

## The Yun Family's Ninth Child is an Imp! Chapter 1235

At this moment, Yun Chujiu was grilling meat. Ever since she was sucked in three days ago, Yun Chujiu had been looking for a way out, but to no avail. This fellow thought about it for a moment. He had underestimated his enemy too much. He felt that a little handmaiden would not be able to turn the situation around, he did not expect to be tricked. Dian Cui had previously spread some unfavorable remarks against her, so she should be wary of her. Sigh, she had to learn from her mistakes in the future. It might be too smooth sailing recently, so her vigilance had also become lower. When Yun Chujiu first came in, she was completely dumbfounded. She felt as if she was in an egg. The edges were very low, and only the middle part was slightly higher, however, it was only slightly higher than Yun chujiu's height. This was a barren land where not a single blade of grass grew. There was no sun in the sky, no moon, and no stars, so there was no so-called day and night. It was always dark. Although this place was not completely dark, the progress was very slow. Fortunately, Yun Chujiu had the luminous pearl, so it did not affect the lighting. There were only broken stones and broken stones on the ground. There was not a single living thing. Yun chujiu thought to herself that it was fortunate that there was still air here, or else she would really die. She did not know why the temple of Immortals had such a forbidden place. Moreover, shouldn't there be a sign on the forbidden place? How could there be no sign at all? If there was a sign, she would not have been tricked by Dian Cui. She did not know that there was a sign on the forbidden area. It was a big rock with the words 'Forbidden Area' written on it. However, Dian Cui had covered it up with some wild grass and Yun Chujiu's attention was on the seven star fruit, therefore, she did not see it at all. It was really strange. Normally, the forbidden land was either locked up with a person or a demon beast. Why was the forbidden land here completely bare? Wasn't it a waste of time? It was simply a waste of land! It would be better to plant a few more spirit fruit trees! "Hey! Is anyone out of breath? Come out and have a chat?" "I have delicious food here. Aren't you hungry?" "Hurry up and come out. Maybe I can save you!" .. Yun chujiu shouted for a long time but there was no response. She could only continue to grill the meat and fill her stomach first. The gigolo knew that she was trapped here and would definitely think of a way. After a few days, Yun chujiu still did not meet any living creatures. The place was dead silent. If it were an ordinary person, they would definitely go crazy. However, Yun Chujiu's mental fortitude was very good, she did not think much of it. However, there was one time when she wanted to release Xiao Heinia and the others to relieve her boredom. She was surprised to find that Xiao Heinia and the others looked like they were going to die as soon as they were released. She quickly put them away. "Master, you almost killed us! What the hell is outside? It's suffocating!" Xiao Heinia complained. "Suffocating? I don't feel anything wrong with it? I feel the same as the outside, and I feel quite comfortable!" Yun Chujiu said in confusion. Xiao Heinia and the other two looked at each other. Alright, their Black Hearted Master was a pervert. The pressure outside was so scary that only their perverted master could not feel it! At that moment, di beiming was asking di Linhan who had just come out of seclusion: "Father, what exactly is going on in that forbidden area? Since Young, you have warned me not to go near it. What exactly is locked up there? Is there any way to save little jiu?"
