

Ye Chen 4141

Chapter 4141

Only after confirming that there was no danger whatsoever did the driver's intercom carry the voice of his teammate, "Everything is ready, we can let Miss Gu off now."

The driver immediately said, "Miss Gu, you can get out of the car now."

After saying that, he pushed open the car door and pulled the rear door open for Gu Qiuyi.

Gu Qiuyi and Ye Chen stepped out of the car together, and at this time, Chen Zhaozhong, who was sitting in the car behind, also stepped out of the car.

The two bodyguards came out of the VIP lane and said to Gu Qiuyi, "Miss Gu, you can go in now."

Gu Qiuyi nodded, and at that moment, two middle-aged men and a young man walked out of the VIP lane together.

The one in the lead was Lu Sinian, the president of the New York Chinese Chamber of Commerce, while the middle-aged man on his left was Luan Xianning, the executive vice president of the New York Chinese Chamber of Commerce and a good friend of Gu Yanzhong when he was young.

The young man on Lu's right is naturally the organiser of this charity dinner, the youngest member of the Fei family, Fei Hao Yang.

Fei Hao Yang had made such a big show in order to trap Gu Qiuyi in it, so when he heard that Gu Qiuyi had arrived, he naturally couldn't wait to meet her.

At this moment, Gu Qiuyi also saw the three people, and after recognizing that one of them was none other than her father's best friend Luan Xianning, she smiled and said, "Hello Uncle Luan!"

Luan Xianning said with a smile, "Aiya Qiu Yi, I haven't seen you for a few years. Your Auntie Sun has been talking about missing you!"

Gu Qiuyi said politely, "Uncle Luan, I've been busy lately, so I haven't had time to visit.

Luan Xianning said happily, "Great! That daughter of mine adores you the most! If she knew you were coming over for dinner, she would be so excited that she wouldn't be able to sleep tonight!"

If she knew that you were coming to our home for dinner, she would be so excited that she wouldn't be able to sleep tonight!" Luan Xianning said, "Right, Qiu Yi, uncle would like to introduce you to this young and promising young man, who is the young master of the Fei family in the United States, and this charity dinner was organized by Young Master Fei."

Fei Hao Yang smiled slightly and nodded at Gu Qiuyi in a very gentlemanly manner, "Hello, Miss Gu! My name is Fei Hao Yang, I have heard a lot about you, and today I finally got to meet Miss Gu in person as I had hoped!"

Gu Qiuyi also nodded her head and said, "Young Master Fei is very kind."

At the side, Ye Chen looked at Fei Hao Yang with interest and thought to himself, "I wonder what relationship this young master of the Fei family has with Fei Ke Xin, is he Fei Ke Xin's cousin or Fei Ke Xin's cousin's nephew?"

Luan Xianning then added: "Qiu Yi, let me introduce you again, this is the president of our New York Chinese Chamber of Commerce, Lu Sinian."

Lu Sinian said with a smile, "Miss Gu, it is a great honour for our New York Chinese Chamber of Commerce to work with you this time, and please don't worry Miss Gu, our New York Chinese Chamber of Commerce will do our best to satisfy you and your team this time!"

Gu Qiuyi nodded politely and said, "Then it will be hard for Chairman Lu!"

At this time, Luan Xianning looked at Ye Chen and then at Chen Zhaozhong and asked curiously, "Qiu Yi, these two gentlemen are?"

Gu Qiuyi first introduced Chen Zhaozhong and said, "This is Chen Zhaozhong, an old friend of my father's."

After saying that, she also introduced Ye Chen in a serious manner, "As for this man, his surname is Ye, he is my chief feng shui master for this North American tour, I went to a lot of trouble to specially invite him from China, you can just call him Master Ye as I do."

"Master Ye" Luan Xianning was a bit surprised and unconsciously looked at Ye Chen carefully, seeing that he was so young and did not have much of a master's demeanor, he had a bit more contempt in his heart, always thinking that he was probably a charlatan, but his mouth was very polite as he exclaimed He said, "I didn't expect Master Ye to be so young and already a feng shui master, really young and promising!"

Ye Chen smiled and said casually, "I'm not really young and promising, but I just have some friends to support me, if Mr. Luan has any feng shui needs, you can find me."

Chapter 4142

Luan Xianning didn't believe in feng shui secret arts at all, so he didn't care for Ye Chen either, but just said with a smile on his lips, "Fine, fine, since Master Ye said so, I will also give you a show when I have the chance."

Ye Chen could see that he was not a fan of himself, and a few polite words were just going through the motions. If this buddy really wanted to invite himself to read feng shui for him, he would not give a D*mn about him.

The so-called social life is like this: you obviously don't like the other party, but you have to show some admiration, saying that you have something to say, but in your heart you want the other party to never contact you in the future.

So, Ye Chen simply said, "Sorry Mr. Luan, I have a full schedule recently, if you really have feng shui needs, I can recommend other feng shui masters for you."

