

## Ye Chen 3111

### Chapter 3111

Surprised, Lin Wanqiu couldn't help but whisper in Su Zhiyu's ear and ask: "Zhiyu, how do you know Chen's son?"

Su Zhiyu didn't cover up, and said frankly and openly: "Ye Chen is my life-saver, and also my mother's life-saver, before my brother and I were kidnapped in Japan. It was Ye Chen who saved us both, and it was also Ye Chen who saved us when my mother and I had an accident in the Forbidden Mountain Tunnel in Jinling some time ago."

Lin Wanqiu suddenly realized!

"So that's how it is ....."

This time she also figured out why Su Zhiyu knew Ye Chen.

She sighed in her heart, "If Chen'er just saved Su Zhiyu, Su Zhiyu couldn't possibly know his identity, but if Chen'er also saved Du Haiqing, then the situation would be completely different, Chen'er looks so much like his father, it's impossible for Du Haiqing not to recognize him. In that case, it would make sense for Su Zhiyu to know Chen'er's true identity."

Several generations of the Su family. Lin Wanqiu could say that she was very clear.

Su Zhiyu's mother, Du Haiqing, was also on good terms with her back then.

Moreover, Du Haiqing had always liked Ye Changye, and Ye Changye and Gu Yanzhong were good brothers, so when Lin Wanqiu first fell in love with Gu Yanzhong, Du Haiqing wanted to increase the success rate of his pursuit of Ye Changye through the relationship between Lin Wanqiu, Gu Yanzhong and Ye Changye.

So for a while, Du Haiqing and Lin Wanqiu got very close.

But no one expected that Du Haiqing had been chasing after Ye Changya for so many years without result, while Ye Changya came back from a trip abroad and brought back a standout An Chengqing.

After the wedding of Ye Chang Ying and An Cheng Qing, Du Hai Qing married Su Shou Dao with complete regret.

As a woman, Lin Wanqiu is actually very sympathetic to Du Haiqing.

But she knows very well in her heart, feelings such things can not be forced, destined to the other party does not love you, you are invested in more is not likely to have a harvest.

Thinking of this, Lin Wanqiu heart can not help but feel that the world has been created.

Himself and her husband came to see her daughter's concert, next to the next. Sitting is the daughter's fiancé and his current wife.

And sandwiched between himself and Ye Chen's current wife, and the daughter of Ye Chen's father's long-time admirer, and the family also has an unholy grudge against Ye Chen.

What's more amazing is. Ye Chen actually saved the enemy's son and daughter.

What's even more amazing is that Ye Chen saved his enemy's daughter twice!

At the same time, Lin Wanqiu couldn't help but have a question in her heart: "This Su Zhiyu, who had been saved twice by Chen's son and now appeared here again, this is definitely not some kind of coincidence. Is it possible that she also has that kind of heart for Chen'er?"

The more she thought about it, the more she felt that her guess was eight or nine times right.

She couldn't help but lament in her heart, "What kind of sinful fate is this ....."

When she was lamenting, the lights of the entire arena suddenly went out in this instant.

The lights of the entire arena went out. This is a sign that the show is about to officially begin.

Sure enough!

After five seconds of darkness, the big screen on the stage suddenly lit up.

Immediately after that, a video of the show began to play.

At the beginning of the video, it was a video clip with yellowish tones, with a lot of noise and a sense of age.

In the picture, a four or five-year-old girl. Wearing a beautiful floral dress, hands carry the skirt, is dancing around a beautiful birthday cake, while dancing also with a childish voice singing happy birthday song.

## **Chapter 3112**

Next to the cake, stood a boy slightly older than her, wearing a birthday crown, hands folded in front of his nose, head bowed, eyes closed, silently making a wish.

Because of the head down to make a wish. So the video can not see the boy's face.

At this point, the video screen suddenly stood still, in the still picture. A string of subtitles appeared: "This girl in the video who loves to sing and dance is only three and a half years old. Is Gu Qiuyi."

As soon as Gu Qiuyi's name was typed out, a deafening cheer erupted from the fans at the scene.

Many people were in awe that Gu Qiuyi was so beautiful and cute when she was small.

