

Ye Chen 3101

Chapter 3101

The family of four was full of wine and food, Xiao Changkun was already a little drunk and started to speak with a big tongue, so it looked like he had drunk too much.

Ma Lan and Xiao Churan are not strong, but after Ma Lan heard that the wine also costs 100,000 a bottle, a person gritted his teeth and drank more than half of the bottle, the whole person drank the five confused, holding the bottle of wine a silly joy.

Xiao Churan drank less, although the cheeks are a little red, but the brain is still very sober, seeing that everyone is full of food and drink, and only one hour left before the concert, said to Ye Chen: "Husband, I'll go upstairs to change clothes, and later we will go directly to the concert!"

Ye Chen nodded and smiled, "You go, I'll wait for you downstairs."

At this time, drunk Ma Lan, holding a red wine bottle of Lafite, a person lamented: "Aiya I Ma Lan is really never thought that our family's days could... . can live like this today, drive luxury cars, live in luxury homes, use hundreds of thousands of dollars a set of skin care products, drink more than 100,000 bottles of premium red wine Mom, is her old lady Xiao the most glorious time in the past, also did not enjoy this kind of treatment ah!"

Xiao Changkun, stimulated by alcohol, also said with some emotion, "Who who does not say it? I my mother that old old villa, old and broken and dirt, long ago no a mansion of the kind, which can be compared with our family this Townsend a big villa "

Ma Lan rarely agree with Xiao Changkun words, nodded and said: "I tell you Xiao Changkun, this is our family's destiny! If I had not given you such a good daughter, we can have today?"

Said, she said with some indignation: "when you married me into the family, your whole family looked down on me, especially your mother, in her eyes, I was married into your Xiao family by virtue of the belly, mother and son, think I married you, is my Ma Lan high climb "

Said here, Ma Lan eyes a little red, said: "At that time she was more disgusted with me, how much like Qian Hongyan, people Qian Hongyan is different ah! She is beautiful, and will make the old lady happy, take that daughter-in-law out to have face, unlike me, rural origin, not as beautiful as Qian Hongyan, not dressed as she is, feel as if I lost the face of the Xiao family, so many years I was in your family, I do not know how many blank stares, how much anger "

Ma Lan paused, rubbed his eyes, sighed, and spoke: "But look at it now! Whether it's your mother or your brother's family, who has a better life than us?"

Xiao Changkun laughed awkwardly and did not say anything.

Ma Lan asked, "Xiao Changkun, why don't you say anything? I asked you a question? Tell me yourself, who has a better life than us?"

Xiao Changkun said helplessly, "Yes, yes, you're right, okay?"

Ma Lan was so aggrieved that she couldn't help but choke up: "You're only perfunctory to me! After so many years of marriage, you always act as if you are very aggrieved, but have you ever thought about how aggrieved I am in my heart?"

Xiao Changkun could not help but scratch his head, smiling, "Harm! It's been so many years, why talk about this?"

Ma Lan blurted out, "I don't want to talk about my heart! Don't think I don't know that all of you Xiao family members despise me in their bones!"

Xiao Changkun sighed and said slyly, "Oh, no one despises you, you think too much"

Ma Lan cried and said, "Xiao Changkun, you have to feel your conscience when you speak, tell yourself, how much anger your family has given me over the years? Not to mention me, let's say you yourself, your mother and your elder brother's family, how much anger you have suffered?"

Hearing this, Xiao Changkun could not help but feel some sadness deep inside.

For so many years, although he was outwardly confused and uncontested, he clearly remembered all the discrimination and exclusion he had endured.

Seeing the sadness of Maran crying, his heart surged to a point of heartache for Maran.

I don't know if it was from his heart or under the effect of alcohol, he stepped forward to Ma Lan, gently patted her shoulder and sighed: "Hey for so many years, you have suffered a lot of aggression."

Chapter 3102

Xiao Changkun's words instantly poked Ma Lan's heart, her whole body hugged Xiao Changkun's waist and cried out with a loud wow, while Xiao Changkun patted her back while also some tears shone.

At this time, Xiao Churan came down from upstairs and was startled to see this situation, she wanted to speak, but seeing that her parents seemed to be able to snuggle with each other so rarely, so she hurried to Ye Chen's side and asked in a low voice: "Honey, what happened to my parents and their parents?"

