

## The Yun Family's Ninth Child is an Imp! Chapter 1146

Yun chujiu bared her little white teeth. "So what if it's dangerous? I Won't really lose my life anyway. where is this trial tower? You specially gave me eight to ten days of leave. I'll go and challenge it!" "The trial tower is behind the Tianyuan Academy's Library. It just so happens that it's closed tomorrow. You should go first. If you still don't come out in three days, I'll help you ask for leave from your teacher." Dean Huangfu said. Ten Days or eight days? This Yun Chujiu really didn't know the immensity of Heaven and earth. With her level of spiritual power, she probably couldn't even last a quarter of an hour. However, he had better not tell her the truth so that she wouldn't pester him again, he had to get rid of this little rascal first. Although Yun Chujiu was shrewd, she still couldn't see through the Old Fox's thoughts. She immediately expressed her gratitude. Dean Huangfu touched his nose guiltily, he hurriedly changed the topic. "Well, since Wu Yun has already drifted away, I'll open the isolation array. The way I said it is the same as last time. Oh right, it seems that a piece of Wu Yun has drifted away just now. I don't know which unlucky person it struck." "Dean, Please Wait a moment. I'll transfer my spirit energy back to the first level of the Spirit sect before you open the isolation array. I'm a person who keeps a low profile the most. It's best not to agitate others." Yun Chujiu said with a smile. The corner of Dean Huangfu's eyes twitched. Forget it! ! Are you pretending to be a pig to eat a tiger to cheat others? ! Dean Huangfu opened the isolation array while cursing in his heart. At this time, the surrounding people also gathered around. Dean Huangfu asked, "Who was struck by the Heavenly Lightning just now?" Deputy Dean Jiang held back his laughter and said, "Dean, the Heavenly Lightning struck Deputy Dean Yin just now. Look, isn't he meditating over there?" Dean Huangfu looked in the direction where Deputy Dean Jiang was pointing and saw that Deputy Dean Yin was seriously injured again. His clothes were covered in blood and he was recuperating. Dean Huangfu couldn't help but gloat in his heart. This Yun Chujiu was really Yin Haoyu's nemesis. The Heavenly Lightning was supposed to strike her, but why did it strike Yin Haoyu every time? It was really funny! Yun chujiu also saw Yin Haoyu's miserable state, she said in surprise, "Aiya, what's going on? Isn't the heavenly lightning supposed to strike me? Why does it strike Deputy Dean Yin every time? Could it be that he did something bad, so the heavenly lightning conveniently punished him on behalf of the Heavens?" Although deputy Dean Yin was seriously injured, his hearing was still pretty good. He heard Yun Chujiu's words clearly and was so angry that he spat out another mouthful of blood. Yun Chujiu, you B \* Tch! Initially, he wanted to let Xinlian kill you on the life and Death Arena, but you provoked him again and again. He really couldn't stand it anymore. I'll find an opportunity to kill you! "Aiyo, Deputy Dean Yin Spat out blood again! Is He going to die? ! This person can't do anything shameful. God's eyes are bright and clear. He can take care of the evil people at the same time!" Yun Chujiu said with a smile. Deputy Dean Yin was so angry that he spat out another mouthful of blood and fainted on the ground. Yin Xinlian and the others quickly fed deputy dean yin pills and finally woke him up. The first thing Deputy Dean Yin said when he woke up was, "Help me back to my courtyard immediately." He felt that if he was still here, he would definitely be angered by Yun chujiu until he vomited blood again. Stupid Girl, just you wait, I won't forgive you! The hearts of the bystanders trembled. Damn it, this Yun Chujiu could make Deputy Dean Yin so angry just by talking? It was better for them to not provoke her in the future. Although her spiritual power was useless, her words were too overbearing. They could not afford to offend her and could only hide.
