work uniform with the logo of the agency, dragging a big box, was about to come out of the room, Gu Qiuyi's voice also came from inside: "Duoduo, after you arrive at the venue, you must put my baby properly in my dressing room, without my permission, no one other than you can go in, let alone touch it. It is not allowed to go in without my permission, no one but you, and not to touch it, got it?"

Chen Duoduo said helplessly: "Oh, I know, you have been nagging at my ears all morning, so annoying, if you really do not worry about me, or you can bring it yourself.

Gu Qiuyi said offhand: "I do not have time to go to the arena in the morning! The first thing you need to do is to take care of it, and then you'll have to go to the airport to pick up my parents, and then you'll have to go to the hotel at noon for my brother Ye Chen's birthday.

Chen Duo Duo discontented muttered: "all day long know Ye Chen brother, Ye Chen brother, listening to my ears are almost calloused, but I do not know what is so good about your brother Ye Chen, the entertainment industry than his handsome male more than.

Gu Qiuyi grunted: "You are not allowed to say bad things about my brother Ye Chen, in my mind he is the most handsome.

Chen Duo Duo helplessly shook his head, while pushing the box out, while turning back to say: "lazy to listen to you this nymphomaniac here broken, I have to hurry to the venue, there is still a lot of work in the morning to the venue to do the final confirmation it.

After saying that Chen Duo Duo just out of the door, a turn, it collided with Ye Chen face to face.

Suddenly saw Ye Chen, Chen Duo Duo was startled, said Cao Cao Cao Cao, which made her heart a little weak.

Moreover, this was the first time she came face to face with Ye Chen at close range, and the angular, handsome and handsome face in front of her made her feel a little heart-racing and flushed.

She suddenly felt that what she said just now was really a bit inappropriate.

In her heart, she couldn't help but mutter: "It's really hard to find male artists in the entertainment industry who are more handsome than Ye Chen."

"Moreover, even if there are some male artists who look more handsome than Ye Chen, most of them have had plastic surgery and are not natural at all."

"Nowadays, in the entertainment industry, as long as they go the route of idol love beans, who does not have plastic surgery? Sometimes male artists are more ruthless than female artists, and many male artists, although cosmetic surgery is very good-looking, but one is more feminine than the other, and some are even more feminine than women, like Ye Chen such a tough handsome man is really not seen.

Chapter 3065

Ye Chen collided with Chen Duoduo face to face, not expecting Chen Duoduo to seem frozen again, so he deliberately coughed twice: "Ahem, hello Miss Chen."

Only then did Chen Duoduo come back to her senses. When she thought that she had just been staring at Ye Chen's handsome face for half a day, she was ashamed and asked nervously, "Aiya, what are you doing here"

"I came to pick up my in-laws." Seeing her panicked look, Ye Chen couldn't help but ask, "What are you so scared for, it's not like I'm going to eat you?"

Chen Duoduo touched her chest, calmed down, and deliberately said loudly to Ye Chen, "You are not going to eat me, I am afraid that after you hear what I said wrong, the tigress in the house will eat me up!"

When Gu Qiuyi heard Chen Duo Duo's words, she subconsciously asked after him, "Duo Duo, who are you talking to? Who are you calling a tigress? You don't deserve it, do you!"

After saying that, she hurriedly ran out and once she saw Ye Chen, her eyes lit up and she said excitedly, "Brother Ye Chen, why didn't you tell me that you were here?"

Then, without waiting for Ye Chen's answer, he said to Chen Duoduo, "Aiya Duoduo, you should go now, don't delay your work, hurry up, hurry up, pay attention to safety on the way."

After saying that, she hurriedly took Ye Chen's arm and said to him, "Brother Ye Chen, come in and sit for a while, wait for me, I'll simply put on some make-up and we'll leave!"

Seeing Ye Chen being pulled into the room by Gu Qiuyi and the door closed, Chen Duo Duo couldn't help but mutter in a low voice in exasperation, "You're a womanizer! Absolute womanizer!"

After saying that, she left alone, dragging her suitcase with resentment.

In the room, Gu Qiuyi pulled Ye Chen, pressed him to the sofa and said, "Brother Ye Chen, wait for me for a few more minutes, I'll be ready soon."

After saying that, she had already run into the bathroom.

