

Ye Chen 4511

Chapter 4511

Zhong Yunqiu's expression was stunned, and his heart was already cursing: "Hung Yuen-shan, that son of a b*tch! You're still not satisfied with the 30 million dollars you've been given for three years? You f*cking old man, you're not afraid of dying from such a big appetite!"

However, at this moment, Zhong Yunqiu did not dare to make a move with Hong Yuanshan, so he gritted his teeth and made a difficult decision, saying, "Godfather, I'll tell you what, \$50 million for three years, that's really my limit, as you know, the economy is in the doldrums, the cash flow of all industries is very poor, most of the a*sets have been reduced to non-performing a*sets, there is no chance to realise them. I'm having a hard time!"

Hong Yuanshan raised his eyebrows and said, "Yunqiu, let's not talk about two families, you can give Hongmen 60 million dollars for three years, which will amount to 20 million dollars a year, in return, I guarantee that whatever you need, if you ask, all of Hongmen will be at your disposal!"

Zhong Yunqiu's heart was trembling.

"Sixty million dollars for three years, that's nearly half a billion Hong Kong dollars!"

"Five hundred million!"

Seeing Zhong Yunqiu's depressed expression, Hong Yuanshan smiled and said, "Yunqiu, do you still remember when you offended Biao Biao and Biao Biao sent three to four hundred of his minions with swords all over Hong Kong Island to find you to chop you up? If it wasn't for me, you would have died in the streets!"

Hong Yuanshan said, "How much I loved you at that time! Although I convinced Biao to not go against you, in order to help you solve this trouble once and for all, I still asked Biao out and sent him off with a belt to meet Master Guan Er. Biao's body and my belt are still sealed in the foundation of the Kowloon Tong overpa*s to this day! When I did this for you, were you as embarra*sed as you are now? Did I ever hesitate as much as you do now?!"

Zhong Yunqiu couldn't help but tremble when he heard these words.

Back then, when his business had just taken off, Mourning Biao, with his background on the road, insisted on coming in and taking a share of the business.

If he didn't agree, Biao would say that he would make him look good.

However, at that time, Biao never wanted to kill him, he only said that he wanted his arm.

At that time, when he begged Hong Yuanshan to help him, he did not want Biao's life at all, he just wanted Hong Yuanshan to mediate and keep Biao away from him in future.

However, Hong Yuanshan took it upon himself to kill Biao and threw Biao's body into the foundation of the overpa*s construction site.

Since then, whenever Hong Yuanshan needed Zhong Yunqiu's help, he would use Biao's case as a subtext to warn Zhong Yunqiu that he had such a trick in his hand.

At first, Zhong Yunqiu wasn't afraid, after all, it was Hong Yuanshan who killed him, and he never said he wanted him to kill Biao.

However, Hong Yuanshan, an old fox, had already left a recording, in which Zhong Yunqiu did beg Hong Yuanshan to help him finish off Biao.

Chapter 4512

While the head instructor Lin was leading the crowd to Red Flower Ridge, Liu Manqiong drove her own Tesla and brought Ye Chen to Lan Kwai Fong.

After the car was parked in front of the Wave Club, Liu Manqiong asked Ye Chen, "Do you really want to go?"

Ye Chen nodded and said, "I've come here, so I have to go in and sit down anyways."

After saying that, Ye Chen was ready to push the door and get out of the car.

Liu Manqiong, in a hurry, took Ye Chen's hand and said nervously, "Ye Chen, think again, the Zhong family and the Hongmen are definitely looking for Zhong Zitao and his family. come out will be difficult."

Ye Chen smiled faintly and said, "Don't be afraid, today is your birthday, just think of it as a good show for you to see, this kind of good show, it's not easy to catch one."

Seeing his insistent expression, Liu Manqiong said helplessly, "Fine, I will accompany you to the end today."

With that, she let go of Ye Chen's hand, pushed the door and stepped out of the car.

Afterwards, the two of them stepped into the front door of the Wave Club together.

At this time, the time was 8pm.

It was also the time when the nightclub started to serve customers.

When the two of them entered the club, the card seats were already 80% occupied.

A beautiful waitress came up and asked Ye Chen, "Sir, please do you want to sit at the bar or the card table?"

Ye Chen asked him curiously, "What do you mean by bar and what do you mean by booth?"

The waiter said, "The bar consumption is arbitrary, the minimum consumption for a card seat ranges from three thousand eight hundred and eighty-eight, to eighty-eight thousand eight hundred and eighty-eight."

Ye Chen nodded his head and waved his hand, "The most expensive one."

The waiter's eyes lit up with joy and he quickly said respectfully, "Please come inside, sir and madam! Our largest card table just hasn't been booked yet!"

