

Ye Chen 4251

Chapter 4251

Fei Shanhai was so fierce by Ye Chen that he couldn't help but shiver.

Even when he was young, he had never been so fierce by Fei Jianzhong, but how could he have imagined that he would now be fierce like a grandson by a young man fifty years younger than himself.

At this moment, he really repented in his heart.

"D*mn it! If I had known that this kid was so difficult to deal with, I shouldn't have left Zhang Chuan alone here to deal with him, I would have gotten dozens of bodyguards to shoot him in the head.

"But it's all over now, this wolf has already been brought in, and he's also sharing a room with my father and son, even if we call for backup at this point, I'm afraid we'll both die here first before the backup people arrive"

When he thought of this, he could not wait to slap himself a few times.

I thought I could get Gu Qiuyi by using a few tricks, but I never thought I would get into trouble!

Who would have thought that a mere young man like Zhang Chuan would not be able to deal with a five-star martial artist!

If he had a second chance, he wouldn't have met Ye Chen directly, even if he had asked his son to do so, it would have been better than being humiliated himself!

"Ai, the mistake was that both my son and I were too gullible and gave the other side a chance to attack the Yellow Dragon directly.

Just as Fei Shanhai was feeling remorseful, Ye Chen shouted angrily, "What are you waiting for? Do you have a problem with telling you to pick up the chopsticks?"

Seeing Ye Chen's anger, although Fei Shanhai was indignant in his heart, he did not dare to hesitate in his hands, and hastily picked up the chopsticks again, saying humbly, "Sorry, sorry, I am old, my hands and feet are not too sharp, please forgive me"

Only then was Ye Chen satisfied, and seeing that the servant had sent two two-calibre bottles of Maotai wine, he said to that servant, "Such wine, bring ten more bottles over."

After hearing this, the servant was stunned and said offhandedly, "This is a two catty bottle of ah"

Ye Chen waved his hand: "Let you take it, where so words?"

Fei Shanhai heard the liver tremble, but how dare to disobey, quickly waved his hand and said, "Quickly go quickly go!"

The servant didn't dare to say anything, so he turned around and went down, and in a short while, he brought ten bottles of white wine with a few servants.

Ye Chen sent the servants away before he looked at the Fei family, and said indifferently, "Come on, tell us, what do you want by inviting us over here for nothing?"

Fei Shanhai cursed in his heart, "I invited Gu Qiuyi, who the hell invited you?"

But he did not dare to say this, he could only say honestly: "Young warrior, we invited you and Miss Gu to come here, mainly to ask about the situation of my grandson Hao Yang who was kidnapped that day but now there is no need to know"

Fei Shanhai was not a fool.

Chapter 4252

He had never understood how a few Japanese ninjas dared to lay hands on his grandson.

But seeing that Ye Chen could make Zhang Chuan beg for mercy on his knees, he knew that Ye Chen must be the one behind the scenes.

However, in this situation, he had already led the wolf into the house, not to mention questioning him about his grandson's whereabouts, and even what would happen to him next was still unknown.

At this moment, Ye Chen sneered and said, "There's nothing wrong with wanting to inquire about things, but why did you maliciously acquire the venue where Miss Gu was performing, and use this as a threat to force Miss Gu into submission?"

Fei Shanhai knew that this pot was definitely impossible to shake off, so he could only say apologetically, "I'm really sorry I was confused for a moment and did this confusing thing Please also ask Miss Gu to forgive us"

Fei Xuebin, who was at the side, also said hurriedly, "Yes, yes, it's all our fault We'll say hello to the venue and definitely won't delay Miss Gu's normal performance!"

Ye Chen waved his hand: "You don't need to say hello, I honestly can't trust the character of people like you at all, I just go to the roadside and grab a random stray dog, let it bark twice is more credible than what comes out of your mouth."

When Gu Qiuyi heard this, she couldn't help but laugh out loud, while Fei Xuebin's face was saucy, and he cursed in his heart in despair, "It's not enough to be intimidated and threatened by Ye Chen, I didn't expect there to be continuous character insults and comparing me to a dog, what content can a dog barking twice have? Talking about credible and untrustworthy?"

However, Fei Xuebin could only retort in his heart, but his mouth still said with a respectful face, "Mr. Ye how do you think we can handle this matter appropriately? We are all at your command!"

