

The Yun Family's Ninth Child is an Imp! Chapter 1435

Just as Yun Chujiu was deep in thought, another student from the Netherworld Academy had his talisman pen broken. He had a rather annoyed expression on his face.

Yun chujiu snorted in her heart. Her acting skills could even make her a best actor!

The Netherworld Academy had two broken talisman pens. On their side, only Xu Feng's talisman pen was broken. There was a high chance that there was something wrong with this talisman pen of hers. She was really unlucky!

Xu Feng had only drawn three dao talismans before they were broken. This meant that the dao talismans could only bear enough spiritual power to draw three Dao Talismans. Could they just watch as the Netherworld Academy's scheme succeeded?

Yun chujiu rolled her eyes and said to the host, "Host, I request to change to another Dao Talismans."

The host had previously accepted Yun Chujiu's pills and naturally had a good impression of her. When he heard Yun Chujiu's words, he was prepared to agree, unexpectedly, the judge with triangular eyes shouted sternly, "You are not allowed to change! No one else has changed, so why are you special? If you make any more unreasonable requests, you will be directly punished!"

The host looked at Yun chujiu helplessly, meaning that there was nothing he could do.

Yun chujiu knew that the triangular eyes were 10,000% si tushi, that old bastard's accomplice. Moreover, there was an 80% chance that there was something wrong with her talisman pen. What should she do?

Forget it! Let's draw a few of them first. What if she was worrying too much?

Thus, Yun Chujiu no longer hid her strength. She started drawing talismans as quickly as possible, and she even drew a supreme-grade explosive talisman.

Yun chujiu calculated that a supreme-grade explosive talisman was worth 10 points, while a high-grade explosive talisman was worth 5 points. If Li Wei drew six high-grade explosive talismans, it would be 30 points, even if her talisman pen broke after drawing three, she would still be able to obtain thirty points. At the very least, she would be able to tie with him.

Regardless of whether it was the people on the stage or the people below, they were all stunned by Yun Chujiu's valiant behavior!

Everyone saw Yun chujiu quickly waving her talisman pen. Her speed was several times faster than the other contestants. was she drawing talismans or just randomly drawing?

Xu Feng's face was full of shock at this moment. Although his stage was separated from Yun chujiu by Li Wei's stage, he could still clearly see the situation on Yun Chujiu's stage. Yun chujiu, she, she actually succeeded in drawing a super-grade explosive talisman. Moreover, it only took less than fifteen minutes! How, How was this possible?

Li Wei used the corner of his eyes to see Yun Chujiu's situation. His heart was immediately shocked. His spiritual power was thrown into chaos, and the talisman that he was drawing turned into ashes.

He hurriedly collected his thoughts and sneered in his heart. No matter how heaven-defying you were, it would be useless. You should be the unlucky one. Other People's talisman brushes had not broken yet, so there must be something wrong with that talisman brush of yours. Without the talisman brush, let's see how you draw!

When the people of the Tian Yuan continent saw the shocked expressions on Xu Feng and the host's faces, some expectations rose in their hearts. Perhaps Yun chujiu really knew how to make talismans?

Moreover, her speed was so fast that she could definitely catch up to that Li Wei from the Netherworld Academy. Perhaps, the first place would be Yun Chujiu's again!

Just as Hope Rose in the hearts of the people of the Tian Yuan continent, Yun Chujiu's talisman pen broke with a crack!

Yun chujiu was extremely vexed. She had neglected one thing. The spiritual power required for a transcendent-grade explosive talisman was much more than that of a high-grade talisman. Therefore, she had only drawn two transcendent-grade talismans before this damn talisman pen broke!

Li Wei's lips curled into a sneer. It was headmaster situ who had thought this through. Otherwise, Yun chujiu would have almost ruined their plan.