Only after saying this did she take advantage of the dim light to see Liu Manqiong beside Ye Chen.

In Hong Kong Island, many people knew Liu Manqiong, after all, she had been named as the most beautiful rich girl in Hong Kong Island in the past few years, and although she was very low-key in person, she would be in the local news and magazines in Hong Kong Island from time to time.

When this waitress recognised Liu Manqiong, she was shocked, not expecting that Liu Manqiong would come to a place like a nightclub with a man.

Moreover, this shop was not an ordinary nightclub, it was Hongmen's own business.

The people who often come here to play are more or less related to Hongmen, and to be frank, they are basically all the gourmets or young girls who hang out on the road, and decent people will never come here to go clubbing.

Therefore, when she saw Liu Manqiong appearing here, the waitress was a bit dumbfounded.

However, she did not show her surprise, but respectfully asked Ye Chen, "Sir, your low consumption of 88,000, is it a set meal or an a la carte order?"

Ye Chen waved his hand, "Serve the set menu."

The waiter nodded and said, "Do you have cash or a credit card? If you swipe your card, I'll bring the POS machine over."

Ye Chen said indifferently, "Swipe your card."

Saying that, he pulled out the black gold card and slapped it on the table.

Seeing the card, both the waiter and Liu Manqiong were incomparably surprised.

Especially Liu Manqiong, compared to the waiter who just thought that the black gold card was impressive, she was the most aware of the gold content of this black gold card.

It was impossible to obtain such a black gold card without having more than ten billion dollars of cash in the account.

To her, a second generation rich girl, tens of billions of assets were not surprising, after all, her father's assets were almost a hundred billion Hong Kong dollars, but the difficulty lay in the tens of billions of cash assets.

If, according to Ye Chen's own words, he was working for Isuzu Shipping, then even if the whole of Isuzu Shipping was given to him to manage, there was no way he would have such a fortune.

So, this also made him even more curious about Ye Chen's true identity.

The waiter diligently came over with the POS machine, and after swiping Ye Chen's card, he immediately reported the three big news items to the manager.

The first news was that the famous Liu Manqiong had come to their shop.

The second news, that the man who came with her was actually holding a top-notch black card.

Chapter 4513

The third news was that Liu Manqiong looked as if she was in a relationship with that man.

When the manager heard about it, he immediately ordered the waiter to serve him well, and at the same time, he also subconsciously took out his mobile phone, ready to call Zhong Zitao, the young master of the Zhong family.

Everyone knew that Zhong Zitao had been pursuing Liu Manqiong for a long time, but at the moment, it seemed that Liu Manqiong already had a mistress.

So, he planned to report the news to Zhong Zitao at the first opportunity.

However, when he called Zhong Zitao's phone, he found that the other party's phone could not be reached.

In desperation, he sent a message to Zhong Zitao and then did not pay too much attention to it.

Meanwhile.

Sect Leader Lin had already led his men to Saffron Ridge.

When they saw the three cars parked by the roadside, they immediately found the trail where the crowd had gone into the mountain forest before, so the group immediately rushed in.

When they did, the tragedy in the woods struck everyone, including the head of the Lin School, like a thunderbolt!

The famous Brother Wuji was now leaning against a bowl of trees, wiping his tears in despair.

Most of the remaining disciples were lying on the ground, wailing, each of them with multiple broken bones, unable to crawl.

Instructor Lin was instantly shocked and hurriedly asked after Brother Wuji, "Wuji, what the hell is going on here? Where is Young Master Zhong?!"

Brother Wuji gulped even more, "Instructor Lin you must take revenge for us Instructor Lin"

Instructor Lin frowned and immediately asked, "Where the hell is Young Master Zhong? Both the Sect Master and Mr. Zhong are waiting for news at this moment!"

Brother Wuji said, "Young master Zhong was kidnapped by a kid from the mainland! That kid seems to know a bit of combat and is stronger than me, we are no match for him, only you can handle him"

The head instructor said coldly, "Tell me the key! Who is that kid's last name, who is he, what are his origins, what clues do I have to find him as soon as possible, and is Young Master Zhong still alive?"

Brother Wuji blurted out, "Young Master Zhong was knocked out and kidnapped by him, he should still be alive, as for that kid, I don't know who he really is."

As he said that, he remembered something and hurriedly added, "Right, Instructor Lin, that kid left with the Liu family's Miss Liu Manqiong! If you find Liu Manqiong, you will definitely be able to find that brat!"

“Liu Manqiong” Instructor Lin asked in a cold voice as his brows tightened, “I watched the surveillance, Young Master Zhong came here in your car, why did you come here?”

