

## The Yun Family's Ninth Child is an Imp! Chapter 1181

Yun chujiu originally thought that she was going to be smashed to pieces. She did not expect that it would be so soft down there. Could it be that someone had prepared a cushion? Yun chujiu looked at it and was amused! "TSK TSK, Yin Sulian, you usually don't get along with me. I did not expect you to care about me so much. After knowing that I was sent out, you actually took the initiative to catch me down there. You are really a good classmate of Tianyuan!" Yin Sulian was already hit quite badly. When she heard Yun Chujiu's words, she choked and fainted. Yun chujiu widened her eyes in surprise. "Although you were very excited when you saw that I was safe and sound, you wouldn't be so excited that you fainted, right? TSK TSK, I didn't expect you to have true love for me!" Everyone couldn't bear to look at her! Shameless! Really Too Shameless! You were clearly the one who knocked me unconscious, but you actually pretended to be innocent here. You're really shameless! Yun chujiu stood up as if nothing had happened. Then, she saw di beiming standing in the distance. Although di beiming was expressionless, the longing and concern in his eyes were overflowing. Yun Chujiu's heart felt warm, however, she was still too weak now. If their relationship was made public, even di beiming wouldn't be able to protect her. Hence, Yun chujiu winked at di beiming and jumped in front of Dean Huangfu. "Dean, I'm out! I've made you worried!" Although Dean Huangfu was very excited, he had a serious expression on his face. "Nonsense! Why did you sneak into the trial tower?" Yun chujiu blinked innocently. "Dean, I didn't sneak into the trial tower. I was forcefully sucked in by the trial tower's Qi Ling. I'm in Big Trouble!" "I died and lived in there. I lived and died. In the end, I spent spirit stones to bribe the Qi Ling before it let me out. It was purely trying to torture me!" When Yun Chujiu said this, her voice was not soft, so almost everyone heard what Yun Chujiu said and immediately exploded! "What? Yun Chujiu didn't sneak in? She was forcefully sucked in by the Qi Ling?" "How is that possible? Did she say that to avoid punishment?" "It shouldn't be. Yun chujiu may be bold, but she's not stupid. Besides, she saw those people taking the jade medallions. I guess what she said is true. After all, she has a heavenly thunder spirit root. Even the Tian Dao won't tolerate her. I guess the Qi Ling of the trial tower wants to trap her inside." "Now that you put it that way, it makes sense. But how did she manage to break through to the ninth level?" "Didn't she say it? That weapon spirit wanted to torture her. I reckon that he had done enough and extorted money from her before releasing her. Otherwise, do you think that a Qi Ling of the first level of the spirit sect can break through to the ninth level? This is a joke." .. Although the people present were skeptical, they also felt that Yun Chujiu, a Qi ling of the first level of the spirit sect, wouldn't be able to break through the ninth level of the trial tower on her own. The weapon spirit of the trial tower must have let her off. Dean Huangfu naturally did not probe further, so he said, "You have also suffered a lot in there. Go back and rest first. Come and see me in the study tomorrow morning." Yun chujiu nodded. She bowed slightly to di beiming and Xue Wuji before turning around and leaving. Di beiming and Xue Wuji naturally would not leave as well for the sake of putting on an act. Instead, they continued to meditate in front of the Tower of trials. In fact, their hearts had already flown to Yun Chujiu's place. Yun Chujiu returned to her dormitory and took a nice hot bath. After that, she laid on the bed and slept. These days, she was simply exhausted. When she was half-awake, she felt that there was an additional person on the bed..
