

## The Yun Family's Ninth Child is an Imp! Chapter 112

When the onlookers heard Yun Chujiu's words, they were immediately energized. Yo, there's a story behind this!

Yun Chushan was originally guilty, and now that Yun Chujiu had exposed her, she was in a very sorry state. She could only say randomly, "You're spouting nonsense! You're spouting nonsense! You're just jealous of me!"

Yun chujiu could not help but smile bitterly, she said in a heartbroken manner, "Third sister, am I jealous of You? I helped you obtain your qualification to take the test. If I'm jealous of you, why should I do anything unnecessary? Forget it, justice is in the heart of the people. Since you're so cruel, let's not have any interactions in the future! Let's Go!"

The bystanders had always sympathized with the weak. Although they had previously despised Yun Chujiu and the others, they were now targeting Yun Chuwu and Bai Moyu.

"TSK tsk, that woman is quite good-looking. I didn't expect her to have such a black heart!"

"Yeah, isn't she just an ingrate? ! And that Bai Moyu is probably not a good person either!"

"Shh! Keep Your Voice Down. I heard that Bai Moyu is related to elder Xiao. Don't make things difficult for us when the time comes!"

..

Bai Moyu almost vomited blood from anger. This Yun Chujiu was really a scourge! Just two sentences had ruined his reputation! Yun Chujiu, just you wait. When you are eliminated, I will definitely kill you!

Bai Morou glared at Yun Chushan. She didn't know what her brother was thinking. He actually let Yun Chushan team up with them. He was really a jinx. He had dragged them down just as he arrived!

Yun Chushan smiled at Bai Morou ingratiatingly. Now that she had completely offended Yun chujiu and the others, she could only cling onto the Bai siblings' thighs.

After a quarter of an hour, the disciple in charge of the test shouted, "Those who are taking part in the test, go to the designated area to take part in the test."

Yun chujiu held her stomach and was protected by Yun Chuwu and the rest as they stepped into the designated area.

The members of the Qingyun team only saw a white light flash before their eyes. The scene before their eyes had already changed.

At this moment, they were standing on an empty piece of land. Other than the seven of them, there was no one else. In front of them was a stone staircase that stretched as far as the eye could see. It directly reached into the clouds, as if it directly reached the sky.

The most shocking thing was that the angle of the stone step increased as it went up. The part that reached into the clouds was almost perpendicular to the ground. If they accidentally fell down, they would definitely be smashed into minced meat.

Just when everyone was shocked, a voice sounded, "Disciples participating in the test, you need to reach the top of the stone step within four hours to enter the second round of the test. In addition, all of you must reach it. The test begins now!"

Yun chujiu stared at the stone steps in front of her and rolled her eyes. What was this test? The first round of the test should not be particularly difficult. It should be a test of courage, stamina, and endurance.

“Cough, cough, I have something to say!” Yun chujiu did not pretend to be weak at this moment. She put her small hands behind her back and said in a pretentious manner.

“Little Jiu, when did we choose you to be the team leader?” Yun Chuqi curled her lips.

Yun chujiu widened her eyes. “We had an agreement when we came from Ye city. You all have to listen to me! Did you all go back on your word?”

Yun Chuqi rolled her eyes and did not speak.

Yun chujiu then continued, “This stone step test should be a test of everyone’s courage, stamina, and endurance. I believe that everyone is very brave, not to mention stamina and endurance. Everyone will definitely pass it!”

Without waiting for everyone to express their opinions, yun chujiu said shamelessly, “However, as you all know, I’m quite useless. So while you guys climb, you should also conserve some of your stamina. When I can’t climb anymore, you guys will take turns carrying me!”