Luan Xianning didn't expect Ye Chen to be so blunt, and was somewhat offended, thinking, "I was just being polite with you to give you face, but you took it seriously? Do you think I would really ask you to come and show me some feng shui?"

So, Luan Xianning smiled sarcastically and said, "It's fine, since Master Ye is not available recently, let's wait until the next opportunity."

As he said this, what Luan Xianning was thinking was: "This kid is probably a charlatan, I'll have to take the time to remind Qiu Yi later, don't fall for this kind of fraud."

Fei Hao Yang said with a smile, "The dinner will start in a moment, why don't we go in first, we have prepared a VIP lounge for Miss Gu, Miss Gu will go there first to rest for a moment, and then make her appearance after the dinner starts, or give the other guests outside a surprise."

Saying that, Fei Hao Yang added, "Right now, apart from the three of us, the other two hundred or so guests don't know that Miss Gu is the mystery guest of honour tonight, I believe that when Miss Gu makes her entrance, it will definitely cause a huge sensation."

Gu Qiuyi had known about his arrangement, so she didn't have a problem with it and nodded gently, saying politely, "Thank you for your hard work, Young Master Fei."

Fei Hao Yang smiled, "It's all as it should be."

Saying that, he hurriedly made an invitation gesture and said, "Miss Gu please!"

Gu Qiuyi nodded and an American bodyguard came forward and said to Gu Qiuyi, "Miss Gu, we have checked inside and it is all safe, moreover there are security personnel arranged by Young Master Fei inside, so we won't send too many people inside, I am going to let six team members go in with you and the rest will be on standby at the front and back doors."

Gu Qiuyi didn't suspect that there would be any problem with her security, so she agreed to do so.

Afterwards, Gu Qiuyi took Ye Chen, Chen Zhaozhong and his assistant Chen Duoduo, and followed Fei Haoyang and the others inside.

However, at this time, Hattori Kazuo was not immediately placed near the VIP room that Fei Hao Yang had prepared for Gu Qiuyi, but stayed behind to help in the back kitchen and prepare the drinks for the time being.

According to Hattori Kazuo's own plan, he would first wait for Gu Qiuyi to enter the VIP room, then send one of his men to accidentally spill the wine on the floor near Gu Qiuyi's VIP room in the process of delivering the wine to the banquet hall.

At this moment, Fei Hao Yang and others, led Gu Qiuyi's group to the entrance of the VIP lounge, Fei Hao Yang took the initiative to open the door and said to Gu Qiuyi, "Miss Gu, it is hard for you to rest here for a moment, later on the dinner will officially start, President Lu, Vice President Luan and I will all make speeches respectively, when we finish our speeches, we will announce that we will invite the mysterious VIP to make an appearance, at that time, a staff member will come to inform You will be informed by the staff to wait for the venue."

"Understood." Gu Qiuyi didn't think much about it and nodded, "Then I'll wait here."

“Good!” Fei Hao Yang nodded happily and said with a smile, “Then Miss Gu will go in first and rest while we go to the front to get ready.”

After Fei Hao Yang and the others left, a bodyguard said to Gu Qiuyi, “Miss Gu, we have checked inside the VIP lounge, there are no other passages, it is very safe and there are no eavesdropping or recording devices, don’t worry, the six of us will keep watch at the entrance, if there are any problems you can call me at any time.”

Gu Qiuyi nodded and said, “Thank you for your hard work.”

“You should.” The other party said, “By the way Miss Gu, there are some drinks and desserts inside, you are advised not to consume them freely for safety’s sake.”

“Okay, I understand.”

After Gu Qiuyi finished speaking, she looked at Ye Chen and Chen Zhao Zhong and said, “Uncle Zhong, brother Ye Chen, let’s go in and sit down for a while.”

Chapter 4143

After saying that, she also looked at Chen Duoduo and spoke, “Duoduo, you too come in and take a rest.”

The four of them then went into the lounge.

As soon as Chen Zhao Zhong entered the lounge, he began to look around.

Although the lounge was luxuriously decorated and well furnished, he always felt that it was really difficult to feel safe in this place.

There was only one door between the lounge and the outside world, and other than that, it was a completely enclosed space.

Under normal circumstances, the privacy of such a room was excellent, but in the event of danger, this kind of room hardly offered any chance of escape.

Thinking about this, he couldn’t help but feel a little worried, always feeling that this charity dinner and this sealed room seemed to be hiding some kind of hidden secret.

So, he asked Gu Qiuyi, “Miss Gu, how were you invited to this charity dinner?”

A few days ago, Uncle Luan said that the young master of the Fei family wanted to collaborate with them on a charity dinner and hoped that I could come over to support the event. ”

Chen Zhao Zhong nodded and asked again, “The charity dinner tonight is for Chinese orphans, right?”

“Right.” Gu Qiuyi nodded, and her afterglow couldn’t help but look at Ye Chen as she spoke, “Brother Ye Chen suffered a lot in the orphanage back then, and now he also puts out a lot of funds to do charity for the orphans, so I also want to do my part for the orphans.”