Brother Wuji explained, “It was Young Master Zhong who asked us to drive and track down that Liu Manqiong and his adulterer, that’s why we drove all the way here, Young Master Zhong wanted us to take out that kid, but he didn’t expect him to be stronger than even us.”

Teaching Head Lin nodded and said in a cold voice, “You guys wait here first, my immediate priority now is to find Young Master Zhong as soon as possible!”

Saying this, he said to the Hongmen disciples who had followed him here, “All follow me!”

Brother Wuji shouted in a panic, “Sect Leader Lin, take us with you!”

Sect Leader Lin said coldly, “We don’t have time to deal with you now, you wait here first, I’ll have someone call an ambulance for you!”

After saying that, he walked back while taking out his mobile phone and called Hong Yuanshan.

After Hong Yuanshan on the other end of the phone learned what had happened, he immediately instructed, “Instructor Lin, immediately in my name, ask all Hong Men’s sons to search for Liu Manqiong and the whereabouts of that kid on Hong Kong Island, if there are any clues, you must rush there at the first opportunity, and make sure to rescue my godson!”

Then, he gave a slight beat and said in a cold voice, “Make sure to arrest that kid who hurt my god grandson, contact me when the time comes, I want to see him die with my own eyes!”

Chapter 4514

All of a sudden, members of the Hongmen throughout Hong Kong Island received a message that they were looking for the whereabouts of the Liu family’s eldest daughter, Liu Manqiong.

And the vast majority of people could not have imagined that Liu Manqiong was sitting in the nightclub operated by the Hongmen at this moment.

The waiter had just brought up the set drinks ordered by Ye Chen, and the nightclub manager also walked up and said respectfully, “Two distinguished guests, I am Kevin, the manager of this shop, you can tell me directly if you have any needs.”

Ye Chen waved his hand at him, “Fine, you go ahead and get busy.”

The nightclub manager hurriedly nodded and said, “Okay sir, I’ll leave you to it then.”

After saying that, he turned around and returned to the bar, and his phone immediately received the message posted by Hongmen.

When he saw that the Hong Clan, in the name of its master, Hong Yuan Shan, had asked all Hong Clan disciples to look for clues about Liu Man Qiong as well as a young male, he reported the message almost without a second thought.

Soon afterwards, the head teacher received feedback that the person he was looking for was at the moment in Hong Men’s own nightclub in Lan Kwai Fong!

He did not dare to delay and immediately reported the news to Hong Yuanshan.

When Hong Yuanshan heard about it, he was furious and said in a cold voice, "This Liu girl and that unknown kid, they've got a lot of balls! They kidnapped my godson, and they still dare to drink in my nightclub, they are really moving the earth on the head of the taiyoung master, they don't want to die!"

When Zhong Yunqiu heard this, he couldn't wait to say, "Godfather, please hurry up and have your men arrest these two men and force them to find out my son's whereabouts!"

Hong Yuanshan waved his hand and said indifferently, "This matter cannot be rushed, don't forget that Liu Manqiong is Liu Jiahui's daughter."

Zhong Yunqiu was furious and said sternly, "So what if Liu Jiahui? Doesn't he just have more money than me? Do you still scorn him?"

Hong Yuanshan snorted coldly, "Of course I don't scorn him, his daughter was involved in the kidnapping of my grandson. How could I possibly let go of such a good opportunity?"

Zhong Yunqiu came to a sudden realization.

It turned out that Hong Yuanshan wanted to, by taking the opportunity to knock Liu Jiahui's money.

As Hong Yuanshan had said, Liu Jiahui's daughter could not possibly get away with this matter in any way, and Hong Yuanshan happened to be his godfather and his son's godgrandfather, which gave him a full excuse to go to Liu Jiahui to demand an explanation.

When the time comes, it will definitely be necessary to come up with a large sum of money to settle the matter

The first thing you need to do is to get a good idea of what you're getting into, and you can't help but curse: "This old b*****d, he can really seize every opportunity to make money! Not only do I have to pay him for what happened to my son, but he has to use my son as a reason to blackmail people into paying for it The money has all been earned by this old b*****d!"

Although Zhong Yunqiu was annoyed in his heart, he did not dare to be disobedient at this time, so he hurriedly asked, "Godfather, what do you plan to do now?"

Hong Yuanshan laughed, stood up, straightened his Tang suit and said with a smile, "Since they have already arrived at my nightclub, they are the turtles in the jar, so we can have a good time with them."

After saying that, he said to his men beside him, "Inform the head instructor Lin to bring his men to the nightclub first, but don't alert the snake, just make sure that the other party can't escape, the rest will be taken care of personally when I arrive."

Zhong Yunqiu exclaimed, "Godfather, you're going over there too?"