Ye Chen nodded his head, waved his hand and spoke, "This way, haven't you already bought the arena? Now have the person in charge draw up a contract to sell this venue to Miss Gu's agency for one dollar, and you directly ask the person in charge on your side to sign a contract with Miss Gu's agent, so that this venue will be owned by Miss Gu's agency in the future, so that I don't have to worry about you b*****ds tripping up."

Fei Xuebin instantly wanted to cry, he felt like he was the world's biggest big ingrate.

"In order to force Gu Qiuyi's hand, I myself paid an extremely high injustice price to buy this venue outright, and then gave Gu Qiuyi's agency 10 times the breach of contract fee"

“I didn’t expect that instead of forcing Gu Qiuyi to give in, it brought me and my dad a big trouble”

“Now this son of a b*tch named Ye has humiliated me and my dad so badly that he’s even going to take away the venue again”

“What the f*ck does this make me? This is the big ingrate his grandmother opened the door to the big ingrate, the big ingrate to grandma’s house ah!”

Seeing Fei Xuebin’s comical expression but not saying anything, Ye Chen slapped the table hard and asked rhetorically, “What? You are not satisfied with my arrangement?”

“Satisfied satisfied!” Fei Xuebin once again shivered violently

Chapter 4253

The Fei family had the heart to die at this moment.

Their drinking capacity was indeed average, and when they thought of having to drink three gla*s in a row, they already wanted to buckle their throats and vomit before they could drink.

However, Ye Chen did not give them any room for manoeuvre.

He glared at Fei Xuebin and said coldly, “What are you waiting for? Why don’t you open the wine quickly? Do you want me to pour the wine for you?”

Gritting his back teeth, Fei Xuebin stepped forward in a panic and, with a trembling hand, opened one of the bottles of Maotai wine.

Ye Chen placed the two gla*s side by side and spoke, “Here, fill up these two gla*s first!”

Fei Xuebin could only obey and do as he was told, pouring the two gla*s full of white wine.

After the wine was poured, Ye Chen made an inviting gesture and said to the father and son, “Come, let’s drink the first cup first.”

Fei Shanhai looked at the transparent white wine, scared liver and guts, said in a trembling voice: “Young warrior I have high blood pressure my blood sugar has also been a bit on the high side The doctor has repeatedly advised me not to drink I must not drink You have such a large gla*s, this is... . this is to kill me”

Ye Chen waved his hand: “Don’t listen to those doctors talking nonsense to you, as the saying goes, wine is grain essence, the more you drink the younger you are, look at your 70s you don’t look young at all, at a glance it’s because you don’t drink much wine, come on, drink this cup first!”

Fei Shanhai cried and said, “Young warrior I can’t really drink it”

Ye Chen’s expression was austere as he asked in a cold voice, “What? Gave you a face, didn’t you?”

After saying that, he pointed at Zhang Chuan who was kneeling beside him and asked in a cold voice: “Believe it or not, I will let him pinch your mouth now and directly pour three bottles into you?”

Without thinking, Zhang Chuan said, “Senior! As long as you can restore my cultivation, I am willing to do whatever you ask me to do!”

When Fei Shanhai heard this, his neck immediately shrank in fear.

Looking at that tail-wagging look on Zhang Chuan's face, he knew that Zhang Chuan was definitely not joking.

If Ye Chen really nodded his head, this guy might really rush over and pour white wine into his mouth

If you have three bottles, that's six pounds, six pounds of wine, you'll almost be cold here

At this time, Ye Chen added: "Now that this situation has come to a head, you two should not expect anyone to save you, the closest person to you two now is me, as long as you are not honest, or do not follow my orders, I will have to kill you both!"

Seeing Ye Chen's murderous look, Fei Shanhai could only say in pain, "Young warrior, I'll drink! Can't I drink it?"

After saying that, he grabbed the wine cup with a trembling hand and brought it to his mouth shivering.

At this time, Fei Xuebin on the side was not ready for mental construction.

The more he silently rehearsed in his mind, the more scared he became instead.

Ye Chen came at this time, "You two, whoever finishes this gla*s last will be rewarded with another gla*s."

When Fei Xuebin heard this, he almost reflexively grabbed another cup and started to pour it into his stomach.

But when he thought that he would be rewarded with another cup if he drank slowly, he had to take another big sip before he could throw up.

This method of fighting poison with poison was really effective, and after two big sips Fei Xuebin had already lost most of the white wine in his gla*s.