Ye Chen smiled awkwardly and said, "The two of them just talked about the old days and seemed to have feelings as they talked"

Xiao Churan nodded and lamented, "It's good, I haven't seen them embracing together like this for many years."

Saying that, Xiao Churan hurriedly beckoned to Ye Chen and whispered, "Then let's go! Don't disturb them!"

Ye Chen answered and quietly left the house together with Xiao Churan.

.....

The couple went out and called a car, then went straight to the Jinling Olympic Center.

Near the venue, the surrounding traffic was already basically jammed to the inch.

The couple did not want to bother the driver, so they got off early and walked to the entrance of the venue.

At this time, the surrounding area is already full of crowds of people, in addition to the audience with tickets in hand, there are many anxious young men and women, they see people to ask whether there are concert tickets willing to transfer, and even offered several times or even ten times the price.

In addition to them, there were also many scalpers shouting slogans about recovering tickets at high prices, but every person with concert tickets in hand turned a deaf ear to these people's inquiries.

This shows that Gu Qiuyi's influence is indeed very great, and the loyalty of the fans is even more since needless to say.

Every ticket in pink is not easy to come by, and it's not easy to have a chance to see your idol, no one would be willing to give up such an opportunity for a few times or a dozen times the price difference.

When Ye Chen and Xiao Churan followed the crowd towards the entrance of the arena, they suddenly heard a familiar voice coming from their side: "Aiya, I've said that the tickets are not for sale, not for sale, can you stop pestering me?"

The one who spoke was surprisingly Dong Ruolin.

Xiao Churan turned his head and saw that Dong Ruolin was talking to a middle-aged man not far away from him, somewhat impatiently.

The middle-aged man looked like a scalper, even by Dong Ruolin so go, still licking face hard to come up, smiling and said: "Aiya beauty, as long as you are willing to bid, the price is negotiable, I give you fifteen times the ticket price?"

Dong Ruolin said with great dissatisfaction, "This lady is not short of this money, not to mention 15 times, even if it is 150 times I will not agree!"

Xiao Churan then shouted at her, "Ruo Lin! Ruo Lin!"

Dong Ruolin looked up and found that it was Xiao Churan and Ye Chen, her face was happy and she hurriedly ran a few steps to get rid of the yellow cow, and then came to them in three or two steps.

"Churan, Ye Chen! You're here too!"

Xiao Churan said with a smile, "I've been looking forward to this day for a long time, how could I miss it."

Dong Ruolin nodded and said with a smile, "That's right, you seem to have always liked Gu Qiuyi."

Saying that, she looked at Ye Chen again and said with words in her mouth, "Aiya, I didn't expect Ye Chen you also like Gu Qiuyi!"

Chapter 3103

Ye Chen recalled that Dong Ruolin had seen himself and Gu Qiuyi in the backwaters, at that time, he also lied to her, saying that he was a helper of Gu Qiuyi's family, Dong Ruolin knew this, and still asked so, must be deliberately flirting with himself.

So, he said casually, "Actually, I've never had much feeling for idols and stars and such, only that Churan likes it, so I accompanied her to come and see."

"So that's how it is." Dong Ruolin also did not poke holes, smiled and asked Xiao Churan: "Hey, by the way Churan, your seats are which section and which row ah? Let me see if we are close to each other."

Xiao Churan said awkwardly, "I forgot if you didn't ask, the tickets were obtained with the help of Ye Chen, I don't know exactly which row and which seat."

After saying that, she looked at Ye Chen and asked, "Right husband, I haven't asked you yet, which row of seats are we?"

Ye Chen took out his ticket and looked at it and said, "It says 1st row, 18th and 19th in the infield."

Dong Ruolin immediately exclaimed: "I go! The first row of the infield? Ye Chen, this is almost the most prime position! This kind of ticket, you are too awesome!"

Ye Chen casually laughed: "Harm, in fact, there is a layer of customer relations, you know, I often give people feng shui or something."

Dong Ruolin bristled, pulled out his own tickets, some lost said: "Hey, I've been looking for connections everywhere to get an infield 6th row, and you are still several rows away."

The venues for large concerts are generally chosen in stadiums, which are generally standard soccer fields, so the venues are large in size and volume.