On his side, Ye Chen took out his mobile phone and called Richard Chen to confirm that the caravan was ready, so he waited for Gu Qiuyi to finish packing and left the room with her.

As with yesterday's pick up of Gu Qiuyi, Richard Chen helped to get through to the airport and several cars drove straight into the airport hangar, then waited for Gu Yanzhong and Lin Wanqiu's plane to land.

At 10.40am, a brand new Boeing 737 converted into a business jet landed at Jinling Airport.

This airliner, which originally had a maximum capacity of nearly 200 passengers, had been completely modified to become a private business jet capable of flying to all parts of the world.

The plane was slowly driven into the hangar via the guidance car, and before it was even parked, Ye Chen could already see the couple who were beckoning to himself and Gu Qiuyi from the fuselage porthole.

Due to the large size of the plane, the airport staff had specially driven a passenger lift truck, and after completing the docking with the cabin door, the couple stepped down from the passenger lift.

Gu Qiuyi was in an extremely good mood and quickly waved and shouted, "Dad and Mom!"

Gu Yanzhong and Lin Wanqiu walked down together, hand in hand.

Having not seen him for many days, Ye Chen noticed that Gu Yanzhong was looking very well, his whole body was straight and radiant, and he looked as if he was only in his early forties.

He looked like he was in his early forties. He looked this good because of the effect of the Spring Return Pill.

However, Lin Wanqiu, who was beside Gu Yanzhong, looked slightly tired in comparison to him.

In fact, although Lin Wanqiu was almost fifty years old, due to her excellent maintenance, she usually looked like she was in her forties, and if she stood with Gu Qiuyi, she did not look like a mother and daughter at all, but more like a pair of sisters.

However, the state she presented as a whole was considerably worse than Gu Yanzhong, who was obviously a few years older, and seemed somewhat sickly.

Chapter 3066

Ye Chen immediately recalled what Gu Qiuyi had told herself, Lin Wanqiu had been personally helping Gu Yanzhong recently, thinking that the heavy workload should have dragged down her body and energy.

The couple had just stepped down the passenger stairs when Gu Qiuyi could not help but take Ye Chen's hand and greet him with quick steps.

Ye Chen said with great respect, "Uncle Gu, Auntie Lin, it's hard for you two to travel so far, it's really a bit too much!"

Gu Yanzhong laughed and said, "Chen'er, you saved my life, how can you still be polite to me for such a small matter?"

Lin Wanqiu, who was at the side, also said with a smile, "Yes, Chen'er, your uncle Gu has been looking forward to celebrating your birthday this year, he has been talking about it for a long time, you don't know how excited he was all the way."

Gu Qiuyi asked, "Dad, where is the birthday cake I asked you to bring for me? Did you bring it over?"

Gu Yanzhong smiled, "Of course I brought it! How could I forget what my precious daughter had told me to do? The cake is in the cargo hold of the plane, and I have asked the crew to keep the temperature of the cargo hold at zero degrees according to the cake maker's requirements, and the packing boxes are all reinforced, so there will be no problems.

"That's good!" Gu Qiuyi breathed a sigh of relief, looked at Ye Chen and said with a smile, "Brother Ye Chen, the cake I ordered this time is especially great, you will definitely like it when you see it!"

Ye Chen smiled, "Nyan Nyan, then I'll thank you in advance."

Gu Qiuyi said shyly, "Why are you still so polite with me"

Ye Chen smiled faintly, then said to Gu Yanzhong and his wife, "Uncle Gu, Auntie Lin, let's leave for the hotel now, I've made all the arrangements there."

"Good!" Gu Yanzhong nodded and then instructed the staff around him, "You guys take down the cake and send it to the hotel, be careful and don't make any mistakes."

Several staff members hurriedly nodded and said, "Don't worry, Mr. Gu, we'll make sure the cake is delivered intact."

Gu Yanzhong nodded slightly in satisfaction and said to Ye Chen and Gu Qiuyi, "Let's go then!"

Gu Qiuyi couldn't help but ask, "Dad! You came so far to celebrate brother Ye Chen's birthday, didn't you prepare any birthday gift for brother Ye Chen?"

Gu Yanzhong blurted out, "Of course I did, do you think your old dad looks like the kind of person who knows how to do 'karate'?"

