

## The Yun Family's Ninth Child is an Imp! Chapter 136

When everyone saw this, they were even more certain that what Yun Chujiu said was true! Otherwise, why did Liu Qingzhen not say anything? He must be feeling guilty!

Yun Chujiu smiled contemptuously. "Did everyone see that? What do you mean by staying speechless? This is what he meant! He didn't have any reason and still came to Middle Peak to act atrociously. He's really too much! He wants to bring us to West Peak's Law Enforcement Agency hall. In order not to cause trouble for Middle Peak, we obediently followed him. It's just that he's too much of a bully!"

After Yun Chujiu finished speaking, she jumped down from the big rock and walked to the side of Yun Chusi and the others, she sighed. "Brothers and sisters, let's follow them. The West Peak's Law Enforcement Agency isn't someone we can afford to offend! I didn't expect that in order to protect the Middle Peak's property, we would be backstabbed by Liu Qingzhen. We can only blame our bad luck!"

The disciples of the Middle Peak immediately exploded! Even those who had courage could not bear it all! The people of the West Peak were too much of a bully! This was a slap in the face to them!

"Damn it! Let's go! We'll go too! I don't believe that this Spirit Radiance Sect doesn't have rules! Why does the West Peak's Law Enforcement Agency have the say so? They can do whatever they want now?!"

"That's right! What right do they have to bully the people of Middle Peak! Besides, these seven rookies have just entered the sect. How could they be so bold as to beat up the disciples of the Law Enforcement Agency?!" Well, they had already selectively forgotten about the matter of Yun Chujiu kicking Liu Qingzhen.

"Let's go! Let's go! We'll all go with them! Didn't they say that Elder Xiao Panshi of the West Peak is the most impartial? We'd like to see how he handles this matter."

...

Liu Qingzhen was so angry that he was trembling, but he could not say anything. The two people who were with him the day before did not follow him, so he could only glare at Yun Chujiu. He was furious in his heart. 'Stupid girl, just you wait. When we reach the West Peak and have a witness, let's see how you'll defend yourself.'

Yun Chujiu maintained a wronged look on her face. From time to time, she would even twitch a few times. Some of the female disciples of Middle Peak could not bear it anymore and kept comforting her.

"Junior sister, don't be afraid. The people of Middle Peak aren't easy to bully!"

"That's right! We're not afraid of the shadow. If the Law Enforcement Agency of the West Peak is unreasonable, we will not let it go!"

..

Yun Chujiu suddenly burst into tears. "Sob sob... You guys are really too kind. That's great! I, Yun Chujiu, will be a member of Middle Peak in the future. If I die, I'll be a ghost of Middle Peak. If anyone dares to say bad things about our Middle Peak, I'll bite them to death!"

The more Yun Chujiu talked, the more the disciples of the Middle Peak felt that Liu Qingzhen's crime was unforgivable. All of them gritted their teeth and stared at him, wishing they could go up and smite him.

Liu Qingzhen was about to break down! According to common sense, these seven odd-job workers should be trembling in fear and obediently following him?! How did they make it such a big issue?!

He thought about it again. 'Hmph! So what if they made it a big issue?! There was no thunder and lightning yesterday. They were the ones who started the fire! The bigger the issue, the heavier the punishment would be for them.'

Yun Chujiu tapped the copper basin with her spoon and began to sing, "Little cabbage, yellow in the ground; poor child, bullied; wronged, wronged! Peach blossoms bloom, apricot blossoms fall; no one cares, a gust of wind; wronged, wronged!"

Yun Chujiu's singing was very sincere, and Little Black on the side cried. It was really sad to hear, and one would tear just from listening. When everyone heard it, they all felt that Liu Qingzhen was really something!