"Of course!" Hong Yuanshan laughed, "Not only am I going to go there personally, I'm also going to call Liu Jiahui over as well, and I want him to tell me personally, in front of me, how much money he is willing to put up to solve this matter!"

Zhong Yunqiu instantly understood.

Hong Yuanshan was going to take Liu Jiahui's daughter and blackmail Liu Jiahui into hemorrhaging money.

However, he was more worried about his son's safety in his heart, so he said, "Godfather, Zitao's life and death are unknown now, I'm really very worried, I have to make them give an account of my son's whereabouts first no matter what!"

"Don't be in a hurry." Hong Yuanshan said indifferently, "The more times like this, the more calm you have to be, right now the culprit is sitting in my nightclub, which means that if Zitao is still safe and sound, then he must not be in any other danger, but if Zitao has already been killed, there is no point in killing them both now, so you must wait! Wait for me to process this matter to a conclusion!"

Chapter 4515

Zhong Yunqiu was so anxious in his heart that he was about to spit fire, but at this moment, he could only grit his teeth and nod, "Okay I'll listen to you, Godfather"

Hong Yuanshan nodded and said with a smile, "Let's go Yunqiu, let's go to Lan Kwai Fong together and meet those two young men for a while."

.....

At this time, the Wave Club in Lan Kwai Fong.

Because of the news received, the entire Wave no longer allowed any casual customers to enter.

Many of Hongmen's juniors who were in the vicinity also quickly rushed to the place for support.

They first guarded all the entrances and exits of the entire nightclub, in case Ye Chen and Liu Manqiong wanted to escape.

The head teacher, Lin, also brought his disciples and rushed over from Hong Hua Ling at speed.

At this moment, Ye Chen sat inside the nightclub's card table, incomparably calm, picked up a bottle of Ace of Spades champagne and asked Liu Manqiong, "Miss Manqiong, would you like a drink?"

Liu Manqiong shook her head a little nervously, "I never drink."

Ye Chen looked at her and asked with a smile, "Are you afraid?"

Liu Manqiong nodded, "A little"

Saying that, Liu Manqiong asked Ye Chen, "Should I call my dad over?"

"No need." Ye Chen laughed, "Someone will definitely call him later."

Liu Manqiong was helpless and spoke, "It's really not possible to let him clean up this mess, it's a big deal to go back and get scolded by him."

Ye Chen smiled faintly, "Don't worry, there is definitely a lot of mess tonight, but none of it needs you to worry about."

Saying that, Ye Chen poured himself half a gla*s of wine, and after taking a shallow sip, he looked at the time.

It was half past eight.

Thinking that it was time to do so.

So, he took out his phone and sent a message to Wan Bajun: "Lan Kwai Fong Wave Club, don't rush to show up when you come, wait for my message."

Wan Bajun immediately replied, "Okay Mr. Ye, my subordinate will go there, ten minutes to arrive!"

Ten minutes later, a black SUV pulled up across the street from the Wave Club.

There were five people in the car, and the one on the pa*senger side was Wan Bajun, who had already entered the Dark Realm.

And on the pa*senger side was Chen Zhonglei, one of the two great kings of the Ten Thousand Dragon Hall.

In the back row were three men, one of whom was another War King, Lu Haotian, and the remaining two, both five-star warlords.

Having been ordered to come to Hong Kong Island first, Wan Bajun had called the two Battle Kings under his command over as well, so as not to encounter the mysterious group that had sniped the An family in New York again.

After a few more minutes, when Godfather Lin led his men to Lan Kwai Fong from Saffron Ridge at fire speed, Hong Yuanshan's Rolls Royce also arrived just in time.

A little alarmed, Instructor Lin did not expect Hong Yuanshan to come over in person, so he immediately pushed the door and got out of the car, quickly coming to the heels of Hong Yuanshan's Rolls Royce.

At this time, Hong Yuanshan and Zhong Yunqiu also got out of the car, one on the left and one on the right.

Sect Leader Lin asked Hong Yuanshan, "Sect Leader, why have you even come over personally?"

Hong Yuanshan smiled and said, "The God of Wealth has arranged for someone to come up to me to send me money, so how could I not come over in person to be worthy of his old man's painstaking efforts."

Lin understood Hong Yuanshan's intention instantly, so he asked, "Sect Master, the people should still be inside, what do you plan to do with them? Do you want me to go in and control them right now?"

Hong Yuanshan laughed, "Haha, there's no need to be in such a hurry, first let the people inside start clearing the room, invite all those irrelevant people out, then I will personally take the stage and give them a good show!"

Chapter 4516

Liu Manqiong soon noticed a strange phenomenon, the waiters throughout the nightclub seemed to be whispering something to the guests at the other tables separately.