In his opinion, as long as he clenched his teeth and held on a little longer, he would be able to finish the gla*s in one go.

However, at this time, Fei Shanhai was still holding his gla*s of wine beside him, not daring to put his mouth down.

He didn't dare to do so, but his son was so quick to do so!

Chapter 4254

This immediately made him panic: "If I let this b*****d Xuebin finish his drink first, won't I be finished?"

Thinking that he had just received a slap for him, Fei Shanhai was even more irritated and angry. You unfilial son! Are you drinking so fast because you want your old man me to reward you with an extra gla*s?!"

Fei Xuebin was about to hold his nose and drink the rest down when he suddenly heard this yell from his father, and was so frightened that he nearly lost his goblet.

He looked back at Fei Shanhai in a panic and realised that the white wine in his dad's gla*s had not even been touched.

At this moment, he finally realised that he had almost made a big mistake again.

Just now, because he did not slap his own mouth in time, he had caused his father to receive a slap for himself.

If he had been careless this time and caused his father to drink another gla*s of wine, his father-son relationship would have been broken on the spot.

At this moment, he really hated Ye Chen, because Ye Chen's tactics were really too damaging, repeatedly provoking the little relationship between father and son, really his heart is punishable!

After weighing his options, Fei Xuebin had already conceded in his heart, and he couldn't help but think: "D*mn it! Forget it! Even if I have to drink four gla*s today, I'm going to give it all up! Even if I have to risk half my life, I'll do my best to keep my father-son bond intact!"

"Otherwise, if the old man holds a grudge and doesn't pa*s on the family headship to me, where can I go?"

"When people ask how I lost the position of heir, I will f*cking say that I am to blame for drinking too fast, which will not kill anyone"

So, he could only hurriedly put the gla*s down, wiped his mouth in a panic, and busily said, "Dad I haven't finished drinking you you first please"

Only then was Fei Shanhai slightly satisfied, glaring at him, then looking at his own cup again, hesitant to make up his mind.

Ye Chen was a little impatient at this time and spoke, "What's wrong with you two? Can you still behave? Whoever doesn't finish it within a minute, I'll reward him with an extra cup!"

After saying that, he took out his mobile phone, turned on the stopwatch and said, "Start the clock!"

When Fei Shanhai heard this, he dared not delay any longer, so he could only hold the gla*s stiffly and pour it into his stomach.

The spicy and exciting sensation in his mouth almost made Fei Shanhai pa*s out, but he didn't dare to hesitate any longer, so he could only try his best to drink the chili water-like white wine into his mouth and swallow it into his stomach.

The side of Fei Xuebin kept looking at the tens of millions of dollars worth of Patek Philippe minute repeater watch on his hand and silently prayed: "Dad you must drink faster in case you pressed for a minute to finish it, then wouldn't I have to drink two more gla*s. For my filial piety, at least give me ten or twenty seconds, otherwise I really can't resist today"

The first is that if you drink slowly, there will be two results.

The first, both himself and his son are each rewarded with a cup.

This is the most finished result, no one can reap half the benefits.

The second is that one can finish the whistle, but one's son does not have enough time and then receives a cup of reward.

But then, the son would have to collect two cups of reward, rounding up to another pound

And the best outcome would be to finish the gla*s himself as quickly as possible, leaving more time for his son to finish the small half of the remaining gla*s as well, so that both of them could escape a disaster

Thinking of this, he could only try his best to pour the rest of the white wine into his mouth

Chapter 4255

After Fei Shanhai had consumed a gla*s of white wine, his eyes began to see things in double shadows and his head felt as if he had been punched in the face.

Fei Xuebin didn't dare to pit his father, so he could only wait for Fei Shanhai's gla*s to go down before he hurriedly drank up the rest of the white wine in his own gla*s.

At this time, Ye Chen's stopwatch had not yet reached one minute.

Seeing that both father and son kept panting heavily like dogs, each with a red face, Ye Chen smiled faintly and waved his hand, "Come on, drink the second gla*s, please ask Grand Duke Fei to fill up the wine!"

Fei Xuebin's two legs had already started to wobble a little, but in the face of Ye Chen's command, he dared not disobey, so he could only shiver and lift the wine cup up, and poured two more cups for himself and his father.