But because the stage to be placed in the stadium at one end of the soccer field, so the entire stadium can be used to sell tickets only half of the area.

The surrounding fan-like stands area is generally cheaper, the further away the cheaper, and the real core of the most expensive is the infield tickets.

The so-called infield tickets are in the middle of the entire soccer stadium.

This area is the closest to the stage, and in front of the stage, so it is said to be the best viewing position for the concert.

And the most expensive of these is of course the first row, which belongs to the absolute unobstructed golden area.

Moreover, there are forty people in one row of the infield, and Ye Chen got this 18, 19, just in the middle of the whole first row.

The first row starts from number 16 and goes all the way to number 25, these ten seats are the best seats, and Ye Chen and Xiao Churan's position, in these ten seats, is also considered the best batch.

Xiao Churan also did not expect that Ye Chen would be able to get such a good seat, so she could not help but ask in a low voice: "Honey, how did Miss Gu give you tickets for such a good position?"

Ye Chen whispered in her ear: "People in the show business are especially superstitious about feng shui, don't you know? They all call me Master Ye now, they must want to have a good relationship with me for a long time, and it costs millions to get a feng shui reading from me, so what is it to them to give two tickets with a better location?"

Xiao Churan couldn't help but spit out her tongue and joked, "It's more enjoyable to be a master, when are you going to package me up and let me be a master too?"

Chapter 3104

Ye Chen laughed: "Then you can be packaged as a success master, every day just stand on the stage and say a word to hear the applause, there are countless students put six or even seven figures of tuition into your account."

Xiao Churan laughed and said, "I can't do this kind of fooling around, I'd rather do my design in a practical way."

Dong Ruolin, who was watching the two whispering and laughing, was more or less jealous and could not help but complain, "You two should pay attention to the occasion, don't spread dog food in public, okay?"

Xiao Churan smiled cheekily and said, "Ruo Lin, since we are in the arena, let's go in together, don't stand here."

Dong Ruolin nodded gently, followed Ye Chen and Xiao Churan together with the security check, ticket inspection, and came to the venue.

At this time, the interior of the arena is already crowded, the surrounding stands are basically full of Gu Qiuyi's fans, most of them have glowing glow sticks in their hands, as well as LED light signs with Gu Qiuyi's name written on them, tens of thousands of people waving at the same time, these glow sticks and light signs, all of a sudden it looks very spectacular.

Ye Chen grew up, or the first time to see a concert, so all of a sudden really some shock, this kind of battle, really he had never seen before.

At this time, his side of Xiao Churan said with a chagrined face: "Oops! I actually forgot to prepare the support materials in advance!"

Ye Chen asked with a puzzled face, "Support materials?"

"Yes!" Xiao Churan pointed to the fans holding glow sticks and light signs around her and said seriously, "Look, other fans of others have prepared."

Ye Chen laughed helplessly and said, "Wife, it's just a concert, no need to be so involved, since you like Gu Qiuyi, just enjoy her concert later, right?"

Xiao Churan couldn't help but say with some regret: "I not only like her songs, but also like her as a person, so as a fan, I always want to do something more for my idol, but recently I've been so busy with work that I forgot all about the support, as Gu Qiuyi's iron fan, I'm really ashamed."

Ye Chen saw that Xiao Churan was indeed very self-condemnation, heart more or less not quite understand.

First of all, he can't quite understand this mode of fans chasing stars now.

In his opinion, if you really like a star, whether you like his songs, or like his film and television works, you should try to be sensible and put this like on the other party's professional skills.

Like a singer on a good listen to her songs, like an actor on a good look at his work, in addition to that, there is absolutely no need to be too crazy and too involved for him, so much so that their real life caused a relatively large impact.

Some popular actors, a performance of the tickets can be speculated to tens of thousands, even so, fans are still trying to do everything possible to rush to the general purchase.

Many of these fans do not really have very strong spending power, they save money in various areas of real life, just to see their idols with their own eyes, which in Ye Chen's opinion, is indeed somewhat less sensible.

Just like a crazy female fan some years ago, in order to pursue a Hong Kong male star, completely overdrawn the parents' economy, which eventually led to the father being overwhelmed and going to extremes, resulting in irreparable bitter consequences.