Soon afterwards, the guests who had communicated with the waiters would immediately get up and leave.

She couldn't help but feel a pang of nervousness and whispered to Ye Chen, "Are they already looking for them? It seems to me that these waiters are not quite right."

Ye Chen smiled faintly and spoke, "Don't be nervous, the good show is just about to begin."

With that, he poured another glass of champagne and took a sip for himself.

Soon, all the other customers in the nightclub had pretty much left, leaving only Ye Chen and Liu Manqiong's table.

Immediately afterwards, all the lights on the ceiling lit up instantly at this moment, illuminating the dimly lit nightclub hall as bright as day.

The powerful music had also come to an abrupt end, and the DJ as well as the waiters all quickly left through the staff passageway.

Immediately afterwards, a large group of machete-wielding kooks swarmed in and surrounded Ye Chen and Liu Manqiong.

Ye Chen was not in a hurry and did not panic, with a smile on his face, while Liu Manqiong could not help but ask, "What are you doing? Be careful I'll call the police!"

As soon as the words left his mouth, he heard a teasing voice come out, "Miss Liu, what a temper."

With these words, an old man in his sixties, dressed in a Tang suit, stepped in with his hands behind his back.

This man, was the Hong Kong Island Hongmen Sect Master, Hong Yuanshan.

Together with Hong Yuanshan, there was Zhong Yunqiu, the father of Zhong Zitao, and also the head of the sect, Lin, whom Hong Yuanshan had gone to great lengths to recruit under his command.

Liu Manqiong had never seen Hong Yuanshan before, but because he was so famous on Hong Kong Island, she recognised him immediately.

Seeing that Hong Yuanshan had come in person, Liu Manqiong was extremely nervous because she knew that, looking at this situation, she was afraid that it would be difficult to solve the trouble today.

So, she said with a bit of respect in her tone, "Mr. Hong, I wonder what you are here for?"

"What's the matter?" Hong Yuanshan snorted coldly and questioned, "Is it because you have injured my people and taken my godson captive?"

Liu Manqiong scrambled to explain, "Old Mr. Hong, it's not what you think, the whole thing was Zhong Zitao's initiative to provoke in the first place"

Zhong Yunqiu, who was furious, yelled out, "Liu Manqiong, you better tell me where my son is! If anything happens to my son, I want you to look good!"

Ye Chen, who was sitting at the side, could not help but raise his eyebrows and said, "I think you two are both 50 or 60 years old, you are both over a hundred years old together, you are both going to be in the f*cking ground, how dare you unite here and shout at a girl, isn't it afraid of people laughing?"

When Hong Yuanshan heard this, he became furious and sternly shouted, "Kid! You've got some f*cking balls, I heard you're from the mainland, do you know who I am?"

Ye Chen said indifferently, "In my eyes, you are just an old dog whose teeth are almost gone, I don't care who you are."

"F*ck!" A group of junior disciples were instantly enraged, and one of them cursed out of turn, "How dare you curse the master of our Hongmen, see if I don't chop you to death!"

Ye Chen smiled slightly and said, "No way, you want to cut someone as soon as you come up? Wouldn't it be meaningless if the climax came in so quickly?"

Hong Yuanshan looked at Ye Chen with a sinister expression and spoke, "Kid, you really do have guts! You don't even put me in your sights, what exactly is your origin?"

Ye Chen grinned: "You are not worthy to ask what my origins are, don't you want to solve the problem? I am now giving you a solution to the problem, as the boss of Hongmen, you connived at your junior brothers to do wrong and help the tiger, for the sake of your age, today you bow and apologise here, and I can leave this matter alone."

Chapter 4517

After saying that, he pointed at Zhong Yunqiu at the side and said coldly, "You are Zhong Zitao's old man, right? Your son has plotted against Miss Manqiong today, and as a father but you have failed to teach your son properly, you naturally cannot escape responsibility, so if you kneel down and kowtow three times to Miss Manqiong now, I can also no longer pursue your responsibility."

With these words of Ye Chen, both Hong Yuanshan and Zhong Yunqiu were furious enough.

Especially Hong Yuanshan, he had been out all his life and had never met anyone as arrogant as Ye Chen.

So, Hong Yuanshan said angrily to the head instructor Lin, "Head instructor Lin! I want you to tear this brat's mouth apart for me! Tear both corners of his mouth to the roots of his ears, I'll see how long he can keep his mouth shut!"

Instructor Lin immediately clasped his hands together, "Yes, sir!"

After saying that, he looked at Ye Chen with a frown and stepped forward to rush forward.

Ye Chen could see that his cultivation level, a mere three-star martial artist, was no better than a dog in his eyes.