Immediately afterwards, Ye Chen looked at the stopwatch again and spoke, "Let's stick to the old rules, you have one minute to drink all this respective cups of wine, and whoever goes over time, then you will be rewarded with another cup."

Fei Shanhai lamented, "Young warrior will really get killed if you keep drinking like this"

Ye Chen waved his hand, "Don't worry, it won't kill you, if you really die you can just come to me."

"This" Fei Shanhai wanted to cry and thought in his heart, "Even if I die, how can I come to you then?"

Ye Chen said with a casual face at this time, "To be honest, you two fathers and sons should really find a place to steal your happiness, I just let you two have some wine, earlier a pair of fathers and sons offended me and have been turned into ashes by me; another pair of fathers and sons offended me, I had someone carve the word Poor Hanging on his son's forehead with a knife, and carved the Father of Poor Hanging on his father's head Four words, compared to them, you don't know how lucky you are."

Saying that, Ye Chen added, "If you guys are interested, I can call over my man who is good at human calligraphy and have him leave a pair of ink treasures for you."

Fei Shanhai shivered at Ye Chen's words, while Fei Xuebin felt an exploding pain coming from his forehead at the thought of someone being carved into his forehead.

Nervous, he couldn't help but look at his father, Fei Shanhai, and whispered, "Dad! Already finished one cup, grit your teeth and drink the remaining two cups and you'll be fine"

Ye Chen stretched out a finger and shook it, saying seriously, "Young master Fei, you still have three cups left oh!"

Fei Xuebin hurriedly nodded and said, "Yes yes yes what Mr. Ye said I still have three cups left"

Fei Shanhai by now already felt that the alcohol was rapidly getting to his head, he rubbed his temples vigorously and said, "Okay I'll drink!"

After that, he picked up the wine gla*s, hesitated for three seconds, and poured it into his stomach.

By the time Fei Shanhai finished his second gla*s of wine, he had lost control of his body and sat down on his chair, feeling a splitting headache and unable to lift his eyelids at all.

Immediately afterwards, he could hear him muttering under his breath, "Young warrior I I... ..I can't anymore."

As soon as the words left his mouth, the whole person immediately fainted.

Ye Chen used his aura to check and found that the old man had indeed pa*sed out, so he said to Zhang Chuan, who was kneeling at the side, "Here, come over and pour the third cup into him."

Zhang Chuan dared not disobey, so he stood up and stepped in front of Fei Shanhai, shivering, poured a cup of wine into his mouth, squeezed open Fei Shanhai's teeth and poured the wine carefully into his mouth.

Fei Shanhai was already unconscious at this point and at the mercy of Zhang Chuan, so after choking several more times, he swallowed the third cup of wine as well.

At this time, Ye Chen looked at Fei Xuebin, who was full of panic, and spoke, "Young Master Fei, do you think you should do it yourself, or should I ask him to do it for you?"

Fei Xuebin hurriedly said, "I'll do it myself, I'll do it myself!"

Saying this, he fumbled around and poured another gla*s of wine, forcing himself to drink it down with a strong dizziness.

Chapter 4256

Then, feeling the wine growing stronger, he dared not delay any longer and hastily poured another last gla*s before he pa*sed out, tilting his head and drinking it all down.

After the last gla*s of wine was finished, Fei Xuebin's entire stomach was already on fire. With four gla*s of white wine down, his entire body was already on the verge of collapse, and when he saw that his task was completed, he finally breathed a sigh of relief.

Seeing that both father and son had passed out, Ye Chen stood up and said to Gu Qiuyi, “Nui Nui, it’s not appetizing to eat while guarding two drunks, so why don’t we go somewhere else?”

Gu Qiuyi spat out her tongue and said, “Yes, brother Ye Chen, I’m getting drunk just smelling the wine, if I stay any longer I’m afraid I’ll get a headache”

Ye Chen laughed, “Then let’s hurry up and go.”

Zhang Chuan, who was on the side, saw that Ye Chen wanted to leave and quickly asked nervously, “Senior you when will you be able to restore my cultivation” “

Ye Chen said indifferently, “After we leave, you tell someone to send them both to have their stomachs pumped, as for you, just come back and kneel again until I come back! If the two of them wake up and come looking for you, just tell them that I’m coming back tonight, so they can be ready to meet!”