Chen Duoduo, who was at the side, was likewise quietly staring at Ye Chen at this moment, wanting to see if Ye Chen’s expression would change in any way because of Chen Zhao Zhong’s question.

Ye Chen, whose emotional nerves were somewhat dull, did not react much at this moment, while Chen Zhao Zhong's heart became even more worried.

The reason was that he felt that this charity dinner seemed to be tailor-made for Gu Qiuyi.

So what was the other party's purpose in doing this?

Was it that young master Fei had taken a liking to Gu Qiuyi and wanted to pander to her, or did the other party have some mischievous thoughts about Gu Qiuyi in mind?

Without this airtight room, where there was no escape, Chen Zhao Zhong might have thought that it was probably because Fei Hao Yang wanted to win Gu Qiuyi's attention.

However, if this room was included in the conditions of the analysis, Chen Zhao Zhong felt that there was a faint murderous intent in it, so the latter seemed more likely.

It was like, if a man went on a date with a woman, if he had a condom with him, it did not necessarily mean he wanted to commit a crime, perhaps he just wanted to have a smooth ride when the atmosphere arrived.

But if he had a dagger with him in addition to the condom, then the whole flavour of the affair changed.

For a while, he didn't know how to tell Ye Chen and Gu Qiuyi what he thought, after all, Gu Qiuyi was a public figure, and many things would naturally be infinitely magnified once they reached a public figure.

If Gu Qiuyi was not a big star, then he would really advise her to be more cautious and better leave the place first.

However, Gu Qiuyi is a public figure after all, and she is here for a charity dinner. If she leaves without saying goodbye, once word gets out, it will have a great negative impact on her reputation and word of mouth.

In case one was over-worried, then this matter would make a big mess.

At this time, Ye Chen saw him frowning slightly and seemed preoccupied, so he asked curiously, "Uncle Zhong, what are you thinking about?"

Chen Zhao Zhong came back to his senses and shook his head, "Oh, nothing Young Master Ye, I just think that the privacy of this room is really good."

Ye Chen felt a little nonsensical, but still nodded out of politeness.

At this time, Chen Zhao Zhong sat down beside Ye Chen and asked him in a lowered voice, "Young Master Ye, I always feel that it's not good."

Ye Chen was surprised and asked him, "Uncle Zhong, which area are you referring to?"

Chen Zhao Zhong looked around and spat out two words in a low voice: "Here."

Chapter 4144

Ye Chen was a little surprised and looked at Chen Zhao Zhong, asking in a low voice, "Uncle Zhong, what do you think is wrong here?"

As his own strength continued to rise, Ye Chen had long since entered a state where he could respond to all changes with no change.

Therefore, he also did not need to keep a tight string at all times, and with his strength, he was able to ensure that he could basically deal with unexpected events with ease when he encountered them.

However, Chen Zhao Zhong was different.

In all his years in the United States, Chen Zhao Zhong had always been cautious.

On the one hand, he had to worry about the immigration authorities finding out his illegal immigration status, and on the other hand, he had to worry about the rich man surnamed Liu from Hong Kong Island sending someone to find him.

Therefore, he is always alert to everything around him, and his sense of danger is naturally sharper.

At this moment, Chen Zhao Zhong said in a very serious whisper, "Young Master Ye, there are many small details that are always incorrect with me."

Saying that, he then spoke out all the doubts he had in his heart.

Ye Chen's expression also gradually cooled down after listening.

He felt that Chen Zhao Zhong's analysis made sense.

One thing and two things being abnormal might be a coincidence, but many factors being abnormal, it would be hard to explain it by coincidence.

Thinking of this, he asked Chen Zhao Zhong in a low voice, "Uncle Zhong, do you think that Fei Hao Yang is plotting against Nui Nui?"

"Mm." Chen Zhao Zhong nodded and spoke, "Fei Hao Yang is the young master of the Fei family, his status, out of everyone outside, is the highest, so it is impossible for him to help others sing, so he must be the real protagonist."

Saying that, Chen Zhao Zhong added: "Moreover, with his status as the young master of the Fei family, since he decided to do this, he must have a very thorough plan, and he must also not leave any risks, they arranged us in such a room where there is no retreat, the intention is already very obvious, there are killing opportunities all around, Young Master Ye!"

Ye Chen could not help but frown, in his mind, he suddenly thought of that Qiao Feiyun who was still unaccounted for.

Then, a doubt sprouted in his mind: that Qiao Feiyun, could he have something to do with Fei Hao Yang?

Or, could Fei Hao Yang be Qiao Feiyun's important superior?

After all, if Fei Hao Yang really wanted to make a move on Gu Qiuyi today, it would prove that he was a beast in human skin, just like Qiao Feiyun.

Moreover, it was after Qiao Feiyun had come to New York that he disappeared, and with the ability of the Ten Thousand Dragons Temple, they hadn't even found out Qiao Feiyun's whereabouts, which

proved that Qiao Feiyun must have defected to someone very strong, and Fei Hao Yang just happened to have that strength.

