

## The Yun Family's Ninth Child is an Imp! Chapter 1323

Although the participants were not fixed and could be replaced, there was no one in the temple of Immortals who could be replaced. The third level of the spiritual venerable realm was already the highest. Seeing this, the palace master's wife wanted to replace the secret guard in the competition. Yun Chujiu said with a cheeky smile, "Aunt, how can you kill a chicken with an ox knife? I'll do this competition!" "This..." the palace master's wife hesitated for a moment. If it was in the past, she would naturally feel that Yun Chujiu was overestimating herself. However, she had personally seen the little girl kill two people at the second level of the spiritual venerable realm. Perhaps she could do it this time? Seeing that the palace master's wife was a little hesitant, Yun Chujiu continued, "Aunt, don't worry. I'll definitely win." The palace master's wife saw Yun Chujiu winking at her, and her heart moved. Could it be that the little rascal had some plans? Thus, she said, "Alright! Since that's the case, then you will fight in this round!" The people of the Netherworld Palace felt that this little girl of the longevity palace was most likely a spy on their side. Otherwise, why would the suggestion that she made be beneficial to the Netherworld Palace? Dharma Protector Tao was also puzzled. This little girl didn't look like a fool, right? Moreover, even if she was a fool, the wife of the temple master shouldn't be a fool, right? Why did she really listen to this little girl in everything? Forget it. In any case, we were the one who had the upper hand. It would be best if she came out to fight. It would probably not take more than fifteen minutes to defeat this little girl. At that time, the people of the temple of Immortals would surrender. At this thought, Dharma Protector Tao signaled a middle-aged man on his side to come out to fight. "How should I address this uncle?" Yun Chujiu asked the person from the Netherworld Palace with a smile. The man snorted disdainfully, "Humph! If you don't want to change your name, don't change your surname. Ren Zhiyuan! Little Girl, cut the crap. Let's Fight!" "Ah, so it's Ren Zhiyuan. Uncle Ren. But Uncle Ren, your name is not very auspicious! Uncle Ren, if you admit defeat, you might as well admit defeat!" Yun Chujiu curled her lips and said. The people of the Temple of Immortals roared with laughter. Even the people of the Netherworld Palace found it amusing. However, Ren Zhiyuan could not keep his face straight anymore. "Darn girl! You're courting death!" Ren Zhiyuan was about to make his move after he finished speaking, unexpectedly, Yun Chujiu shouted loudly, "Wait!! Wait! You haven't asked me what My Name Is Yet? We should return the favor. Don't you have to respect me a little? Forget it, if you don't ask, I'll introduce myself. I don't think many people know me. Don't make a move first, it's impolite!" "My surname is Yun, the cloud floating in the sky. Isn't my surname Nice? It's perfect for a beautiful little beauty like me! Look at the cloud in the sky. There are all kinds of shapes. Some look like mountains, some look like kittens, some look like puppies..." Ren Zhiyuan shouted impatiently, "Alright, we all know your surname is Yun. What's Your Name? Quickly say it! Stop Wasting Time!" "I was born on the ninth day of the Lunar New Year, so my name is Yun Chujiu. Isn't it easy to remember and very cultured? Of course, you can also call me ninth miss. Yes, little ninth fairy can also be called." Ren Zhiyuan curled his lips in disdain. "Alright, I don't care whether you are ninth miss or ninth fairy. Let's start the competition! I advise you to admit defeat voluntarily. Otherwise, Humph, it's very normal for there to be casualties in this competition." "Admit defeat? If you want to admit defeat, you should admit it. After all, you have a natural advantage here! Hehe!" Yun Chujiu said with a smile. Ren Zhiyuan

flew into a rage out of humiliation. He attacked Yun chujiu with his spiritual power, and a huge python of spiritual power pounced at Yun chujiu with its tongue sticking out!