Zhang Chuan wanted to cry and said, “Senior I am now without cultivation, once the Fei family father and son wake up, they will definitely look for me to ask for punishment then I do not have the power to defend myself, I am afraid I will not be able to last until you come back”

Ye Chen said in a cold voice: “You tell them that no one can make things difficult for you before I come back, otherwise you will be responsible for the consequences!”

After saying that, Ye Chen added: “As for your cultivation, wait patiently, when the person who disposed of you arrives, I will decide whether to restore it for you depending on the disposition.”

Hearing this, Zhang Chuan could only nod helplessly.

Without another word, Ye Chen stood up, took Gu Qiuyi with him, and walked out of the restaurant brightly.

When the maids and bodyguards of the Fei family saw the two coming out, no one dared to stop them.

Because they all knew that Gu Qiuyi was a big star and a guest invited by the Fei family, no one dared to stop the guest if he wanted to leave.

However, many people were also curious as to why there was no movement inside.

It was only logical that when the guests left, at least one of the lord and young master should come out to see them off and make a few courtesies.

Just as someone wanted to go inside to see what was going on, Zhang Chuan came out and spoke to the crowd, “The old master and the youngest master have had too much to drink, send them to the medical department to have their stomachs pumped!”

The large Fei family estate also had an extremely high standard medical department, which was staffed with a number of top doctors and nurses 7X24, just like a mini hospital, specialising in the health of the Fei family.

When the servants and bodyguards heard that Fei Shanhai and Fei Xuebin had drunk too much, they were a little surprised at first, but when they thought that Zhang Chuan, as a top expert, could not have lied to everyone, they did not suspect anything.

They rushed in and took the drunk and unconscious father and son to the medical department.

While the father and son were being taken to the medical department, Ye Chen also led Gu Qiuyi out of the Fei family manor.

After getting back into the car, Gu Qiuyi asked Ye Chen, "Brother Ye Chen, where are we going to eat?"

Without thinking, Ye Chen said, "Let's go to Chinatown, let's go to Uncle Zhong for roast goose!"

Chapter 4257

Chinatown.

When Ye Chen and Gu Qiuyi arrived at Chen Zhaozhong's roast goose restaurant, Chen Zhaozhong was busy tidying up with the staff.

It was long after noon and there were no customers in the restaurant. Gu Qiuyi was not worried about being recognised, so she just put on a mask and walked into the restaurant with Ye Chen.

As soon as the two of them walked through the door, the sensor at the entrance gave a ding to alert that a customer had come in. The busy staff said without looking up, "Sorry, we are already closed."

Ye Chen smiled and said, "Feel free to fix us something to eat, we both haven't eaten until now."

When Chen Zhao Zhong heard Ye Chen's voice, he turned his head and saw that he and Gu Qiuyi had come together, so he couldn't help but smile and said, "Why haven't you two eaten at this hour?"

Gu Qiuyi took Ye Chen's arm and said daintily, "Hello Uncle Zhong!"

Ye Chen also said smilingly, "Uncle Zhong, we went around to Fei's house at noon and wanted to have a meal, but in the end we couldn't."

Gu Qiuyi muttered in a disgruntled manner, "You were the one who insisted on making the Fei family drink, and ended up getting them drunk, causing them to be in no mood to eat."

When Chen Zhao Zhong heard this, he said with a smile, "Aiyo, it seems there is a bit of a story here, you two hurry up and sit down upstairs, I will prepare some food for you two, let's sit down later and talk to me properly."

Ye Chen nodded and smiled and said, "Uncle Zhong, then we will go up and wait for you."

Gu Qiuyi also smiled and said, "Uncle Zhong, I want to eat roast squab, two of them!"

Chen Zhao Zhong laughed and said, "Good, you guys go upstairs first, I'll go and get ready."

Ye Chen and Gu Qiuyi went up the stairs together, but before they could reach the first floor, they heard another ding from the door, followed by a somewhat familiar voice saying, "Boss, two of you."

Ye Chen subconsciously stopped in his tracks, crouched down slightly, and through the gap in the stairs, he saw the two people who had entered.

The one who spoke was none other than his great uncle, An Chongqiu, and the one standing beside his great uncle was the famous Chinese detective Li Yalin.

However, today's Li Yalin did not have the same elegance as the last time Ye Chen had seen him, and his beard was scruffy and he looked very uninspired.

Seeing this, Ye Chen hurriedly pulled Gu Qiuyi and the two of them quickly went upstairs first.