With this in mind, Ye Chen immediately took out his mobile phone and sent a text message to Wan Bajun, the text message read: check out Qiao Feiyun and Fei Hao Yang of the Fei family, see if these two had any interactions in the past, and also find out what Fei Hao Yang's relationship was with Fei Jianzhong."

But anything that was written into the file was much easier for Wan Long Temple to investigate.

Although much of Fei Hao Yang's information was highly encrypted, but Wan Long Temple had their own informants in the US intelligence department, and the hackers they trained could also directly crack the cla*sified information, so they quickly found out the files of Qiao Feiyun and Fei Hao Yang, and then did a comparison between the two files, and immediately made a discovery.

Just as Ye Chen was waiting for a reply, Gu Qiuyi looked at the two men in surprise and asked, "Uncle Zhong, brother Ye Chen, what are you two talking about there, exchanging pleasantries? Mysteriously"

Ye Chen smiled slightly and casually said, "I'm quite curious about that Young Master Fei and asked Uncle Zhong about it."

Gu Qiuyi asked in confusion, "Brother Ye Chen, what are you curious about him?"

Ye Chen was about to speak when he suddenly received a text message, which read, "Mr. Ye, Fei Hao Yang's father's name is Fei Xuebin, his grandfather is Fei Shanhai, Fei Jianzhong is his great grandfather, the rest is still being checked."

Chapter 4145

When Ye Chen saw this, he knew that this Fei Hao Yang, it turned out, was Fei Ke Xin's nephew.

He then said to Gu Qiuyi, "Coincidentally, I know this Fei Haoyang's aunt."

"Ah?" Gu Qiuyi asked in surprise, "How do you know his aunt?"

Ye Chen laughed, "That's a long story."

At this time, Ye Chen received another message on his phone, "Mr. Ye, Qiao Feiyun and Fei Hao Yang, used to study at the same university, and the two of them studied at the university at exactly the same time, which at least proves that the two of them are alumni."

"f*ck!" Ye Chen cursed in his heart, and when he got to this message, his heart immediately cleared up, and he couldn't help but think: "I couldn't find this Qiao Feiyun anywhere, so he came to New York to join Fei Hao Yang!"

"The Fei family is powerful, and New York is the Fei family's backyard, how can their strength and resources in New York be compared to those of the Ten Thousand Dragons Temple?"

"If Qiao Feiyun had been hiding in the Fei family, the Ten Thousand Dragons Temple might not be able to find his whereabouts even if they searched for another month!"

Thus, Ye Chen was very firmly convinced that today's charity dinner was a set up by Fei Haoyang for Gu Qiuyi, and it was even likely that Qiao Feiyun was behind the plot!

At this moment, Ye Chen's expression had become very ugly.

He really did not expect that the young master of the Fei family would be so bold as to even dare to touch his sister, Ye Chen!

At this moment, Chen Zhao Zhong also saw that Ye Chen's expression was not right, and quickly said in a low voice: "Young Master Ye, if the other party really has bad intentions, I'm afraid that with just a few bodyguards outside, it would be difficult to deal with it, and I presume that the other party will definitely choose to make a move against us when the charity dinner officially starts, so it seems that we only have a five-minute window of time left."

With that, he immediately added, "I have a reprieve, call 911 right now and tell them that someone here is planning a terrorist attack using explosives."

"In New York, a terrorist attack is a top level incident, once a call is received in relation to a terrorist attack, the police take it extremely seriously, a special operations team will arrive by helicopter within five minutes, and within ten minutes of receiving the call, the NYPD will have at least over three hundred officers from the surrounding area on the scene to support them;"

"What's more, this is the Fay family's property and the young master of the Fay family is here tonight, the police will only take it more seriously and will not rest until the place is turned upside down!"

"By then, the massive influx of SWAT and police officers will be able to completely disrupt their plans for tonight, and we will be safe for the time being!"

Hearing this, Ye Chen could not help but be surprised at Chen Zhao Zhong's speed of response.

He had not expected that Chen Zhao Zhong would be able to come up with a series of solutions in such a short period of time.

The 9/11 time that had shocked the world back then had happened in New York and was a permanent pain for the city, so he believed in what Chen Zhao Zhong said, once the city's police received a call about a terrorist attack, they would definitely do everything they could to respond quickly.

What's more, this was the Fei family's territory, the Fei family's young master was hosting a party here tonight, and if an attack did occur, the consequences would be unthinkable.

This would certainly make the police even more nervous.

Therefore, the feasibility of this solution was almost 100 percent.

However, Ye Chen was not going to use Chen Zhao Zhong's method.

He smiled faintly and said to Chen Zhaozhong, "Uncle Zhong, to catch an adulterer in bed, to catch a thief, you have to catch the stolen goods! If you don't catch the thief when he comes, but instead try to run away with your property, then you can run away for a while, but not for a lifetime, as long as the thief is still here, he will keep thinking about your property."