At this moment, another string of subtitles appeared on the screen: "And this guy who made a silent wish is her Prince Charming."

At this instant, the cheers from the scene almost turned the whole arena upside down!

The fans didn't expect that their idol, their goddess, had a prince charming since she was a child!

Could it be that this is the rhythm of self-revealing her love affair?!

Just at this moment. The screen suddenly went black, and immediately after that, there was an old video.

In the video, Gu Qiuyi is a little older, also wearing a beautiful dress, also singing and dancing around a cake. And the video, there is also the same head down to make a wish boy, just, still can not see what the boy actually looks like.

At this point, another series of subtitles appeared on the screen: "This time Gu Qiuyi, already four and a half years old, and her Prince Charming, still silently making birthday wishes."

Immediately after that, another video: "This is five-and-a-half-year-old Gu Qiuyi and her Prince Charming."

Everyone was driven by the rhythm of this video. Immersed in the beautiful atmosphere of two young children, childhood friends.

Immediately afterwards, the picture suddenly turned.

The Gu Qiuyi in the video was a little bit bigger, but she was alone crying red eyes at a piece of birthday cake.

A string of subtitles jumped out: "Gu Qiuyi, who was six and a half years old, didn't get to celebrate her birthday to her prince charming like she used to, because her prince charming disappeared into the sea of people that year."

"And so. After this, Gu Qiuyi and her parents, set out on a journey to find Prince Charming."

Subsequently. The screen was no longer a coherent video, but an old photo that kept surfacing.

One is a seven-year-old Gu Qiuyi, curled up in an airplane seat asleep. The caption accompanying it reads, "Seven-year-old Gu Qiuyi, following her parents southward in search of her Prince Charming;"

An eight-year-old Gu Qiuyi, standing on the railing of the ferry looking at her wishes, with the caption reading, "Eight-year-old Gu Qiuyi, following her parents to search both sides of the Yangtze River;"

A nine-year-old Gu Qiuyi, sitting in the back of an old red flag car, the view outside the window is blurred with residual shadows, you can see that the vehicle was speeding, with the caption reads, "Nine-year-old Gu Qiuyi, following her parents to search south again;"

The caption reads, "Ten-year-old Gu Qiuyi, following her father to the United States in search of the famous Statue of Liberty behind her, before she returned.

Then there is Gu Qiuyi at the age of eleven, Gu Qiuyi at the age of twelve .....

These photos keep presenting, and the Gu Qiuyi on the screen is getting older and older, from a little girl of three or four years old, gradually growing into a generous, elegant and outstanding young woman .....

This also means that for so many years, Gu Qiuyi has not given up the search for that Prince Charming of her childhood!

### **Chapter 3113**

After a short silence, there were many voices of girls whimpering.

Many girls were touched by this true story.

Who would have thought that the famous Gu Qiuyi, who was the idol of countless girls and regarded by countless boys as a goddess, would be such an infatuated girl.

In her twenty-five years of life, she had spent nearly twenty years searching for her childhood Prince Charming!

To many girls, this kind of infatuation story, I am afraid, could exist in a fairy tale.

Yet this was really happening to Gu Qiuyi.

Ye Chen sat on the chair as if he had lost his soul, and his eyes had long been filled with tears.

He really did not expect that Gu Qiuyi had put in so much effort to find herself.

Originally, he had thought that this little girl, who was still two or three years younger than himself, who had said every day that she wanted to marry him, had only been brainwashed by the so-called marriage contract back then, but now he realised that, in fact, this matter had long been engraved in Gu Qiuyi's bones.

And Xiao Churan, who was beside him, had already been moved to tears.

Ye Chen could feel that Xiao Churan, at this moment, was clutching his arm with both hands.

Su Zhiyu, who had always been calm, was moved by Gu Qiuyi's perseverance over the years at this time.

Moreover, she knew in her heart that the Prince Charming in this story was Ye Chen, whom she had been secretly in love with for a long time.

The couple, Gu Yanzhong and Lin Wanqiu, on the other hand, clasped their hands together and wept silently.

For so many years, their family had put in a lot of effort to find Ye Chen.

Fortunately, they had finally found Ye Chen's whereabouts!

