

Ye Chen 4241

Chapter 4241

Ye Chen's eyes also filled with blood!

He had never imagined that there would be such inhumane beasts of burden in peaceful times!

What was even more hateful was that these animals were all the so-called elite and high class people in the West, but their methods were so brutal!

Some of them are so brutal that even the Nazis would be ashamed of themselves if they saw them!

After casually flipping through a few videos, Ye Chen's blood pressure was already soaring.

He looked at Wan Bajun and said coldly, "Bajun, I'll give you a mission!"

Without thinking, Wan Bajun said, "Mr. Ye, please speak!"

Ye Chen said, "Arrange for someone to immediately start analyzing these videos and files, make sure to clarify how many people there are and how many girls they have mutilated, investigate the identity of each and every one of them and pull out a list! When we're done with the Fei family, I'll deal with them one by one!"

Wan Bajun immediately said, "My subordinate obeys my orders!"

Ye Chen downloaded a few videos of Fei Haoyang onto his phone, and then said to Wan Bajun, "It's almost time for Fei Jianzhong and Fei Ke Xin to set off."

"Good!" Wan Bajun said without thinking, "I'll give the order here."

Ye Chen walked outside onto the terrace, which was on the fourth floor and could just see the Fei family manor not far away.

Seeing that many people were patrolling the middle of the Fei family's manor on guard, he could not help but wipe a mocking smile across the corner of his mouth.

After tonight, the new emperor of the Fei family was going to fall.

.....

At this moment, the vast Indian Ocean.

Fei Ke Xin was again greeted with a rosy pink evening sun.

While enjoying it, she could not help but be a little puzzled. To her right, she could still vaguely see the land, which she knew was Sri Lanka, known as the 'Pearl of the Indian Ocean'.

She could not help but be a little puzzled, feeling that from yesterday to today, the speed at which the cargo ship was travelling had slowed down considerably, so much so that a day and a night had passed and the ship had still not left the coastline of Sri Lanka.

Normally, it would only take a voyage of three to five hundred kilometres to leave Sri Lanka behind.

And although the speed of the freighter was not exactly fast, it would have covered at least six or seven hundred kilometres in a day and a night.

While she was still puzzled, Su Ruoli walked up to the deck quickly and came towards Fei Ke Xin.

Hearing the footsteps, Fei Ke Xin turned her head back and saw that it was Su Ruoli, so she smiled and waved, "Ruoli."

Su Ruoli smiled faintly and said to Fei Ke Xin, "Ke Xin, it's almost time, hurry back to your room and tidy up."

"Tidy up?" Fei Ke Xin was surprised and asked, "Aren't you going to let the deck work for the crew? What do I need to go back and tidy up?"

Su Ruoli said very seriously, "You need to go back and pack up your personal belongings, the helicopter from the Hall of Ten Thousand Dragons will come to pick us up and leave in half an hour."

Fei Ke Xin was even more surprised, she asked in confusion, "Ruo Li, didn't Mr. Ye arrange for us to go to Syria? Where are you letting us leave for at this time?"

Speaking of this, she couldn't help but ask a little nervously, "Mr. Ye isn't backtracking, is he? No..... Mr. Ye is certainly not such a person, so where exactly does he want us to go?"

Su Ruoli laughed, "Mr. Ye said, where to go can't be said right now, even I myself don't know right now, all I know is that we only have half an hour to prepare, and the helicopter will take us out of here when it arrives, well, to Colombo, the capital of Sri Lanka."

Chapter 4242

"Sri Lanka" muttered Fekosin, turning to look at the land a long way off to his right and saying offhandedly, "No wonder the freighter has been travelling so slowly lately, it was intended I let us off the ship here"

Saying that, she looked at Su Ruoli and asked, "Ruoli, are you coming with us to Colombo too?"

"Yes." Su Ruoli smiled, "According to Mr. Ye's request, I am to escort you to your destination."

Fei Ke Xin nodded gently and asked again, "Then does my grandfather know about it?"

Su Ruoli said, "I came to inform you the first time I received the order, on Mr. Fei's side and Mr. Yuan's side, it's better for you to tell them."

"Okay." Fei Ke Xin said with a heart that could not hide her melancholy, "I'll go and tell grandpa and Master Yuan to hurry up and pack their belongings."

"Good." Su Ruoli said, "I'll go and pack up too, I'll see you on the deck in twenty-five minutes."

Fei Ke Xin ran all the way back to the cargo ship's passenger cabin, where Fei Jianzhong was idly trying to carve a fist-sized piece of scrap wood with his pocket knife.