After hearing this, Chen Zhao Zhong said with horror, “Young Master Ye, the other party is the young master of the Fei family, he does not know how many top experts are under him, with those bodyguards of ours alone, I’m afraid we are no match for them ah, the most important thing for us now is to retreat with our whole body, and then think of a countermeasure, stay in the green hills, not afraid of no firewood

The most important thing to do is to retreat and then think of a solution.

Chapter 4146

Chen Zhao Zhong did not understand that he had already told Ye Chen the extent of the danger of the matter without reservation, but Ye Chen was not the least bit moved.

He couldn’t help but sigh: “Young Master Ye wouldn’t really think that he could control such a situation, would he

When he thought of this, he couldn’t help but stifle his wrist: “Compared to Young Master Chang Ying, although Young Master Ye is courageous, his outlook on the big picture is still much worse

If you can’t escape today, won’t Young Master Chang Ying be extinct?”

When Chen Zhao Zhong thought this, his whole body was like an electric shock.

He knew that Ye Chang Ying only had one son, Ye Chen, and moreover, it was only today that he knew that Ye Chen was actually still alive.

Therefore, he could not accept in any way that his benefactor’s only son would perish here.

He felt that his death was nothing to be regretted, as he had been languishing for more than 20 years, but Ye Chen was still young, and he had the bloodline of Ye Chang Ying and An Cheng Qing, two of the most powerful men in the world, so no matter what, he could not stand by and watch him die here!

So he immediately took out his mobile phone and subconsciously prepared to call 911.

At this moment, he no longer cared whether Ye Chen would stop him or whether he would be angry, in his opinion, saving Ye Chen’s life was the most important.

However, when he pulled out his phone and was about to unlock it, he suddenly noticed that the word no service was displayed in the top right corner of the phone!

He exclaimed, “This is the middle of New York City! How can there be no carrier signal? Could

..... Could it be that they have blocked the mobile phone signal?!”

Chen Zhao Zhong was right in his guess.

Qiao Feiyun was worried that in case the Iga ninja encountered a tangle during their operation, giving Gu Qiuyi time and opportunity to call the police, that would greatly increase the difficulty of their operation.

In that case, if Gu Qiuyi called the police, all the plans would be ruined.

Therefore, he deliberately reminded Fei Hao Yang to install multiple signal blockers within a 20-metre radius of Gu Qiuyi’s room.

This kind of signal shield can isolate radio signals very well, once it is turned on, whether it is a mobile phone signal or an intercom signal, it will be completely cut off.

Moreover, he had given the remote control switch of the signal blocker to Kazuo Hattori, so that whenever he felt that the time was right and he was ready to make a move, he would immediately cut off the signal.

Just a minute ago.

Two of Hattori Kazuo's men had just walked a few metres past Gu Qiuyi's room when they accidentally spilled the red wine they were about to carry to the front, which stained the pure wool woven carpet with a red stain.

They immediately asked the two men to replace the carpet, so they took a fresh roll of carpet from the equipment room and prepared to replace it.

The six bodyguards at the door were a little wary of this, but they were only a little more concerned about the waiters, not immediately aware of the approaching danger.

At this moment, Kazuo Hattori suddenly pressed the remote control in his pocket and the signal blocker instantly started to work, then he gave a wink to his men who were about to change the carpet and their hands immediately reached into the rolled up carpet.

Inside the carpet, a dozen or so poisoned shuriken were hidden.

This kind of cold weapon, like the Little Li Flying Daggers, is extremely powerful and can be used silently because it is quenched with a poison that seals the throat.

Once they each had four shuriken in their hands, they exchanged a glance with each other, and at that moment, Kazuo Hattori suddenly struck!

He turned around in an instant with great speed and fired his four shuriken at two of the bodyguards.

The others followed suit, and in a flash, nearly twenty shuriken raced towards the six bodyguards.

The six bodyguards realised that they were in danger and before they could react, their bodies were stabbed by the shuriken and they died instantly!

The whole process took less than two seconds!

Immediately afterwards, Hattori Kazuo quickly gave a wink to his men, who immediately replenished their shuriken and flew towards the door of the VIP room.

At this moment, Gu Qiuyi and Chen Duo inside the room were unaware of the danger outside the door.

Because, in the banquet hall next door, the charity dinner had already officially started, and the sound of the host speaking and the sound of the applause on the floor made them unable to hear the movement outside the door.

And at this time, Chen Duo Duo was still wondering and muttered, "Huh, why is there no internet"

On the other side, Chen Zhao Zhong was already extremely nervous, he knew that the lack of internet on his mobile phone must be a signal that the other side was ready to make a move, he had already missed his last chance, right now he was afraid that there was only one way to wait for death.

Chapter 4147

Ye Chen was the only one who, with his keen senses, had caught everything that was happening outside the door in his ears.

He recalled his own experience when he had faced the Tenglin family ninja in Japan, and sensed that the weapon the other party was using outside should be the same hand sword used by the Tenglin ninja Tenglin Aota at that time!

He couldn't help but frown, and laughed playfully under his breath, "Ouch, it's actually a Japanese ninja!"