And what made them feel even more fortunate was that because of their persistent search for Ye Chen, they had also planted a heavenly good karma for themselves, so much so that the family had regained their lives with Ye Chen's help.

Otherwise, if Gu Yanzhong had died of a serious illness, it would have been impossible for Lin Wanqiu and Gu Qiuyi, the orphans and widows, to stand up to the other two brothers of the Gu family, and by then they would have been left with no money.

It was from Ye Chen that the family understood a truth that had been passed down through the centuries, namely: "Do good, don't ask about your future!"

Doing good deeds wholeheartedly and without expecting anything in return is not a matter of gain or loss, as long as one can live up to one's heart.

You can even reap a greater chance of success.

Then, on the dark screen, a line of beautiful white handwritten pen characters lit up, followed by Gu Qiuyi's voice coming from the stereo, she said herself, "I thought that I would never be able to find you again in my life, but I never thought that the surprise would come so unexpectedly and suddenly ....."

As Gu Qiuyi's voice rang out, the scene also erupted in thunderous applause!

The audience who had been moved earlier had thought that Gu Qiuyi had not found her prince charming by now.

But when they saw the lines and heard the words, they realised that Gu Qiuyi had already found her prince charming!

The fairy-tale story, surprisingly, had a fairy-tale version of a perfect ending, and for a while all the fans were in an extreme frenzy.

And Xiao Churan also choked with excitement, "It's so touching ..... never dreamed that such a story could happen in real life ....."

Ye Chen was speechless and choked.

At this moment, he only asked himself one question in his heart.

"How can I repay my in-laws for all these years of dedication?"

Just as he was asking himself this question, the lights on the stage suddenly came on, and at the same time, the music sounded.

#### **Chapter 3114**

Wearing a blue dreamy dress, Gu Qiuyi took the lift and slowly rose from the centre of the stage, Gu Qiuyi took the microphone and spoke, "In the past, I have only sung my own songs in my concerts, but today, I'm going to cover two songs from my predecessors in the music industry, both of which, are for that Prince Charming of mine, I hope he will like them!"

The intro then ended and she opened her mouth to sing Zhang Xinzhe's famous song 'Love is just a word'.

The lyrics of this song were so in line with what she had given to Ye Chen for so many years.

"Pluck the dark clouds from the sky, as beautiful as blue velvet ....."

"I go over the mountains for you, but I don't care to look at the scenery ....."

"I miss you, gather my courage and spread the message by the map of love ....."

"I wish you hadn't forgotten, I'll always protect you ....."

"No more wandering to find ....."

"Love is one word, I'll only say it once ....."

"You know I'll only show it with my actions ....."

"The lively city searches for your shadow ....."

"Making you happy is the most joyful thing I've ever done ....."

The lyrics of this song were already perfect, and Gu Qiuyi's singing was even more impeccable, plus Su Zhi Fei spent tens of millions of dollars to replace the top stage sound for this performance, the effect that came out of this was simply the pinnacle of excellence!

What's more, not only was the song, equipment and Gu Qiuyi's singing good, but more importantly, combined with the previous opening video, every lyric Gu Qiuyi sang could make people find a strong resonance in the story she had just told.

Everyone could feel her perseverance in going over the mountains and wandering in search of her beloved, and more than that, they could feel the incomparably strong love she had for her beloved.

Who would have thought that the goddess, who seemed to be so high up in the clouds, could actually do so much for love, searching the world and throwing herself away for love.

And all the men in the audience were already mad with jealousy.

They were dying to know which son of a bitch could be so blessed to have such a true heart from a goddess!

The male protagonist of this touching story, Ye Chen, could not hold back his tears at this time, and two lines of hot tears slowly flowed down his cheeks.

What Ye Chen didn't know was that before Gu Qiuyi finished the song, someone had already uploaded the video of the opening scene onto the internet, and the whole short video platform and Weibo exploded!

Six of the top ten hot searches were related to it!

The number one search was: Gu Qiuyi's Prince Charming, he must have saved the galaxy in his last life!

The second most popular search was eight words: I want to beat up Prince Charming!

The reason why there was such a hot search was because many of Gu Qiuyi's fan groups were swiping the screen, saying that they had to flesh out the bastard that Gu Qiuyi had been searching for for almost 20 years and beat him up together, asking him where he had been all these years! He had caused such a nice girl like Gu Qiuyi to search so hard for so many years!