This piece of wood was one of several pieces of wood he had found by chance on the cargo ship, and since he was really bored, he picked it up and carved something to pass the boring time.

At this moment, his personal bodyguard, Yuan Zixu, was using the fine sandpaper he had found to help him polish one of the carvings, praising him as he did so, "Elder Fei, I didn't expect you to have this skill.

Fei Jianzhong laughed, "When I was a child, my greatest wish was to be a carver, and I learned the craft from a teacher for a while."

He said, "Master Yuan, I'll give this one to you, so that if I leave in the future, you can have a reminder of it."

Yuan Zixu said gratefully, "Thank you, Master Fei, I really like this statue of Doumu, I will definitely keep it well and live up to your kind words!"

Fei Jianzhong nodded and smiled, "If there is a chance to find a piece of good incense wood in the future, I will carve another one for you!"

Yuan Zixu was flattered and said, "No need Elder Fei, this piece would be much appreciated by Yuan"

Fei Jianzhong smiled faintly and said, "I should be grateful to you, you've worked hard for me for so many years, and now you've been implicated in this because of me, honestly, I really feel sorry for you"

Yuan Zixu was busy saying, "You're welcome, Elder Fei, it's all my duty!"

Fei Jianzhong nodded his head and was about to speak when the door was suddenly pushed open by Fei Kexin.

When Fei Kexin entered and saw that his grandfather and Yuan Zixu were both there, he hurriedly said, "Grandfather and Master Yuan, Mr Ye has an order for us to pack our personal belongings urgently, a plane will pick us up in half an hour and take us to Colombo, the capital of Sri Lanka!"

Fei Jianzhong was surprised and asked, "Isn't it going to Syria? Why has it changed to Colombo?"

"I'm not sure." Fei Ke Xin said, "Mr. Ye just gave the order, relayed by Miss Su, and Miss Su will also go with us."

"Strange" Fei Jianzhong frowned and smacked his lips, "Letting us go to Syria I can figure it out, after all, the Ten Thousand Dragons Temple has set up a base there, and when we get there, our safety can definitely be guaranteed" But what is the reason for letting us go to Colombo?"

Yuan Zixu was also confused and spoke, "Sri Lanka is relatively chaotic, and it's unlikely that the Ten Thousand Dragons Temple has too many men there, it's definitely not as safe as Syria, why did Mr. Ye suddenly change his plan?"

Fei Ke Xin said helplessly, "Let's not discuss this, since Mr. Ye asked us to go to Sri Lanka, we definitely can't refuse, it's a blessing but not a curse, we can only choose to trust Mr. Ye! And the helicopter will be here soon, we have to pack our things quickly."

Fei Jianzhong sighed and said with emotion, "Ke Xin is right! It's a blessing, not a curse, but a curse that can't be avoided! Since this life was saved by Mr. Ye, let's do whatever Mr. Ye wants! Pack up your things and get ready to go!"

Chapter 4243

Twenty minutes later, Fei Jianzhong, Fei Kexin and Yuan Zixu arrived on deck with their carry-on luggage.

By now, the sky over the sea had darkened, leaving only a hint of dim light from the western skyline.

On top of the deck, Su Ruoli had been waiting here for ten minutes.

When Fei Jianzhong saw Su Ruoli, he said very politely, "Miss Su, it's hard for you to accompany us on another trip"

Su Ruoli smiled slightly and said, "Mr. Fei, there is no need to be polite, as long as it is something Mr. Ye asks me to do, I will do my best."

After saying that, she looked at the time and spoke, "Old Mr. Fei, the helicopter will be here soon, we are now about two hundred kilometres away from Colombo, the flight time is about one hour."

Fei Jianzhong nodded gently.

Although he wanted to ask why Ye Chen had suddenly arranged for himself and his granddaughter to go to Colombo, he wanted to ask what his next arrangement was once he arrived in Colombo.

But after a moment's thought, he decided to follow Ye Chen's arrangements.

As he came, so be it.

Soon, a heavy helicopter came in at great speed against the sea. The aircraft began to slow down as it approached the cargo ship, and then it descended directly above the deck.

As soon as the helicopter stopped on the deck, the hatch was immediately opened and several loaded and armed soldiers of the Ten Thousand Dragons Palace descended from the ship and came to Su Ruoli in three or two steps. The man at the head said respectfully, "Miss Su, we have been ordered by the Palace Master to pick you and several others up and take them to Colombo.

Su Ruoli nodded and said to Fei Jianzhong, "Old Mr. Fei, please go ahead."