As he said that, he was already quietly holding the Soul Piercing Blade in his hand.

Hearing this, Gu Qiuyi was surprised and asked, "Brother Ye Chen, what Japanese ninja are you talking about"

Before she could finish the word ninja, the door was suddenly kicked open!

Immediately after that, Hattori Kazuo led seven Iga ninjas to rush in extremely fast.

The two girls screamed out in fear, while Hattori Kazuo coldly instructed the ninjas around him, "Except for the women, kill all the rest, leave no one alive"

Like Gu Qiuyi, Hattori Ichigo's last words were not finished when he looked up and suddenly saw Ye Chen sitting facing the door, his entire scalp instantly tingled with fear, and it quickly went from his scalp all the way to his toes!

Hattori Kazuo said in a voice of longing tinged with fear, fear tinged with panic, trembling: "Ye Master Ye?! You What are you doing here"

Hearing this, the other seven ninjas looked along Hattori Kazuo's gaze.

When they saw Ye Chen, all seven of them instantly fell to the ground with a poof of fear and bowed down!

All of them, without exception, had gone to Mount Ye Ling to support Ye Chen at the time of the Qingming Festival in response to Ito Nanaiko's signs.

There, they had seen Ye Chen's terrifying strength with their own eyes.

In particular, Ye Chen had killed two of the Four Great Battle Kings of the Ten Thousand Dragons Hall with the snap of his fingers!

That scene still haunts them to this day!

One must know that even their head, Hattori Hanzo, Hattori Kazuo's father, was no match for the Four Great Battle Kings of the Ten Thousand Dragons Hall!

Even two Hattori Hanzo and three Hattori Hanzo had no chance of winning against a single War King of the Ten Thousand Dragons Hall.

Yet Ye Chen, like killing a dog, had easily killed two Battle Kings, this strength, in their eyes, was already as good as a god!

When they saw Ye Chen here, they were naturally scared out of their wits!

Hattori Kazuo saw all seven of his men around him kneel down, and only then did he himself come back to his senses, hurriedly kneeling on the ground and saying in fear, "Ye Master Ye Right I am sorry I'm really sorry I am I am Kazuo Hattori Iga ninja under Ito-sama's command I followed Ito-sama to help you fight against Manryu-den on Mount Yehling Today Today, I didn't know you were here, and I have inadvertently offended you, so I ask for your forgiveness"

Gu Qiuyi, Chen Duo Duo, and even Chen Zhao Zhong were all looking dumbfounded at this moment.

A second ago, these eight people had only rushed in with a murderous aura.

But a second later, these eight people were all on their knees, and all eight of them, without exception, were kowtowing one after another and begging for mercy!

Ye Chen looked at Hattori Kazuo at this moment, smiled contemptuously and asked in a cold voice: "Hattori Kazuo, right? Tell me, how much f*cking guts have you had to eat to even dare to kill me?"

Hattori Kazuo folded his hands and said in a frightened voice, "Back to Master Ye A guy named Yun paid us a high price to kidnap the two women in this room and kill everyone else I really didn't know it was you"

After saying that, he glanced at Gu Qiuyi and Chen Duo Duo in the room and instantly recognized one of them, Gu Qiuyi!

In this instant, he was almost scared out of his mind!

Not only was he a fan of Gu Qiuyi, he had also met Gu Qiuyi in person that day on Ye Ling Mountain and knew that Gu Qiuyi was Ye Chen's confidante.

Only at this moment did he realise that it was Gu Qiuyi that Qiao Feiyun had asked himself to kidnap!

He couldn't help but curse angrily in his heart, "Isn't this f*cking doggone it? I'd rather kidnap Amaterasu Omikami than Ye Chen's woman"

A flustered to the core Hattori Kazuo cried, "No wonder No wonder that guy surnamed Yun is dead set against telling me who the target really is Master Ye, I was being used! That person only told me that there were two women in this room and told us to kidnap both of them first, he didn't tell me who these two women were at all"

After saying that, he took a few steps on his knees and came in front of Ye Chen, kowtowing like crazy while crying, "Master Ye I really didn't know that you and Miss Gu were here If I had known, even if I had 10,000 guts, I would never have dared to do anything against Miss Gu Please be merciful and spare me this time"

Chapter 4148

Chen Zhao Zhong and Gu Qiuyi both looked confused.

Gu Qiuyi was completely unaware of what was happening, while Chen Zhaozhong was completely confused as to why these few people came in in a murderous mood and instead immediately knelt down and begged for mercy as soon as they saw Ye Chen.

What they didn't know was that Hattori Kazuo was now really about to die of fright.

He only felt that his heart rate was so fast that it had gone completely out of whack, and the violent and rapid vibrations seemed to be shattering his entire chest cavity with excruciating pain.

In his mind, he could not help but recall the image of Ye Chen kicking a small stone and directly killing the War King of the Ten Thousand Dragon Hall on Ye Ling Mountain that day, and knew that if Ye Chen took offense, he could send the eight of them to meet the Great God of Heavenly Light in a minute.