Below the six related hot searches, countless netizens commented wildly, some were touched, some envied, some wished, but more, were jealous!

Even if they weren't there in person, when these male fans saw that opening video, they were all so jealous that they were about to explode in place!

Some people said that Gu Qiu Yi's prince charming had to have been blown up by a cannonball to have such luck.

There are also people who say that there is no man in this world who is worthy of a woman as good as Gu Qiuyi, not in the past, not now and not in the future, so they advise that unknown so-called Prince Charming to behave himself and leave the house as soon as possible.

Some people even said that Gu Qiuyi was never someone's Gu Qiuyi, she was the world's Gu Qiuyi, and if any man dared to possess her, it would be one man against the whole world!

How could Ye Chen have imagined that Gu Qiuyi's concert had only just begun and he had become the public enemy of all .....

### **Chapter 3115**

At this moment in the concert venue, after Gu Qiu Yi's song "Love is just a word", tens of thousands of fans immediately boiled up and stood up to applaud desperately.

Even Xiao Churan couldn't help but stand up, unable to wipe away the tears that moved her eyes, and clapped vigorously until her hands were red.

Gu Qiuyi on stage. After the song was over, she said into the microphone, "I'm very sorry, I selfishly put my own story at the beginning of the concert, I hope this video didn't disturb everyone's interest in watching the show!"

Countless fans on stage shouted slogans like "No", "Go Qiu Yi", "Qiu Yi, you must be happy".

Gu Qiuyi smiled faintly and said, "Thank you all, so this next song is dedicated to you, my dears!"

With that said, the music started and Gu Qiuyi sang the second song of the concert. It was also one of her own hit songs.

The atmosphere of this song was instantly much more upbeat, so the atmosphere continued to be heated, and many fans because of this fast-paced song. They even stood up directly to watch it.

Xiao Churan also quickly got into the warm atmosphere of the concert, and like other fans, sang and danced along with Gu Qiuyi, and was very happy.

Ye Chen, on the other hand, had been a little distracted.

Gu Qiuyi on stage, however, would always look in the direction of Ye Chen during the performance, always keeping an eye on him.

As Gu Qiuyi sang more and more songs, the atmosphere at the venue became more and more enthusiastic.

She changed her costume three times in between, each time with a very elaborate and stunning look.

After two hours of singing in a row, Gu Qiuyi was still very energetic and full of energy on stage.

Even male singers can't handle two hours of singing and dancing, which is why most singers invite guests to their concerts.

The time when the guests are on stage is a very valuable break for the singers, and this gap is enough for the singers to go backstage and have a good half-hour rest.

Originally, Gu Qiuyi had also arranged for a guest for this concert. It was the so-called popular male singer Zhong Tianyu.

Zhong Tianyu originally had a five-song set, which was also left as a break for Gu Qiuyi, but Zhong Tianyu was now sent to the South China Sea by Ye Chen to go fishing. So Gu Qiuyi was left to perform from start to finish by herself.

But luckily, Gu Qiuyi had just taken the rejuvenating pills given to her by Ye Chen, so her whole body was extremely energetic and she could easily take on a two to three hour performance.

After two and a half hours of the show, it basically came to the end.

Gu Qiuyi's song style gradually started to change from upbeat and rhythmic to deep and melodious.

As the last song on the set list came to an end, many in the audience still hadn't waited for the other cover song Gu Qiuyi said she would sing.

At this point, Gu Qiuyi stood on the stage and spoke, "Today's last song has an extraordinary meaning for me, because this song. It's also going to be given to that Prince Charming of mine ....."

As soon as these words came out, the venue was abuzz with cheers, shouts of approval, whistles, and even abuse of that Prince Charming filling the arena.

Gu Qiuyi continued at this point, "In order to sing this song perfectly, I also prepared a final look for myself, a look that I had carefully prepared for myself for a long time. It's also a surprise I prepared especially for him ....."

Once again, there was a cheer from the stage.

Gu Qiuyi said with a bit of a blush, "But this look, compared to my previous looks, will be a bit more troublesome, so the time it will take for me to go down and prepare later may also take longer, so please be patient for a bit."