Gu Qiuyi was surprised and asked, "How come I didn't see you prepare a present? You had the cake delivered to the hotel, but you didn't say there were any other gifts to be sent with it! Did you really not prepare anything?"

Ye Chen said, "Nui Nui, don't talk nonsense, how can I let Uncle Gu, the eldest, give me a present for my birthday"

Gu Yanzhong laughed, "Chen'er, as an elder, it's only right for me to give a birthday present to my junior, Nui Nui is right."

Lin Wanqiu said with a smile, "Old Gu, you see, your girl has not even married yet, but she is starting to turn her elbow to the outside, she is even picking on you!"

Gu Qiuyi spat out her tongue, "Mom, how can I call it turning my elbow towards Ye Chen's brother?"

Gu Yanzhong shook his head with a smile and said to Gu Qiuyi, "After almost twenty years, I am celebrating Chen's birthday for the first time, how can I, as an uncle, play 'karate'?"

Saying that, he pointed to the plane behind him and smiled, "Here, this is the birthday present I prepared for Chen'er! This plane was just produced from the Boeing production line in Seattle, USA at the beginning of the year, and I had already asked for connections to step up the customization last year, and all the modifications inside were made according to the top modification plan, so it will be Chen's private jet from now on!"

When Ye Chen heard this, while shocked, he also hurriedly said, "Uncle Gu, this gift is really too expensive, I can't accept it"

Gu Yanzhong blushed a book and spoke, "You accept it or not, I've already had someone drive it over anyway, if you don't want to accept it, then just leave it here."

Next to him, Lin Wanqiu hurriedly said, "Chen'er, this is a piece of your uncle Gu's heart, and it's not even talking about how valuable it is, so you can accept it with confidence!"

Chapter 3067

Ye Chen was not out of touch with Gu Yanzhong, he just felt that it was a bit of a breakthrough for him to suddenly give himself a private jet.

And this was not an ordinary small private jet worth tens of millions or one to two hundred million dollars, this was a Boeing 737 airliner converted into a private jet.

A Boeing 737 ordinary airliner costs around US\$100 million from the factory, but this is just an ordinary airliner, and for a private jet, an ordinary airliner is the equivalent of a rough house, and the cost required to convert and renovate this rough house accounts for at least half of the total value.

If you do the math, just this one plane would be worth a billion RMB.

For a birthday, receiving such an expensive gift, Ye Chen was indeed a bit ashamed to accept it.

Seeing that he seemed to be hesitant, Gu Yanzhong went forward to take him by the shoulders and said in a serious manner, "Chen'er, in my Gu Yanzhong's mind, you are just like my son, you also have your own business now, you often need to fly back and forth across the country or even around the world, having your own private plane will be much more convenient for you."

Ye Chen said seriously, "Uncle Gu, in fact the Ye family also has a spare private jet in Jinling, which is generally enough for me to use, I really don't want you to go too far out of your way."

Gu Yanzhong said with a very firm expression, "The Ye family's private plane is the Ye family's, the plane that uncle gave you is your own, using your own stuff and using someone else's stuff can that feel the same? Besides, your relationship with the Ye family now is not exactly Ming Lang, in case you have a falling out with your grandfather one day, by then using his plane again, won't you be short of someone?"

He said, Gu Yanzhong added, "Besides, what else do you have to be polite about with your uncle? A plane is just a plane, at best it's only a billion, I'm also considered someone who almost died once, it's painful to have so much money with no place to spend it."

Lin Wanqiu at the side also hurriedly echoed, "Yes Chen'er, just accept it painfully, don't turn around when your uncle Gu is so old and gives you a birthday present and still has to beg you to accept it."

Hearing this, Ye Chen immediately realised that he was indeed being a little too insensitive.

The more expensive the gift was, the more it represented the importance Uncle Gu and his wife attached to him, and if he still repeatedly excused himself, then it would hurt his feelings for them as well.

So he immediately nodded and said, "Thank you Uncle Gu, thank you Auntie Lin, from now on I, Ye Chen, will also be someone who has a private jet!"

As soon as Gu Yanzhong heard this, he immediately laughed, and the big hand on Ye Chen's shoulder shook vigorously as he said with a smile, "Go! Let's go to the restaurant!"

