

The Yun Family's Ninth Child is an Imp! Chapter 1308

Di beiming obediently handed Yun chujiu another cup of tea. Yun Chujiu finished it, only then did he say, "Aunt, alright, I'm not thirsty this time. Actually, it's not my fault. Isn't there a saying that goes like this? When the granary is full, one knows etiquette. When one has enough food and clothing, one knows honor and disgrace. I'm almost thirsty to death. How could I care about the tea ceremony?" "A stomach full of nonsense! You always have a point!" The palace mistress glared at her. "Hehe, no matter how reasonable I am, I'm afraid that Auntie will be angry. I'll study hard now. Show me again, you're the most beautiful person I've ever seen drinking tea. You're like a fairy," Yun Chujiu said flatteringly. The palace mistress clearly knew that Yun chujiu was flattering her, but she felt comfortable in her heart, so she showed Yun chujiu again. Di beiming sat at the side, thinking how good it would be if such a moment was fixed. His parents and Little Jiu were safe, and nothing else was important. The sound transmission talisman in di Beiming's storage ring started to vibrate. After di beiming used his spiritual sense to read it, he frowned slightly. "Mother, there's a problem with the spirit stone mine. I'm afraid I have to go there personally to take a look." "The main business is more important. Then you should go. Bring more people with you. Don't be careless." The palace mistress said seriously. Yun chujiu couldn't help but sigh in her heart. This old witch was like a different person when it came to the main business. She was really fickle. Di beiming hesitated for a moment. "But father isn't here either. I'll bring more than half of the elites with me. If there really is a strong enemy invasion, I'm afraid..." "Your father will probably be back in a few days. Besides, what can happen? The Secret Guards and guards of the temple of immortals are not to be trifled with. No matter how weak your mother is, I'm still at the fourth level of the supreme being realm. It's fine, just go ahead." Di beiming nodded. "Okay, then I'll hurry back! Mother, after I leave, the mountain protection formation will be activated immediately. It's best to be careful." After the palace master's wife nodded, di beiming said to Yun chujiu, "Little Jiu, you're fine. Don't Be Naughty." "Brother Beiming, you go! Don't worry, I'll protect Aunt!" Yun chujiu hugged the palace master's wife's arm and said. At the beginning, the palace master's wife was still a little uncomfortable when Yun chujiu hugged her. Now, she was numb and felt that the feeling of being relied on by her little daughter was not bad. After di beiming left, the palace master's wife curled her lips. "Little rascal, what you said sounded nice. You want to protect me? I'm a dignified fourth level spiritual venerable, how can I use a fifth level spirit sect like you to protect me?" Yun chujiu puffed out her small chest. "Aunt, don't look down on me. I'll definitely protect you when I say I'll protect you." The palace master's wife paused for a moment and then waved her hand. "Get lost! I'm going to take an afternoon nap!" Yun chujiu curled her lips. What an old witch who did not know how to appreciate the kindness of others! HMPH! Yun chujiu did not know that the eyes of the palace master's wife, who had turned her back, were red. She had seen countless people and could see that Yun Chujiu was speaking the truth. She felt inexplicably touched, but she did not want Yun chujiu to see it, that was why she chased Yun chujiu away. Forget it, for her sincerity, after beiming marries his wife in the future, I will take her in as my adopted daughter. In the future, when I choose a good family to marry, I will treat it as if I have a daughter. The next day, when they learned that di beiming had left, Qin Mingzhu and Baili Yan came to bid their farewells. They had not returned home after a long vacation, and this time, they wanted to go back and take a look. The palace mistress urged them to stay. Seeing that the two of them had made up

their minds to leave, she asked manager Luo to bring dozens of secret guards to escort the two of them back.