With that, she walked up the lift in the middle of the stage. Surrounded by a column of lights and cheered by the audience, she slowly descended into the stage and disappeared.

Immediately afterwards, all the lights on the stage were switched off. The whole stage went dark.

The concert venue, which had been incredibly lively, also fell silent at this moment.

But soon, countless people on stage began to talk about it.

Everyone was eager to know. What would Gu Qiuyi's carefully prepared final set of looks look like.

## **Chapter 3116**

At this point, someone posted the topic to Weibo and it quickly shot back up to the top ten of the hot search, which was titled: "Gu Gu Qiu Yi's elaborate look is in what style!"

Below this hot search, several options were given, including classical style, modern style, post-modern style, western court style, dark style, gothic style and even abstract style.

There was even a prize competition for famous V fans to choose ten lucky winners among those who guessed correctly. One person would be given an autographed album by Gu Qiu Yi.

Xiao Churan took out her phone and swiped through Weibo for a while, and couldn't help but ask Ye Chen in a low voice, "Honey, what do you think Gu Qiuyi will look like on stage later?"

Ye Chen said awkwardly, "How can I guess this ..... .."

Xiao Churan said, "Don't people call you Master Ye? You can pinch and calculate, can't you calculate a rough estimate?"

Ye Chen shook his head and said truthfully, "I have no research at all on what dressing style and so on. So if I were to guess I definitely wouldn't be able to guess."

Xiao Churan thought about it and spoke, "Then I'll guess a gothic style, Gu Qiuyi once appeared on the cover of a fashion magazine and chose a black-toned gothic style, and at that time that look not only made it to the top of the news, but also won an award!"

Ye Chen laughed and said seriously, "Honey, to be honest, I don't even know what gothic style is."

Xiao Churan laughed, "The Gothic style is mainly the architectural style of the Germanic peoples of Western Europe. You must have heard of the Gothic cathedrals, monasteries and castles in the West, the kind of stone architecture that is particularly towering, exaggerated and cold. It's normal for you boys not to know this."

Xiao Churan said, "I'll guess a Gothic style blindly, if I guess correctly. There's also a chance to get Gu Qiuyi's signed album!"

Ye Chen nodded and didn't think much of what style Gu Qiuyi's last look actually was.

Ten minutes quickly passed. The stage lights hadn't come on yet, and Gu Qiuyi hadn't appeared.

However, the audience at the venue was not anxious, on the contrary, everyone was waiting patiently, although they were all very much looking forward to it.

These fans who were willing to pay for tickets to see her concert were all true hardcore fans, and no one was up in arms or making any noise.

Fifteen minutes in, there was still no movement at the venue.

At the twenty-minute mark, a soft guitar sound suddenly came from the live sound.

The fans cheered all at once!

Because they knew that the guitar sound they heard at this moment must be the intro to the last song!

So, Gu Qiuyi was finally going to make an appearance!

After the melodious sound of the piano, Gu Qiuyi's sweet singing voice came out.

"The second hand and minute hand ticking in my heart ....."

"My eyes twinkle twinkle so hollow ....."

"My heartbeat flutters in bursts ....."

"I ask myself how much I want you to love you ....."

"How impulsive I want to be with you ....."

"My heart is fluttering up and down ....."

Everyone at the scene was immersed in this wonderful atmosphere of only hearing the voice but not seeing the person. Gu Qiuyi's voice was extremely beautiful, and coupled with these lyrics full of little beauty, it made the fans at the scene intoxicated.

And at that moment, the stage lights suddenly lit up without warning!

All the spotlights were aimed at the centre of the stage, and at that moment, the noble and elegant Gu Qiuyi, dressed in a beautiful, holy and dazzling white wedding dress, slowly rose from the centre of the stage!

At this instant, the whole audience exploded!

No one expected that Goddess Gu Qiuyi's last look would be a white wedding dress!

At this moment, she gently held the microphone with her white lace gloved hand, and with tears in her eyes, she emotionally sang the most classic chorus of the song: "Tomorrow I'm going to marry you, tomorrow I'm going to marry you ....."

