

The Yun Family's Ninth Child is an Imp! Chapter 119

When everyone heard elder Qu's words, they felt that there was basically no suspense in this round of duels. The difference in strength was just too great! Even if the 'all-conquering' group only sent out three people, they would still be able to completely defeat the clear sky group.

Peak Master You Sighed in his heart. The clear sky group was also quite unlucky. This 'all-conquering' group's strength could be ranked in the top ten of this test. They basically had no chance of winning.

"Look! What is that black girl holding in her hand?"

Everyone came back to their senses and took a look. Sure enough, the black girl took out a few paper bags from her satchel and gave them to three of them. Then, she began to talk and compare them.

"Could it be something like Poison?" An elder guessed.

"Poison pills are very expensive in the world. With their wealth, they simply can't afford it! If it's poison from the secular world, it basically won't pose a threat to the all-conquering group!" Peak master you shook his head.

"What could it be? This black girl is really unpredictable!"

"Look, the tenth round of 'all-conquering' is about to end!"

The melon-eating elders were all excited, their eyes fixed on Yun Chujiu and the others! They more or less hoped that the Qingyun group could create a miracle. This boring cultivation career was rare and interesting!

The group leader of the 'indestructible' group was Liu Qinghua, who was at the sixth level of the spirit enhancement realm. He came from a medium cultivation clan. Due to his high talent and his superior family background, he was very conceited.

The six people in the same group as him were also members of the Liu Shi clan. Their strength was not weak either, so they basically did not encounter any big trouble during the two rounds of the test.

Soon, the tenth round of the Ironbone Bear was eliminated. The seven people were chatting and laughing:

"Team leader, this test of the Ling Hua faction isn't as difficult as the legends say!"

Liu Qinghua curled his lips. "If you ask me, the Ling Hua faction is only so-so. Even that Bullsh * t 'straight to the Azure Cloud' group can obtain the qualification to take the test. It's really getting worse by the day!"

"Team leader, that so-called azure cloud group will probably be eliminated in the first round. It's not worth mentioning at all!"

While the few of them were discussing, the scene in front of them changed. Before Liu Qinghua and the others could react, they felt something fluttering towards them!

"Achoo! achoo! What the hell is that! It's choking me!"

"Ah! My Eyes, it's burning me to death!"

..

Just as Liu Qinghua and the others were wailing, a few swords and wind blades slashed towards them.

When the melon-eating elders saw this scene, their faces turned stiff. One of the elders couldn't help but say, "Despicable! Really Despicable! "

"This is the 'all-conquering' group being beaten like a local rat! "

"All-conquering has now become a miserable group! "

..

"It's just a little trick. Only those at the fourth level of the spirit enhancement realm can fall for it. Those high-level ones can handle it! " Although elder Qu said so, he had to admit that this black girl was even more wicked than him!

As elder Qu expected, the four people at the fourth level of the spirit enhancement realm were caught unprepared. After they were injured by Yun Chuwu and the others, they were kicked off the platform by Yun Chujiu.

Liu Qinghua and the other three at the higher levels jumped to the side in a sorry state and looked at Yun Chujiu and the others with tears in their eyes.

"Achoo! achoo! You guys are too despicable! You actually hurt people secretly! And, you even used pepper powder and pepper flour! " Liu Qinghua said fiercely with tears in his eyes.

"Aiya, didn't we see that you guys had gone through so much during the test and wanted to give you some supplements? ! You guys really don't know how to appreciate the kindness of others! " Yun chujiu hugged her small shoulders and her small feet trembled. No matter how she looked at it, she deserved a beating!
