

The Yun Family's Ninth Child is an Imp! Chapter 1414

When Feng Ming heard Yin Sulian's words, he was instantly enraged!

"Yin Sulian, do you have a conscience?" If it wasn't for junior sister Little Nine, you would have long been killed by the people of the Netherworld Hall. How could you still slander junior sister little nine in such a manner? Moreover, the life and Death Arena was brought up by Yin Xinlian herself. Her death was her own fault!"

Many of the second grade students cast reproachful gazes at Yin Sulian. They were able to come out safely from the Misty Valley because they had directly or indirectly received Yun Chujiu's help. Naturally, they were very dissatisfied with Yin Sulian's words.

Seeing that she had offended the public, Yin Sulian could only act tough on the inside and say, "Why are all of You Looking at me? Didn't I say that in order for our Tianyuan Academy to win?"

The crowd could not afford to provoke the Yin family. Seeing that Yin Sulian had changed her words, they did not pursue the matter any further and looked towards the stage.

The result of the competition was without any suspense. This round of the array competition was still the Netherworld Academy's victory.

As the sky gradually darkened, the host announced that the competition would continue on the second day.

Si Tushi walked to Dean Huangfu's side, with a fake smile, he said, "Dean Huangfu, I'm really sorry. We accidentally won two rounds. In this first stage, five rounds and three wins, your Tianyuan Academy is probably doomed! "If you lose tomorrow's alchemy competition, TSK TSK, I think there's no need for talismans and beast taming to compete anymore. It saves a lot of time."

Dean Huangfu said indifferently, "Si Tushi, I feel that you have vividly interpreted an idiom."

Si Tushi snorted coldly, "What idiom?"

"I've achieved success! The competition has just begun. We'll see tomorrow." After Dean Huangfu said that, he directly left.

Si Tushi was so angry that his face turned red. This Huangfu Zhongheng was originally difficult to deal with, but his mouth was not so bad. Now, this old man's words were really too bad!

However, no matter how good your mouth was, it was useless. We have already won two matches. As long as we win one more match, you will lose the first stage of the competition. Let's see how you will still have the face to show off then!

When Dean Huangfu returned to the Tian Yuan Academy's headquarters, the heads of all the major factions had already come over. This was a matter that concerned the Tian Yuan continent's face. Losing two matches in a row was really too embarrassing.

Of course, even though they were feeling anxious in their hearts, they still maintained a calm expression on their faces. After all, they had seen many storms before. What's more, this was only the first phase of the competition. Even if they really lost, there was still the second phase of the competition.

More importantly, although Dean Huangfu was only the dean of the Tian Yuan Academy, but he was able to stand on equal footing with them. It wouldn't be good for them to give Dean Huangfu any face.

Di linhan coughed, "Dean Huangfu, since today's competition has already ended, there's no need for us to say anything more. Do you have confidence in the upcoming competition?"

Dean Huangfu laughed bitterly, "Everyone, to tell you the truth, ever since your esteemed self and young master Wuji graduated, the Tianyuan Academy has never seen any outstanding figures. "Yun Chujiu's talent wasn't bad, but unfortunately, she went missing. "And that Lan Luo Chen didn't return to the academy for a long time, so the academy had to bear with the pain and expel him."

Dean Huangfu's words didn't seem like he was answering the question, but everyone naturally understood the underlying meaning. Dean Huangfu didn't have the confidence to win!

Yin Qinghua, the head of the Yin family, hated Yun Chujiu to death. He snorted coldly. “Even if Yun chujiu is here, what’s the use? Does she know how to refine pills or make talismans? or can she tame beasts? Not to mention that her spiritual power is so low!”