Therefore, he could only keep begging for mercy and repentance, praying that Ye Chen would show mercy.

At this time, Ye Chen smiled playfully and said, "Hattori Kazuo, right? Go, close the door first."

Hattori Kazuo could only nod like a grey grandson and hurriedly stood up, dragging his trembling legs and shutting the door to the VIP lounge.

Then, Hattori Kazuo returned to his original position and knelt on the ground again, looking at Ye Chen and begged, "Master Ye I beg you to forgive me this time"

Ye Chen waved his hand and said indifferently, "We are all adults, you are still daydreaming like a child here, this is meaningless."

Hattori Kazuo panicked to death, like a dog in distress, and confessed, "Master Ye Your name has long been known to us, and your strength is like a miracle in our eyes, I really did not mean to make an enemy of you This is all at the behest of someone"

Ye Chen smiled and spoke, "Let me ask you, the person who hired you, who is it?"

Hattori Kazuo was busy saying, "A Chinese surnamed Yun, I don't know exactly what his name is, I only know it's Mr. Yun."

Ye Chen found out Qiao Feiyun's information, opened the photo and asked him, "Is this the man?"

Hattori Kazuo crawled forward on his knees for a few steps, and after seeing it clearly, he hurriedly knelt and backed up again before bowing and saying, "Back to Master Ye, that's him!"

Ye Chen nodded and asked again, "How much did he pay your Iga ninja?"

Without thinking, Hattori Kazuo said, "Eighty million dollars!"

Ye Chen continued to ask, "How many of you have come in total?"

Hattori Kazuo said respectfully, "Just eight of us"

Ye Chen asked in a cold voice, "What was your original plan?"

Hattori Kazuo was busy saying, "The original plan was to capture the two women here, kill everyone else, then immediately take the people away from the staff passageway, load them into rubbish trucks and transport them to the dock, that Yun surnamed has arranged a boat for us, when the time comes, hand the people over to him and we can leave the US by boat."

Hearing this, Ye Chen nodded gently, then he smiled lightly, looked at Hattori Kazuo with interest and opened his mouth to ask: "Hattori Kazuo, let me ask you, do you few still want to return to Japan alive?"

Hattori Kazuo's expression was overjoyed and he nodded his head as if he was in a panic and said, "I do! We all want to! I beg Master Ye to help us!"

The others also begged, "Please, Master Ye!"

Chapter 4149

Ye Chen nodded and said, "To tell you the truth, one of the masterminds behind this matter today is Fei Hao Yang of the Fei family in New York, he is here now, you help me to arrest him and transport him out according to the plan you just mentioned, but not to that Qiao Fei Yun, I will arrange for someone to meet you and take him away, after the matter is completed, you eight people will go directly with my people, they will protect you. go with my people, they will protect you."

Although Hattori Kazuo had never met Fei Hoang, he was very clear about the reputation and strength of the Fei family in New York.

The strength of the Fei family was simply no match for even the Ito family in Japan, yet Ye Chen told him to capture the youngest Fei family member, which scared him out of his wits.

So he cried out in panic and begged, "Master Ye We Iga ninjas have always been surviving in the cracks, our lives are very hard, if we provoke the Fei family again, it will probably be a disaster that will destroy our family"

Ye Chen sneered and said in a stern voice, "Hattori Kazuo! For you Iga ninja, if you provoke the Fei family, it just might be a disaster of extinction, but if you provoke me, then it will definitely be a disaster of extinction!"

As he stood up, Ye Chen looked down at Kazuo Hattori and said coldly, "Even the son of Ryojin Matsumoto, who had been taken away by his ex-wife for many years and had changed his name, was not spared, so how could I, Ye Chen, be inferior to them? If you Iga ninja are determined to oppose me, then I will make the Iga ninja, and all those who are related to them, disappear from this world completely!"

When Hattori Kazuo heard Ye Chen's words, his whole body was struck by lightning and his liver and guts were split!

He knew Ye Chen's strength.

Not to mention that Ye Chen himself was so powerful that killing Iga ninja was no different from killing a chicken.

The strength of the Ten Thousand Dragons Hall under his command alone was so strong that it made him shudder!

If Ye Chen really wanted to exterminate the Iga ninja, then they would definitely have the ability to complete Ye Chen's orders!

Hearing this, Hattori Kazuo had completely collapsed, he knocked his head on the ground and cried out in pain, his entire body trembling continuously with his sobs.

When he had come to America, he had come with a mission and a vision to revitalise the Iga ninja.

But now, the centuries-old legacy of the Iga ninja was in danger of being destroyed.

If he did not agree to Ye Chen, the Iga ninja would completely disappear from this world. If he agreed to Ye Chen, I was afraid that he would have to fight for the rest of his life, avoiding the Fei family's pursuit, and it was still unknown how many of them would survive.

This desperate situation had completely broken his emotions and mentality.

The other seven Iga ninjas were in the same mood.

