

The Yun Family's Ninth Child is an Imp! Chapter 1312

“They put a colorless and tasteless poison into lunch and water wells. This poison is different from common poisons. It only makes people feel a little drowsy and has no other characteristics. Therefore, everyone thought that it was a doze-off in the afternoon. Even the elders who know medicine didn’t notice it in time. “By the time they realized that something was wrong, it was already too late. If it was an ordinary poison, we could still hold on for a period of time if we used our spiritual power to suppress it. However, once this poison takes effect, it is actually unable to suppress it. The spiritual power in our bodies quickly dissipates...” Therefore, the other party didn’t spend much effort to take over the temple of Immortals. Sigh! It was all due to my carelessness. If we had investigated earlier, we would definitely have discovered the people who had snuck in earlier and wouldn’t have caused such a disaster. If they really succeeded.., i would be the sinner of the temple of Immortals and even the Tian Yuan continent.”The palace mistress blamed herself very much. After so many years of peace, she had forgotten about the potential threat. “Aunt, have you recovered your spiritual power?” The palace master’s wife nodded. “This poison seems to have a short duration. There is nothing abnormal about it now.” “Where are our people locked up?”Yun chujiu asked again. The palace master’s wife shook her head, indicating that she did not know. “What is the identity of this person?” “From what he said, it seems to be some hall master, the uncle of that Dharma Protector Tao.” “Then we have to think of a way as soon as possible. Otherwise, if Dharma Protector Tao doesn’t see this person tomorrow morning, he will definitely be suspicious.”Yun chujiu frowned and said. “Little Jiu girl, before they discover you, you should return to your original hiding place and wait for Bei Ming and the others to come back and save you.”The hall master’s wife shook her teeth and said. “What About You, Aunty?” “All of this was due to my negligence. I killed as many as I could. In the end, I won’t let them have the chance to capture me alive. Even if my Dantian self-destructs, I will still kill a few more of them.” “Aunty, are you crazy? I worked so hard to save you just to send you to your death? If I had known earlier, I wouldn’t have saved you!”Yun Chujiu said angrily. “Little jiu girl, I wronged you in the past. I don’t want to die either, but now I have no other choice. “They don’t know of your existence, so you will be safe if you hide. I’m different. If I disappear, they will definitely search for me vigorously. At that time, you will also be implicated. “If I’m captured, in the future, when Ling Han and Bei Ming counterattack, they will be restrained. So I can only die so as not to become a burden to them.”The palace master’s wife said firmly. Yun Chujiu’s impression of the palace mistress was better. This old witch was not a selfish person, she rolled her eyes and said, “Aunty, I Won’t Stop You If you want to die, but we still have half a night’s time. That so-called Dharma Protector Tao probably won’t find out that Qi Yu is dead until tomorrow morning. If we make good use of this half a night, perhaps you won’t have to die.” “What can you do for half a night? Moreover, there are only two of us!”The palace mistress really didn’t have much confidence. “Man makes the best of things. Besides, your longevity hall is still boasting about how powerful you are. How could you be taken down by others without making a sound?”Yun chujiu specifically stabbed the palace mistress’heart. The palace mistress’Fighting Spirit was instantly ignited. “HMPH, it’s just because bei Ming took away more than half of the elites and we were poisoned. Otherwise, this netherworld hall would be nothing!” Yun chujiu heard the hall master’s wife, who had always prided herself on her

dignity, even say “Fart”. She knew that her fighting spirit was already aroused, so she said, “Aunt, you have a concealment talisman on you, right?”
