

The Yun Family's Ninth Child is an Imp! Chapter 1041

The classes at Tianyuan Academy were arranged in such a way that students only studied in the morning, and in the afternoon, they had free time to do other activities. After her lunch in the canteen, Yun Chujiu eagerly went to the Spirit Beast Garden.

When Feng Ming's group and the other members of the Huang class said that they would accompany her, Yun Chujiu waved her hands. "You guys still need to clean up the classroom. I can do it myself. Besides, if you help me with my punishment, someone might voice their discontent. It's better for me to do it myself!"

Hearing her words, everyone had no choice but to give up.

Yun Chujiu hopped on to the Spirit Beast Garden. It was just in time for the third-year student's Beast Taming lesson. Yun Chujiu could only wait at the side and listen to the class as it went on.

Unlike the cultivators of the Azure Mystic Continent who only practiced four techniques, the people of the Tianyuan Continent also learned an additional beast taming technique. However, Beast taming techniques were very difficult to practice. Most people could only control some low-level demon beasts, which was equivalent to being of little value, therefore, there were very few people who specialized in beast taming techniques. Many people only used beast taming techniques as a supplementary skill.

The lowest level Demon Beasts in the Spirit Beast Garden of the Tianyuan Academy were 16th level demon beasts. These demon beasts already had intelligence and were very difficult to tame. Although these third grade students had already learned beast taming techniques for two years, many still struggled.

Fortunately, the majority of these students were at the eighth or ninth level of the spirit sect. Even if those demon beasts were to bite back, they would not be able to hurt them. It was just disheartening to see them unable to tame beasts much weaker than them!

Today, these students were trying to tame a level 16 Demon Beast, the Barbaric Bear. Although this Barbaric Bear did not have any spiritual attacks, it had boundless strength and was very tough to deal with.

Many students failed to control it. Instead, they were chased around by the Barbaric Bear and were left in a sorry state at the end of the lessons.

A rotund male student was forced out of the bear house by a Barbaric Bear. Moreover, the third grade disciple's uniform was black. It looked as if two bears had fought each other.

Yun Chujiu could not help but laugh out loud. It was like she had poked a hornet's nest. That fatty was so embarrassed that he had no place to hide. When he heard Yun Chujiu's laugh, he immediately became angry!

"You trash from the first level of the spirit sect, what are you laughing at?!" The fatty climbed up and roared angrily.

"Senior, I'm sorry. I didn't mean any harm. I just couldn't hold it. I'm sorry." Yun Chujiu touched her nose. Although this fatty's words were not pleasant to hear, but she should not have laughed at others either, it was better to hold it in.

However, the fatty was unwilling to let it go. "Aren't you Yun Chujiu from the first grade's trash class? Hmph! Since you were punished to clean up the beast house, you should recognize your own flaws and get lost! If you anger me, I'll make you suffer!"

Yun Chujiu's face fell. "Senior, I couldn't hold back my laughter just now. It was indeed my fault, but I've already apologized to you yet you still called me trash and said 'get lost'. Don't you feel that you've gone too far? Moreover, I was preparing to clean the bear house. Because you were in class, I was waiting at the side. Please keep your mouth shut."

The fatty curled his lips. “Keep your mouth shut? You were originally trash who ascended from the Azure Mystic Continent. When did I say something wrong? You still dared to laugh at me? A country bumpkin like you probably don’t even know what beast taming is? Country Bumpkin!”

Yun Chujiu was not a good-natured person to begin with. After she endured his tantrum for so long, this fatty was still unwilling to let her off. She was also angry, she curled her lips. “Senior, since you said that, then don’t blame me for being honest! The reason why I laughed just now was that I felt that it was too funny when two bears were fighting on the ground! Seniors, don’t you all think so too?”

Yun Chujiu’s words caused a wave of laughter from the crowd. In fact, they had also laughed just now. It was just that fatty targeted Yun Chujiu because he felt she was weak..
