

The Yun Family's Ninth Child is an Imp! Chapter 1016

Shopkeeper Qi was very puzzled. Why did those people look so grateful to Miss Jiu? Could it be that like the third round, she was in the limelight again?

Yun Chujiu finally got rid of those enthusiastic examinees and jumped in front of Shopkeeper Qi. "Shopkeeper Qi, we were all accepted. Shouldn't you give us the tuition fees now?"

Shopkeeper Qi never expected that to be the first thing Yun Chujiu would say. He coughed dryly. "Miss Jiu, I'll transfer it to you right away."

When Shopkeeper Qi had reported to the Palace Mistress previously, the Palace Mistress felt that Yun Chujiu and the others would not be able to enter the Tianyuan Academy, so she agreed.

Yun Chujiu looked at the storage ring that held an additional 200,000 high-grade Spirit Stones, and her mood instantly blossomed like a hundred flowers. She felt that the Tianyuan Continent was not so bad after all. The heavenly lightning here was kind enough to help her expel the demonic beasts, although those two scumbags from the Yin family had a worryingly low IQ. There were also those three wenches who coveted the gigolo right under her nose, yet she could not do anything about it.

Most importantly, despite those few bad apples, the people here were really generous. In the blink of an eye, they had made a lot of money. She was looking forward to her future life in the Tianyuan Continent!

Yin Sulian watched Yun Chujiu's smug look from the side, and she was so angry that she gritted her teeth.

'Yun Chujiu, just you wait. Even if you enter the Tianyuan Academy, I still have a way to deal with you!'

Yun Chujiu and the other three followed Shopkeeper Qi back to the Long Wind Inn. Yun Chujiu eagerly sent a voice transmission talisman to Di Beiming.

“My Idol, my idol, are you there? Did you miss me?”

Di Beiming’s deep voice came out from the voice transmission talisman. “Yes!”

Yun Chujiu pouted. The Pretty Boy was as arrogant as ever. However, compared to his venomous tongue towards those three wenches, he was already very placid with her.

“I’ve successfully entered the Tianyuan Academy, aren’t you going to praise me a Little?” Yun Chujiu said sneakily.

“Not bad.”

Yun Chujiu gritted her teeth. This gigolo could not keep his hands and eyes off her every time he saw her. Now, he was playing a game of words with her. Hmph, gigolo, just you wait. When we meet, watch how I torture you.

Just as Yun Chujiu was gnashed her teeth, An Feng’s voice transmission talisman started to vibrate. “Miss Jiu, your excellency asked me to give you ten million high-grade Spirit Stones as a gift.”

Yun Chujiu’s eyes opened wide, thinking that she had heard wrongly. After confirming it another three times, she confirmed that the cheapskate had turned over a new leaf!

The resentment that she had just felt suddenly disappeared. She took out her voice transmission talisman and said, “Dear Prince Charming, I realize that I love you more and more each day. I love you so much that I don’t want to!”

“If I give you 20 million, would you love me even more?” Di Beiming teased through the voice transmission talisman.

“Prince Charming, am I such a shallow person?! Can you buy me over with just 20 million?! My love for you has nothing to do with Spirit Stones!”

“Oh? I have already sent a message to An Feng to ask him to transfer 20 million high-grade Spirit Stones to you. Since you think that this is a little shallow, then I will only give you 10 million instead.”

Yun Chujiu wished that she could strangle herself to death. She wanted to call him a blabbermouth and call him a b*stard! 10 million upper-grade Spirit Stones flew away just like that!

She gritted her teeth and swallowed those words. She forced a smile and said, “Prince Charming, 10 million is enough. I’m not greedy at all.”

“Mm, after you enter the school, cultivate well and don’t get into trouble,” Di Beiming warned.

“Got it! Prince Charming, you should also take care of your body. Remember to guard against fire, theft, and seductresses!” Yun Chujiu pouted.

‘He always told me not to cause trouble. When have I ever caused trouble?!’
