

## The Yun Family's Ninth Child is an Imp! Chapter 104

No matter how Yun Chujiu looked at it, she felt that di Beiming's walking posture was a little strange. Then, she remembered the kick in her dream. Could it be that she had kicked the gigolo?

Hahaha, that was hilarious!

Yun chujiu almost laughed out loud. She quickly turned around and covered her mouth with her hand. However, her heart was bursting with joy! She deserved it! This was karma! Pretty Boy, you have a day like this too! HMPH! ! Why didn't I kick you to death? !

An Yin returned to the house after di beiming gave his orders. He saw Yun Chujiu's back facing him, and her small body was trembling non-stop.

Di beiming thought that Yun Chujiu was crying, and he couldn't bear it. He coughed dryly, "Don't Cry! I don't Want Your Life! "

Yun Chujiu, who was laughing secretly, was speechless

Yun Chujiu tried hard to hold back her laughter and turned around with a bitter face.

Di beiming looked at her suspiciously, "Why are there no tears on your face? Were you pretending to cry just now? How dare you lie to me? "

Yun chujiu hugged di beiming's waist, "Prince Charming, don't you know that there is a kind of pain that makes you want to cry but have no tears? I Am A Sinner Now!

When I think about how my carelessness made you so angry, my heart is tormented by guilt, shame, and regret. I have let you down, I am a sinner! I am simply an extremely evil person, and the heavens will not tolerate it!

I was wrong, I was extremely wrong! I am simply not a human, I am too much of a bastard! ” ... ”

After being hugged by Yun Chujiu, di beiming's belly full of anger instantly vanished into thin air. All the pores on his body seemed to have opened up, and he only felt an itch in his heart. He had to do something to express his feelings at this moment.

Hence, Di beiming decided to continue what he had been disturbed by Yun Chujiu. He lowered his head and bit Yun chujiu's slender neck.

Di beiming initially only wanted to suck blood to detoxify the cold. However, after sucking two mouthfuls of blood, his taste slowly changed.

Yun chujiu did not react at first. When she reacted and wanted to break free, she realized that she could not move at all!

Damn it! Was the gigolo a vampire? ! Was he trying to suck her into a mummy? ! She had not lived long enough, she did not want to die!

However, Yun Chujiu realized that something was not right. What was the damn gigolo doing? Was He a dog? Was he looking for something to eat?

“Prince Charming, you, what are you doing? I was wrong, I promise there won't be a next time. You are a magnanimous man, please forgive me this time! ” Yun Chujiu said with a trembling voice.

Di beiming ignored her. After a while, he finally released Yun Chujiu.

“Prince... Prince Charming, why did you bite me? ” Yun Chujiu felt that her face was a little hot and her brain was not working properly. Oh No, could it be that the gigolo had poisoned her?

Di beiming snorted coldly, “Do you think I’m willing to do this because I have nothing better to do? ! Isn’t it because you ate my exquisite scarlet sunset fruit? ! From now on, I’ll drink your blood every month to detoxify the poison. You owe me this. ”

After hearing that, not only was Yun Chujiu not afraid, but she felt relieved. Since the gigolo wanted to rely on her blood to detoxify the poison, then he wouldn’t kill her!

With this understanding, Yun Chujiu became bolder. She snorted coldly, “If you want to drink blood, then do it quickly. Why are you taking so long? ”

“I’m happy. I think you’re too ugly. I’ll decorate it for you. If you don’t believe me, take a look for yourself. Isn’t it much more beautiful? ” Di beiming took out a mirror from his storage ring and handed it to Yun Chujiu.