So, he said seriously: "Honey, treat the star with an attitude of appreciation, not obsession, if you stand on the attitude of appreciation, then you and she is equal, but if the attitude of obsession, then you and she completely lost the status of equal, we came here, to support Gu Qiuyi, is already the greatest support and affirmation of her, there is no need to do other additional things."

Xiao Churan nodded gently and said with some relief, "Okay, husband, I know."

Ye Chen softly smiled: "Good to know, hurry up and go to your seat, the show is about to start!"

Chapter 3105

Ye Chen and Xiao Churan had just arrived at the first row and were about to go to the middle, when they saw four people sitting in front of them, all of whom were their acquaintances.

The one sitting closest to the entrance of the first row was Wang Dongxue. Seeing Ye Chen and Xiao Churan coming, she stood up and said with a smile, "Master Ye, Mrs. Xiao, you're here too!"

Xiao Churan was surprised and said, "Aiya, Wang Dongxue, how come you also came to see Gu Qiuyi's concert?"

Wang Dongxue laughed: "I've always been a big fan of Gu Qiuyi, I'll sing every song of hers.

Xiao Churan nodded repeatedly and said with a smile, "I really didn't expect that you would have time to catch up with the stars when you are usually so busy with work."

Wang Dongxue looked at Ye Chen and said with deep meaning: "Harm, I'm here because my boss doesn't come over often, so I can occasionally steal some time from my busy schedule."

Xiao Churan, who knows that Wang Dongxue's boss is actually her husband Ye Chen, hurriedly said, "It's okay, Miss. Wang, even if your boss knows you came to the concert, he can't say anything about you, after all, it's already rest time."

Wang Dongxue laughed: "Maybe our boss is also a fan of Gu Qiuyi and also ran to see the concert."

Xiao Churan thought Wang Dongxue was joking, so she followed her words and laughed: "It doesn't matter if you come, everyone has their own hobbies, no one has the right to interfere."

Ye Chen said: "Wife, let's not stand here chatting, there will be people in and out, but also in the way of others, or go to the seat first!"

Wang Dongxue heard this, also hurriedly said: "Yes, Mr. Xiao, you and Master Ye hurry to go in and sit, later when the concert is over we can talk."

"Good!" Xiao Churan nodded and waved his hand, "Wang Dongxue, then we'll go over first!"

"Good!"

Ye Chen and Xiao Churan had just passed by Wang Dongxue and had just passed two or three seats when they heard a familiar voice: "Master Ye, you're here too!"

Ye Chen looked down, and the person sitting in front of him was the beautifully dressed Song Wanting.

Just about to open his mouth to greet, he suddenly glanced at a series of acquaintances again.

The one sitting next to Song Wanting was the incomparably soft Ito Nanaeko, while on the other side of Ito Nanaeko sat the spiteful and cute little pepper Qin Aoxue, and what Ye Chen didn't expect was that the one sitting next to Qin Aoxue was Shi Tianqi, the granddaughter of the old man, Chen Xiaozhao.

At this time, Qin Ao Xue and Chen Xiao Zhao also stood up, slightly shy and respectful said: "Master Ye you are here!"

After the two finished, Ito Nanaeko also couldn't help but get up and bow slightly, "Ye Chenjun!"

So many beautiful women greeted Ye Chen, not only Ye Chen did not react, even Xiao Churan on the side looked confused.

Chapter 3106

In addition to Wang Dongxue, she recognized two of these women, one of whom was naturally the Song family's Miss Song Wanting, while the other was Shi Tianqi's granddaughter, Chen Xiaozhao.

A long time ago, her father Xiao Changkun was assassinated by Gao Junwei, had a car accident, and was declared paraplegic in the hospital, when Shi Tianqi took Chen Xiaozhao with him to the hospital, and cured Xiao Changkun with a miracle medicine.

The rest of Qin Ao Xue and Ito Nanaiko, Xiao Churan only felt familiar, but for a moment could not recall where she had seen.

In fact, she also saw the report of Qin Ao Xue and Ito Nana Zi's original competition, but at that time, the two girls on the field, both wearing professional combat clothing, looking valiant, and at that time, Ito Nana Zi's long hair was also tied into a clean ponytail, while Qin Ao Xue had a fresh short hair.

But now, these two girls are long hair draped, one is more gentle than the other quiet, so Xiao Churan is difficult to link these two girls with the two heroic girls on the game at that time.