Fei Jianzhong did not hesitate and boarded the plane with the help of a few people.

Once everyone had boarded, the heavy helicopter immediately roared up and flew off in the direction of Sri Lanka.

.....

Meanwhile, New York, USA.

After finishing her morning rehearsal, Gu Qiuyi called Ye Chen.

As soon as the call came through, she asked Ye Chen, "Brother Ye Chen, have you arrived in New York yet?"

"I've arrived." Ye Chen smiled, "What's wrong, looking for me for something?"

Gu Qiuyi said aggressively, "Brother Ye Chen, someone is bullying me, you have to do something for me!"

Ye Chen asked, "Who is bullying you?"

Gu Qiuyi puffed up and said, "It's that Fei Xuebin! A company owned by their family paid a high price for the venue where my concert was to be held soon, and then suddenly said that the venue had to be renovated, forcing me to postpone the concert or change the venue, our stage was almost set up, the sound and choreography equipment were all in, it was definitely too late to change the venue"

Ye Chen frowned: "This b*****d is doing it on purpose! What exactly is the purpose of him doing this?"

Gu Qiuyi said, "He called Duo Duo and said he wanted to invite me to dinner at his home. I think they must have bad intentions, maybe they suspect that Fei Hao Yang's disappearance has something to do with me and want to get some information from me"

Ye Chen asked with some anger, "What? Does he mean that if you don't accept their invitation, the show will definitely have to be postponed?"

"Yes!" The first time I went to a concert, I had to change the time of one concert, and all the other concerts. "

Ye Chen asked her, "Then what do you plan to do?"

Chapter 4244

Gu Qiuyi then said delicately, "Brother Ye Chen, I want to trouble you a little bit, accompany me to the Fei family, I don't know if it's convenient for you" If it's not convenient, I'll just announce that there's a problem with the venue, the first concert will be shelved for the time being, and the later concerts will be opened first and then finally come back to New York The same goes for the make-up opening."

Ye Chen laughed, "Then won't your fans in New York be disappointed?"

Gu Qiuyi said helplessly, "There's nothing I can do about it, but I'm sure they'll understand."

Ye Chen then said, "Forget it, I can't let you take tens of thousands of fans down, it's just going to Fei's house for a meal, it just so happens that I'm next to Fei's house right now, you tell Duo Duo to tell them that you're going over at noon, I'll eh send you an address later, pick me up when you come, I'll go over with you."

When Gu Qiuyi heard this, she immediately asked in surprise, "Really, Brother Ye Chen? You won't give you any trouble if you accompany me, right?"

"No." Ye Chen smiled, "I'm going to meet with Fei's family soon anyway, so I'll take this opportunity to meet them first at noon today."

Gu Qiuyi hurriedly said, "That's good! Then I'll let Duo communicate here, and if a time is confirmed, I'll go pick you up and go there with me!"

.....

Chen Duoduo was relieved to learn that Ye Chen was willing to accompany Gu Qiuyi to the Fei family.

If Gu Qiuyi had gone alone, she would not have dared to agree to it even if she was beaten to death.

But since Ye Chen was willing to accompany Gu Qiuyi, she had nothing to worry about.

In her opinion, Ye Chen must have the strength to deal with the entire Fei family, otherwise he wouldn't have been able to kidnap Fei Hao Yang directly.

With that, she gave Fei Xuebin a call and said to him, "Mr. Fei, Miss Gu is available at noon, I wonder if it's convenient for you?"

As soon as Fei Xuebin heard this, he knew that his tactics had worked and immediately said, "Convenient, of course it's convenient! If Miss Gu comes over at noon, I'll have the back kitchen prepare a sumptuous family feast and await Miss Gu's presence!"

Chen Duo Duo was disgusted, but said nonchalantly, "In that case, then it's a deal, Miss Gu will go straight there when she's done."

Fei Xuebin said, "Miss Chen, why don't you give me an address and I'll send a caravan to pick up Miss Gu."

"That's not necessary." Chen Duoduo said indifferently, "Miss Gu has a car, so she can go directly to your Fei family's estate in Long Beach later."

Fei Xuebin smiled and didn't insist, so he said with a smile, "Okay, since Miss Gu insists, I'll be waiting at home!"

Chen Duo Duo said impatiently, "That's it then, hang up first."

Fei Xuebin put down his phone and said to Fei Shanhai in front of him, "Dad, that girl surnamed Gu has promised to come over and will arrive at noon."

Fei Shanhai nodded in satisfaction and said in a cold voice, "This girl must have clues related to Hao Yang, let's see if we can get it out of her later!"