Ye Chen invited Gu Yanzhong and his wife to sit in the back row of his BMW 760, and then pulled open the passenger door for Gu Qiuyi, while he instructed Chen Zekai before finally getting into the car, "Old Chen, let your car drive in front, let's go directly to Tianxiang House now."

Ye Chen had already agreed with Hong Wu before that he would be entertaining important guests at the Tian Xiang Mansion today, so the entire Tian Xiang Mansion was not open to the public today.

Hong Wu had also put off all the things at hand and rushed to the Tian Xiang Mansion early in the morning to supervise the work.

From the security and service procedures of the entire House, to the freshness of each dish to be prepared today, the freshness of the raw materials and the cleanliness of each piece of cutlery, Hong Wu has basically checked everything more than once in advance.

When Chen Zekai was leading the way and leading Ye Chen out of the airport, Chen Zekai had already informed Hong Wu of the news.

Hong Wu immediately asked all the service staff to line up and prepare for the welcome at the car park in front of the Tian Xiang House, while also instructing many of his juniors to stand guard on both sides of the entrance, and asked them not to let any idle people in.

After all, Gu Qiuyi, who was travelling with Ye Chen, was one of the hottest stars in the country today, and if the news of her dining at the Tianxiang Mansion was revealed, it would immediately make the gossip news, and Hong Wu was extremely loyal to Ye Chen, so he naturally did not want to

leave any hidden problems for Ye Chen.

Chapter 3068

When the motorcade pulled into the car park, Hong Wu led a group of attendants to wait at the entrance.

As soon as Ye Chen had parked the car, he took the lead and walked forward, first pulling open the two rear doors as well as the passenger door, and said politely to Mr and Mrs Gu Yanzhong and Gu Qiuyi, "Welcome the three distinguished guests to Tianxiang House!"

Only then did he pull open the main car door and said to Ye Chen, "Master Ye, the boxes are all ready, let's go in now."

Ye Chen nodded and said, "You've worked hard."

"I should!"

Chen Zekai stepped out of the car at this time and said to Ye Chen, "Young master, I'll be waiting at the entrance, so if there's anything you need, just give me an order at any time."

Ye Chen said, "Why are you waiting at the door? Tell Hong Wu to make some arrangements, you guys find a box to sit down and eat, I'll come over and have a drink with you guys later."

Hong Wu hurriedly said, "Okay Master Ye, I'll take care of it!"

When Chen Zekai heard this, he was really touched in his heart. No matter what time of day it was, Ye Chen would always think of him and Hong Wu and his men, which was indeed much better than the average young master of a rich family!

So, he said respectfully, "I'll do whatever the young master wants!"

Ye Chen nodded, and Hong Wu then spoke, "Master Ye, you four please follow me first!"

The four of them then followed Hong Wu towards the main entrance of the Tian Xiang Mansion.

Gu Qiuyi remembered about the cake and hurriedly said to Hong Wu, "Mr. Hong, a staff member will bring a custom-made cake in a moment, please arrange a suitable food cart and help push the cake to the box later, this cake is very precious, so please also ask the staff member to be careful when arranging this, don't break the cake, thank you! "

Without hesitation, Hong Wu said, "You're welcome, Miss Gu, Hong Wu will make all the arrangements!"

Afterwards, Hong Wu guided the crowd all the way to the Diamond Box of the Heavenly Fragrance House, which had been cleaned up and tidied up so well that it was not an exaggeration to describe it as spotless.

On the large round table, there were eight cold dishes, four meat and four vegetarian dishes, each of which was prepared with the utmost care.

In the centre of the table, two bottles of Moutai wine and two bottles of Romanee Conti red wine worth several hundred thousand dollars were placed.

A total of four sets of exquisite tableware were placed on the table, and next to each piece of tableware, there was also a golden character sheet with many messages written on it in very elegant brush writing.

Hong Wu said to Ye Chen and the others, "I have arranged a menu in advance on my side, the order of serving, ingredients and characteristics of each dish are all written on the list, the four distinguished guests can have a general look and understanding, if there are any contraindications or any other needs, you can always talk to me!"

Gu Yanzhong picked up one of the posts and looked at it, exclaiming, "This is a beautiful hand of writing in lower case! The paper is also very elaborate!"