### **Chapter 3117**

Gu Qiuyi's cover of Zhou Hua Jian's song 'Tomorrow I'll Marry You' is an old song published in 1993.

Many of the younger fans in the audience had never even heard of the song.

However, the song itself is so classic that even big-name singers such as the diva Jacky Cheung, the diva Faye Wong, Mei Yanfang, Karen Mok and Xu Ru Yun have covered the song at their concerts.

Only recently, over the years. This old song rarely appears in the public eye anymore.

And Gu Qiuyi sang this song to perfection, and with this perfect white wedding dress of hers, it simply fitted the temperament of this song to the extreme.

What's more, everyone knew that the reason why Gu Qiuyi sang this song was for the Prince Charming that she had been looking for for years.

So, this moved the fans in the audience even more.

Who would have thought that a goddess who was the centre of attention and had the love of thousands would be so infatuated with a childhood prince charming.

So. When she wore her wedding dress and sang the song on stage in a gentle and moving manner, the female fans at the scene once again felt what it meant to be in tears.

What made the fans feel even better was this. When Gu Qiuyi sang this song, her face was covered with the shyness and intoxicated smile of a young girl, and anyone could see the deep love and intoxication on her face.

And Gu Qiuyi's wedding dress was also extraordinarily colourful. The dress fit her body perfectly, and at a glance it was specially tailored to her figure.

Moreover, the style, material and workmanship of the wedding dress were all impeccable, and even with the high-definition picture magnified by the ten-metre-high screen, no flaws could be seen.

Ye Chen's entire body had already been frozen like a wooden chicken.

He had never expected that Gu Qiuyi would be wearing a wedding dress.

What's more, he didn't expect that Gu Qiuyi would sing such a song at the end of the concert.

At this moment, Ye Chen finally realised that this, was the surprise that Gu Qiuyi had carefully prepared for herself, which made his heart shocked and touched at the same time. At the same time, there was an unspeakable feeling of guilt.

After all, his wife Xiao Churan was sitting beside him at this moment, while she was immersed in Gu Qiuyi's song. She would never have dreamed that Gu Qiuyi's song was actually sung to her own husband.

At this moment, Ye Chen felt that in his heart, two consciousnesses were madly attacking each other.

One consciousness told himself that Gu Qiuyi and himself were engaged to each other. And that she had persistently searched for herself for so many years and had always abided by her marriage contract, and that she had to give her a successful outcome no matter what she said.

But. Another consciousness was telling itself, "Xiao Churan is your wife, the whole world has despised you for these years, thanks to her unfailing devotion to you, and how can you abandon her afterwards?"

While Ye Chen was inwardly conflicted, Gu Yanzhong, who was a few people away from him, was looking at his daughter in her wedding dress on the stage. Looking at his daughter on stage in her wedding dress, he was already in tears.

Just before his reunion with Ye Chen, when he was suffering from advanced pancreatic cancer and was determined by the best doctors in the world to die within six months, he felt that there were only two major regrets in his life that he had not had the chance to make up for, one was that he had never found Ye Chen, and the other was that he would definitely not have the chance to witness the moment of his daughter's wedding.

## **Chapter 3118**

But. Who would have thought that one's life would come to a darker light at the darkest moment. Ye Chen had been found!

Finding Ye Chen did not only mean that a major flaw had been filled, but more importantly, Ye Chen had given him a new lease of life.

In this way, his second regret was no longer a regret, for he still had a long life cycle ahead of him, and could well wait until the day his daughter got married.

He even believed with certainty deep within himself that once the three-year period was up, Ye Chen would definitely go and marry Gu Qiuyi.

At that time, his life would be completely complete.

But he had never dreamed that his pearl in the palm of his hand, his precious daughter. Surprisingly, she gave herself a surprise at the concert today.

Although his daughter, who was dressed in a wedding dress, was not really at the wedding, as a father, he was able to see her on stage with his own eyes, as if his wish had been half fulfilled.

But as a father, he was so relieved to see his daughter on stage, as if she was halfway there. So at this moment, he was filled with mixed feelings.

Deep inside, Lin Wanqiu felt the same emotions as her husband, and tears had long since flowed down her flawless face in two trails.