Fei Xuebin said with some concern, "Dad, this girl is indeed a very famous public figure, if she deliberately pretends to be confused with us, it's not too good for us to take action against her!"

"A public figure?" Fei Shanhai sneered disdainfully and said coldly, "A public figure is nothing in my eyes! If we do find out something from her, I don't care if she's a public figure, if she doesn't give an honest account of everything she knows, she won't leave the door of the Fei family!"

Chapter 4245

Soon after, Gu Qiuyi arrived by car at the villa where Ye Chen was.

After picking up Ye Chen at the door, the motorcade drove to the Fei family manor not far away.

When the motorcade arrived at the entrance of the manor, Fei Xuebin came out of the door to greet it under false pretences.

Even though his son was still missing, he put on a fake smile.

However, when Ye Chen and Gu Qiuyi stepped down from the car together, his face, which was piled with fake smiles, immediately turned extremely ugly.

Although he had only met Ye Chen once, his impression of him was extremely deep.

On the night his son disappeared, he had been defeated in front of Ye Chen.

In all his life, it was the first time that Fei Xuebin had suffered this kind of humiliation in front of a brat, so he always kept this matter in his mind, and when he saw Ye Chen at this time, he was naturally very upset.

So he asked Ye Chen with a frown: "I invited Miss Gu, why are you here? Do you think that with a lowly status like yours, you are qualified to come into the Fei family's manor?"

"Ho." Ye Chen laughed and said, "That's quite a big mouth you have, what? I'm not welcome?"

Fei Xuebin said coldly, "Nonsense! Of course you're not welcome! If you have the sense to do so, hurry up and get out, don't be an eyesore here."

Gu Qiuyi did not expect that Fei Xuebin would attack Ye Chen, so she immediately stepped forward and said coldly, "Mr. Ye is my good friend, I asked him to accompany me here, if your Fei family is so inhospitable, then we will leave now!"

Fei Xuebin said angrily, "Miss Gu, don't you want your concert to start as scheduled?"

"It doesn't matter." Gu Qiuyi said disdainfully, "In front of Mr. Ye, what does it matter if all the concerts are cancelled?"

After saying that, she immediately looked at Ye Chen and said firmly, "Brother Ye Chen let's go!"

Fei Xuebin did not expect that Gu Qiuyi would stand up for him without Ye Chen saying anything, and her words were so absolute that she did not leave any room for herself.

He couldn't help but warn with a black face, "Miss Gu, I advise you to be more cautious, my Fei family can force all your concerts in North America to be cancelled at any time! I can even make it so that you won't have the chance to come back to North America for concerts in the future!"

Gu Qiuyi said in a cold voice, "You think I don't care?"

With that, she immediately took out her phone and posted a message on her Twitter account, "Due to some force majeure, all my tours in North America may be cancelled, if they are really cancelled, please bear with me, and I will also ask my agency to start refunding tickets as soon as possible."

Gu Qiuyi has tens of millions of followers on Twitter, and as soon as this message was posted, it immediately caused an earthquake on the internet!

Gu Qiuyi didn't care at all, she handed her phone to Fei Xuebin and said coldly, "If you don't apologise to my brother Ye Chen, we'll leave now!"

Fei Xuebin fixed his eyes on the content on Gu Qiuyi's phone, and his expression was instantly shocked beyond words.

He didn't expect that he had only threatened Gu Qiuyi, but Gu Qiuyi had directly announced on the internet that all tours were likely to be cancelled.

This instantly put himself in a passive position.

Of course he was unwilling to apologise to Ye Chen, but if Gu Qiuyi really gave up on the tour, then it might be difficult for him to figure out the hidden story of his son's kidnapping.

In this instant, Fei Xuebin was furious to the core, never expecting that he had just met Gu Qiuyi and was immediately taken advantage of by this young girl.

Seeing that he was still hesitating, Gu Qiuyi immediately pulled Ye Chen and said, "Brother Ye Chen, let's get in the car and go back!"

Ye Chen smiled faintly and nodded, "Okay, if not, I'll go back first at noon today, and I'll come back at night."

Ye Chen said he would come over at night because at night Fei Jianzhong and Fei Kexin would arrive in New York.

At that time, he would naturally have to bring the two to the Fei family to bring this matter to a complete conclusion.

Chapter 4246

He had no time to think about why Ye Chen had said he would come over at night. He only knew that he could not let the two men leave at noon today, otherwise all his work would be in vain.

Moreover, the time the kidnapers had left for themselves was not much.