These five feel women sitting side by side, it can be said that each has its own characteristics, each has a thousand, is simply five golden flowers.

Just when Xiao Churan's whole body was stunned, Song Wanting took the initiative to open her mouth and said, "Hello Mrs. Ye, long time no see!"

Previously, when Xiao Churan's best friend Zhang Xiaoman got married, Ye Chen took her to Song Wanting's top bridal store in order not to let Zhang Xiaoman lose face at her in-laws' house.

At this time, seeing Song Wanting take the initiative to greet herself, Xiao Churan looked a little nervous and said in a panic: "Hello Miss Song, long time no see!"

At this time, Chen Xiaozhao on the side also spoke, "Hello Mrs. Ye!"

Xiao Churan hurriedly said, "Hello Miss Chen! I have to thank you and Dr. Shi for what happened to my father before! I wonder if Divine Doctor Shi is doing well lately?"

Chen Xiaozhao smiled faintly and said, "My grandfather's health is quite good, so I'm sorry for Mrs. Ye's concern."

Ito Nanaeko and Qin Ao Xue looked at each other and looked at Xiao Churan at the same time and said with a little respect, "Hello Mrs. Ye!"

"I'm Qin Ao Xue."

"I'm Ito Nanaeko, please take care of me!"

Ye Chen hurriedly introduced to Xiao Churan: "Ao Xue is the daughter of General Manager Qin Gang Qin, Qin Gang is our largest medicinal herb merchant in Jinling, and works more closely with Dr. Shi Shen."

"Miss Ito is a very famous Japanese combatant, she has played with Ao Xue in our Jinling before, the two also became friends during the competition."

Xiao Churan then suddenly realized, said off the cuff: "Oh I remember, Miss Qin is before the media has been talking about our domestic once-in-a-century combat genius! You say so a Miss Tang, I also have some impression, but their real and news reports look a little different"

Qin Ao Xue said with a smile, "My father said that I do not look like a girl when fighting, so I usually dress up in life to try to make themselves more feminine, so Mrs. Ye may see me with the impression of the gap will be a little big."

Xiao Churan nodded and smiled, "I really didn't expect that Miss Qin was also a fan of Gu Qiuyi, and I even didn't expect that Miss Ito also liked Gu Qiuyi"

Ito Nanaeko put her hands in front of her body, bowed slightly and said seriously, "Back to Mrs. Ye, Miss Gu is also very famous in Japan, many of her albums are selling very well in Japan, I have many friends around me who like Miss Gu, I myself am her number one fan."

Xiao Churan did not expect this Japanese girl to bow and talk at every turn, at once also a little rushed, hurriedly also slightly bowed as a return, said: "Miss Ito came so far to see the concert, indeed counted as the number one fan."

Ito Nanaeko looked at Ye Chen, could not help but blush, spoke: "Actually actually ashamed to say, this time to Jinling, watching the concert is only incidental, in fact, there is a more main purpose."

Xiao Churan which knows what Ito Nanaeko's purpose is, thought that people come to Jinling to do serious business, and then incidentally see a concert, so they politely said: "In this case it would be best, can do a lot of things on one trip."

Ye Chen listened to Ito Nanaeko's words with deep connotations on the side, and was more or less embarrassed in his heart, secretly thinking, "If I let them continue with such pleasantries, I don't know what else to connote myself."

So, he then hurriedly said to several people: "Gentlemen, you sit first, our seats are still inside some, so excuse us!"

Chapter 3107

As soon as several girls heard Ye Chen's words, they all nodded sagely.

Although they all had good feelings for Ye Chen in their hearts, they all knew very well that tonight was Ye Chen's two-person world with his wife, and they should not disturb them too much.

At this time, Song Wanting spoke: "Master Ye, Madam Ye. Then we will not disturb the two of you to watch the concert, and we can meet for a meal if we have time."

After saying that, she looked at Xiao Churan and said seriously, "In addition, Mrs. Ye can come and sit in Song Group when she has time, we also have some needs for decoration design recently, if Mrs. Ye is also interested, we can cooperate and cooperate."

Right now, Xiao Churan was at a stage where her career was very bursting at the seams.

She had always wanted to be able to quickly make her company business bigger and stronger. She also hopes to take the initiative to take up the burden of the family so that Ye Chen can relax a bit.