Seeing that her husband was also crying silently, Lin Wanqiu hurriedly grabbed his hand, looked at him and smiled heartily.

Gu Yanzhong realised that he had lost his temper a little and laughed, hurriedly rubbing the tears on both arms and subconsciously holding his wife's hand tighter.

Lin Wanqiu gently leaned on her husband's shoulder, listening to her daughter's emotional singing on stage. She couldn't help but whisper in her husband's ear, "If Brother Ye and Sister An were still alive, how good do you think it would be ....."

"Yes ....." Gu Yanzhong's body trembled gently as he sighed, "If that scene could really come true, it would really be a thousand gold pieces ....." Even if I were to give up the entire Gu Group with my hands, I would have no complaints!"

Lin Wanqiu nodded heavily, her nose sore. Hastily twisted her face away.

At this moment, Xiao Churan was also deeply moved by this song and gently held Ye Chen's hand. She opened her mouth and said, "Honey, did you say that Gu Qiu Yi's Prince Charming, came to the scene today?"

Ye Chen was stunned at his words. Immediately, he smiled sarcastically and said, "I can't say this."

Xiao Churan seriously said, "I hope he is there, so that he will not disappoint Gu Qiuyi's deep love and affection ....."

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own. Or will he be deeply moved and run up to propose to Gu Qiuyi on the spot ah?"

Ye Chen shook his head and said with a bewildered expression, "I don't know ....."

Xiao Churan said seriously, "Gu Qiuyi has sacrificed so much for this man, if the two of them can't have a lover to marry, then it's really too unreasonable ....."

Ye Chen didn't know how to respond to Xiao Churan's words, he only felt incomparably conflicted deep inside, about where he was going in the future, he couldn't seem to make sense of it at all.

But Xiao Churan did not know the extreme contradiction in her husband's heart at this time, she was a little jumpy and could not hide her excitement, "I think Gu Qiuyi will definitely let him on stage! Suddenly I feel so nervous, maybe I'll have to witness the most romantic thing I've ever met in my life!"

Ye Chen casually nodded his head.

He knew that many fans were looking forward to witnessing the completion of Gu Qiuyi's love story at this concert.

However, Ye Chen was equally clear that Gu Qiuyi would definitely not name herself at this concert, much less let herself on stage in public.

After all, he had a three-year contract with her.

Moreover, his current identity had not yet been made public, and most people still did not know that he was a member of the Ye family in Yanjing, let alone that he was Ye Changye's son and carried a blood feud on his body .....

## **Chapter 3119**

At this moment, Gu Qiuyi's song 'Tomorrow I'll Marry You' had reached its end on stage.

When Gu Qiuyi finished the last note, all the accompanying instruments in the audience came to an abrupt end at the same time as her voice.

Everyone did not expect the song to end suddenly, as if it had been cut off in one go, feeling abrupt, yet with a sense of surprise and then developing into a sense of unfulfillment.

And what was even better was that just as the entire audience's singing and instrumental accompaniment came to a screeching halt, on stage, Gu Qiuyi, along with her backing dancers and accompanists, simultaneously stopped their bodies in this instant, as if they had been cast in stasis, and did not move at all.

The audience below the stage cheered with excitement, many of them shouting in unison for Prince Charming to take the initiative and propose on stage.

But no one expected that, after a moment of stillness, Gu Qiuyi opened her mouth and said, "Thank you all, I will sing here today, thank you again for your continuous support and love, thank you! Goodbye!"

After saying this, Gu Qiuyi, who was wearing a white wedding dress and standing on the stage, suddenly started to sink and gradually disappeared into the middle of the stage with the lift.

No one expected that Gu Qiuyi would end the concert just like that.

Many people were still waiting for her to confess her love to her Prince Charming in public, or for her Prince Charming to come on stage and propose to her.

But who would have thought that she would exit the stage in such a dashing manner, without looking back?

It's like sending your lover off to a faraway place, hugging, kissing and telling each other how much you love each other isn't enough, you always think the other person should turn around and say goodbye in tears before getting on the bus.

But instead, after hugging, kissing and exchanging words, the other party walked to the car in style, followed by a click of the car door, and simply took your lover away to a faraway place without delay.

