

The Yun Family's Ninth Child is an Imp! Chapter 1356

Bai Mantou was so angry that he was jumping up and down. What the F * ck? Lie Yan, you're A Level 26 demonic beast! How dare you let that Smelly Girl Ride on you? ! ARE YOU A B * Tch? !

What did that smelly girl come for? Could she be here for revenge?

Bai mantou nervously continued to look outside..

Yun chujiu sat on the back of Lie Yan, feeling very pleased. She felt that it was necessary to let the three-and-a-half-tailed red fox eat some meat so that it would grow bigger. This way, she could ride it around in the future, let's hope this thing gets a little bigger with its fourth tail.

An hour later, the wild fire tiger carried Yun chujiu to lie Yan on the river, it just so happened that Yun chujiu drank a stomach of venom.

Two Savage Lie Yan Tiger walked to the river bank, see the river water there are some small fish and shrimp, suddenly surprised stunned!

Heavens!

What the little girl said was actually true!

The poison in the river was really gone!

Yun Chujiu jumped off the Tiger's back. "Lord Tigers, I didn't lie to You, did I? The poison in the river was really absorbed by my treasure. Look, this stone tablet was erected by me!"

The two wildfire tigers followed the direction Yun Chujiu pointed and indeed saw a stone tablet. It seemed that the little girl really did not lie to them.

The two wildfire tigers roared at each other. It was obvious that they were discussing how to deal with Yun Chujiu. Yun chujiu blinked her eyes and said, "Sir Tigers, you can continue your work. I will go to the river to seek revenge from that D * mned weapon spirit!"

After saying that, Yun chujiu jumped into the river. The two wildfire tigers did not make up their minds to eat her. When they saw that she had jumped into the river, they did not chase after her. Instead, they began to look for a favorable terrain and prepared to settle down here.

After Yun chujiu activated the water repellent bead, she began to search for the location of the weapon spirit's palace on the riverbed.

When Bai Mantou saw that Yun chujiu was really going to take revenge on him, cold sweat broke out on his forehead. He had to think of a way to prevent her from finding his hiding place.

Bai Mantou's eyes suddenly lit up. Hmph, I'm the boss of my territory. Watch how I Torture You!

Yun chujiu was searching the riverbed when she suddenly felt a strong suction force. Yun Chujiu knew that this was definitely caused by Bai Mantou, so she did not resist. She just happened to find Bai Mantou and teach it a good lesson.

Yun Chujiu had just opened her eyes when she saw Bai mantou give a sinister smile. Then, a white light flashed in front of Yun Chujiu's eyes again.

Yun chujiu immediately understood what Bai Mantou was planning. This guy was planning to teleport her to the mouth of some demon beast. Damn it! Bai Mantou, just you wait, I will come back!

When Yun Chujiu opened her eyes, she found that she was stuck on a huge net. In the distance, there was a wild golden back poisonous spider that was quickly crawling towards her.

Yun Chujiu was shocked at first, then she laughed out loud!

When Bai Mantou saw Yun chujiu, not only was she not shocked, she even laughed out loud. It thought that the stupid girl must have been scared crazy. HMPH, how Dare You Offend Me, I will torture you to death.

Just as Bai Mantou was feeling smug, something that it would never forget for the rest of its life happened!

When Yun Chujiu saw the wild golden back poisonous spider crawling over, she unhurriedly summoned the ball of yarn. When the ball of yarn saw the huge sticky silk net and the wild golden back poisonous spider crawling over, it was so happy that it could not close its mouth:

“I was just worried that I didn’t have enough sticky silk to knit a sweater. I didn’t expect someone to come to me voluntarily. This is great!”