Therefore, after hearing that Song Wanting had taken the initiative to offer herself an olive branch, she immediately nodded and said: "No problem, Miss Song. You see what time is suitable for you, I will go over to pay a visit."

While taking out her business card and handing it to Xiao Churan, Song Wanting said, "It mainly depends on your time, Mrs. Ye, I can basically do it."

Xiao Churan asked tentatively, "Miss Song, I wonder if you have time on Monday?"

"Yes." Song Wanting said with a smile, "Then let's do it on Monday at 11 am, so that we can have a meal together at noon, our Song Group has quite a lot of business associated with Mrs. Ye's field of expertise, so we can have a good wisp on Monday."

Xiao Churan was excited and agreed to do so, putting the business card away properly while saying, "Miss Song, then we have a deal, I will visit you on Monday morning."

Song Wanting nodded and smiled, "Okay, Mrs. Ye, see you on Monday!"

Ye Chen gently pulled Xiao Churan and reminded, "Honey, the concert is about to start. Let's hurry up and get to our seats."

Xiao Churan answered and greeted several girls separately, before following Ye Chen to the middle of the two seats.

As soon as he sat down. Xiao Churan could not help but sigh: "I really did not expect to come to a concert, but I met so many acquaintances, and that Qin Ao Xue and Ito Nana-chan, in person are very beautiful! Especially that Ito Nanaezi, simply too beautiful, in front of her I can't help but feel a little inferior"

Ye Chen said seriously: "wife. You are also very beautiful, not at all worse than any of them."

"Which has" Xiao Churan said seriously: "Wang Dong and Miss Song are great temperament, the confidence between the hands and feet is I can not compare, not to mention that Ito Nanaiko. She simply can not pick any flaws, looks, temperament, eyes, tone of voice and even manners, are very perfect, I grew up, or the first time to see such a perfect woman"

Ye Chen did not speak, but in his heart to Xiao Churan's point of view also somewhat agree.

Ito Nanaeko is worthy of being the recognized Yamato Nadeshiko in the eyes of Japanese people. Looks, temperament, manners as well as cultivation, are one in a million.

Moreover, although Ye Chen has always been sincerely patriotic, but also have to admit that in the traditional classical aesthetic cultivation of Eastern women, the current China is no match for Japan.

Many Japanese girls like Ito Nanaeko. Since childhood, they have to learn female red, that is, needle and thread textile embroidery those fine work.

In addition, some Japanese girls will also learn flower arrangement, tea ceremony after school. These skills are more in line with the traditional classical beauty.

Of course, this also has a lot to do with the relatively low status of Japanese women in society, the whole society is teaching girls to be a good helper to their husbands. So women as a whole can also seem more vulnerable, and in the eyes of many people, vulnerability is sometimes a kind of tenderness.

Chapter 3108

In addition, the Ito family itself is a very traditional Japanese family, so Ito Yohiko has been committed to raising his daughter into the eyes of the Japanese people's ladies, so it also gives Ito Nanaiko this gentle temperament like water.

Therefore, Xiao Churan in front of Ito Nanaiko, also feel ashamed of themselves, always feel that the other party where much better than themselves.

After Xiao Churan sighed inwardly, he took the initiative to bring the topic back to Song Wanting's body. Excitedly said: "But if we can reach a cooperation with Miss Song this time, then the company can go up another level!"

Saying that, she also said to Ye Chen: "Look, husband, Dihao Group is the largest enterprise in Jinling, and the Song family is the largest family in Jinling, if both sides can cooperate for a long time. Then my studio, in time, can also become the best decoration design studio in Jinling!"

Ye Chen couldn't help but advise: "Wife, your recent career is also too heavy, you yourself have taken over the big project of the Empire Group, and now the company has also taken over a lot of private renovation projects, you already have a lot of things on hand, why do you still want to cooperate with the Song family? In fact, our family is not short of money now, there is absolutely no need for you to be so tired."

Xiao Churan shook her head and said very seriously, "Starting a business itself is not necessarily about how much money you can earn. The main thing is that since it has already started, I hope to make it the best."

"So you see, so many large companies with a market capitalization of hundreds of billions of dollars, their owners were already financially free many years ago, but now they are still working hard for the company. I believe they have long ago earned enough money to spend for several lifetimes, the reason why children play hard, in fact, are to do things to the extreme, to do the best."