As he said that, he put the post under his nose and sniffed it, marvelling, "This ink scent is very strong, it doesn't smell like it's modern, does it?"

Hong Wu couldn't help but give a thumbs up and exclaimed, "Mr. Gu is really discerning, this writing, I asked one of our calligraphers in Jinling to write it, using the emblematic ink made in the first year of Xuande of the Ming Dynasty."

Gu Yanzhong couldn't help but exclaim, "Mr. Hong is so meticulous, such good service, even in Yanjing, I've never seen it before!"

Hong Wu said, "I'm not going to lie to you Mr. Gu, normally my Tian Xiang House would not be able to do this at all, but today it was Master Ye who explained in advance that he wanted to entertain his valuable guests, so I went to some extra trouble for Hong"

Gu Yanzhong gave a thumbs up and said with a smile, "Thank you Mr. Hong for taking the trouble!"

Hong Wu respectfully said, "Where, it's all what I should do!"

After saying that, he then said to Ye Chen, "Master Ye, I won't keep you and your guests from dining here, I will send the cake over later when it arrives as per Miss Care's request, if you two have any needs, feel free to call me!"

Ye Chen nodded slightly and said to Hong Wu, "Hong Wu, order someone to prepare three cups of pure water and send it over."

Chapter 3069

As soon as Hong Wu heard Ye Chen say that he should prepare pure water, he immediately said, "Master Ye, do you want me to brew some good Ming Qian Long Jing and send it over? They were all picked from Suhang just two days ago and sent to Jinling, they are very good."

Hong Wu obviously did not know why Ye Chen asked himself to prepare pure water, so Ye Chen smiled slightly and waved his hand, "Don't go to such trouble, just prepare pure water directly."

After saying that, Ye Chen spoke again, "Oh yes, by the way, prepare a fruit knife for me."

Although Hong Wu was unsure, he immediately nodded and said, "Okay Master Ye, I'll go and prepare it and send it over right away!"

Mr and Mrs Gu Yanzhong and Gu Qiuyi were also confused as to why Ye Chen wanted pure water and a fruit knife, but they didn't ask any questions.

Immediately afterwards, Ye Chen said with a smile, "Uncle Gu, Auntie Lin, and Nui Nui, let's sit down first!"

"Good!" Gu Yanzhong laughed and said, "Chen'er, today is your birthday, uncle is so happy, we must have a drink!"

Ye Chen nodded his head without hesitation and said, "No problem, Uncle Gu! I'll drink with you as much as you want!"

After saying that, he took the initiative to open a bottle of Maotai and poured two glasses for himself and Gu Yanzhong.

Gu Qiuyi also hurriedly opened the Romanee Conti red wine and slowly poured it into the wine dispenser while saying to Ye Chen, "Brother Ye Chen, I have a performance tonight, so I can't drink too much, I'll toast you and my parents later, so I won't drink more."

Ye Chen laughed: "It doesn't matter, drinking more won't delay your business."

Gu Qiuyi spat out her tongue, "The performance tonight is so important, I dare not make any mistakes, if I drink too much and go crazy on stage, it doesn't matter if I make a joke, but if I ruin the performance, it will be over."

Ye Chen patted his chest and promised, "Nui Nui, just trust me and drink to your heart's content, I'll never let you interfere with anything."

Gu Qiuyi hesitated for a moment, but once she thought that Ye Chen never said anything irresponsible, she nodded and said, "Okay, then I'll listen to you, if I delay the performance or make a joke, I'll be stuck with you."

Ye Chen nodded and said with a smile, "Just put your mind at ease."

Gu Qiuyi asked Lin Wanqiu, who was beside her, "Mum, do you want some wine too?"

Lin Wanqiu smiled and said, "It's such a happy occasion for Chen's birthday, so of course I have to drink some."

After saying that, she looked at Ye Chen and said apologetically, "Chen'er, auntie is a little tired lately, so she may not be able to drink as much as she usually does."

Ye Chen nodded and asked with concern, "Auntie Lin, you are not in good shape because of your recent work, right?"

Gu Yanzhong, who was beside him, said with emotion, "Yes! Ever since I cleared out the threats inside and outside the group, your Auntie Lin has been helping me with the company's affairs. Although my two younger brothers are much more honest, after the previous incident, I can hardly trust them 100%, so I dare not give them important work, and now I am suffering from the lack of trustworthy staff, so your Auntie Lin has to work harder."

