

The Yun Family's Ninth Child is an Imp! Chapter 1156

After the poison-striped twin-tailed Python finished spraying its venom, it proudly waited for Yun Chujiu to die. Its venom was extremely poisonous. As long as it stuck to its body, it would die on the spot. This little girl was dead for sure. However, what surprised the poison-striped twin-tailed Python was that the little girl was running and cursing in disgust. "F * ck! You Stinky Earthworm, you actually spit at people for no reason. You're really Shameless!" Not Dead? How was that possible? The Python regained its senses and quickly caught up with Yun Chujiu again. It spat out another mouthful of Venom and then, yes, the little girl ran even faster. Could it be that its venom was useless against her? HMPH, since the venom can't kill you, I'll just Swallow You! When the Python caught up with Yun Chujiu again, it no longer spat out venom. Instead, it opened its bloody mouth and bit at Yun Chujiu. It was too late for Yun Chujiu to dodge. Her entire body was sucked into the mouth of the python. Just as the Python was about to close its mouth and Swallow Yun chujiu into its stomach..., she realized that her mouth was blocked by something and she couldn't close it at all. It turned out that during the emergency, Yun Chujiu had used a rolling pin to block the upper and lower jaws of the python. Moreover, the rolling pin could grow longer and longer, so the upper and lower jaws of the python were firmly blocked. A fierce look flashed across Yun Chujiu's eyes. Damn it, you still want to eat me? I'll make you bloom from the inside right now! Yun chujiu kept waving her hands, and the small purple needles continuously entered the body of the poison-striped twin-tailed python. Yun Chujiu felt that it was about time, so she flew out. "Explode!" In an instant, hundreds of small purple needles exploded in the body of the poison-striped twin-tailed python. The poison-striped twin-tailed Python was instantly blasted into a bloody mess. It rolled on the ground for a while and died. Yun chujiu rested for a while more before she climbed up the cliff. She was prepared to deal with the single-horned violent bull. This fellow really didn't have any good ideas in his mind. Moreover, he didn't know what was going on above the cliff..., she could only take one step at a time. Yun chujiu used the sticky thread to finally climb to the top of the cliff. There was actually an open grassland on top. The single-horned violent bull was leisurely eating grass. However, when it saw Yun chujiu..., it immediately moaned and rushed towards Yun Chujiu! Yun chujiu was so scared that she quickly climbed down the cliff again. Damn, this bull was too big. It was almost as big as the diamond-splitting wild bear. It was probably not that easy to deal with. She had to outsmart it. When the single-horned bull saw Yun chujiu climb down the cliff, it moaned a few times and went back to eating grass. Yun chujiu thought for a long time but couldn't think of any good ideas. Suddenly, an idea came to her and she remembered the bullfight that she had seen in her previous life. Although this single-horned bull was a demon beast, it might also be affected. If she tried, she could just climb down again! Thinking of this, Yun chujiu rummaged through her storage ring and finally found a red cloth. Then, she quietly climbed to the top of the cliff. "Old Bull, Old Bull, what do you think this is?" Yun chujiu mimicked the actions of a bullfighter and used the red cloth to provoke the single-horned violent bull. Sure enough, the single-horned violent bull charged at the red cloth! Yun chujiu dodged while cursing in her heart. It seemed that although this demonic beast had intelligence, it was still a beast in nature and still had the habits of a beast. Although the single-horned violent bull started attacking the red cloth as Yun Chujiu wished, the single-horned violent bull was too big. Yun Chujiu was once again forced to climb down the cliff after a few teasing moves.