If he really wanted to fight, it would be far easier to kill him with one punch than not, because it was not easy to control the force against such a martial artist, and a slight movement of aura would beat him to death.

At this moment, Liu Manqiong suddenly stood up and spoke in front of Ye Chen, "Mr. Hong, let's talk! This friend of mine is not very good in the head, so don't be normal with him, I can ask my father to come over to solve this matter, and I will definitely give you a satisfactory answer!"

As soon as Hong Yuanshan heard this, he immediately called out to the head teacher Lin, then looked at Liu Manqiong with interest and asked with a smile, "Miss Liu, are you sure your father can give me a satisfactory answer? I am a man with a big appetite."

Liu Manqiong gritted her teeth and said firmly, "I can ask my father to come over and talk to you! But only if you don't make a move, otherwise there would be no point in talking!"

Hong Yuanshan nodded and smiled, "I also have great admiration for Mr. Liu, although I have met him a few times before, I have never had the chance to make a deep friendship, since Miss Liu has said so, then I might as well take this opportunity to get to know Mr. Liu."

Zhong Yunqiu, who was on the other side, hurriedly said, "Godfather! You must hurry and ask about Zitao's whereabouts! Zitao's life and death are unknown now, in case something happens, it will be over!"

Liu Manqiong subconsciously said, "Zhong Zitao's life is not in danger!"

Zhong Yunqiu questioned out of turn, "Then where the hell is he?"

At this time, Hong Yuanshan interrupted Zhong Yunqiu and spoke, "Yunqiu, don't get so excited, since Miss Liu said that Zitao's life is not in danger, then he must be fine."

After saying that, he smiled and looked at Liu Manqiong, laughing, "Miss Manqiong, please give your father a call, I'm waiting for him here."

"Okay!" Without a second thought, Liu Manqiong was about to pull out her mobile phone.

In this instant, Ye Chen wanted to stop her.

After all, this matter didn't seem that troublesome to Ye Chen, either he could do it himself and f*ck the gang down, or he could let Wan Xiaojun come in and f*ck the gang down.

After drying them out, then on this venue and at this time, have an ascending trial, Hong Yuanshan, Zhong Yunqiu, Zhong Zitao, and even this Lin instructor in front of him, have one of them count, and let them experience what it means to be destroyed.

However, when he saw that Liu Manqiong had repeatedly tried to protect himself from disaster, he was somewhat touched in his heart.

As Liu Manqiong wanted to call Liu Jiahui to come over, Ye Chen thought that he might as well take advantage of the situation and give Liu Jiahui a chance.

If he could really do something, then he could be a little more lenient with Uncle Zhong for the sake of Liu Manqiong's face!

Chapter 4518

At this moment, Liu Jiahui, who had just had dinner at his mansion, came to the pool with a cigar in his mouth and a bathrobe on.

Fang Jiaxin, whose figure was still exquisite, was wearing a bikini at his side.

Fang Jiaxin, who hadn't worn a bikini for a long time, was a bit uncomfortable and said, "Jiahui, there are guests at home, so it's not a good idea for me to be dressed like this, right?"

Liu Jiahui said with a big grin, "Don't worry, that Ye is having dinner with Manqiong, he won't be back too early."

Fang Jiaxin was helpless and asked him, "Why do you have to swim at night? Where did you get such a good mood?"

Liu Jiahui, with his belly shy and smoking a cigar, said to Fang Jiaxin with a smile, "I just heard that the American side is going to repatriate Chen Zhaozhong soon, and if it's quick, he might arrive the morning after tomorrow!"

Fang Jiaxin's expression suddenly turned pale and she blurted out, "Jiahui You really can't let him off the hook?"

Liu Jiahui glared at him and asked in a cold voice, "What, you still want me to spare him?!"

Fang Jiaxin was shocked by the look in his eyes and shook her head hurriedly, "No I don't mean that"

Liu Jiahui said in a cold voice: "In the future, this person, you listen when I mention it, if you want to express your opinion also better obey my meaning, otherwise, shut up!"

Fang Jiaxin could only nod obediently and said, "Okay I know"

Liu Jiahui's expression eased a bit, took off his bathrobe, stretched out his feet to test the water temperature, and then poofed in, setting off a huge splash of water.

As soon as Liu Jiahui got into the water, the mobile phone he had placed on the side of the recliner rang.

Fang Jiaxin glanced at it and said, "It's Manqiong's phone, do you want to answer it?"

"Answer it." Liu Jiahui swam slightly awkwardly to the edge of the pool, stretched out his hand and took his mobile phone from Fang Jiaxin's hand.

"Hello." As soon as Liu Jiahui picked up the phone, he smiled and asked, "Manqiong, have you finished having dinner with Mr. Ye?"