To Xiao Churan's statement. Ye Chen also agrees.

The vast majority of people in this society, do not have this kind of extreme spirit.

The vast majority of people have a standard of self-satisfaction. As soon as they reach this standard, they start to enjoy life and stop working hard.

However, there are very few people who are driven by the spirit of extreme and never satisfied.

They will also set a standard for themselves, but the difference is that once they reach this standard, they will not be satisfied, but will continue to set higher standards for themselves.

Those companies with assets of over 100 billion, or even reaching the world's top 500, are not driven by this drive to become stronger and stronger.

I think that his wife Xiao Churan is also this kind of person, just before there has been no good opportunity for her to realize her ambition.

So, Ye Chen for Xiao Churan: "Wife, what do you think is the ultimate goal of your business venture?"

Xiao Churan thought about it and said seriously, "I don't have any specific goal, I just hope to make it the best within my ability."

Ye Chen nodded gently.

Although he was heartbroken by Xiao Churan's state of working at full strength, he could also understand her heart to a certain extent.

He felt that, to a certain extent, he thought basically the same as his wife.

Ye Chen himself did not have any material desires and had not even taken the initiative to buy himself a car by now, but he was still trying to do everything he could to constantly expand his business and improve his financial strength.

However, unlike other elites, Ye Chen makes money, not to achieve any personal value, he just wants to accumulate enough strength to be able to find out the truth about his parents' death in the future, and to be able to crush his enemies with an absolute advantage after finding out the truth.

So in order to achieve this goal, he must also do his best to try to do the best he can in the pre-storage stage!

Chapter 3109

While the couple was chatting, a figure walked up to the two of them and sat down next to Xiao Churan.

Xiao Churan turned back to look and immediately exclaimed, "Oops! Miss Su!"

Ye Chen looked up and realized that the one sitting next to Xiao Churan was actually Su Zhiyu, why did she come too?

Su Zhiyu seemed a little surprised to see the two of them and said with a smile, "Aiya, Mr. Xiao and Mr. Ye, I didn't expect you to come here too!"

Xiao Churan said with a smile, "I've always liked Gu Qiuyi, so I begged my husband to come over to watch the show with me very early."

Saying that, she hurriedly asked again, "Miss Su, why didn't Auntie Du come with you?"

Su Zhiyu smiled and said playfully, "To be honest, my mother actually doesn't like this kind of overly lively occasion. And actually I wasn't planning to come, except that this ticket was left by my brother, who is a fan of Gu Qiuyi, but suddenly had something to do and couldn't come, and I saw that this ticket was really a waste, so I came to take a look."

Xiao Churan laughed: "My husband doesn't seem to like this kind of occasion either, he has never been a fan of stars, this time he was also dragged by me to come."

Su Zhiyu couldn't help but look at Ye Chen and said with a smile, "So Mr. Ye doesn't like Gu Qiuyi, huh? "

Ye Chen listened, a big head, thinking: "Today these women in the end what is wrong? Speaking of words, one has a deeper meaning than the other, all kinds of connotations"

Thinking of this, he deliberately changed the subject and asked Su Zhiyu: "Hey Miss Su, since your brother is a fan of Gu Qiuyi, how come he is not coming temporarily? It seems that the fan is not iron enough."

Su Zhiyang quietly white Ye Chen a glance, thinking: "You bad egg, knowingly ask is not enough to describe you! Why didn't my brother come? Is there anyone in this world who knows better than you? He left early this morning with a long and impulsive kowtow, he can only walk a few kilometers a day at most, he must not be out of the precincts of Jinling City yet!"

So, she sighed under her breath, "Don't mention it, my brother met a bad egg, was cleaned up by that bad egg, and I'm afraid he won't be able to come back in the next few years."

Xiao Churan heard this and said in shock: "Miss Su, your brother was kidnapped? Then have you called the police?"

Su Zhiyu smiled and said, "It's not a kidnapping, but my brother can't come back in a short time, but he is willing to lose, so it's no one's fault."

Xiao Churan listened to the confusion, but when he thought that this was someone's family matter, he could not ask more detailed questions, so he nodded gently and said, "Sorry, I was out of line."

