

Continuation from You Rejected Me. Remember? to The Warrior's abused Mate

Blurb:

Monica's life takes a bad turn when her mother dies. It gets worse when the Luna commits suicide. She was an underage, unshifted wolf, yet that didn't stop her ruthless alpha from torturing her. She endures the pain and humiliation hoping to shift soon so that she can finally escape.

Alas, the alpha poisons her before that happens. weak and disappointed, she leads her life in misery.

Until she learns a secret of the past. A dark and disturbing secret.

That day, she flees. Never to return. Despite being unable to shift. Little did she think that she would meet her mate in the process and the start of her journey begins.... the journey of becoming the strongest woman alive...