Liu Manqiong blurted out, "Dad, we have a situation, we are now at Lan Kwai Fong, can you come over?"

Liu Jiahui frowned, "What's wrong?!"

Liu Manqiong said helplessly, "Mr. Ye had some conflict with the Hongmen because of me, but they surrounded us and wanted to make a move, I had no choice but to call you."

"A conflict with Hongmen?" Liu Jiahui's head was as big as a bucket and he blurted out, "Who doesn't this Mr. Ye want to recruit, why does he have to recruit Hongmen's people? Doesn't he know that the Hongmen are the most famous dogskin plaster on Hong Kong Island? If he gets stuck to them, he'll have to tear off at least one layer of skin!"

Liu Manqiong said seriously, "I've said it all, Mr. Ye started the conflict with them because of me, if it wasn't for Mr. Ye, I might have met an untimely end by now!"

Liu Jiahui heard this before he sighed helplessly and opened his mouth to ask: "OK, OK, OK You tell me where you are, I'll go there now!"

Liu Manqiong said, "We're at the Wave Club in Lan Kwai Fong."

"Wave Club?" Liu Jiahui frowned, "Isn't that Hongmen's venue? Where don't you guys go, you have to go to Hong Men's venue"

Liu Manqiong asked him, "Are you coming or not?"

"Come, I'll come." Liu Jiahui was helpless to the extreme, but he could only speak, "Tell the people across the street not to make any rash moves yet, I'm coming over now!"

After saying that, he hung up the phone and climbed up from the pool in a mess, chanting, "D*mn, what a troublemaker for me!"

Fang Jiaxin asked curiously, "What's wrong? What's wrong with Manqiong?"

Liu Jiahui cursed and said, "There's a conflict with Hongmen, D*mn it, Hong Yuanshan is a mad dog, he'll bite anyone who passes in front of him, Manqiong and Ye offended them, I'm afraid I'll have to bleed again!"

Fang Jiaxin couldn't help but frown: "Manqiong is also, who should she mess with but the people of Hongmen Those are a bunch of desperadoes, who doesn't hide away when they see them"

Chapter 4519

Liu Jiahui put on his bathrobe and said indifferently, "Okay, you wait at home, I'll go and see what's going on."

Fang Jiaxin asked him, "Do you want me to come with you?"

"No need." Liu Jiahui waved his hand and said, "It's more trouble for you to go instead."

.....

Soon, a convoy of three Slas drove out of Liu Jiahui's Shixundao mansion.

Once the convoy was out, it drove fast towards Lan Kwai Fong.

And at this time, at the Wave Club, Hong Yuanshan sat in front of Ye Chen and Liu Manqiong with a smile on his face.

He looked at Ye Chen and said with a smile, "You're really lucky, bad boy, you've caused trouble and there's this big beauty, Miss Manqiong, standing in your way, you're really blessed, if you can walk out of here alive tonight, then you really have to thank Miss Manqiong."

Ye Chen said indifferently, "It's you who should thank her, if she hadn't stopped me, I would have got you killed long ago."

"F*ck!" A few of the junior brothers' faces turned green, they really couldn't understand why this kid was acting so pretentious.

The point was, things had come to this point, and he was still acting like a p*ssy.

Was he really not afraid of death?

Liu Manqiong was also about to collapse, she really couldn't figure out what Ye Chen wanted to do, so many people from the Hong Sect were here, did he still want to kill a way out?

Hong Yuanshan was already going crazy with anger at this point.

If he hadn't wanted to wait for Liu Jiahui to come over to talk about the price, he would have ordered his younger brothers to rush up and slash this heavenly brat to death.

However, for the sake of money, he forced down the anger in his heart and sneered, "Kid, I'm not going to play fast and loose with you, if Mr. Liu can't give me a satisfactory solution when he comes, the first thing I'll do is cut your tongue off!"

Ye Chen smiled faintly, "If you're willing to wait, then I'll accompany you to the end."

Twenty minutes later, Liu Jiahui arrived in a hurry.

As soon as he entered the door, he was startled by the array of people here.

Not to mention so many machete-wielding and fierce Hongmen members, Hong Yuanshan alone made Liu Jiahui's heart cry out in disbelief.

On the phone, he had only heard his daughter say that there had been some friction with the Hong Clan, but he had not expected that Hong Yuanshan would come over too!

So, he hurriedly said with a smile, "Aiya, I didn't expect you to be here, Old Mr. Hong, I'm really sorry for your respect!"

Hong Yuanshan looked at him with a smile on his face and said, "Mr. Liu, sorry for making you come all the way here at night."

Liu Jiahui was busy saying, "I should, I should."