Just as the audience had not yet recovered from the two or three hours of a full-blown performance, a line of white handwriting once again appeared on the big screen.

Immediately afterwards, Gu Qiuyi's voice read out this passage which she had written in her own hand.

"I had vowed that after I found him, I would quit the entertainment industry permanently and then focus on being by his side and being a competent and virtuous wife and mother like his mother and my mother ....."

"So, here, I am very sorry to officially announce to all my fans who love me that I will be permanently retiring from the entertainment industry after this tour, thank you for your continued love for me."

"I hope you can understand me and forgive me for this selfish decision, and that you can all reap your own happiness in your future lives."

"After this concert, the rest of my tour will be officially renamed as 'Gu Qiuyi Farewell Concert', and I will be going to a dozen other cities across the country and several other countries around the world to hold my farewell concerts, so as to say goodbye to my fans across the country and even around the world. I hope to bring my singing career to a successful conclusion and give all my fans a perfect memory."

"At the same time, I will also donate all the ticket sales from this farewell concert tour to the China Charity Foundation, which will be used to help orphans across the country, so that they can have a better environment to grow up, enjoy better living conditions and educational resources, and my agency will also make the financial data of each concert public on the internet. My agency will also make the financial data of each concert public on the internet and ask a notary to do justice."

"I would also like to appeal to my fans who are able to do their part to help orphans, so that orphans across the country will no longer be displaced, lacking in food and clothing, and will no longer be underestimated and discriminated against."

"Finally, here's wishing us all, a slow road ahead and a promising future, cherish!"

## **Chapter 3120**

After Gu Qiuyi's recording finished reading out these few paragraphs, the lights inside the entire stadium suddenly came on.

In this instant, countless fans once again cried out in pain.

Because, in their hearts, they knew very well that when the lights came on, it was the time for the song to end.

Just like when a movie breaks up, the lights come on to announce the end of the show.

Moreover, Gu Qiuyi had already used her own handwritten words to say goodbye to everyone, so naturally, there could not be any return performance or egg next.

All the fans sat frozen in place, as they had not yet recovered from the words Gu Qiuyi had just left behind.

They couldn't accept that their idol, their goddess, had suddenly announced her retirement from the entertainment industry without any warning!

If she continues to work hard for a few more years, she may become the most popular Chinese singer in the world.

But for such a promising star to choose to quit for good was a thunderbolt to her fans!

Many female fans who were weak in their mental capacity almost lost their voices in pain at this moment.

And each and every one of these male fans was also indignant, with many even clenching their fists and bruising their veins.

They couldn't stand the thought of their goddess, abandoning all her fans who loved her simply for the sake of a man.

Not only would this hurt their feelings, it would sting them to the core.

Because they knew that in their goddess's eyes, all the men in the world combined might not be as good as that Prince Charming of hers.

Even Xiao Churan was stunned as she stared dumbfounded at the stage, muttering softly under her breath, "How can you just quit like that? How can you quit like this? Why should she give up her career completely for a man when she clearly has a bright future ahead of her? Does getting married and having children mean you can't sing anymore?"

There were at least tens of thousands of people in the room who shared the same thoughts as her.

No one could understand why Gu Qiuyi had to make such a huge sacrifice for a man.

And out of the tens of thousands of people in the entire audience, the only people who could truly understand Gu Qiuyi were only three.

Two of them were naturally her parents, and the only remaining one was not Ye Chen, but Ito Nana-chan.

This was because the education Ito Nana-chan had received since she was a child was to try to be a virtuous wife and mother when she became an adult.

As for her own personality, her hobbies and her career, none of them mattered in front of this goal.

Therefore, at this moment, she also murmured within herself, "I envy Gu Qiuyi's courage to say what she wants most in front of so many people, if God gives me a chance and lets me stay with Ye Chenjun for the rest of my life, I am also willing to give up everything like she did ....."

As for Ye Chen, he was moved by those last two paragraphs of Gu Qiuyi's speech.

All the proceeds were donated to a charity foundation dedicated to helping orphans, and the fact that Gu Qiuyi would make such a decision must also be because of her own experiences in the orphanage over the past ten years.

This made him sigh in his heart, Gu Qiuyi was really thinking of him all the time .....