Thinking of this, he could only say stiffly, "Don't be angry with the two of you, it was my improper wording just now, so please don't be normal with me."

After saying that, he looked at Ye Chen again and said against his will, "Mr. Ye, I have offended you a lot just now, please don't mind!"

Ye Chen laughed, "I didn't expect that someone from such a privileged background, Grand Duke Fei, would still be so able to bend and stretch, it's really impressive."

Fei Xuebin knew that Ye Chen was being sarcastic, but at this time, he did not dare to say anything more, so he could only nod his head and say, "Mr. Ye has praised you, what just happened was all a misunderstanding, I hope we can turn over this one, what do you think?"

Ye Chen smiled and said, "Good, if you say turn over the page then let's turn over the page first, if not, we can still turn back at a suitable time later, if Mr. Fei wants to turn back at any time, I am always ready to accompany you."

Fei Xuebin really didn't expect that this Ye Chen would speak with thorns everywhere, not taking himself into consideration in the slightest.

At this moment, he already wanted to have someone beat Ye Chen to death on the spot.

However, considering that he had more important things to do at noon today, he could only hold back his anger for the time being.

Afterwards, he took the initiative to lead Ye Chen and Gu Qiuyi into the manor gate.

At this moment, there were already three Rolls-Royces parked inside the manor, and Fei Xuebin said to the two of them, "The Fei family manor has a rule that no car from outside is allowed to enter, so I'll have to ask you two to transfer to another car to go in."

After saying that, he pulled open the door of the middle Rolls-Royce and said to the two of them, "Two of you, please."

Ye Chen and Gu Qiuyi didn't hesitate and directly got into the Rolls-Royce.

Fei Xuebin turned around and got into the first Rolls-Royce after the two got in, and then the motorcade quickly started and drove into the interior of the manor.

A few minutes later, the motorcade stopped in front of one of the largest villas of the Fei family, and Fei Xuebin invited the two, "Two, my father has been waiting in the banquet hall for a long time, please follow me."

Gu Qiuyi was more or less apprehensive in her heart, but she raised her head to look at Ye Chen, and immediately relaxed afterwards.

Although the Fei family had many bodyguards, she knew very well in her heart that as long as Ye Chen was there, everything was under control.

The two of them followed Fei Xuebin to the banquet hall, where at that moment, on the master's seat of the huge round table, sat an old man in his seventies.

This old man looked seven percent similar to Fei Jianzhong, and Ye Chen guessed at a glance that this man's identity was definitely Fei Shanhai.

When Fei Shanhai saw Ye Chen and Gu Qiuyi enter, he narrowed his eyes slightly and kept looking up and down at the two of them.

At this moment, Fei Xuebin said to the two of them, "Let me introduce to you two, this is my father and also the head of the Fei family, Fei Shanhai."

Gu Qiuyi gave a slight nod to Fei Shanhai as a sign of greeting, while Ye Chen asked in a straightforward manner, "What is your intention in making this stunt?"

Fei Shanhai said indifferently, "Little brother, I just want to have a home-cooked meal with Miss Gu today and inquire about some personal matters, so please wait outside first."

"I'll go out and wait?" Ye Chen smiled slightly and sat down straight across from Fei Shanhai, raising his eyebrows and said, "If I go out, where are you going to inquire about the whereabouts of your grandson Fei Hao Yang?"

Chapter 4247

When Ye Chen said this, it immediately caused Fei Shanhai's expression to turn hideous.

He stared at Ye Chen and asked in a cold voice, "You kidnapped my grandson?!"

Ye Chen did not reply, but pushed the dining chair back, crossed his legs and looked at the empty dining table, asking indifferently, "Didn't you say you would treat us to dinner? Why is there not even a plate of peanuts? Is this the way your Fei family treats its guests?"

Fei Shanhai did not expect that Ye Chen would not take him into consideration in the slightest, so he slammed the table in anger and said in a stern voice, "Kid! This is the Fei family! If you don't tell me honestly where my grandson Hao Yang is, then you won't be able to leave this door alive!"

Fei Xuebin was also extremely angry.

He had been disliked by Ye Chen several times before at the Wangfu Hotel, and he had always held this grudge in his heart, but he did not expect that Ye Chen would still be unrepentant and blasphemous now that he had come to his home.

So, he gritted his teeth and said to Ye Chen, "Kid! If you don't tell the truth, I will make your life worse than death! If I find out that you were really involved in my son's kidnapping, I, Fei Xuebin, swear to God that I will kill your whole family!"

