

The Yun Family's Ninth Child is an Imp! Chapter 1389

"Are You Yun Chujiu?" The leader asked with a fierce look.

"Oh, am I so famous now? You all know me? I'm really embarrassed!" Yun Chujiu said shyly with her hand covering her mouth.

The eight people of the Nether World Palace were dumbfounded and confused. This little lunatic was the Yun chujiu that Dharma Protector Tao mentioned?

Wasn't she just a silly little girl? Moreover, her spiritual power level was only at the fifth level of the Spirit sect. What kind of storm could she cause? Dharma Protector Tao must have not finished his words. There was no way that this little girl would ruin our plan.

However, since they had already met, it was better to capture her. It was not bad to use her as a threat to the longevity palace.

"Stupid girl, to tell you the truth, we are from the Netherworld Palace. If you want to be sensible, quickly surrender. We don't want your life. Otherwise, you will suffer."

"People from the Netherworld Palace? Since you are from the Netherworld Palace, why aren't you staying in Your Netherworld continent? Why did you come to Our Heavenly Yuan Gift? Are you all full of yourself?" Yun chujiu blinked her eyes and asked curiously.

The people from the Netherworld Palace were so angry that they were twitching. This little girl's words were really too sarcastic!

One of them with an aquiline nose said to the leader, "Leader Li, Don't talk nonsense with her. I will just capture her!"

The leader nodded and the group expanded the encirclement. If that was the case, Yun Chujiu would not be able to escape.

Yun chujiu pouted. Run? I Won't Run! I'll catch all of you in one go!

The hooked nose pouted and looked at Yun Chujiu. "I heard that the Tian Yuan Academy is the best academy in the Tian Yuan continent. Why did a trash like you enter? I don't think the Tian Yuan Academy is that good!"

"You are right. I am the most trash in the Tian Yuan Academy. However, I think that even a trash like me can deal with you without a problem. Do you believe that I can kill you in less than three moves?" Yun Chujiu said with a smile.

"Hahaha! Aren't you afraid that the wind will blow your tongue? Three moves? I can kill you in three moves!" After the aquiline nose finished speaking, he attacked Yun chujiu with his spiritual power.

The aquiline nose was at the second level of the supreme being realm, and his spiritual beast was a vicious wolf. It pounced fiercely at Yun Chujiu.

Yun chujiu unhurriedly released one spiritual power piglet, two spiritual power piglets, and three spiritual power piglets..

Yun Chujiu released ten spiritual power piglets in one breath. Three of them entangled the vicious wolf, while the other seven pounced at the aquiline nose.

The hawk-nosed man was shocked. How... How was this possible? How could the little girl release so many spiritual beasts? And they all seemed to have intelligence?

Although he was only stunned for a moment, the seven piglets of spiritual power had already lunged at him. The hawk-nosed man immediately screamed and had to take out a sword to hit the piglets of spiritual power on his body, trying to disperse them.

At this moment, Yun Chujiu shot out several small purple needles from her hand towards the eyes of the aquiline nose. The aquiline nose had no choice but to jump up and Dodge.

Just as the small purple needles flashed past, Yun Chujiu released ten more piglets of spiritual power. The aquiline nose was bitten until it cried out in pain.

The leader of the nether world palace shouted, "This stinky girl is a little strange. Let's attack together!"

"TSK TSK, are you guys going to gang up on me? How Shameless! Didn't you just call me trash? I see that you guys are even worse than trash like me! A bunch of shameless bastards!"

"Stinky girl, don't talk so glib. When we catch you later, how are we going to deal with you!"The leader said fiercely.

"Tch! Do you think that only you guys know how to gang up? I know how to do that too! Number One, two, three, four, five, kill them all for me!"