"It's okay, it's okay." Su Zhiyu waved her hand hurriedly and said, "It may not be a bad thing for him."

At this moment, Gu Yanzhong and Lin Wanqiu couple, from Su Zhiyu side hand in hand walked over, Gu Yanzhong see Ye Chen, the two of them four eyes facing each other, each other outsiders can not see the magnitude of a slight nod gesture.

Lin Wanqiu also waved her hand quietly at Ye Chen, and then sat directly next to Su Zhiyu.

Gu Yanzhong, on the other hand, sat down next to Lin Wanqiu.

The three people did not greet each other, so Xiao Churan did not pay much attention to these two people.

However, when Su Zhiyu saw that there were people around her, she subconsciously glanced at them and realized that the ones who came were Gu Yanzhong, the head of the Gu family, and his wife Lin Wanqiu.

Su Zhiyu was a little surprised at first, but soon came back to her senses.

She is a member of the Yanjing family, so she knows the Gu family, and knows that Gu Yanzhong and Lin Wanqiu are Gu Qiuyi's parents, so since it's Gu Qiuyi's concert, it's only natural for them to come over as parents to support the show.

Chapter 3110

Only, she had some doubts in her mind, whether it was Gu Yanzhong or Lin Wanqiu, Su Zhiyu was often able to meet in various high society events in Yanjing in the past.

But in her impression, this couple did not look so young now.

Especially Lin Wanqiu, she has given birth to a child, her age than her mother is not a few years younger, but the whole state of the person does not look like a child at all, always feel just 30 years old, than their own mother can look much younger.

And Gu Yanzhong is also very amazing.

The previous has been said that he was dying of advanced pancreatic cancer, but who would have thought that this person not only cured the terminal disease, but look better and better.

However, Su Zhiyu was shocked, but she felt that since she had seen them and was sitting next to each other, she took the initiative to greet them and said, "Auntie Lin and Uncle Gu, how are you?"

Lin Wanqiu at first did not pay attention to who was sitting beside her, she had been secretly observing Xiao Churan beside Ye Chen, wanting to see what magic this girl had that could make Ye Chen so favored, but suddenly she heard the girl sandwiched between herself and Xiao Churan greeting herself, so she hurriedly looked and realized that the one sitting beside herself was actually Su Zhiyu of the Su family.

She was surprised and asked, "Zhiyu? Why are you here?"

Gu Yanzhong was also surprised, not expecting Su Zhiyu of the Su family to be there.

Su Zhiyu spat out her tongue and said more or less awkwardly, "My brother left a ticket for me before he left, so I came over to join the fun."

When Su Zhiyu said this, Gu Yanzhong and Lin Wanqiu, husband and wife, instantly understood.

They both know the situation of the Su family, know that Su Zhi Fei suddenly decided yesterday to kowtow long head to go to the Da Zhao Temple to atone for the sins of his family, also know that before Su Zhi Fei has been pursuing his daughter, so once said, they know why Su Zhi Yu is here.

Lin Wanqiu is also a bit embarrassed, spoke: "Zhiyu, your brother's matter me and your uncle Gu also heard, hey, we also really did not expect your mother's health is okay?"

Su Zhiyu nodded, thinking that she was sitting next to Ye Chen's wife, and thought that Lin Wanqiu, Gu Yanzhong and Ye Chen must have long recognized each other, in this case, the couple looked at Ye Chen, certainly as an unopened son-in-law, so they hurriedly spoke: "Auntie Lin, my mother's health is quite good, thank you for your concern."

After saying that, she came up to Lin Wanqiu's ear and whispered, "Auntie Lin, I'm really sorry, Ye Chen and his wife are sitting next to me, and his wife doesn't know his real identity, so many things are too inconvenient to say on this occasion, let's talk later in private."

When Lin Wanqiu heard this, she was immediately surprised.

She did not know that Su Zhiyu actually knew Ye Chen and knew his true identity!

This made her think in her heart, "According to reason, Chen'er's true identity has always been a secret, and it is impossible for him to proclaim it everywhere himself, so how did this Su Zhiyu know about him?"

"Could it be that Chen'er took the initiative to tell her? It doesn't make sense! Chen'er has always felt that the Su family is unshirkably responsible for the death of his parents, in that case, the Su family is his enemy, so how could he tell Su Zhiyu his secret?"