"Kill my whole family?" Ye Chen laughed disdainfully and said, "Fei Xuebin, in broad daylight, it's better to talk less in your dreams, and you should know that there is a saying that misfortune comes out of your mouth!"

Fei Xuebin was enraged by Ye Chen's arrogant attitude and shouted angrily, "You are bullying my Fei family with no one!"

After saying that, he immediately shouted out, "Zhang Chuan!"

As soon as the words left his mouth, a middle-aged man quickly appeared at the door and said respectfully with his hands clasped in front of him, "What is the order of the Eldest Young Master?"

At that moment, it was Fei Shanhai and Fei Xuebin's personal bodyguard, Yuan Zixu's senior brother, Zhang Chuan.

Although Zhang Chuan was not as strong as Yuan Zixu, he was also a five-star martial artist, and among the current bodyguards of the Fei family, he was the absolute ceiling.

At this point, Fei Xuebin could no longer tolerate Ye Chen, so he pointed at him and yelled at Zhang Chuan, "Cut off his ear and avenge my son Hao Yang!"

Zhang Chuan hesitated slightly in his expression, and his eyes unconsciously looked towards Fei Shanhai.

In his opinion, he would only do this kind of thing if Fei Shanhai gave his nod.

Fei Shanhai's expression was also gloomy at this time, as Ye Chen's arrogant attitude made him feel that this person must have a connection with his grandson's disappearance, and repeatedly humiliated them both, which really made him angry in his heart.

Seeing that Fei Xuebin had already called Zhang Chuan out, he immediately did not think too much about it and nodded at Zhang Chuan.

Zhang Chuan glanced at Ye Chen, thinking that this kid had no cultivation at all, and if he were to cut the ears of such a person, I was afraid that if word got out, he would be laughed at.

But at that moment, Fei Xuebin angrily questioned, "Zhang Chuan, what are you doing standing still? Don't you understand my words?"

The matter had come to this, so Zhang Chuan could only nod and then said to Ye Chen, "This little brother, I'm sorry!"

After saying that, he suddenly rushed towards Ye Chen.

Ye Chen did not even look at Zhang Chuan at this moment, and only when Zhang Chuan rushed in front of him did he suddenly strike out.

He saw Ye Chen stand up with great speed, his left hand easily grabbed Zhang Chuan's collar, then with a violent swing of his right hand, he slapped Zhang Chuan directly on the face.

Zhang Chuan's entire body was frozen by the blow.

As a five-star martial artist himself, under the violent impact, even if senior brother Yuan Zixu was here, he would still have to deal with it with all his might in order to resist.

However, in front of this young man, he was simply like a waste, easily grabbed by his collar, and immediately afterwards, his internal strength disappeared without a trace in an instant.

Before he could recover from his shock, this slap came straight up with a clear, crisp sound.

Chapter 4248

Slap

Not only did Zhang Chuan freeze, but even Fei Shanhai and Fei Xuebin, were all petrified on the spot.

Who would have thought that the ceiling of the Fei family's force value would be smacked solidly with a big beep pocket

Immediately afterwards, a scene that made them incredulous appeared again.

After a slap, Ye Chen backhanded and gave a fierce upward lift, and with the back of his own right hand, he gave Zhang Chuan a big beep pocket again.

Although Zhang Chuan's whole body was as dumb as a log, tears were already slipping down from his two eyes uncontrollably.

No one knew how much psychological damage two big beep pockets could do to a five-star martial artist

Just at this time, Ye Chen sealed Zhang Chuan's entire body meridians with a hint of aura and shouted coldly, "If you don't want to become an invalid for the rest of your life, then kneel down honestly!"

Zhang Chuan's entire body was instantly lifted!

He immediately realised that the five meridians he had spent half his life and suffered countless hardships to open had all been completely blocked by a nameless force!

At this moment, his entire heart instantly collapsed and, unable to care about the psychological damage he had just suffered, he crumbled to his knees and howled, "Senior please have mercy, senior"

To Zhang Chuan, he was not a martial artist trained by the Fei family, but was just ordered by his master to serve the Fei family.

Therefore, he could not talk about having a strong loyalty to the Fei family.

The previous obedience was, of course, seen in the context of the division as well as its interests.

But now, with his own cultivation instantly reduced to zero and his lifelong efforts ruined, what did the Fei family's father and son count for in this situation? Even the division and his own dignity no longer mattered, all he wanted was to keep his cultivation, otherwise, he would probably become a ruined man in this way

Ye Chen disdainfully glanced at the tearful Zhang Chuan and coldly bellowed, "Kneel farther away!"