When Ye Chen saw that Hattori Kazuo was still not cooperating meekly, he said in a cold voice, "Hattori Kazuo, we have an old Chinese saying, 'good words are hard to persuade a D*mned ghost', since I have given you a way out of life and you don't cherish it, then don't blame me, Ye Chen, for being merciless. relatives, will all go over to accompany you in no time!"

At Ye Chen's words, Hattori Kazuo immediately raised his head, broke down emotionally and said in tears, "Master Ye I am willing to cooperate! I am willing to cooperate!"

"Good!" Ye Chen nodded and said in a cold voice, "You first dispose of the bodyguard's corpse outside the door, then continue to go out disguised as a waiter, it won't take long, that Fei Hao Yang will definitely come over to take a look at what's going on, when that time comes, you can just do it, first take out all the bodyguards around him, then take the person away."

Chen Zhao Zhong, who had not said anything, said in a low voice, "Young Master Ye, someone of Fei Hao Yang's level must have martial arts masters around him, I'm afraid these ninjas are no match."

Ye Chen said with approval, "There is indeed that possibility."

After saying that, Ye Chen looked at Hattori Kazuo and spoke, "You don't have to worry too much, if the other party has martial arts experts around, I will take care of it for you."

Hattori Kazuo could only follow Ye Chen's path to the end, so he gave up and said through clenched teeth, "Yes, Master Ye! I will do as you say!"

Chapter 4150

In order to make sure that nothing is wrong, Ye Chen took out the information of Fei Hao Yang sent by Wan Bajun in his mobile phone, opened the photo of Fei Hao Yang, handed it to Hattori Kazuo and instructed, "Remember this person clearly, if he brings someone over later, you wait for him to come in and kill all his men, if he comes by himself, just tie him up and bring him in to me, got it? "

How dare Hattori Kazuo say more, he quickly nodded and said, "Master Ye don't worry, I understand"

Ye Chen nodded and added: "If he lets people come to explore the truth, you guys don't need to do anything, just let them in."

"Good!" Hattori Kazuo solemnly agreed and carefully stared at Fei Hao Yang's photo again before speaking, "Master Ye, I've memorized Fei Hao Yang's face!"

Ye Chen nodded his head slightly and waved his hand, "Since you have already remembered it clearly, then there is nothing more for you to do here, so go out!"

Hattori Kazuo breathed a sigh of relief and hurriedly said, "Master Ye, then I will first leave"

After saying that, he hurriedly led the seven people to retreat out.

As soon as they left, Gu Qiuyi asked impatiently, "Brother Ye Chen, that Fei Hao Yang, why did he kidnap me?!"

Ye Chen said coldly, "I was tracking down that Qiao Feiyun when I was in Canada, but the kid disappeared after he came to New York. I just found out that that Fei Hao Yang, is actually Qiao Feiyun's superior, they specialize in mutilating young girls for fun, and their methods are extremely ruthless, you should be their next target."

Gu Qiuyi gritted her teeth and said, "This guy is too vicious! He put on such a big show to trick me! It's so hateful!"

Ye Chen smiled faintly and said, "Nui Nui, don't worry, I will make him pay the maximum price."

Gu Qiuyi couldn't help but ask, "Brother Ye Chen, what are your next plans? Is it to kidnap that Fei Hao Yang?"

Ye Chen nodded and said firmly, "I will definitely not let them go, but right now I still don't know the exact whereabouts of Qiao Feiyun, so since Fei Hao Yang is here, why not take this opportunity to give him a head start!"

Gu Qiuyi hastily reminded, "Brother Ye Chen, this Fei family is strong and is the second most powerful Chinese family in North America after the An family, if you move their young master, will this matter bring you trouble ah"

"Never mind." Ye Chen casually laughed, "We didn't kidnap the person either, we're just witnesses."

Chen Zhao Zhong couldn't help but exclaim, "Young Master Ye, this is a wonderful solution! When that Fei Hao Yang comes over, those ninjas will kill his men and kidnap him, and even the six bodyguards who died just now can all be counted against them! We just need to put on a good show in front of the police, and we can watch the fire from across the river!"

Saying that, Chen Zhao Zhong added, "Young Master Ye, in that case, I dare to suggest that you don't put these ninjas back, if the Fei family traces them, this matter will still be exposed sooner or later."

Ye Chen nodded approvingly and said, "There is indeed this layer of risk."

After saying that, Ye Chen asked Chen Zhaozhong, "Uncle Zhong, what good advice do you have?"

Chen Zhao Zhong busily said, "I heard that Japanese ninja just now say that the person who invited them here is the one you have been trying to find, Qiao Feiyun, right?"

"Right." Ye Chen nodded his head.

Chen Zhao Zhong added, "Young Master Ye, you have been unable to find the whereabouts of Qiao Feiyun, according to me, Qiao Feiyun is probably hiding in the Fei family to advise Fei Hao Yang, and since the Fei family is powerful, has many industries, and is heavily guarded, it is really not easy to find him out."
