Yan Huaijing asked, his voice was lazy and gentle, and the corners of his lips were slightly raised. There was an elusive taste in the smile.

Wei Yue Wu knows the opportunity, knowing that this is a choice for herself. She drew her sleeves sideways and gave a deep gift. There was a gleam of coldness in her half-dropped eyes: "Please allow Yue Wu to go!"

In fact, he had no choice. There was no one available to him. After revealing his identity, he followed Mo Huating, who was guarded by heavy soldiers, into Beijing. He was a sheep and a tiger, and there was no place for his death.

"Why should I take you?" Almost with a bit of laziness, Yan Huaijing casually asked, his eyes fell gently on Weiyuewu, but after this gentleness, there were hidden people Frightened indifference and scrutiny.

Such a look would only make her feel terrified.

But Wei Yuewu knows clearly that she can only ask for help now! Even if she knew that he was not easy to mess with, she didn't retreat.

"I'm the only niece of Huayanghou, maybe there will be a place for me in the future." Wei Yuewu straightened up, staring directly at the beautiful pair of Fengmu Road without avoiding flashing.

"I remember that Huayang Hou didn't take your heart to you, the only niece, otherwise it would not be possible for so many years to have been your grandparents' grandmother." Yan Huaiyan raised her eyebrow and smiled, it seemed not surprising that she answered. .

This person is so difficult!

"I must not be loved by my father, but I must be the only niece of my father. The place where my father guards is close to the territory of the Duke of Yan Guo. Doesn't Shizi feel that it is good for him to be better with my father? Is it something? "Although Wei Yuewu's heart was awkward, her face was not revealing.

When I heard Wei Yuewu mentioned Yan Guogong, and called her son, Yan Huaiyu seemed unsurprising. He lifted his deep and beautiful eyes, looked at Wei Yuewu with a smile, leaned back, "You are a smart man!"

Yan Shizi Yan Huaijuan has the appearance of a bewitching city and the grace and grace, but it is the most ruthless and ruthless son since Yandi 's confinement. However, this son also has a gentle and graceful face, which is unclear. When people saw him, they really thought that he was just a gentle, affectionate, and beautiful boy.

Just a moment ago, Mo Huating called him Shizi, and then connected with this person 's aura and appearance. In an instant, Wei Yuewu had identified the identity of the person in front of him. Who else could be besides Yan Shizi Yan Huaiyu!

"In front of Shizi, I dare not speak the word" smart "." Wei Yuewu looked down and sighed softly.

"It's okay to take you with you, but you need to give me a reason." Yan Huaijuan's fingers flicked slightly on the table, smiled slightly, and glanced at Wei Yuewu obliquely!

His laughter was as light and gentle as ever, and it seemed as if the suggestion for Wei Yuewu was very interesting. Wei Yuewu was relieved, but he frowned tightly. Sure enough, the emperor of the state of Yan Guo He will not take him away for no reason. The identity of his father, Hua Yanghou, can only arouse his temporary interest, but he cannot attract him to help.

He is giving himself a problem, but see if he can solve it. If he can't, he will absolutely abandon himself mercilessly. Wei Yuewu even has a feeling. If he can't solve the problem well, this one Yan Guogong Shizi even directly sent himself to Mo Huating.

Taking a deep breath, when looking up again, his eyes were clear: "If Shizi can help me escape the pursuit of Jingyuanhou, and enter Beijing in the future, I must ask my father to thank Shizi again."

At this moment, Wei Yuewu didn't hide anything, which directly shows that Jing Yuanhou Mo Huating is hunting himself.

She knew very well that the son of the state of Yan Guogong had already seen the truth, how could a person like him be willing to be fooled!

"People around you are dead. How can you prove yourself?" Seeing her being so frank, Yan Huaijuan raised her eyebrows and looked at her playfully. There was a bit of unknown meaning in her eyes.

Wei Yue Wu knows the meaning of Yan Huaijuan's words. If he can't even prove his identity, then how can he repay him?

"Yuewu knows that Shizi has some doubts, but asks Shizi to believe in Yuewu. Yuewu is absolutely capable of proving her identity. Yuewu first borrows a guard from Shizi, and then goes to Jingyuanhou with Yuewu, and after meeting Jingyuanhou, Moon Dance's identity can also be confirmed. "

Wei Yuewu said with a gentle face, but her words were extremely sharp and firm.

In front of people like Yan Huaiyu, if you hesitate, it's not just the opportunity that you lose, it can also be your life!

"Person, I can borrow you." For her calmness, Yan Huaihuan seemed to find it interesting, but she no longer embarrassed her, and her beautiful Fengmou nodded.

Such a smile, however, made Wei Yuewu's heart heavier and he knew clearly that she had to pass the test she gave in order to protect Yan Huaiyu.

Fortunately, in addition to seeing Mo Huating, she also saw another person, a person who should not have appeared ...

She doesn't know Mo Huating, but that person, coincidentally, she did know ...