Zhang Chuan did not dare to say more, hurriedly kneeling all the way backwards, until retreating to the corner, at this time, he could not control choking said: "Senior I also take money from others, with others to eliminate disasters, I hope you do not remember the small man"

Ye Chen waved his hand: "You just stay here and kneel down, someone will come later to teach you a lesson for me! If you dare to move a single inch before then, I will break your arms and legs, so that you can't even be an ordinary person!"

When Zhang Chuan heard these words, he was filled with horror.

He didn't know who exactly Ye Chen was looking for to teach him a lesson, but the moment he thought of Ye Chen's threat, he was scared out of his wits.

To a martial artist, the cost of losing all his cultivation was already unacceptable, but if he didn't even have the chance to be an ordinary person, then he would really fall from the nine heavens directly into the eighteenth level of hell.

So, he could only choke out in fear, "Senior, don't worry, I will kneel here until your anger subsides"

Both Fei Shanhai and Fei Xuebin were completely dumbfounded.

Fei Xuebin couldn't help but mutter in his heart, "What the hell is this? The moment he came up, he threw out his own king bomb, not realizing that his king bomb was not even as good as a f*cking pair of three in the eyes of others"

The two of us, father and son, have no bodyguards other than Zhang Chuan in this room, and now Zhang Chuan is kneeling in the corner living as a f*cking grey grandson. This is going to be a f*cking gutter ah"

Thinking of this, he hurriedly stood up nervously, bowed with both hands and said, "Young warrior calm down ah"

Chapter 4249

“Rest your anger?” Ye Chen couldn’t help but laugh out loud when he heard his words.

He looked at Fei Shanhai, pointed at the position where Fei Shanhai was just sitting, and asked in a cold voice in return, “Since I came in, you have been sitting there like a big-tailed eagle, fooling around, not letting me out of this door alive one moment, and killing my whole family the next, so fierce as to be unbecoming! But now you are wagging your tail at me like a dog, Fei Shanhai, I really don’t understand which face is the real you?”

Fei Shanhai didn’t expect Ye Chen to speak so disrespectfully, so he could only say resentfully, “I’m sorry, young warrior, I’ve offended you earlier, please forgive me

Ye Chen coldly snorted, “I’ll put up with it if you threaten me with my personal safety, but you’re threatening me with the safety of my whole family, I can’t really put up with you!”

Fei Shanhai’s expression was suddenly filled with horror and he hurriedly said, “Young warrior I didn’t say I would kill your whole family just now!”

“Oh?” Ye Chen frowned and asked rhetorically, “If you didn’t say it, then who did?”

Fei Shanhai subconsciously looked at his son Fei Xuebin.

It was indeed Fei Xuebin who had said the words to kill Ye Chen’s entire family just now.

Fei Shanhai was not willing to take the blame for his son, he was also afraid that if Ye Chen got angry and raised his hand to give himself two big bleeps, his old body would not be able to carry it.

When Fei Xue Bin was being looked at by his father, his heart was also fuming.

He was not a fool either, and when he saw that Zhang Chuan was no match for Ye Chen, he knew that he had kicked the real iron plate this time.

Under such circumstances, how could he dare to touch Ye Chen’s brow.

Seeing that Fei Xuebin was silent, Fei Shanhai’s body shook with anger and shouted, “b*****d! What are you doing playing dumb there? Don’t you know that you are responsible for what you said? Hurry up and apologise to Mr Ye!”

Fei Xuebin shivered and hurriedly took a step forward, saying in a jarring voice: “Ye Mr. Ye sorry it’s all my fault for being a cheap talker! You mustn’t be ordinary with me

Ye Chen asked him rhetorically, “Yo? You know you’re a cheap talker?”

Fei Xuebin nodded his head like garlic and said, “I know, I really know

Ye Chen coldly chided, “Knowing that your mouth is cheap, why don’t you hurry up and slap your mouth? Are you waiting for me to do it for you?”

Hearing these words, Fei Xuebin was angry and furious.

In his life, no one had ever dared to slap his mouth, and no one had ever dared to let him slap his own mouth.

What's more, Ye Chen looked only twenty years old, how could he listen to such a person's orders?

Seeing that Fei Xuebin was standing there unconsciously, Ye Chen didn't rush him or scold him, but stood up and slapped Fei Shanhai on the face.

This slap directly spun Fei Shanhai around several times.

Fei Shanhai was so dazed that he sat on his buttocks on the floor. Fortunately, the floor was covered with a thick wool carpet, otherwise he would have broken his pelvis.