Gu Qiuyi had just followed Ye Chen and quietly poked around, and also recognised Li Yalin, but she didn't know why Ye Chen seemed to be deliberately avoiding him, and hastily lowered her voice and asked, "Brother Ye Chen, you wouldn't have any clues that that Inspector Li has got hold of, would you?"

Ye Chen waved his hand, "I'm not avoiding him, I'm avoiding that person beside him."

Gu Qiuyi hurriedly asked, "Brother Ye Chen, who is that person?"

Ye Chen shrugged his shoulders and said indifferently, "That person is my great uncle."

"Huh?!" Gu Qiuyi asked in surprise, "It's your great uncle? Then aren't we going to say hello?"

Ye Chen shook his head and said, "He doesn't know about me yet, so he's still missing."

Gu Qiuyi said in confusion, "Why my father said that your grandfather's family is eager to find out where you are, wouldn't it be nice if we could reconnect?"

Ye Chen let out a light sigh and spoke, "It's better to forget it."

.....

On the other side, when Chen Zhao Zhong saw An Chong Qiu, he couldn't help but say with some surprise, "Sir, you haven't been here for a while."

After saying that, he looked at Li Yalin at the side and first stared, and then said with a shocked face, "This person should be the famous Chinese detective Inspector Li, right?"

In fact, Chen Zhao Zhong was more or less nervous at this time because, on the night when Fei Hao Yang disappeared, he and Li Yalin had met at the Wangfu Hotel.

However, at that time, Chen Zhao Zhong had put on a suit and tie, and had specially shaved and styled his hair, looking like a handsome upper-class uncle, which was a big contrast to his current image of an ordinary restaurant owner wearing an apron, so he deliberately took the initiative to ask, hoping that this would lead Li Yalin to think that they were meeting for the first time, as a kind of attack instead of defence.

Chapter 4258

Li Yalin really didn't recognise Chen Zhaozhong at this point, and he laughed bitterly with some distraction, laughing to himself, "I'm not a detective, I'm just a name in vain."

An Chongqiu laughed and said, "Boss, don't pay any attention to him, he's just irritated, we haven't eaten yet, you should still be able to eat here, right? I saw two young people come in just now."

Seeing that Li Yalin had indeed not recognised him, Chen Zhao Zhong was relieved and said, "Actually, we have already closed for lunch, the two you saw just now are the children of my old friends, who also haven't had lunch at this late hour, so I let them go upstairs."

Saying that, Chen Zhao Zhong added, "But since you are here, naturally I can't let you two make a trip for nothing, so how about this, you two sit on the ground floor, tell the guys what you want to eat and I will go prepare it."

"Okay." An Chongqiu nodded and smiled, "Then thank you boss."

After saying that, he said to Li Yalin, "Old Li, feel free to sit down, I'll let you try the best Cantonese style roast goose in all of New York."

Li Yalin smacked his lips and said, "Gee, I'd actually like to have a couple of drinks right now."

After saying that, he looked up at the small wine cabinet behind the restaurant counter and said in surprise, "Boss, you still have two-pot head here?"

"Right." Chen Zhao Zhong smiled, "It's imported from China, would you like a bottle to try?"

Li Yalin smiled cheerfully and said, "Yes! Let's have two bottles!"

An Chongqiu couldn't help but tease, "You're drinking so much at noon, aren't you going to work this afternoon?"

Li Yalin shook his head, "I can't find any clues anyway, so I'm going to sleep in the office this afternoon."

An Chongqiu nodded and said casually, "Fine, I'll have a drink with you, after that I'll go home and get some sleep, I'll go back to Los Angeles first thing in the morning."

Li Yalin was surprised and asked, "Why are you leaving so early? You're not staying in New York for two more days?"

An Chongqiu waved his hand and said, "I can't stay any longer, I have to go back to see the old man."

Li Yalin nodded with great understanding and said, "Then it's time to go back and take a look, and bring a good message to the old man and the old lady for me."

Saying that, he remembered something and added, "The old master should still remember me, right?"

An Chongqiu nodded, "Remember."

"That's good."

At this moment, Ye Chen on the first floor felt a bit like he was on pins and needles.

He didn't want to have anything to do with his grandfather's family, but the fact that he had been a wall away from his great uncle An Chongqiu on both occasions still made him feel more than a little strange.

It was strange to say the least, but more than that, it was a contradiction.