As he said that, he looked at Liu Manqiong and asked Hong Yuanshan, "Mr. Hong, I don't know what my daughter has done to offend Hongmen, but please don't think of her as a young girl and don't treat her in the same way!"

Mr. Hong Yuanshan grunted and said, "Mr. Liu may not know what has happened, your daughter and her friend have injured more than ten of my Hongmen's men and kidnapped my grandson Zhong Zitao, how can I hold my hand high if you don't let her give me an explanation?"

As soon as Liu Jiahui heard this, he was shocked and asked Liu Manqiong out of the blue, "Manqiong, what the hell is going on here?!"

Liu Manqiong spoke up, "It was Zhong Zitao who led people to follow me and tried to misbehave with me, and wanted Mr. Ye's life, and Mr. Ye clashed with them in order to save me!"

Liu Jiahui hurriedly said to Hong Yuanshan, "Old Mr. Hong, it sounds like it was your godson who was unruly in the first place, so you shouldn't let my daughter come and give you an account anyway, right?"

Hong Yuanshan shot up and pointed at Liu Jiahui and said angrily, "Do you think I asked you to come here to reason with you? If you don't give me an explanation today, I'll waste your daughter too and give my Hong Clan disciples an explanation!"

Chapter 4520

When Liu Jiahui saw that Hong Yuanshan had started to play the rascal, he knew that it was no longer possible to reason with the other party in this matter.

So, his expression gradually calmed down as he opened his mouth and asked, "Mr. Hong, how exactly do you want to settle this matter, simply give me a straightforward statement."

Hong Yuanshan looked at Liu Jiahui and then Liu Manqiong, and with a cold snort, he said, "Mr. Liu, you don't have to say that I am a person who is not mean enough, I know that your daughter did not make a move to hurt my Hongmen members, nor did she make a move to hurt my godson, so all you have to do is take out ten million dollars and you can take her away."

"Ten million dollars?!" Liu Jiahui, as if his tail had been stepped on, blurted out, "Are you mistaken, Mr. Hong, you said yourself that my daughter did not do anything, and you want to take ten million dollars for not doing anything?"

Hong Yuanshan sneered, "What? A mere 10 million dollars is nothing to you, Mr. Liu, right? But on the other hand, it's not the same for me, Hong Yuan Shan. Thousands of people up and down my Hong Men are waiting for food, and without money, they have to go out on the streets to beg for food; without money, they have to do things that people like you don't want them to do! Do you think you only have to give me an account? You have to give an account to my entire Hong Clan!"

An old man like Hong Yuanshan had long practiced the means of threatening others to perfection.

Liu Jiahui was not a fool either.

The meaning of Hong Yuanshan's words was nothing more than using the Hong Sect as a threat.

Although he was rich and powerful, the richer and more powerful a person like him was, the more he feared those who wanted money and not life.

Now that his daughter had given Hong Yuanshan the leverage to demand money, he was afraid that it would be impossible to take her away successfully without a little bloodshed himself.

So, he gritted his teeth and spoke, "Mr. Hong, I won't say any more nonsense, ten million dollars is too much, I will offer two million, and this matter will be treated as if it never happened, what do you think?"

"Two million?" Hong Yuanshan said disdainfully, "You are sending out callers, do I have the word caller written on my face, Hong Yuanshan?!"

Liu Jiahui sat down next to Liu Manqiong and said, "If two million dollars is still not enough, then I will let you, Mr. Hong, do whatever you want with me today, I can do whatever you feel like."

Don't look at Liu Jiahui's usually cheerful smile throughout, but he also had a strong street colour in his bones.

He knew very well that if he became an ingrate in front of Hong Yuanshan today, then in the future, Hong Yuanshan would treat himself as an ATM.

He must bleed a little today, but he must not make him 100% satisfied, he must let him know that he has a temper too.

Hong Yuanshan really didn't expect that Liu Jiahui, a hundred billionaire, would play a fool with himself.

His current look of a dead pig not afraid of boiling water immediately made Hong Yuanshan feel a little tricky.

Although he was the head of the Hong Sect, he did not dare to do anything to Liu Jiahui in a blatant manner.

After all, after the Li family had gone to England to develop, the richest person on Hong Kong Island was pretty much him, Liu Jiahui.

If he really did something to Liu Jiahui today, the whole Hong Kong Island would know about it tomorrow, and he would definitely be subjected to verbal criticism, and the Hong Kong Island police would definitely not sit idly by due to pressure.

Therefore, he really did not dare to do anything to Liu Jiahui.

So, his expression eased a little and he said with a smile, "Mr Liu really has the courage, I appreciate it!"

Liu Jiahui grunted and spoke, "Old Mr. Hong, whether it works or not, you give me a word."