Fei Shanhai was beaten up and his heart was infuriated, but at this time Ye Chen said, "Remember, old man, you are taking this slap for your son, as the saying goes, the son does not teach the father, he does not know how to behave, so it is your responsibility, and you will bear the consequences for him."

Fei Xuebin was stunned, he didn't know that Ye Chen had slapped his father and then immediately dumped the pot on himself!

He cursed in his mind, "Isn't this f*cking sowing dissension?"

"If I had known this was the case, I would have rather slapped myself twice than let dad get beaten up ah, this slap down, dad doesn't know how much he must hate me in his heart"

Thinking of this, he hurriedly went forward to help Fei Shanhai up.

Fei Shanhai was furious in his heart and shook off Fei Xuebin's hand.

Chapter 4250

In his opinion, if Fei Xuebin had just listened to Ye Chen and painfully slapped his own mouth, there would have been no need for him to follow the beating.

A body in its seventies had taken a big slap, both physically and psychologically, leaving a huge damage.

Seeing that his father was really angry, Fei Xuebin quickly slapped himself twice and said in shame, "It's my cheap mouth! It's my cheap mouth!"

Only then did Ye Chen nodded in satisfaction, pointed to the table and said indifferently, "Come, isn't this a treat for dinner? Let's all sit down."

Fei Shanhai knew that it was easy to invite the gods and difficult to send them away, so he could only stiffen his head and get up from the ground.

Fei Xue Bin tried to reach out to help him, but Fei Shanhai was so angry at him that he simply slapped him across the face and cursed, "b*****d, I don't need your help! Hurry up and get the back kitchen to serve the food!"

Fei Xue Bin covered his face and went outside the dining room in anguish, ordering the servants to serve the food quickly.

He then returned to the dining room and cautiously came to Fei Shanhai's side, just as he wanted to pull out a chair and sit down, he was scolded by Fei Shanhai, "You stand and eat!"

Fei Xuebin was aggrieved, but he could only do as he was told.

The maids of the Fei family soon brought the prepared dishes one after another.

But when they saw that in the room, Zhang Chuan was actually kneeling alone in the corner, they were all dumbfounded.

But fortunately, all of them who were servants knew the rules, so they all said nothing, and no one dared to talk nonsense outside.

When the food came up, Ye Chen said to Gu Qiuyi, who was beside him, "Nui Nui, to prevent these two b*tches from doing anything to the food, let's wait until they have eaten each dish before we move our chopsticks."

Gu Qiuyi held back her laughter and nodded, saying, "Okay Brother Ye Chen, I'm not hungry anyway."

Both father and son, Fei Shanhai and Fei Xuebin, were both ashamed and angry at this moment.

Only, even after being ridiculed by Ye Chen in such an abusive manner, they did not dare to show half a bit of displeasure.

Fei Shanhai said to Ye Chen with a stiff upper lip, "Young warrior this meal is definitely not poisonous, my Fei family will definitely not do such a dirty thing, you can rest a*sured of this"

"I'm not at ease." Ye Chen deliberately said, "Your family is not a good thing, especially you, I heard that you even pitted your own father, let alone me."

Fei Shanhai felt a burst of fire on his face, and his entire person was so embarrassed that he could not pa*s away on the spot.

Ye Chen looked at Fei Xuebin at this moment and spoke, "You, take two bites of each dish first."

Fei Xuebin dared not disobey, and could only pick up his chopsticks and prepare to try the dishes.

Ye Chen then said, "Don't use your chopsticks to pick up the dishes, I think you're dirty, find a pair of public chopsticks and put each dish into a bowl, then eat with your own chopsticks!"

Fei Xue Bin felt that he had suffered all the humiliation he had never suffered in his life today, and he was still extremely resentful.

But even so, he could only honestly follow Ye Chen's request, picking up a pair of public chopsticks, and carefully put some of the dishes into the bowl, then stood aside and ate the contents of the bowl to prove that the dishes had not been tampered with.

Only then did Ye Chen nodded in satisfaction and said to Gu Qiuyi, "Nui Nui, you can eat now."

After saying that, he looked up at Fei Shanhai and said coldly, "Don't move your chopsticks straight away either! You're a bad old man who looks unclean, use public chopsticks for me too!"

Fei Shanhai was so humiliated that he threw his chopsticks onto the table and said angrily, "Then I can stop eating, can't I?"

Ye Chen's eyes glared and he asked with an unhappy face, "What's wrong with you, are you in charge or am I? Pick up the chopsticks for me!"