After saying that, he looked at Lin Wanqiu and thanked her, "Wife, it's been really hard for you this time."

Chapter 3070

Lin Wanqiu smiled faintly and said heartily, "There is nothing hard about it, as long as you are healthy and your career is going smoothly, I am relieved."

As long as you are healthy and your career is going well, I will be relieved." Lin added, "I am also younger than you, so this little workload is nothing."

Gu Qiuyi said, "Mum, after my concert is over, I will go back to help you and dad, and I will work hard to make it easier for you!"

Lin Wanqiu smiled, "That's really great, when we play together as a family, your father and I will definitely be able to relax a lot too."

Just then, a knock sounded at the door, so Ye Chen said, "Come in!"

As soon as the words left his mouth, Hong Wu dragged a fine tray with one hand and pushed the door in with the other.

On the tray, there were three glass cups filled with pure water, as well as a fruit knife that was one zigzag long.

Hong Wu placed the tray carefully in front of Ye Chen and said respectfully, "Master Ye, the water and knife you want are here."

Ye Chen nodded and smiled faintly, "Thank you for your hard work."

Hong Wu was busy saying, "You are too polite, Master Ye, if there is nothing else I will go out first."

"Good."

After Hong Wu left, Gu Qiuyi asked Ye Chen, "Brother Ye Chen, what do you need the water and the knife for?"

Ye Chen laughed, "You'll find out soon."

Saying so, he took out a very delicate rosewood box from his pocket.

When he opened the rosewood box, Gu Yanzhong instantly recognised the pill that was placed in it.

He knew that it was the miracle pill that had saved his life at the beginning and even made him a dozen or twenty years younger at once.

Lin Wanqiu and Gu Qiuyi, mother and daughter, had also witnessed this miracle with their own eyes, so naturally they were also extremely impressed by this Spring Return Pill.

Only, the three members of the family did not know why Ye Chen had suddenly taken out such a precious treasure.

At this moment, Ye Chen directly took out the Spring Return Pill, and then took the fruit knife that Hong Wu had sent over and divided this Spring Return Pill into three equal parts.

At this time, this family of three also finally realized the purpose of how Ye Chen did it.

Gu Yanzhong and his wife, Lin Wanqiu, both had some inexplicable nervousness, excitement, and a vague anticipation deep inside.

It wasn't that they had always coveted the Spring Return Pill, but both of them had almost reached the age of knowing their fate, and the older they were, the more they longed for the youth that had passed away.

Usually, they did not dare to hope that they would still have any chance to have any connection with the Spring Return Pill, so when they saw Ye Chen take out one and share it equally among three, they had already realised what Ye Chen was going to do, and their hearts were naturally excited.

Immediately afterwards, they saw Ye Chen, put these three portions of the Spring Return Pill into three cups of pure water.

Miraculously, once the solid Spring Return Pill entered the pure water, it immediately melted away and soon dissolved into the water completely.

The pure water that had melted the Spring Return Pill was still invisible, as if the Pill had disappeared directly into the water.

Afterwards, Ye Chen handed the three cups of water with the Spring Restoration Pill melted into it to the three of them and said, "Uncle Gu, Auntie Lin and Nui Nui, you are all in good health now, only that you are in a slightly worse state because of the intensity of your work, especially Auntie Lin. When Uncle Gu was ill, you had to worry a lot."

"Each of these three cups of water contains a third of a rejuvenation pill, which will not make you ten or twenty years younger, but will at least restore your body, skin and mental state to that of five or eight years ago."

"It will also greatly replenish your body's need for vital energy, and it will also give the three of you a great boost in energy and stamina in your future work life."

Speaking of this, Ye Chen looked at Lin Wanqiu, who had an excited face, and said with a smile, "Auntie Lin, if you drink this cup of water, not only will your strenuous condition be completely relieved, your skin as well as your body will also be more youthful, and it is estimated that by then, people who don't know will think that you are still less than thirty-five years old!"

"As for Uncle Gu, you are estimated to reach the state of thirty-eight or nine years old as well."

"As for Nui Nui, it is estimated that the whole person will be able to return to the state of eighteen years old."
