

The Yun Family's Ninth Child is an Imp! Chapter 1145

In order to prove that what she said was true, Yun Chujiu put away the hidden spirit ring. As expected, there was no spiritual energy fluctuation on her body at all. Dean Huangfu couldn't help but click his tongue in wonder. He had never heard that the heavenly thunder spirit root had such a strange attribute. This Yun Chujiu's physique was very special. Wait, that wasn't right. The fourth level of the spirit sect? She had entered the school at the first level of the spirit sect. Didn't that mean that she had risen two levels after being struck by lightning last time? No wonder she had scolded the Heavenly Lightning for being irresponsible just now. It turned out that this guy had risen two levels in one go? "That, Yun Chujiu, you rose two levels after being struck by lightning last time?" "That's right. It's all because of this damn heavenly lightning being irresponsible. If it had been struck for another four hours, perhaps I would have risen another level! How detestable!" Yun chujiu puffed her cheeks and said angrily. Dean Huangfu only had one thought in his mind at this moment. You really aren't satisfied! What else do you want to do if you want to level up in two months? ! Yun chujiu counted with her fingers and said, "If we calculate according to the calculation of two levels in two months, when that little B * Tch Yin Xinlian and I are on the life and Death Arena, I will almost be able to break through to the first level of the spirit Saint Realm. This is great. This Damn Heavenly Lightning has really set me up. I have to think of another way to speed up my level-up." Dean Huangfu thought that he was knowledgeable, but he still felt that his brain was not enough when he met a weirdo like Yun Chujiu. He asked almost subconsciously, "What other way are you going to think of?" Yun chujiu giggled. "Dean, I was just about to ask you for advice! You are knowledgeable and knowledgeable. Help me think of a way! You Can't just watch me go to the life and Death Arena to die, right?" Dean Huangfu felt that he really owed his son. Why would he ask such a stupid question? ! It was obvious that this fellow was made of sticky candy. He might not be able to get rid of it once it was stuck to him! "How can there be a shortcut to cultivation? ! If you advance too quickly and your foundation is unstable, you will have inner demons. You should just focus on your cultivation ! As for the life and death platform, if it really doesn't work, you can just think of a way to delay it. After all, you have plenty of bad ideas," dean Huangfu said unhappily. "Dean, you've eaten quite a few roasted spiritual potatoes of mine! Are you just going to brush me off like that? It's really too heartbreaking!" After Yun Chujiu finished speaking, she sat down on the ground and wiped her tears away. This fellow was cursing in his heart. You Old Fox, I don't believe that you have no idea what to do! When Yun Chujiu cried like that, dean Huangfu felt like he was an unpardonable evil person. He gritted his teeth and said, "Enough! Stop crying! If you can endure the pain, it's not impossible." Yun Chujiu's eyes lit up, and the fellow immediately broke into a smile. "Isn't it just a little pain? ! Don't be afraid, Don't be afraid. Dean, Please Tell Me! What is the solution?" "If you want to break through quickly in a short period of time, you have to break through your own limits. Tianyuan Academy has a trial tower, and the Demon Beasts and environment inside are all illusory formations. Although they won't cause real harm to people, the various kinds of pain are no different from real feelings." Yun chujiu immediately jumped up from the ground. "There is such a good place in our academy? Why didn't I Know About It?" Dean Huangfu Glanced at her. "Don't be happy too early. Because the demonic beasts inside are extremely savage and the environment is extremely harsh, only spirit saints would dare to enter the first level. Furthermore, without the spirit energy of the fourth level

of the spirit saint realm, it is impossible for one to pass the first level. It is just to increase one's actual combat experience."