The root of the conflict was that, on the one hand, Ye Chen wanted to draw a clear line and clear all ties with them, but on the other hand, he couldn't help but want to go up and say hello and ask him in passing why the An family had looked down on his father so much back then.

In addition, he also wanted to ask the An family whether they knew the real reason why his parents were killed.

Gu Qiuyi, who was sitting opposite Ye Chen, saw his discomfort and reached out to gently hold his hand, saying with soft eyes and a gentle voice, "Brother Ye Chen, what's wrong with you?"

Ye Chen said casually, "Nothing, I'm fine."

"No, I'm not." Gu Qiuyi said seriously, "Do you feel that your great uncle sitting downstairs makes you uncomfortable?"

"Sort of." Ye Chen didn't try to be brave and nodded slightly as an admission.

Gu Qiuyi suddenly felt a little bit of pain for Ye Chen.

She knew that, notwithstanding Ye Chen's extraordinary strength and achievements now, he hadn't had a good time in the ten to twenty years after his parents' death, so it was inevitable that there were some sensitive points deep inside his heart.

So, she held Ye Chen's hand hard and said seriously, "Brother Ye Chen, if you feel uncomfortable staying here, I'll lend you my mask and let's go first!"

Ye Chen smiled faintly and said, "It's okay, just get used to it a little bit!"

Chapter 4259

At this time, Chen Zhao Zhong came up with two plates of dishes, one was the signature Cantonese style roast goose, and the other was also his specialty, the marinated platter.

He placed the dishes in front of Ye Chen and Gu Qiuyi and said in a low voice to them, "Young Master Ye and Miss Gu, there is a regular customer in the shop, that Chinese sleuth Li Yalin is also here, you two should not go down for the time being."

Ye Chen was busy asking, "Uncle Zhong, Li Yalin didn't recognise you, did he?"

"No." Chen Zhao Zhong said, "My look that day was too different from my usual look, besides, I only met him once that day, so it might be hard for him to remember me, and I deliberately tested him just now, and he really didn't recognise me, so it should be fine."

"That's good." Ye Chen was slightly relieved, and then asked curiously, "Uncle Zhong, do you know the middle-aged man who came with Li Yalin?"

Chen Zhao Zhong said, "I've known him for a long time, he's always been a regular customer of the shop, but I really don't know his identity too well, he never talks about it, and I never ask too much."

Saying that, he added, "But I guess his identity must be very distinguished, he should be a man of great background."

Immediately afterwards, Chen Zhao Zhong asked Ye Chen, “Young Master Ye, do you know that man?”

Ye Chen hesitated a little in his heart, but decided not to tell Chen Zhao Zhong for the time being, after all, his elder uncle was downstairs, in case Chen Zhao Zhong was too shocked after hearing about it, he might reveal something.

So, he smiled and said to Chen Zhaozhong, “I don’t know him either, I just asked him casually.

Chen Zhaozhong waved his hand, “No way, I will bring you the other dishes when they are ready, you can eat first.”

By now, An Chongqiu and Li Yalin had already had their drinks.

Chen Zhaozhong had asked the man to serve them a few dishes in order to keep Li Yalin from remembering himself.

After the two of them exchanged gla*s'es, An Chongqiu put down his chopsticks and asked Li Yalin, “How is your case going? Is there any progress?”

Li Yalin shook his head, then looked at his surroundings, and then at Chen Zhao Zhong and the restaurant staff who were busy inside, to make sure that they could not hear him, before he said in an annoyed voice: “I am not going to lie, the Fei family is really inferior to the next generation, when I went to the Fei family, I had already made it so clear, but they still kicked me out, I really have nothing to say.”

An Chongqiu sighed: “This is probably what people often say about the authorities being confused.”

Li Yalin sighed, “Ai! I was hoping that the Fei family would cooperate with us after they noticed the crisis, but it turns out that I’ve made a fool of myself.

An Chongqiu then said, “It is true that people may not come back, but I think the case can still be solved, although it can’t be solved in three days or five days, playing three to five months, three to five years, there will always be a time to uncover the truth.”

Li Yalin said with a bitter smile, “I will retire soon, if this case really takes three to five years to be solved, then the person who solved this case is not me, by the time I retire with such an unresolved case, the little reputation I have built up in half of my life will be gone.”

An Chongqiu laughed, “I thought you, Li Yalin, were open-minded by nature and didn’t care about this so-called false reputation.”
